Why tonic value is greater in this yeast

Yeast Foam Tablets are made entirely of pure whole yeast —the richest source of the tissue-building vitamin

The amazing tonic properties of yeast, and its consequent popularity everywhere, have offered opportunities which patent medicine makers and others have been quick to capitalize.

The resulting flood of so-called vitamin preparations reveals many products which contain precious little yeast and insignificant quantities of vitamin.

Remember these facts

It is of utmost importance to you to remember that Yeast Foam Tablets are made entirely of pure whole yeast—that their vitamin content is proved by actual test to be both high and uniform—that they are endorsed by leading medical scientists—and that they are made by yeast experts, the world's largest manufacturers of dry yeast.

By virtue of these facts you are definitely assured that Yeast Foam Tablets have an exceedingly high tonic value—and that is what you really want.

You may take them with the positive knowledge that they will aid assimilation, promote growth and the formation of firm, healthy tissue, and that through these processes you will experience an energizing and generally upbuilding effect.

Take Yeast Foam Tablets for these conditions

Yeast Foam Tablets, which are so rich in the tonic and tissue-forming vitamin, are recommended for loss of appetite; indigestion; lack of physical strength and energy; anaemia; skin disorders; nervous troubles and many forms of vitamin deficiency and general ill health known as "run down" conditions.

The name, Yeast Foam Tablets, is your protection. It is your guarantee of purity and *known* vitamin potency. Ask for this yeast by its full name. There is nothing just the same or "just as good." Get a bottle from your druggist today.

Obituary.

Death again has entered a home in our midst and for its victim took a dearly beloved brother and highly respected citizen, Lent Tuttle.

Mr. Tuttle was born in Ridgeway township, Jan. 1st. 1845 and departed this life April 10, 1922 at the age of 77 years, 3 mo. 9 da. He was one of six children born to the late Daniel and Sarah Tuttle and is survived by two sisters, Mrs. Melissa Covell and Miss Sally Tuttle, with whom he lived. He has always lived in this vicinity and took active part in pioneer days, toward clearing the land and erecting a home. His thoughtfulness and kindness to others won for him a large circle of friends. The patience with which he bore his illness, of the last few months, is but characteristic of his whole life. His testimony was such as to assure one that he had indeed entered into the "rest" prepared for those who love the Lord Jesus Christ. The funeral services were held Wednesday afternoon at the home with the Rev. R. C. Powell officiating. The pall bearers chosen were Chas Gorham, Fred Hensen, Wm. Reudel, E. H. Oliver, Chas Downing and Wilson Craig.

The remains were laid to rest in the family burying ground at Ridgeway. Those from away attending the funeral were Mrs. Lawrence Miller and Roy and Ray Covell of Northville, and Edward, Fred and Henry Tuttle of Seneca.

Card of Thanks.

MORTGAGE SALE.

WHEREAS, default has been made in the payment of the money secured by a certain mortgage dated the eighth day of August, in the year one thousand nine hundred and eighteen, executed by Nora E. Snyder, of the Township of Dover, County of Lenawee, and State of Michigan, to Commercial Savings Bank, of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee in Liber 161 of Mortgages, on page 499, on the eighth day of August, in the year one thousand nine hundred and eighteen, at 4:45 o'clock p. m.

And whereas the said mortgage has been duly assigned by the said Commercial Savings Bank to Henry R. Jewett, by assignment bearing date the eighth day of August, in the year one thousand nine hundred and eighteen, and recorded in the office of the Register of Deeds of the said County of Lenawee, on the 13th day of February, in the year one thousand nine hundred and twenty-two, at 11:30 o'clock a. m. in Liber 202 of Mortgages, an page 262, and the same is now owned by him.

And whereas, the amount claimed to be due on said mortgage at the date of this notice, is the sum of One Hundred Five Dollars and sixty-nine cents ($105.69), principal and interest, and the further sum of Fifteen Dollars ($15.00) as a reasonable attorney fee, as said mortgage is the sum of One Hundred Twenty Dollars and sixty nine cents ($120.69), and no suit or proceeding having been instituted at law to recover the debt now remaining secured by the said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given, that by virtue of the said power of sale, and in pursuance of the Statute in such case made and provided, the said mortgage will be foreclosed by sale of the premises therein described, at public auction, to the highest bidder at the east front door of the Court House in the City of Adrian, in said County of Lenawee (that being the place where the Circuit Court for said County is holden) on the 13th day of May, 1922, at ten o'clock in the forenoon of that day; which said premises are described in said mortgage, as fol[illegible] five (25) acres of the west one-half (½) of the southeast quarter provided by Statute, and the whole amount claimed to be unpaid on of Section Twenty-two (22), Town Seven (7) south of Range Two (2) east, in the Township of Dover, County of Lenawee and State of Michigan.

COURTS HOLD ACCOUNT GOOD

The supreme courts of many states have held that any person who has been a regular subscriber to any newspaper and who allows his subscription to run behind but continues to receive the paper, is liable for the subscription price for such paper for the time he has received it.

This is not only a well established custom but the courts have found it entirely compatible with the law of equity and therefore held as above stated. It is a perfectly good and valid account and it is the custom of nearly all papers to keep sending the paper to regular subscribers for a limited time after their subscription expires expecting of course that the subscriber will call and re-subscribe at his convenience and in 95% of the cases they always do. However, a very few allow it to run without expecting to pay. This is an unfair advantage and hence the courts have held the accounts to be collectable.

There is nothing known to man that brings as much pleasure and satisfaction to the whole family as the home paper and all for four cents per week, a lot less than a cheap cigar, a block of gum or a sack of candy. If you are not a subscriber, you are missing the opportunity to see the bargains advertised every week and which if taken advantage of will net you many times the cost of your paper, beside keeping you informed on all the local news of interest. You might as well be out in the desert as not to know what is going on and what is offered for sale at a bargain. There is no way to do this except through the home paper and therefore its the greatest value giving medium ever instituted.

And most of those who let their paper to run behind, do so through mere neglect. When they are down town they forget it and therefore it gets behind before they realize it. Those who publish it know this and keep the paper coming and when the subscriber's attention is called to it they cheerfully respond and all is well and everybody happy. That is as it should be hence no one of good thought and well meaning ever takes offense at calling their attention to their oversight, and those very few who do are generally the ones whose motive is possibly not the best.

However, it all comes right in the long run and the old home paper keeps right on bringing its message of joy and gladness and its opportunities for saving money as regular as old Sol smiles on the landscape to bring forth the harvest time again.

HIGHLY RESPECTED RESIDENT DIES.

Mrs. Jennie Colvin passed away yesterday afternoon at 4 p. m. after only a short illness. Mrs. Colvin would have been 84 years of age on June 11. Her daughter, Mrs. J. A. Gillen of York, Pa., has been with her for the past three weeks.

Jennie Mauger was born in 1838 in Fruit Ridge of pioneer parentage. When 18 years of age she married Sinclair Abbott and to them the one daughter, Mrs. Gillen, was born. Some years after the death of Mr. Abbott the widow married James Colvin of Raisin. Nearly fifteen years ago the couple moved from the Colvin farm into their home on West Chicago street. Here Mr. Colvin died twelve years ago and since Mrs. Colvin has lived alone, taking great pleasure in caring for her home and many flowers.

Only one sister out of the family of six daughters remain, Mrs. Geo. Lanning of North Adrian. Also surviving are three step-children, Mrs. C. A. Waldron and Bert Colvin of Tecumseh and Mrs. Nora Cornelius of Detroit.

The funeral will be held from Belding Funeral Home Friday at 1 p. m., Rev. W. R. Curtis officiating. The burial will be in Adrian.

Mrs. Colvin was highly respected by hosts of friends, her greeting being always cheery. She was very active, always busy about her home and garden, her death being the more a sudden shock to her friends.

A BIRTHDAY SURPRISE.

Honoring the birthday of Miss Helen Sheldon, two of the classes of the Baptist Sunday-school, taught by Mrs. Fred Sheldon and Rev. W. R. Curtis, took possession of the Sheldon home Friday evening and surprised the little lady completely. The twenty young people had a riotously good time as one always does at that delightful place. Games and stunts a-plenty made the hours pass all too swiftly and lunch was served to cap off the festivities. To show their affection for Miss Helen she was presented with a pretty gift.

FORMER BUSINESS WOMAN OF TECUMSEH BURIED HERE SUNDAY.

Mrs. Joseph H. Hanford, a mention of whose serious illness we made last week, passed away Thursday evening at her home in Chelsea. Last fall Mrs. Hanford became ill with heart trouble and since has been an invalid. The Saturday before Easter, her daughter, Mrs. Leigh Beach and her two daughters drove into Chelsea from their farm home to spend Easter with Mr. and Mrs. Hanford. They had only been in the house a few minutes when Mrs. Hanford fell to the floor in a severe stroke. She remained in a semi-conscious state until death came to her release last Thursday.

Hattie Kemp, the second daughter of Mr. and Mrs. Orville Kemp, was born in Franklin township 57 years ago. Here she grew to womanhood, marrying Joseph H. Hanford also of Franklin. Over 35 years ago the Kemp and Hanford family moved to Tecumseh, where for 25 years Mrs. Hanford conducted a successful millinery business. Selling the business here Mr. and Mrs. Hanford disposed of their pretty home and moved to Chelsea in the fall of 1919 to be near their daughter, Fern, and family. Here they had purchased a new home to which they had moved only last February. In Chelsea as in Tecumseh Mrs. Hanford's pleasant ways and likable personality won for her many friends and she worked as faithfully for the Chelsea M. E. church as in the home church here as long as her health permitted.

Mrs. Hanford is survived by the husband, one daughter, Mrs. Beach two little granddaughters, two sisters, Mrs. Eva Cooley of Los Angeles, Cal., and Mrs. S. C. Cutting of Tecumseh, one niece, Mrs. L. D. Weese of Santa Paula, Cal., and two nephews, Marvin Cooley of Buffalo and Clarence Cooley of Oregon.

Short services were held at the family home in Chelsea Sunday morning and from the M. E. church in Tecumseh in the afternoon, Rev. H. R. Beatty, the Methodist minister at Chelsea officiated, assisted by Rev. W. A. Gregory. Mrs. E. T. Rosecrans sang a beautiful solo, accompanied by Mrs. Ella Hedges. Six neighbors kindly came as the bearers [illegible]

[illegible] also for the service were Mr. Hanford, the daughter and husband, the nurse, Miss Benter of Chelsea; Mr. and Mrs. Robert Hanford, Claude Crittenden of Detroit; Mrs. Agnes McElroy Smith, Mr. and Mrs. Carl Chittenden, Miss Stella Haynes, Mr. and Mrs. James Henderson, Mrs. Delia Carpenter, Mr. and Mrs. Chester Kaynor and family, Mr. and Mrs. Ray Kemp and Miss Mertie Kemp of Adrian; Mr. and Mrs. Glen Kemp and several Tipton relatives and friends.

CANDY KITCHEN PUTS IN NEW FIXTURES.

The Tecumseh Candy Kitchen has just installed a complete new soda fountain and back bar. The fountain is one of the latest makes and is made of german silver which insures its being free from rust or deterioration due to the water or materials used about it.

The back bar was installed by W. H. Harrison & Son, local men who manufacture all kinds of such fixtures and they certainly have done a fine job. Immense plate glass mirrors extend the whole length and the woodwork is dark finish which presents a very beautiful appearance. In fact, the work is as nearly perfect as can be done and shows with what splendid skill these men work.

The fountain itself is the latest word in neatness and convenience which will enable them to give their trade excellent service.

ANNOUNCES HIS CANDIDACY.

Thos. Conlin supervisor of Franklin was a pleasant caller at the Herald office last week and in the course of conversation he stated that he was going to be a candidate for county drain commissioner this fall subject of course to the primaries in August.

Mr. Conlin is serving his eigth term as supervisor from Franklin and was unanimously elected chairman of the board of supervisors at this year's meeting. He is a farmer well known throughout the county and his long term as supervisor has put him in close touch with county affairs.

Supervisors John Poucher and Jas. Jacklin have been reported as candidates for the legislature from this county and Alda Bovee has been spoken of as a candidate for Register of Deeds. If all are elected there will be many new faces on the board next year.

BALL PLAYERS ATTENTION.

The first practice of the season will take place on the local grounds next Sunday at 10 o'clock in the forenoon. All ball players are urged to be present and try out your talents for the local team, and all bawl players come to the first game.

At a recent meeting of the players, W. F. Fisher was elected to manage the team and W. L. Coller was elected Sec'y and Treas. This insures good management for the coming year and a good team should be developed.

Live Christian Life In Your Home

One Of The Thoughts In The Community Service Address Sunday Night.

"Opportunities for religious education are too meager" asserted Rev. J. F. Kiskaddon in the Community Service Sunday evening.

The community services will now be held each Sunday evening. Last Sunday the service was held at the Presbyterian church, the pastors taking part in the opening services. Mrs. J. H. Smith's Sunday-school class of young girls formed the choir conducted by W. S. Dickinson.

"The heritage of faith" was Rev. Kiskaddon's theme. He told how Timothy came into his heritage of faith through his mother Eunice and grandmother Lois, both holy women, and how their teachings governed his whole life

He said "A genuine faith in the living God is more necessary than a heritage of fortune or education." Too often the profession of Christianity is not exemplified in the home and no one knows the sincerity of the parents better than the children. We expect the children to gain a foundation for their christian life, not in the home, but in the thirty minutes each week which the Sunday-school teacher can perhaps, have their attention.

When the children are presented for baptism the parents promise to bring them up in the nurture and admonition of the Lord, but [illegible] inspection. It was the simple piety of the peasant home which kept Christianity alive through the centuries of persecution of the church. Rev. Kiskaddon closed with this tense sentence, "If Christianity is to stand, it must be through the stability of home religion."

FORMER PROMINENT CITIZEN DIED IN GRAND RAPIDS.

Remains of another former resident have been brought back to lay in their long sleep in beautiful Brookside. This time it was Mrs. Ida Patterson, widow of the late Dr. James Patterson who answered the Last Call. Mrs. Patterson left Tecumseh over 25 years ago with her family to locate in Kala[illegible] and Mrs. Patterson who was in poor health went to Grand Rapids ti live, to be near her daughter, Mrs. Frances Powers. A few months ago, her condition becoming worse, her son Dr. Paul Patterson gave up his practice in Toledo and went to Grand Rapids to help care for her.

Surviving are the daughter and son above mentioned, two sons, Harold of Chicago and Rev. Fred Patterson, Episcopal rector of Allegan, two grand-children and four sisters, Mrs. Myra Gage of Chelsea, Mrs. Martha Gage of Muskegon, Mrs. M. R. Simmons of Elkhart, and Mrs. Carrie Brown of Santiago, Cal. The late Smith Morse of Tecumseh was a brother. These ladies are the last of a family of fourteen children.

Mrs. Patterson was born in Dundee township about 66 years ago, coming to Tecumseh when but a little girl.

The funeral was held from the home in Grand Rapids yesterday and the remains arrived here yesterday afternoon.

"PRINCESS BONNIE" COMING MAY 2-3.

One of the best shows of the season will be put on at the Bradley next Tuesday and Wednesday under the auspices of the American Legion when a comic opera entitled "Princess Bonnie" will be played by local talent.

The pley is said to be one of the best ever produced locally and the Legion has always given the people extra good shows so it is very confidently expected that this show will eclipse all the others.

The caste has been practicing hard and will have everything in readiness when the curtain raises next Tuesday evening. The talent has been selected with care and those who attend will surely see a show worth while. Remember the dates.

Three Killed Near Dundee, Sunday

Party Returning From Dance Struck By Train, Two Killed. Another Car Returning From Dance Struck Bridge, One Is Killed. Fatalities Bring Intense Grief Into Several Homes.

Two awful auto accidents happened during the early hours of Sunday morning near Dundee which horrified the people of both Monroe and Lenawee counties.

Our musical quartette, "The Joy Boys," Wiley McCann, Lester Waring, Dale Bowen and Morris Coller, have been putting on a series of Saturday night dances in Dundee this past winter which have attracted the young people from miles around in every direction. It was among the returning dancers that the accidents happened with such loss of life.

One car was on the Dundee-Milan road just out of Dundee, when they smashed into a slowly backing D. T. & I. freight. In this trouble the lives of Ben Boes, 21 of Maybee and Blanche Bruckner, 15, of Milan, were lost. Three others of the party were injured: Merrill King of Milan, Loraine Bruckner of Milan, a sister of Miss Blanche and Carl Isenhauer of Maybee. The sixth member of this party, Arabella Stalter, 16, of Milan was uninjured though she was on the front seat with the two who were killed.

The driver, young Boes, it is surmised saw the fuse signal of the brakeman on the back of the freight but thinking it was a hold-up, dashed ahead to death.

The car smashed under the caboose of the freight, took fire and both were burned.

The second wreck with the loss of one life took place one mile east of the Monroe-Lenawee County line, east of Britton. Here a low red arm bridge just spans the cement portion of the road. It is hardly distinguishable in the night and especially dangerous when the driver meets another car and turns partially into the dirt portion to give room for the other car. This was the case when a car west bound after the dance passed a second car and smashed into the end of the bridge. The death toll [illegible] a young girl from Adrian Roberta Fraley, 16, who died at Dr. Lusty's office in Britton shortly after the accident. The other injured were Miss Bernice Semark of Clinton who has a broken arm and Arthur Rothfuss of near Wamplers Lake who is badly cut and bruised about the hands and face. Miss Alice Prentis of Clinton suffered a bad bruise on the head and Andrew Muck of Toledo the fifth occupant of the car was uninjured.

Miss Fraley has been a frequent visitor in Tecumseh of late and the death of this young girl, full of vigor of life is keenly felt by her friends here.

The remains were removed to the home of her mother, Mrs. V. M. Weaver, in Adrian where the funeral was held Tuesday.

ENTERTAINED FOR CASTE OF SENIOR PLAY.

At the high school domestic science rooms Friday evening the senior class entertained those of their number who had formed the caste of their play given recently. Other guests were teachers who had assisted them: Prof. and Mrs. C. D. Wilcox and the Misses Donaldson and Rankin.

It was some banquet which the girls served with Mrs. Mattis as caterer. The menu ranged from roast pork to ice cream and the husky young people put the good things out of sight in short order. Afterward Archie Waring presided as toastmaster in a jolly way introducing each speaker with joking sallies. The toasts were experiences of the caste while putting on their play and were comic indeed.

"The Crowd"—Alton McIntyre and Mills Swick.

"Coaching"—Mr. Wilcox.

"Make ups"—Miss Donaldson.

"The Curtain"—Earl Pennington.

"Behind the Curtain"—Myrna Van Vleet.

"Thank You"—Arlene Gillespie, who presented Mr. Wilcox a gold piece for his faithful work in coaching them.

At the close of the program all hands hustled the dishes into the kitchen and washed them nicely and tidied up the rooms, leaving things in apple pie order. Then they responded to Marion Harrington's invitation and spent the balance of the evening at her home, playing stunts and games. The party was one of the most delightful the class of 1922 ever enjoyed.

Mr. and Mrs. Ernest Van Vleet and daughter, Miss Myrna, teturned home from Ypsilanti Tuesday evening having been called there by the illness of Mrs. Van Vleet's mother, Mrs. Nelson Freeman.

WESTMINSTER GUILD PLAN GOOD WORK.

Mrs. B. J. Pulver opened her home Tuesday evening for the meeting of the Westminster Guild, Mrs. W. L. Jones being the assistant hostess.

Mrs. C. A. Slayton conducted the devotionals.

Miss Grace Gillespie, the president, conducted the business session when a "coffee" was planned to be held tomorrow (Friday) at the home of Mrs. C. N. Graebner from 2 to 5 p. m. The ladies have purchased 100 yards of muslin to be made into surgical dressings under authority of Dr. Pauline Bredow, these to go to Missionary hospitals. They also planned other fine things to promote the welfare of the society. After a song service, Mrs. E. N. Billings acted as leader of the study portion of the evening. In the absence of Mrs. W. G. Waldron and Miss Bess Spayde the discussion of the chapter, "The Missionary at Work," was taken up by Mrs. J. F. Kiskaddon and Mrs. Franc S. Gillespie, closing with a solo by Dr. Bredow.

During the hour of visiting which followed, the hostesses served refreshments.

They were so interested in the stories of Miss Sena Hosmer who has just returned from Florida and others that only the shaking of the furnace by Ben down cellar, brought the guests to a realization of the lateness of the hour.

FUNERAL OF MRS. COLVIN.

The funeral services for Mrs. Jennie Colvin were held from the Belding Funeral Home Friday afternoon. Mrs. Colvin had died the Wednesday before at the family home on West Chicago street.

Rev. W. R. Curtis of the Baptist church officiated. The bearers were five nephews of Mrs. Colvin, Edgar, Clarence and James Lanning of this vicinity and Thomas Knox of Detroit.

There was quite a party of people from away present, among them being the daughter, Mrs. J. A. Gillen of York, Pa., Norman Horton, Mrs. George Horton, Mrs. Jerome Camp, Mrs. Adereska Elliott and Mrs. Mary Roberts of Fruit Ridge; Mrs. Reed and Miss Carter of North Star, Mich.; Mr. and Mrs. Lavern Anderson, Daniel Hutchinson, Mrs. Hazel Griffith and Mrs. Nancy Anderson of Sand Creek, and Mrs. Alonzo Tyler of Detroit.

The burial was in Oakwood cemetery at Adrian.

CHOO-CHOO VISITS TECUMSEH

Gives Health Talk To Little Folks At Opera House.

Bradley Opera House was full of the bright faces of little people Saturday afternoon to greet Choo-Choo, the clown. Beside the little ones were many parents and both enjoyed the antics of the fun-maker as well as appreciated his talk on health. He is sent out by Child Health Organization of New York and with his fun he urges a diet of more milk, eggs [illegible] breakfast food. For several years Choo-Choo was a clown with Barnum & Bailey's circus, but has traveled in the interest of better health for the little people for three years.

BASE BALL FOR BOY SCOUTS.

Tuesday evening the indoor activities of the Boy Scout Troup Two closed. Out-door base ball will be the program until camping time. The past year has been the most successful of any preceeding year. About fifty boys have been on the roll. It has been necessary to run the meetings in two shifts. They have had many life work talks, moral and religious. A great many acts of kindness has developed. Service, usefulness, character have received much attention. The boys have shown themselves good sports and respect for things that are right. We want to thank Prof. Crampton for his kindness and co-operation in making it possible to have the gymnasium. Come out to play ball Saturday afternoon. Any boy may come.

W. R. Curtis, Scoutmaster.

LITTLE GIRL TAKEN TO SANITARIUM

Miss Devlin, the public health nurse of the Lenawee Red Cross accompanied little Mildred Blesing, youngest child of John Blesing to the Howell sanitarium for tuberculosis subjects Tuesday. Mrs. Mary Ives chairman of the Red Cross for Tecumseh township made the trip with them and Will Eccles volunteered as driver taking the party in his car.

Miss Devlin is doing awonderful work for the sick of the county. As an instance, Little Mildred is the seventh she has succeeded in placing in the Howell institution.

Chas. Drake Found Hanging in Barn

Evidently Had Committed Suicide After Being Recently Released From Kalamazoo. Will Gray Found Body About Noon When He Went To The Barn For His Team. Coroner Summoned.

The body of Charles Drake was found by Will Gray of Raisin township, 4½ miles southeast of Tecumseh yesterday just after noon hanging in his barn. Last fall Mr. Drake, who was a former resident here, was committed to the Kalamazoo asylum for the second time. He had been found on the steps of a school house near Morenci after he had taken poison.

Last week the authorities at the asylum released him as they said he was alright. On Monday they received a letter from him saying "I'm going to end it all now." Then the authorities saw their mistake in freeing him and wired the man's sisters, Miss Carrie Drake, an Adrian nurse, and Mrs. Rufus Underwood of Britton, to watch out for him. The officers in Adrian were also notified to watch the trains and if they found him to bring him back to the asylum.

On Tuesday a telephone message from Toledo was received at the Underwood home asking "Is Leo (Mrs. Underwood) there?" Upon being answered that she was in the field on an errand, the man's voice replied, "That's all I want to know."

This made the sisters believe their brother was in Toledo and they have been anxiously awaiting a visit from him.

Tueday night he walked into the home of Mr. Gray, who lives near the old Drake homestead in Raisin which passed from the family long since. He remained with Mr. Gray over night and when Mr. Gray began his work in the morning said, "Well, guess I'll hang around and if I get tired I'll walk on."

Mr. Gray, when he returned from the field found a letter from Drake saying he was about to hang himself in the barn and giving directions as to the disposal of his money and other things.

The coroner was summoned.

The remains were brought to the Belding Funeral Home where the funeral will be held.

FINE CONTRIBUTIONS FOR NEAR EAST RELIEF

Sixteen Hundred Pounds of Clothing and $200 Collected for Starving People

Mrs. Jenny C. Law Hardy has already 1600 pounds of old clothing and shoes packed ready to send to the near east sufferers. Many of these garments she has cleaned in gasoline, making them all clean and sweet for the unfortunates. The Near East Relief commission plan to send a carload from Detroit so these boxes will be sent with that consignment. Mrs. Hardy has worked days at this packing, tying each pair of shoes together, etc.

There is already $200 in the bank toward the Near East relief fund and should anyone have been overlooked in the canvass over the town he is not to feel hurt but the fund is still open for his or her contribution. And look after it at once.

TECUMSEH BUSINESS MAN MARRIED LAST EVENING

A wedding took place in Springfield, Ill., last evening which was of unusual interest to Tecumseh people. At the home of Dr. and Mrs. R. L. Walty in that city occurred the marriage of Miss Lillian Mae Gentry and Claire Dickinson of Tecumseh. The groom's mother, Mrs. Fred Poucher, was the only relative from here to attend. The young couple will return to Tecumseh and for a time reside at the Poucher home.

Mr. Dickinson has been a Tecumseh boy all his life. He was with Co. C through the Mexican and World Wars serving as bugler. And since coming home has made an excellent business for himself as a plumber. He has hosts of friends whose glad welcome awaits both the groom and his new wife.

FINAL MEETING OF BRIDGE CLUB

Mrs. Louis S. Schneider was hostess for her bridge club Tuesday afternoon at their final party of the season. Each guest brought a gift which were chosen according to the scores won. Mrs. L. P. Williamson had the highest honor with Mrs. F. C. Dickinson second. A dainty two course lunch was served by Mrs. Schneider. Mrs. George Adamson of Chicago was the out of town guest.

SELLING IT AGAIN.

A Detroit newspaper carries the news item that Groesbeck will start a campaign to "Sell Michigan to the wolverines" by broadcasting it over the wireless.

Can't see where there is anything new in that. Seems to us as if the little part of the state we own had been sold to us about ten times already and the evidence is always with us whenever we look at our receipts.

Some of you have an auto and you paid hard earned money for it and thought you owned it but you have to send the state one dollar to get a title after you have paid for it and then you have to get the sheriff to say you can drive it and pay fifty cents for that. Then you you have to pay on the horsepower and again on the weight beside the fees for getting the blank form made out. And now they are coming forth with a tax on gas. Surely, selling Michigan to the wolverines is fine stuff but we can't see what there is new about it. We don't know of anything in sight that the good wolverines don't buy several times over every year by their contributions to the taxes which include a nice little sum for everything under the sun. We pay someone $1500 a year to head a boys and girls calf club in this county and we are about to pay a new county agent $3,000 a year to sit in the county court house and entertain the farmers on how to kill Canada thistles.

And roads, look at the one built last year from Tipton to Adrian past Representative Evans farm and which is already breaking into chunks before we get to pay the interest the second time. Guess those whose land is located on that road have bought a big chunk of Michigan and will continue to buy more for several years to come.

We have heard of selling the lions in Grant part to the green farmers who strayed into the windy city but we don't have to go there now. They are coming right to our homes to save us the trouble of travel and sell us Michigan several more times. Can't see why they dont change the tune or at least some of the words in it and sell us Indiana or Iowa for a change.

Oh, well, they might as well entertain us one way as another for we have got about as much chance of getting away from the political gang as a gun-powder cat chased through Hades. How much of Michigan do you want to subscribe for in addition to your yearly stipend fixed by our statesmen and county board of supervisors?

Yep, sell Michigan to the wolverines must have taken some hard thinking to get up such an alluring subject for home owners of this grand old state, but get your pencil ready to subscribe again.

ITS ALL OVER NOW BOYS.

Tesla the inventor of wireless says that the next thing is Television whereby anyone can plainly see all that is going on for 1,000 miles in any direction.

Gosh, what a new crop of alabis will be necessary in Tecumseh. Think of it boys when you have "an important engagement at the office after hours and you find friend wife looking you squarely in the eye and suggesting that it possibly may be so but will glance in your direction once in a while to see how it is coming along.

And these devotees of the Royal Flush, how can the game be played unless some new material is discovered to make up the pack so that television can't detect what you are holding. And when we go to the city on business and decide to see the latest flapper show, friend wife just looks in and tells us all about it when we arrive home.

If Tesla keeps on he will take all the joy out of life for some of those whose alabis have proved efficacious in times past. Yes and those prohibition agents can just squint at that bulging hip pocket and tell exactly the color of the swelling much to the discomfiture of those who need a little cheer to make life worth while.

Can't see where there is much chance for us men folks if these durned inventors keep on with this wireless stuff and it wont do the men much good either for the women folks wear 'em high enough now to shock the modesty of us country folks who don't live in the windy cities.

CLINTON.

The fiftieth anniversary of the foreign and home missionary societies of the Congregational church was observed at a state meeting in Jackson, April 27 and 28. Mrs. E. E. Hoyt and Mrs. Beth Foreman went as delegates from the Clinton church. Mesdames M. E. Olds, [illegible] Kimball, J. D. Hause and J. T. [illegible] also attended.

Mr. and Mrs. C. M. Halladay were week-end guests of their daughter in Grass Lake.

About one hundred and ten men enjoyed the lamb supper in the M. E. church parlors Monday evening and probably two hundred fifty heard the excellent addresses by H. H. Halladay and Major Duff of Lansing. This will be the last meet of its kind this year. The series has served to bring the needs of the immediate community and of the state generally, definitely before the members, and it is impossible that some good results should not follow.

Rev. H. J. Johnson of Morenci is spending part of the week with his daughter, Mrs. G. A. Gall.

Mr. and Mrs. Will Watrous and Mrs. Harold Meyers all of Ann Arbor were Sunday visitors at the home of the Misses Ada and Nellie Rogers.

Chas F. Clark whose business headquarters is in Des Moines, Iowa, was at his home here Tuesday and Wednesday.

Mrs. Chs Parker of Hillsdale visited relatives and friends in Clinton last week.

Mr. and Mrs. Frank Handy living near Evans Lake are the parents of twin sons, born 1st Monday. They are named Leo and Leonard and their combined weight is 8½ pounds.

Mrs. Nettie Frey went to Jackson Tuesday to visit friends and to see "Turn to the Right."

Miss Catherine Clark, daughter of Mr. and Mrs. C. F. Clark, teacher in one of the high schools of Detroit has been appointed to accompany the girls of the Senior Class of 1922 on a sight-seeing trip to Washington, D. C. sometime before their commencement in June. The girls have earned the cost of the trip in various ways during the school year.

Mr. and Mrs. Frank Palmer and son Richard went to Clayton Sunday to visit his sister.

S. W. Demuth was in Adrian Monday on busines.

W. D. St. John of Chicago is spending the week here.

Mr. and Mrs. Daniel Granier of Toledo visited Mr. and Mrs. A. G. Greene last week-end.

Mr. and Mrs. Ben Lawrence and two sons of Chelsea were Sunday callers at the home of Mr. and Mrs. Willis Greene.

Mrs. Obed Alvord went to Mt. Clemens Sunday to remain a fortnight. Her friends are hoping the treatment given there for rheumatism will be of benefit to her.

Byron Redick, who has been away from his place at the Woolen Mill for a number of weeks on account of illness was able to go to work Wednesday morning.

Mrs. Emma Redick visited her daughter, Mrs. Andrew Taylor of Tecumseh Wednesday and Thursday.

The Misses Fannie and Ella Bostedor were Tecumseh visitors Friday.

The Ladies Aid of the Congregational church met at the home of Mrs. H. P. Hoyt last Friday afternoon. Light refreshments were served by Mrs. Harry Barnard's committee.

Mr. and Mrs. Wilfred Slater of Tipton who have been in Florida for the winter returned home Thursday eve.

Mr. and Mrs. G. R. Wolf, Mr. and Mrs. Willis Green and Mrs. A. M. Frye motored to Toledo for the day Sunday.

The Ladies Bible Class of the M. E. church taught by Mrs. Martin spent a social afternoon at the home of Mrs. Chas Corwin last Saturday. A pot-luck supper and a business session at which the following officers were chosen were features of the occasion: Pres., Mrs. Will Sherwood; Sec., Mrs. G. B. Smith; Treas., Mrs. Mary O'Dell; Teacher, Mrs. Lydia Martin; Asst. Teacher, Miss Marion Bruce.

Mr. and Mrs. Frank Shuler were in Tecumseh Saturday.

Mr. and Mrs. Ed Clack of Fowlerville were week-end guests in the home of his brother, Will Clack.

Mrs. Alice Hettinger of Detroit was with her mother, Mrs. Sara Halladay over Sunday.

L. W. Swift of Tecumseh visited relatives in town Sunday.

Mrs. Homberger of Adrian who has been caring for Mrs. Sara Seamark for a number of weeks went home Saturday and Mrs. Lowry of Tecumseh is taking her place.

Rev. Addis Leeson of Ann Arbor will be in Clinton Wednesday, May 3. He will hold a quarterly conference at the M. E. church in the evening.

The interior of the M. E. church is being redecorated and the union church services last Sunday evening were held in the Town Hall. The address by Rev. G. R. Millard while not a "gospel sermon" in the old time understanding of the term was full of thought producing material. He pointed out in a clear forceful way a number of things which are an answer to the question, "What is the matter with our modern ways?" and suggested remedies. Clinton people were glad of an opportunity to hear the ladies band of Tecumseh, which was present. Their music was highly appreciated.

Mrs. Leman Bailey went to Detroit last Friday. On Sunday Mr. Bailey drove over bringing Mrs. Bailey back with him.

Mr. and Mrs. H. H. Halladay of East Lansing cme Sunday to their daughter's home west of town. Mr. Halladay was toast master at the meeting of the Men's Community Study Club Monday evening. They went home Tuesday forenoon.

Next Sunday will be the annual thank offering Sunday of the W. F. M. S. of the M. E. church. Rev. Earl Rice of Adrian will preach the thank offering sermon and Rev. G. R. Millard will occupy his pulpit in Adian on that date.

The union services next Sunday evening at the Congregational church will be in the interests of the Salvation Army. A speaker from Adrian is promised for the occasion.

RENEWED TESTIMONY

No one in Tecumseh who suffers backache, headaches, or distressing urinary ills can afford to ignore this Tecumseh woman's twice-told story. It is confirmed testimony that no Tecumseh resident can doubt.

Mrs. Alice Burroughs, Pottawatamie St., says: "Less than a year ago I began to feel badly. I sometimes ached all over and had such tired feelings, my energy seemed all gone. My kidneys didn't act naturally and at times my back ached dreadfully. I had known of others in our town who had been helped by using Doan's Kidney Pills for the same trouble, so I went to Wright & Son's Drug Store for a supply. I began taking Doan's and in a few weeks was feeling much better. Now I am free from the aches and pains and feel better in every way. I know that Doan's gave me this benefit and am glad to say that I heartily recommend them, as I know them to be reliable." (Statement given December 3, 1908.)

On May 3, 1920, Mrs. Burroughs said: "The cure Doan's Kidney Pills gave me has proven permanent. I willingly confirm my former statement."

HON. J. M. BENEDICT PASSED AWAY AT PORTLAND.

Hon. J. M. Benedict, a resident of Tecumseh many years ago and having many relatives in this vicinity, passed away Saturday at his home in Portland, Mich.

He was a member of the state legislature when the site of the Michigan Agricultural College was purchased. Had Mr. Benedict lived until July 26, he would have been 91.

The funeral was held Tuesday, G. B. Garlinghouse going to that place Monday for the service.

NOTICE OF MORTGAGE SALE.

WHEREAS, Gottlieb P. Gerken and Bertha Gerken, his wife, of Defiance, Ohio, made and executed a certain mortgage bearing date the first day of March A. D. 1920, to Adrian State Savings Bank, of Adrian, Michigan, which was recorded in the office of the Register of Deeds of the County of Lenawee, on the 2nd day of March, A. D. 1920, at 8:45 o'clock in the forenoon, in Liber 213 of Mortgages on page 510.

AND, WHEREAS, the amount claimed to be due upon said mortgage on the date hereof is the sum of Six Thousand Four Hundred Fourteen and 44-100 ($6,414.44) Dollars, and no suit or proceedings have been instituted at law to recover the debt now remaining secured thereby, or any part thereof;

AND, WHEREAS, default has been made in the payment of the money secured by said mortgage, whereby the power of sale contained therein has become operative: NOW, THEREFORE, NOTICE IS HEREBY GIVEN, that, by virtue of said power of sale, and in pursuance thereof, and of the statute in such case made and provided, said mortgage will be foreclosed by a sale of the mortgaged premises at public vendue, to the highest bidder, at the east front door of the Court House, at the City of Adrian, in said County of Lenawee, and State of Michigan, that being the place of holding the Circuit Court within said County, on the 17th day of July, 1922, at ten o'clock in the forenoon: the description of which said premises contained in said mortgage is as follows: All that certain piece or parcel of land situate in the Township of Macon, County of Lenawee and State of Michigan, described as follows, to wit: the west half (½) of the south east quarter(¼) of Section one (1), in Town five (5) south of Range five (5) east, being eighty (80) acres, more or less, excepting a strip of land of the uniform width of three (3) rods, north and south, from off and across the north end of that part of said tract which lies east of the center of the angling road, which strip of land was conveyed May 20th, 1873 by Jacob Litchard and wife to John F. Temple, by deed of record in Liber 104 of deeds at folio 86, Lenawee County records.

Dated, April 15th, 1922.

LOW WAISTLINE EVENING GOWNS

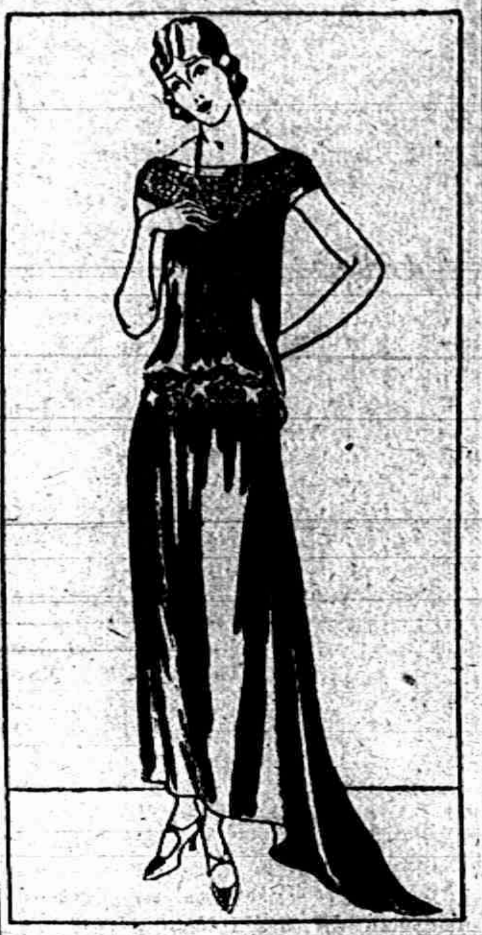
Paris Fashion Writer Cites Noticeable Changes in the Newest Apparel.

MODELS LONG AND STRAIGHT

Slender Lines Prevail in Favorite Dresses From France—The Decolletage Becomes More Modest This Season.

From a cursory glance one gains the impression that there is little difference between this winter's evening dresses and those of last year, but let one of each season appear side by side and last year's gown will seem decidedly old-fashioned, notes a Paris fashion correspondent in the New York Tribune.

In recent times the changes in fashions have been so slight and so gradual that we were scarcely conscious of them. Innovations are brought about gradually. This method is infinitely better than the old-time one of causing an upheaval which meant forcing styles so startling that none but the extremist adopted them.



An Interesting Model of Black Chiffon and Jet.

We have been talking of longer lines in dress for so long a time that the subject seems a very old one. But the lengthened lines we talked and wrote about two years ago are short in comparison with those of today. Last winter no dressmaker placed the waistline as low down on the hips as it is now. Then there is the skirt, the hem of which almost touches the ground, doing its part in producing a longer and slimmer effect. These skirts are better suited to evening dresses than to any other costumes.

Loose Models for Uncorseted Figure.

French gowns are of the long, straight sort. This is the type of evening dress most in use. While there are many models with tight bodices and full skirts they are in the minority. The appeal of the picturesque, [illegible] is not strong enough to compete successfully with its long graceful skirt and its simple bodice hanging loosely from the shoulders and blousing around the hips.

One reason why the evening dress with tight-fitting bodice and full skirt is not eagerly accepted is because it is not suited to the uncorseted figure. The loose, and in some cases rather untidy appearing dress, is in accord with present-day fashions, keeping pace as it does with progress and with the emancipation of women in dress as in other lines. No woman wants to return to Civil war times in her dress any more than she wants to revert to any phase of life peculiar to those days.

If we realized how closely dress is and always has been connected with history we would be more successful with it and would desist from all attempts to march it into any other than the natural channels.

Decolletage Becomes More Modest.

Evening gowns, except for the most formal occasions, are less decollete this year. Some have draped skirts, the foundation skirt being about seven inches from the floor, while the various ways of hanging panels, points and drapery from the low waistline to several inches below the skirt, give a most fascinating line.

In evening dresses Jenny features flowing side panels which are a continuation of the sleeve. She introduces an ingenious effect by arranging the panel on one side of the dress so that it falls from the front of the sleeve and that on the other from the back. She further accentuates this reverse treatment by making the panels of a contrasting material. Two wedding dresses from this maker, one in white satin and another in silver lace, show interesting and novel trains which are a continuation of panels.

Fabrics are sumptuous and colors are brilliant. An abundance of sheer silver tissue is used for scarfs and trains, as well as tissues of gold and silver shot with beautiful colors, notably red and violet hues.

CLEAN-UP WEEK.

The week of May 1 to 6 has been designated by the State Department of Health as Clean-Up Week and by the Department of Public Safety as Fire Prevention Week.

With the outbreak of malaria in a number of different localities last year everyone will be interested in eradicating all possible breeding places of the mosquito such as stagnanat pools, undrained ditches, tin cans and open receptacles. Manure piles should be removed early, out-door toilets cleaned and repaired so as to be fly-proof, and rubbish, garbage, and sewage properly disposed. Your hearty co-operation will do much for the successful observance of this week.

Low death rates were experienced in most communities in the state during 1921. Efforts to clean up in the spring—and to continue the clean-up throughout the year—will stimulate sanitary precautions and have a favorable effect upon the death rate in 1922. Civic cleanliness spell health and longevity.

MRS. NELSON FREEMAN DIES IN YPSILANTI

Mrs. Nelson Freeman, mother of Mrs. Ernest VanVleet of Tecumseh, passed away Friday evening after a long illness with cancer of the throat. She leaves the husband and two other daughters.

The funeral was held Monday afternoon. Attending from Tecumseh were Mr. and Mrs. Van Vleet and daughter, Miss Myrna, Mr. and Mrs. Floyd Freeman, Mr. and Mrs. Herbert Aten, Mrs. Clarence Allison and Mrs. Lillian Owen.

Mrs. Freeman had visited her daughter here frequently and made many friends who grieve with the family in the loss of this good woman.

HOLLOWAY.

Mrs. B. J. Rector was a guest over Sunday of Mr. and Mrs. J. L. Calhoun. They also entertained Rev. Ralph Harris of Adrian on Sunday.

Mr. and Mrs. W. M. Calhnun, and children Kathryn and Lyle, and Mr. and Mrs. Albert Gafner and daughter Margaret were in Adrian Sunday calling at the homes of E. A. Elkington and Del Vedder.

Mrs. Wm. Britton of Adrian visited Sunday at the home of her daughter, Mrs. W. P. Rainey and family.

Mr. and Mrs. Chas Baird and daughter, Melba of Adrian were calling on relatives here Sunday.

Mr. and Mrs. W. M. Calhoun and children were calling at the home of Mr. and Mrs. Chester Pilbeam at Britton on Thursday afternoon.

TAKING LONG TRIP IN AUTO HOME

A house on wheels was in town yesterday that excited some little curiosity. It belonged to Otto Kinsel, a scenic artist and curtain painter who with his wife and baby son are driving from Toledo to Canadian points. Both are doctors of Chiropractic and well equipped to make their way in life.

The car is a complete home, furnished with folding bed, folding table, stationary stove and other necessary articles.

Rev. W. R. Curtis was at Manchester Sunday where he officiated at the funeral of a tiny babe born to Mr. and Mrs. E. C. Jedele. These people recently moved to Manchester from Mrs. Helen McNeil's farm.

LOCAL AND PERSONAL.

Miss Gertrude Sheldon was home from Ypsilanti over Sunday.

Ralph Holmes of Saginaw spent part of last week with his father, Fred Holmes.

Mr. [illegible] Mrs. Frank Camburn and son Joseph were over from Saline Sunday.

Frank Bradley arrived home Monday morning after spending the winter in Florida.

Mrs. Hattie Seitz returned to Jackson Monday after visiting her mother, Mrs. James Marsh.

Mrs. P. C. Snell spent from Friday to Tuesday with her daughter and husband, Mr. and Mrs. J. A. Davis, in Detroit.

About every car in town made the trip to Dundee Sunday to see the wrecked auto which caused such a loss of life.

Mrs. Theodore Crane and daughter, Miss Judith and Miss Grace Gillespie visited the former's sister, Mrs. Wm. Gadd, in Clinton, Sunday.

Mr. and Mrs. Stanley Packard and Adelbert Packard have moved into the Gaston house on South Pearl just vacated by Mr. and Mrs. Gannett Gregg.

Mr. and Mrs. G. H. Tansley and Mr. and Mrs. Glenn Tansley and baby drove to Jackson Sunday to spend the day with Mrs. Glenn Tansley's parents, Mr. and Mrs. Brooks.

George Witherell and family and Mrs. Henry Wilson drove to Clinton Sunday evening to hear the concert given by the Ladies Band at the Community service at the town hall.

At her home Friday evening, Miss Geraldine Gillespie entertained the Sophomores of the high school with Miss Alice Wimple and Miss Mildred Boyce taking part in the games, stunts and contests. Light refreshments were served.

Rev. W. A. Gregory has been one of the most active men in town for a week back. He has cleaned the walls in the auditorium of the M. E. church with only a little help. Maynard Mulvaney and Harrie Smith have moved the scaffolding. The walls look splendidly, the room is much lighter and Rev. Gregory has a pair of very lame arms, as also have the church people who are giving the church building a real housecleaning.

TRAINS TAKEN OFF D. T. & I.

On Sunday morning April 30 a new time card goes into effect on the D. T. & I. The milk trains going to Detroit about 9 o'clock and returning in the afternoon are to be taken off. This leaves only one train each way from Detroit at 10:15 and to Detroit at 2:45. Conductor Lockhard, Engineer Saum and Brakman Carter will make up a switching crew doing the work in the Tecumseh and Adrian yards, to tie up here each night.

The local from the south will only come as far as Adrian, returning south from there.

Last night eight freights went north, an unusual record. It is prophesied that next month's business will be the largest ever pulled over the D. T. & I. New engines and other equipment are arriving to care for the greatly increased traffic.

FUNERAL SERVICE FOR MRS. J. W. PATTERSON.

The remains of Mrs. James W. Patterson, which arrived yesterday afternoon from Grand Rapids, were taken at once to the cemetery where the beautiful Episcopal service for the dead was read by the son Rev. First to establish the $10⁹⁰ price—"Usco"

THE makers of U. S. Tires made this announcement last November—

"Hereafter the price of the 30x3½ 'Usco' is $10.90."

The lowest price ever quoted on a tire of *quality reputation* and *standard performance.*

* * *

And now, with the opening of Spring, there seem to be quite a number of "New and Special tires" coming into the market in the $10.90 price range.

Perhaps you are wondering just what there *can* be either "new" or "special" about these tires.

It can't be the $10.90 price—"Usco" established *that* five months ago.

Nor *quality* reputation and *standard* performance—for it takes more than one full season for any new tire to *demonstrate* where it stands in quality and value.

* * *

With so many tires rushing into this $10.90 price field (now that the season promises business from the American car-owner), it is worth remembering that "Usco" showed its *good faith* by announcing this price *last fall.*

The same intent to serve that has made "Usco" a *standard value* for years.

The "Usco" Tire was never better than it is today—with its established quality, its time-tested performance, *and its price closely figured in tune with the times.*

$10⁹⁰ and even better than the price

Obituary.

Death, the unwelcome guest, came suddenly Tuesday evening to one of our much respected citizens, Robert McCaughey and took him to his long home. Mr. McCaughey had been poorly for several months with valvular heart trouble but was able to be around the house during the day and his passing away so suddenly came as a severe shock to those who loved him so dearly.

Robert McCaughey was born in Antrim County, Ireland, August 19, 1850 and passed away April 18, 1922, at the age of 71 years, 7 months and 29 days. He was united in marriage to Miss Anna J. Russell and to bless this union three children, namely, Thomas, Robert and Sarah were born. Mr. McCaughey and family came to America about 40 years ago and have since lived in this vicinity. His companion passed away August 4, 1912 and the son Thomas about 2 years later. Since the death of Mrs. McCaughey he has spent the greater part of the time in the home of his daughter where he has been tenderly cared for during his declining years. There are left to mourn his departure, in the immediate family, one son, Robert McCaughey, one daughter, Mrs. Chester Pilbeam, five grandchildren, one great grandchild, one sister in Ireland and one brother in Scotland. He also leaves a large circle of friends who are deeply grieved and yet who are proud to remember the lessons he has taught by the quiet ways of his life, as he was one that saw the good in everyone.

"Tho' we give in tears and pain
The dear ones that most we love,
We know that we shall find them
all gain
In the fields of light above,
Asleep in Jesus."

The funeral services were held [illegible] the home with Rev. R. C. Powell officiating. The pall bearers were Laverne Russell, Sr., Laverne Russell, Jr., Millard and Thomas Russell, Clyde McCaughey and Thos Gamboe. The floral tributes were beautiful, emblems of love and esteem in which he was held. The remains were taken to Tecumseh Cemetery for burial. Those away attending the funeral were Mrs. Bertha McCaughey and daughter, Ino, of Toledo, Thos Russell and son Millard, Lavern Russell, Sr., wife and sister of Tecumseh, and Clyde McCaughey and wife of Saline.

Card of Thanks.

We wish to express our sincere gratitude to those who were so very kind during the sickness, death and burial of our loved one. We would especially thank the pastor, those who furnished the music and those who sent the beautiful floral pieces. Words cannot express our full appreciation.

MORTGAGE SALE.

WHEREAS, default has been made in the payment of the money secured by a certain mortgage dated the eighth day of August, in the year, one thousand nine hundred and eighteen, executed by Nora E. Snyder, of the Township of Dover, County of Lenawee, and State of Michigan, to Commercial Savings Bank, of Adrian, Michigan, which said mortgage was recorded in the office of the Register of Deeds of the County of Lenawee in Liber 161 of Mortgages, on page 499, on the eighth day of August, in the year one thousand nine hundred and eighteen, at 4:45 o'clock p. m.

And whereas the said mortgage has been duly assigned by the said Commercial Savings Bank to Henry R. Jewett, by assignment bearing date the eighth day of August, in the year one thousand nine hundred and eighteen, and recorded in the office of the Register of Deeds of the said County of Lenawee, on the 13th day of February, in the year one thousand nine hundred and twenty-two, at 11:30 o'clock a. m. in Liber 202 of Mortgages, an page 262, and the same is now owned by him.

And whereas, the amount claimed to be due on said mortgage at the date of this notice, is the sum of One Hundred Five Dollars and sixty-nine cents ($105.69), principal and interest, and the further sum of Fifteen Dollars ($15.00) as a reasonable attorney fee, as said mortgage is the sum of One Hundred Twenty Dollars and sixty nine cents ($120.69), and no suit or proceeding having been instituted at law to recover the debt now remaining secured by the said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given, that by virtue of the said power of sale, and in pursuance of the Statute in such case made and provided, the said mortgage will be foreclosed by sale of the premises therein described, at public auction, to the highest bidder at the east front door of the Court House in the City of Adrian, in said County of Lenawee (that being the place where the Circuit Court for said County is holden) on the 13th day of May, 1922, at ten o'clock in the forenoon of that day; which said premises are described in said mortgage, as follows, to wit: The south twenty-five (25) acres of the west one-half (½) of the southeast quarter provided by Statute, and the whole amount claimed to be unpaid o• of Section Twenty-two (22), Town Seven (7) south of Range Two (2) east, in the Township of Dover County of Lenawee and State of Michigan.

D. 1918, to Ester Bovee, and Ella Deline, each of Dover Township, Lenawee County, Michigan, and Emma Shepherd, of the city of Adrian, said county and state, which was recorded in the office of the Register of Deeds of the county of Lenawee on the 9th day of August, A. D. 1918, at 8:40 o'clock in the forenoon, in Liber 211 of mortgages, on page 193;

AND WHEREAS, the amount claimed to be due on said mortgage is the sum of one thousand one hundred and thirty-nine dollars and twenty-two cents ($1139.22), and whereas the taxes for the years 1920 and 1921 have been returned unpaid and there is now due and owing on said delinquent taxes the sum of seventy-nine dollars and seventy-five cents $79.75), and no suit or proceedings have been instituted at law to recover the debts now remaining secured by said mortgage or any part thereof;

AND WHEREAS, default has been made in the payment of the money secured by said mortgage whereby the power of sale contained therein has become operative;

NOW, THEREFORE, notice is hereby given that by virtue of said power of sale, and in pursuance thereof, and of the statute in said case made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises at public vendue, to the highest bidder, at the East front door of the Court House, at the city of Adrian, in said county of Lenawee, on the 20th day of June, A. D. 1922, at 10:00 o'clock in the forenoon; the description of which said premises contained in said mortgage is as follows: The Northwest Quarter of the Southwest Quarter of Section number Thirty-Three (33) of the Township of Dover, Lenawee county, in the State of Michigan and consisting of forty (40) acres of land more or less.

Mr. and Mrs. Clyde Barber and little son Gibbs were in Detroit Thursday and Friday.

AGED RESIDENT DIED SUNDAY.

Mrs. Harriet A Cleveland, for nearly twenty years a member of the family of her son-in-law, John T. Boyce, passed away Sunday afternoon at 4:30 after having been an invalid many years. During Thursday night, April 20, the aged lady suffered a stroke and since the night of the next day had laid in a semi-conscious condition.

Harriet A. Plank was born October 13, 1835, in Catskill, N. Y. With her parents she came to Michigan when a young girl and in 1853 married William Limbarker in this village. He was a soldier in the Civil War and was killed in battle, leaving the subject of this sketch with one little daughter, Eva, later Mrs. John T. Boyce.

October 20, 1868, Mrs. Limbarker married Whiting Cleveland of Tecumseh. To them were born two sons, Tom now in Montana and Don of Tecumseh. Mr. Cleveland died 21 years ago and for two years the mother resided with the son Don and family. Then she went to live with the daughter, Mrs. Boyce. The latter passed away six years ago, but Mrs. Cleveland continued to reside at the Boyce home which by that time was in the village and Mr. Boyce and daughter, Miss Mildred, continued to give her the same loving care to the end.

Mrs. Cleveland's was a refined Christian character. She was a loyal friend, kind neighbor and patient through her long illness. She was a life-long Presbyterian.

In accordance with a promise made to Mrs. Cleveland sometime ago, Rev. W. A. Rex came from Flint to give the funeral sermon. The service was held Tuesday afternoon from the home on North Pearl street.

The Rev. J. F. Kiskaddon participated in the service with Mrs. R. T. Meade and Mrs. Ella Hodges rendering two beautiful solos.

The bearers were former neighbors: Leslie VanDoren, Willis Schreder, Dr. John Murphy, John Thurlby, S. W. Boyce and John Sisson. Among those present from away were Mr. and Mrs. Robert Hanford, of Detroit; Joseph Hanford and Leigh Beach of Chelsea; Mr. and Mrs. Albert Reattoire of Jackson; Ira Webster of Adrian; Mrs. Julia Brant of Dundee; Mrs. Maude Hickory of Addison.

[illegible] IN AUTO SMASH

[illegible] her two daughters, Miss Rose and Mildred a little girl of four years, and another young lady, all of whom are residents of Clinton, were driving to Tecumseh Saturday evening, they met with a bad accident near George Meads farm.

Miss Rose was driving and became nervous just after she had passed the corner. She jammed on the brakes so quickly that the momentum of the car threw it over three times. Dr. Hammel was sent for and brought in the driver who suffered the fracture of both bones of the left arm. The Meads car was dispatched to town with the others, the mother having one [illegible] The little girl Mildred had been dragged in the gravel which scraped the skin from one of her cheeks and her chin. The fourth member of the party was uninjured. The car was quite badly smashed up.

Federated Clubs Meet at Clinton

Women Of Lenawee County Enjoy A Splendid Program. Officers For Ensuing Year Elected. All Day Session Draws Big Crowd.

The 17th meeting of the Federation of Woman's Clubs of Lenawee County convened at Clinton on Friday, April 28. The President, Mrs. A. K. Dean of Addison presided at the meeting assisted by Mrs. E. S. Tate of Clinton, 1st vice president.

The meeting was full of interest and attended by over 200 of the club women of the county.

The morning session convened at 10:30. Community singing of "America the Beautiful" was led by Mrs. J. R. Foreman of Clinton, followed by the invocation by Rev. B. A. Warren.

A baritone solo, "Song of Thanksgiving" by Frank M. Burroughs of Clinton brought great applause and he responded to an encore. The address of welcome was given by Mrs. Jane E. Clark of Clinton and left no doubt of the hearty welcome extended by the Clinton people. Mrs. S. B. Gaskell of Hudson responded in behalf of Lenawee's clubs in a most pleasing manner.

The remainder of the morning session was devoted to business, including the reports of the Federation officers, and the reports of the standing committees.

The reports of the club presidents were especially interesting as they told in a brief manner of the work of the different clubs.

The Adrian Woman's Club reported 238 members, the study for the year being devoted to H. G. Wells Outline of History.

The Adrian Literary Club stated their membership was limited to 20 and they had enjoyed a miscellaneous program.

The Woman's Club of Addison reported a membership of 25, a miscellaneous program and a series of Book Reviews by high school students. Also a charity chest that had aided much in local charity.

The Young Women's Auxiliary of Addison gave a membership of 25 and a miscellaneous program.

The Addison Dickens Club reported 22 members and [illegible] voted the year's study to American Drama, with a membership of 30.

[illegible] City Club spent the years work in a miscellaneous program, with a membership of 26.

The Clinton Culture Club reported 72 members with the year's study of Alaska, the Phillippines and South America.

The Jasper Woman's Club with a membership of 30 enjoyed a miscellaneous program.

The Hudson Progressive Club gave a membership of 30, with a miscellaneous program.

The Hudson Woman's Club reported 34 active members. with the year's work devoted to literature, drama and music.

The Hudson 20th Century Club gave a miscellaneous program.

The Hudson Friday Club with 28 active members enjoyed a miscellaneous program.

The Hudson Delphian Chapter is the smallest club with 9 active members. The year's work was spent in the study of the "History of Art."

The Morenci Monday Club has a membership of 35 and enjoyed a miscellaneous program.

The Onsted Woman's Club, the youngest member of the Federation, and only recently organized, took for its motto, "'Tis the set of sail and not the gale that determines the way we should go."

The report of the Tecumseh Club by its President, Mrs. Turner was extremely gratifying to the Tecumseh delegation. She reports a membership of 196, making it the second largest club in the county, and the year's study of Travelogues in the U. S. and of Japan.

The following report was given by the nominating committee for president, Mrs. A. K. Dean; 1st vice president, Mrs. E. S. Tate of Clinton; secretary, Mrs. Eva Phelps of Hudson; Treasurer, Mrs. J. C. Howell of Adrian. The report was accepted and the above named were elected.

The afternoon session convened at 1:30. Community singing of "Lenawee, Dear Lenawee" was led by Mrs. J. R. Foreman of Clinton.

The President then introduced Miss Katheryn Sleneau of Highland Park who spoke on "Library Extension." This work was first started in 1912 but it was not until 1917 that the first County Library was established at Port Huron, Michigan. Its object is a "book in the hand of every child in the county, giving the children of the county an equal chance with the city child; for a county can only succeed as far as its farms succeed. Miss Sleneau spoke of the manner in which to obtain these libraries, either as an extension of the city libraries or by using penal fines

(Continued in the Supplement.)

THE WESTMINSTER GUILD

The Westminster Guild were guests of Miss Alice Wimple and Mrs. Edw. Koernig Tuesday evening with an unusually large attendance. The President, Miss Grace Gillespie, and Mrs. Frank Nyland gave reports of the Presbyterial meeting held at Battle Creek last week.

During the business portion of the evening plans were completed for the "coffee" to which the public is invited Friday afternoon at the Graebner home.

The hostesses served refreshments. The Guild meets in two weeks with Miss Sona Hosmer.

Bradley Theatre Gets Big Production

"The Four Horsemen of the Apocalypse" to be Shown Here Next Sunday and Monday.

No announcement in years should attract the attention that the above announcement should get. Never in the history of pictures has such a mammoth and magnificent screen offering been brought into Tecumseh like the wonderful production of "The Four Horsemen of the Apocalypse" which will be presented at the Bradley Opera House next Sunday and Monday, May 7 and 8.

"The Four Horsemen of the Apocalypse" was produced by Rex Ingram and all the virile force and dramatic intensity of the noted story is preserved and heightened in this colossal screen version while the vast magnitude of the gigantic events recounted are pictured by the camera with a power beyond the description of words.

The Chicago Daily Tribune says: "Go and see 'The Four Horsemen of the Apocalypse'.... It's worth your time and money."

The wonderful production will be presented at the Bradley exactly as presented in the larger cities where it has been showing to capacity houses at $2.00 per seat but the price for Tecumseh has been reduced to [illegible] cents per, plus the tax.

Saturday night, May 6th, the Bradley has one of it's best [illegible] known [illegible] man, woman and child [illegible] 60 in a two act riot "The Rick" as the big comedy of the evening.

FISHER—NYE.

Tecumseh Young People Married In Albion Saturday.

Saturday evening at 6:30 a wedding took place in Albion which was of interest to Tecumseh people. At the home of the groom's aunt, Miss Ida Wells the ceremony was performed which united Miss Welma Nye and Frank Fisher, both of Tecumseh. The service was read by Rev. Cameron, the Presbyterian clergyman of that city in the presence of a small party of relatives.

Attending the couple were Miss [illegible] groom while his best man was Charles Krebs also of Albion. The bride wore a pretty dress of blue silk.

After the service a three course wedding dinner was served. The young couple returned to Tecumseh Monday evening and for a short time are residing with Mrs. Fisher's mother, Mrs. Martha Nye.

The bride, who has spent nearly all her life in Tecumseh, graduated from our high school only last June. Mr. Fisher has been in town but a year, being a baker in the Purity Bake Shop. Both young people are popular in the village and have the best wishes of hosts of friends for a long and happy journey through life.

ADDISON TROUNCES TECUMSEH.

And we guess trounces about expresses it for the score at the end of the slaughter stood 22 for Addison to 2 for Tecumseh. Just how much worse it could have been is hard to see.

Tecumseh last year had a splendid team but they lost so many of their old players that an almost entirely new team lined up, yesterday against a veteran team from the west and the score showed the result.

However, Tecumseh will get down to hard work and before the season is over, we will doubtless have a good team that will take sweet revenge on some of these frisky teams that have had so much fun with our boys. Yea, verily, its a long alley that has no turn in it.

Princess Bonnie Very Successful

Performance Pleases People With Excellent Music and Catchy Lines. House Comfortably Filled Both Nights. Local People Show Much Talent.

The local talent show given under the auspices of the American Legion at the opera house last Tuesday and Wednesday nights proved a distinct success from all angles.

The music is very catchy and the lines full of interesting thoughts that hold the attention of the audience throughout the play. The stage setting and the various choruses were very clever and made the whole program very entertaining indeed.

The principle characters took their parts in regular professional style and made the play go with a vim and style that pleased the audience from the very start. Kenneth Lowry, F. C. Dickinson, Vera Hodges and Miss Lillian Kennedy were especially fine in the leading roles and seemed to be just fitted for the parts they represented. All have splendid voices and their acting was faultless which carried the play through in a very entertaining manner.

The other characters Lester Waring, Glen Tansley, C. E. Moorman and Dr. Hammel have had a wide experience in amateur plays and are always good, in fact faultless and added the finish to the play that made it a great success. Mrs. E. E. Berry, Claudine Newton and Miss Schafaerick were especially good.

The high school orchestra furnisheed the music for the occasion and for an amateur bunch displayed considerable talent.

The Legion boys can again be congratulated upon giving the people a most excellent show which helps to make life just a little more worth the living and which gave the people a mighty fine and wholesome entertainment.

FINE PAGEANT AT BAPTIST CHURCH.

Sunday night's Community Service was held at the Baptist church. It was a repetition of [illegible] pageant, "The Ever [illegible]

The story was of the three wise men (Justin Camp, [illegible] Van Valkenburg and Jay Morse) coming to Jerusalem at the time of the crucifixion and meeting at the city's gate the tax collector (Ed Hoag) and a Roman guard (Fay Van Valkenburg). Here the wise men learned of the awful death of our Christ and met one of the apostles (Rev. W. R. Curtis) who took them to an upper room where Mary Magdalene (Mrs. Edw. Hoag) and two other apostles (Gordon Johnson and Leon Van Valkenburg) told them of the resurrection and having met and talked with Jesus and broken bread with him at their home. The three wise men went away believing.

The second part showed three modern wise men (E. G. Harris, Alvan Knight and Ira Ashley) meeting at the Gate of World Opportunity, the soldier (Floyd Bryan) and the business man (Bert Johnson) and deciding to stay out to find if there is anything to this religion of Jesus Christ.

They visit a hospital in China where a missionary doctor (Ted McConnell) and nurse (Miss Jane McConnell) were caring for the sick who were many little people of the Baptist Sunday school and a chinese mother (Mrs. Ted McConnell) with her sick baby.

Next the three modern wise men are led by the missionary (Mrs. Clare Beland) to visit a Christian Sunday school in Burmah which was taught by Mrs. Horace Lamkin. The little people took part telling of the good of missions.

The last scene was an American Sunday-school where each saluted the flag though they represented all nations. The teacher here was Mrs. Leon Van Valkenburg.

Between each scene the choir, led by Mrs. R. S. Moore, sang Easter hymns.

The whole showed the hard work of Mrs. W. R. Curtis.

DEATH OF MEMBER OF OLD TECUMSEH FAMILY.

Word comes from Los Angeles of the death of Hebert L. McNair, a former Tecumseh boy. The sad event occurred April 14, following an attack of "flu."

He was born in Tecumseh 55 years ago, the oldest son of David and Lucinda Sharp McNair. He graduated from the high school with class of 1885 and has spent most of his life in the west. Surviving are two sons now in the east and one daughter, Mrs. Mary McNair Duque of Julian, Calif., also two brothers, Fred McNair of Leadville, Colo., and Gen. Wm. S. McNair of Washington, D. C.

TWO SUNDAY-SCHOOL CLASSES ENTERTAIN.

Seventy-five were in attendance at the M. E. Church parlors Friday evening when the ladies of Mrs. J. O. Eaton's and Mrs. Harry Abbott's Sabbath-school classes entertained their husbands. After a bountiful supper the following program was presented by Mrs. John S. Temple:

The dividing of 19 sheep between three boys as follows: one having 1-2, one 1-3, one 1-3, no killing of sheep and none left. Mrs. Lowell Waring gave the solution.

The story of a duck, frog, lamb and skunk going to a circus. Price of admission $1.00. Three were allowed to enter as each had the equivalent of that sum. One was barred out as he did not have the price. Which entered and how and which one remained outside and why. Wilfred Waldron answered this correctly.

Vocal solo—Mrs. S. N. Wyman who responded with an encore.

Broom tricks.

Pronunciation of words.

Book contest for men, the titles represented by persons and articles. George Field and Oliver Jones Jr. answered ten of the twelve titles and were obliged to draw for the prize, which was an illustrated book won by Mr. Field.

Reading, "John Maynard"—Mrs. Eliza Benedict.

Swimming match between Mr. Wyman and Mr. Eaton. Strange to say neither won.

Story of three clowns numbered 3, 5 and 6, who were not allowed to enter the tent unless they could arrange themselves so the number would be exactly divisible by seven. Archie Waring placed the men on the wall so the division was possible.

Problems in substraction, solved by Mrs. Arthur Pocklington, Mrs. C. E. Moorman and Mrs. Alfred Wright.

Talk on "Welfare Work Conducted by the Montgomery, Ward Corporation in Chicago"—Mrs. J. W. Thurman, who with her husband had charge of this work three years.

Contest for ladies on names of trees. Mrs. H. B. Eaton and Mrs. J. O. Eaton won the highest marking and in drawing Mrs. J. O. Eaton won the favor, a ribbon decorated box of chocolates.

Mrs. Maynard Mulvaney rendered two beautiful solos thus closing [illegible]

[illegible]

"I congratulate the Tecumseh churches upon having secured the McCombe-Clase Evengelistic party for a series of meetings. It was my pleasure to work with the party in the Baptist Methodist revival in Adrian last winter. Without reservation I will say that that was the best campaign of the sort I have ever been connected with. Every member is a specialist without pretending to be. The natural winsome ways of the party are remarkable. Clase can put more Christian optimism in singing than any song leader I have heard. Dr. McCombe is a fine preacher who leaves a deposit of [illegible] the hearts of his hearers, which remains to help hold them fast after he has gone from the scene of their delivery. Mr. Roberts is a master at the piano, and a great director of the altar work. While Mrs. Roberts is unexcelled as a speaker to women and girls, and is a soloist of unusual ability. If the churches of Tecumseh and the city itself immediately get behind the coming campaign, they will long thank God for being wise at the begining of what I believe will be a marvelous uplift to church, home, business, the town as a whole."

DICKINSON—GENTRY

Married at 8:30 p. m. Wednesday, Apr. 26, 1922 at the home of Dr. and Mrs. R. L. Walty, Springfield, Ill., Rev. J. C. Coleman of Wellsville, Mo. performing the ceremony, Claire L. Dickinson, Tecumseh, Mich., and Miss Lillian Mae Gentry of Springfield.

Miss Thelma Jones sang "I love you Truly," accompanied by Miss Lora Vancil. Miss Vancil played "Mendelsohnn's Wedding March" as the bride entered with Dr. Walty. Master Lloyd Walty scattered rose petals before the bride and groom and Master Clarence Walty carried the ring on a white satin pillow.

The bridal gown was of Japanese embroidered crepe de chine presented to the bride by Mr. and Mrs. Allen of Toledo, Ohio. The bridal bouquet was of sweetpeas. The groom wore a conventional black evening suit.

The bridal couple are the proud possessors of many beautiful presents.

Mr. and Mrs. Dickinson will be at home June 1st in Tecumseh.

Baptists Hold A Big Meeting

Eighty third Annual Convention of Lenawee Baptist Is Largely Attended. Splendid Program Given. Business Sessions Conclude Important Work.

This has been a wonderful week for the congregation of the First Baptist church of Tecumseh, hosts of the 83d anniversary of the Lenawee Baptist Association Tuesday and Wednesday. The attendance far exceeded anticipations of the local people, by Tuesday night 104 delegates from over the county having registered and every session attended by crowds of Tecumseh people. On Tuesday the ladies of the Presbyterian church served dinner and supper for the delegates and on Wednesday the Methodist ladies served the meals.

Tuesday morning's session opened with an inspirational service conducted by Dr. H. P. Klyver of Kalamazoo with an address on "The Three Greatest Human Needs." The annual sermon was delivered by Rev. M. S. Waller of Onsted and the following committees appointed:

Ordination—Rev. T. J. Hopkins of Adrian, Rev. F. M. Spooner of Milan, Rev. C. L. Owens of Morenci.

Place and Preachers—J. H. Cole of Weston, Mrs. B. J. Foster of Hudson, J. C. VanDoren of Adrian.

Resolutions—Dr. Elijah Cheney of Adrian, Rev. W. J. Gray of Fairfield, J. R. Vine of Weston.

Obituaries—Rev. Waller of Onsted, Rev. C. H. Lee of Rome, Mrs. A. A. Griffith of Medina.

Missionary—Rev. W. R. Curtis, Mrs. Jay Morse of Tecumseh, J. H. Davis of Rollin.

Rev. E. G. Bachelor of Kalamazoo told of the needs of Kalamazoo college.

In the afternoon came the election of officers:

Moderator—H. W. Porter of Weston.

Clerk—Rev. J. H. Davis of Rollin.

Director Religious Education—Rev. F. H. Spooner of Milan.

Member board of managers of state convention—John H. Cole, Weston.

Member nominating committee of state convention—Rev. W. R. Curtis of Tecumseh.

[illegible] Rev. Waller [illegible]

Mrs. Frank [illegible] of Adrian presided at the Womans Session when Mrs. W. R. Curtis conducted the devotionals and Mrs. R. S. Moore gave two splendid solos, accompanied by Mrs. F. B. Wood. The officers elected were:

President—Mrs. Curtis.

Vice President—Mrs. J. C. Van Doren, Adrian.

Secretary and treasurer—Mrs. A. A. Griffith of Medina.

Secretary of literature—Mrs. Jay Morse.

The Adrian Mission Society gave a session of the old time district school as a happy closing for this portion of the convention.

While the ladies were in session [illegible] was presiding at the Men's Hour. Here Dr. Klyver led the devotionals and Chas. H. Patterson of Milan was chosen president. Prof. John Meighan of Hillsdale gave an address on "The Bible—A Man's Book."

Following came "Religious Education Hour," with Rev. Waller, Educational director, presiding. The address, "Kingdom Consciousness" was delivered by Rev. J. H. Davis of Rollin and a second address, "The Watchword of Christianity" by Rev. Morgan L. Williams of Lansing.

In the evening the 20th Century Quartette (colored) of Adrian led the song service and rendered solos and quartettes. Rev. Spooner of Milan had charge of the devotionals and the address, "The Christ We Forget" was made by Rev. M. T. Roberts of Lansing.

JOHN DIBBLE PASSED AWAY AT KALAMAZOO

Word came Tuesday night from Kalamazoo telling of the death of John Dibble which had occurred that day in the asylum for the insane. Mr. Dibble was well known over town, working for R. S. Moore many years. He was taken to the asylum three years ago.

The remains were taken to Milan where the burial will be held today in Rice cemetery.

Two sons survive.

THE TRUE TEST.

We all must learn from other people. We must take the experience of the past as a guide with which to safely tread the future. If we fail to heed the experience of others as summed up in a straight forward manner, then those who do not, cannot hope to compete with those who do.

Competition in business is very keen not only among individuals but between towns, and the town like individual business, prospers just according to the trade territory it serves, and especially is it necessary to cultivate and hold all the trade possible which, geographically speaking, properly or naturally belongs to our town.

A full page advertisement in last Monday's Free Press put out by the Curtis Publishing Co. which publishes the Ladies Home Journal and other high-class magazines, challenges the closest attention of every business man who is striving to make a success of his business.

It says: "The Test of a publication from an advertisers standpoint is three fold."

First—How many copies enter the homes of the people?

Second—Who receives them? People right in your territory?

Third—Attention value.

A periodical received but not read has no advertising value. One that is read only casually can exert only a small influence in building markets, but the paper that IS READ from cover to cover and re-read again is the greatest value giver to its advertisers that has ever been discovered.

We submit that the old country home town paper is just that sort of a paper, read and re-read from head-line to foot-rule because every line is home news about the people we know and associated with and their doings are of the highest interest to everyone hence the home town newspaper is the greatest advertising medium for home-town merchants that can possibly be found. It doesn't take any more argument than this full page advertisement from the biggest publisher in the world to clinch the facts as given.

Careful, consistent, steady advertising in the home-town newspaper will build up any legitimate business to its highest degree when the merchant carries a reliable stock of goods suitable to that locality and delivers the store service to help it along.

If you are not advertising steadily i. e. sending your trade news into the homes of the home folks through the medium of the home-town paper, you are doing business on the hope that those the other fellow brings into town will drift into your place and buy what you haven't the courage to advertise over your own signature.

We can all profit by the experience of big business and big business has become big until it thoroughly covered the field with honest, advertising in such liberal proportion that every person in the territory was thoroughly and constantly informed of the merits of their products.

The Herald is just running a 30 inch ad for a manufacturer in Detroit. The whole ad consists of only two words and six figures. It is ordered to run THREE times. Why? Because it pays to do so. Many other firms in Ohio and New York find it pays big returns to advertise in the Herald because it is READ and RE-READ in every home in this part of the county and they want the trade.

If you, as a live energetic merchant, are not making full use of your opportunity to send your trade message to the people right here at home, are you not neglecting one of the most paying parts of your business?

Isn't it worth while to profit by the experience of big business in running our own affairs? It surely is.

CLINTON

Last Saturday afternoon Miss Rose Escott, her mother and two sisters started for Tecumseh using their new Ford car. When near the old Rector home, Miss Rose who is yet an inexperienced driver turned out too sharply in meeting another car, her machine going at high speed, an accident resulted. The Escott car turned over twice throwing out all four. Mrs. Escott's right arm was broken at the wrist, and Rose suffered a fracture of the left arm near the elbow. Dr. Hammel of Tecumseh was called and made both as comfortable as possible. The two young sisters were more or less scratched and bruised.

The top of the car and the windshield were broken but the engine was unharmed and it was brought back to the Lancaster garage.

Mr. John Martiny, daughter Mary, and son Carl will go to Adrian Friday to attend the 25th wedding anniversary of Mr. Martiny's son, Will.

All the lady teachers of the public schools went to Jackson Tuesday evening to see Drinkwater's play of Abraham Lincoln.

Mrs. Eleanor Cotton is visiting her daughter Mrs. J. H. Smith in Tecumseh this week.

Mrs. Ed Kilby and Mrs. Otto Feldkamp went to Adrian for a day of shopping Thursday.

Mrs. Rose Lane-Stevenson died April 24 in Chicago at the home of her sister, Mrs. Jennie Michelson. She was buried in that city. Mrs. Stevenson was a former Clinton lady.

The ladies of the Clinton Culture Club spent a busy day last Friday. They served fried cakes and coffee at 9 o'clock to the delegates arriving early for the meeting of the County Federation of Women's Clubs, and dinner at 12 to the entire company, and at the same time managed to hear the very excellent addresses given. The musical numbers on the program were more than usually pleasing.

The Clinton School Board very recently issued to the taxpayers of the district a neat pamphlet in which is stated definitely the present needs of the school, and the purpose of the Board to ask the district very soon to bond itself for $50,000 to cover the cost of these requirements. If we must be taxed it is good to know for what and this new move on the part of the school board is to be commended.

Mr. and Mrs. George Seamark of Toledo visited his mother, Mrs. Sara Seamark Wednesday. The elder Mrs. Seamark is slowly recovering from her recent very severe illness.

Mesdames C. L. Kimball, E. E. Hoyt, W. R. Foreman, M. E. Olds, Walter Cotton, J. D. Hause and Miss Mary Saxton attended the fiftieth anniversary of the formation of the foreign and home missionary societies of Michign in Jackson Thursday and Friday.

Messrs Willis Green, G. R. Wolf, J. E. Earl, George Wilson and Leonard Brown attended a Grotto Ceremonial in Ann Arbor last Monday evening.

Mrs. Laura Judge was in Jackson Thursday.

The regular monthly meeting of the W. F. M. S. of the M. E. church will occur on Friday evening of this week at the church, at which time Mrs. Mary Clack, delegate to the Ann Arbor meet last week, [illegible]

There will be no union Sunday evening service of the M. E. and Congregational congregations next Sunday eve. There will be preaching at St. John's Episcopal church that evening.

Frank and Eck Blatchford of Detroit visited their father, Dr. Geo. Blatchford over Sunday.

Mrs. Collins, mother of Mrs. E. E. Hoyt is at the home of her daughter in Pinckney for a visit of two or three weeks.

Mrs. Fred Schoen of Adrian is spending the week at the home of her parents, Mr. and Mrs. Fred Tag.

On Friday evening of this week the Congregational Sunday-school will give a free moving picture entertainment for the children of the town. Not only their own S. S. people are invited but all the children in the vicinity.

Mr. and Mrs. E. E. Hoyt and family went to Pinckney Saturday to visit Mrs. Hoyt's sister. They returned Sunday evening.

Beautiful rugs at astonishingly low prices—

PERHAPS you have postponed buying a rug because you thought all rugs were necessarily "high." True, *most* rugs are expensive. But fortunately *Gold-Seal* Congoleum Art-Rugs are comfortably within reach of the most modest purse.

Gold-Seal Congoleum Art-Rugs possess all the beautiful rich tones of fabric rugs—softly blended colors that lend elegance to any room.

Besides being beautiful and economical these rugs are exceedingly easy to take care of—just a light mopping leaves them spotlessly clean. There are no untidy "curled up" edges, either. Congoleum lies perfectly flat on the floor without fastening of any kind.

But we would rather show you these rugs than talk about them. Do come in soon and select the patterns that will make your rooms look their prettiest. Our collection includes all the latest designs.

Bond of Lucy Train as Treasurer of Village of Tecumseh was accepted by motion.

Moved and supported that the proposal of the Executive Board of the Commerce Club be accepted and placed on file.

Motion carried.

The following resolution was offered by Trustee Campbell and supported by Trustee Hendershot:

Whereas this Common Council has by due resolution determined the necessity for, and that Evans Street of this village be paved from the north line of Chicago Street to the north line of Logan Street in said village, in the manner provided in said resolution;

And whereas, the estimate of the expense of said paving (except the portion to be done by state authority) now on file with the village clerk, is the sum of Two Thousand Ninety ($2,090) Dollars;

BE IT RESOLVED, that the special assessment district for the purpose of the assessment and levy of a tax to meet the portion of said cost, shall be, and is described as follows:

All lots and parcels of land off the east side of Block 6 of Hewitt's Addition to said village, fronting and abutting upon Chicago Street; and all lots and parcels of land off the west side of that block in said village bounded north by Logan Street, east by Ottawa Street, south by Chicago Street and west by Evans Street, fronting and abutting on Chicago Street;

And be it further resolved, that the village clerk shall forthwith provide and submit to this Council a plat and diagram of said district;

And be it further resolved, that the Board of Special Assessors of said village are hereby directed that a special assessment roll be made, pro rata upon the lots and premises in said special assessment district according to the frontage thereof, (taking into equitable account the valuations thereof) describing and designating the lots and premises contained therein.

Upon roll call: Ayes, Lidke, Hendershott, Anderson, Pulver, Campbell.

Nays; None.

Resolution carried.

The following resolution was offered by Trustee Hendershott and supported by Trustee Anderson.

Whereas, Evans Street, within the village of Tecumseh, is about to be paved by state authority from the north line of Chicago Street to the north line of Logan Street, for the width of fifteen feet in its center;

And whereas, it is to the best interests of this village and the inhabitants thereof, that such pavement be extended to include the portion of said street used as a thoroughfare for vehicles, within said village, as hereinafter provided, at the same time that said street is to be improved, and in the same general manner;

BE IT RESOLVED that the Common Council of this village of Tecumseh now lawfully assembled, does hereby determine that it is a public necessity and general public benefit that said Evans Street of said village be paved from the north line of Chicago Street where the same intersects said Evans Street to the intersection of said Evans Street with the north line of Logan Street, of the same materials and in accordance with the same specifications, and at the same time that said portion of said street shall be improved by pavement under state authority; that seven and one-half feet each side of said pavement done by state authority and at expense provided by state authority be paved by and at the expense of said village; that seventy-five per cent of the cost of such paving to be done by said village shall be paid by a special assessment upon the lots and premises abutting upon such improvement in proportion to their number of front feet upon said portion of said street and that a special assessment district for the [illegible] levy of a tax to meet such portion of said cost shall be lawfully created hereafter, and that twenty-five per cent of the cost of such paving to be done by and at the expense of said village shall be paid from the general highway fund of said village.

Upon roll call: Ayes, Lidke, Hendershott, Anderson, Pulver, Campbell.

Nays None.

Resolution carried.

Resolution offered by Trustee Pulver, supported by Trustee Lidke:

Whereas, the Common Council of the village of Tecumseh, Lenawee County, Michigan, by due resolution heretofore passed on the 20th day of June, 1921, did declare and determine that it was expedient and for the benefit of the inhabitants of said village, and necessary that a certain portion (in said resolution described) of Chicago Street of said village be paved from the east line of Pearl Street, to the west line of Ottawa Street, in said village, all in the manner and form in said resolution provided:

And whereas, the Common Council of the said Village of Tecumseh, by due resolution heretofore passed on the 7th day of February, 1922, did declare and determine that it was expedient and for the benefit of the inhabitnats of said village, and necessary that a certain portion (in said resolution described), of Chicago Street, of said village be paved, from the east line of Adrian Street to the east line of Pearl Street, in said village, all in the manner and form in said resolution provided;

And whereas, the Common Council of the said village of Tecumseh, by due resolution heretofore passed on the 7th day of February 1922, did declare and determine that it was expedient and for the benefit of the inhabitants of said village, and necessary that a certain portion (in said resolution described) of Chicago Street of said village be paved, from the west line of Ottawa Street to the west line of Wyandotte Street in said village, all in the manner and form in said resolution provided;

And whereas, said Common Council did, on said 7th day of February, 1922, determine the three distinct special assessment districts which would bear a portion of the expense of said improvements, and did fix the 27th day of February, 1922, at three o'clock in the afternoon of said day, as the time when said Council would meet to hear objections to said improvements and to said three assessment districts;

And whereas, said Common Council did meet on said 27th day of February, 1922, for said purpose, pursuant to due notice thereof, at three o'clock in the afternoon of said day, and did continue in session until five-thirty o'clock in the afternoon of said day, at which session the objections, both to said assessment districts and to the making of said improvements were presented and heard by said

The Devoe Interior Decorating Expert Will Show You How to Bring Out the Hidden Beauties of Your Home

WOULDN'T you like to have expert advice and color suggestions on how to make your old scarred furniture, floors, woodwork and bric-a-brac new-looking and artistic again?

Wouldn't you like to know how to transform rooms that are now lacking in distinction into gems of interior decoration?

That's just what the Devoe Interior Decorator will be here for.

She will show you how to brighten up the gloom spots in your home. She will show you how, with a little Mirrolac and Velour, brushes, and a few hours of time, you can add more beauty to your home than if you spent several hundred dollars for new furniture and decorations.

Mirrolac and Velour are wonder products. Mirrolac restores scarred surfaces to their original beauty as if by a "magic touch." It gives new expensive wood finish that imitates perfectly the appearance of more expensive woods, such as Oak, Mahogany and Walnut.

Velour is the ideal Flat Wall Finish which perfectly illustrates a principle that every great artist insists upon; namely, that there is no necessry conflict between beauty and utility; but that they are rightly considered one and the same thing.

The Devoe Expert will be at the service of our customers on the dates noted above. There will be absolutely no charge for her advice. Come in and let her help you with your home decorating problems.

To Make the Home More Beautiful

The Purpose of the DEVOE Interior Decorating Demonstration

SURELY the home—the center and source of most of our joys in life—deserves to be fresh, clean and attractive.

Yet many a person sighs for new furniture or new woodwork effects, but is denied them because of expense.

And all the time many of the beautiful things desired are right in the home.

Those old chairs, that scratched picture frame, that scarred dresser and hundreds of other objects throughout the house that are now lacking in beauty and distinction can be easily transformed into things of beauty again.

To enable our customers bring out these hidden beauties of the home we have arranged to conduct a Devoe Interior Decorating Demonstration on May 8 and 9.

The Devoe Expert will give you practical suggestions on modern methods of interior decoration. She will not spin theories; she will present facts. She will not talk generalities but will actually show you how with but a few minutes of your time, you can at a very slight cost make the dingy spots in the home glowingly attractive and richly bright.

Come in and discuss your home decorating problems during the demonstration.

Nays, None.

The following resolution was offered by Trustee Satterthwaite and supported by Trustee Lidke:

Whereas plans and specifications have been prepared and filed with the clerk by the State Highway Department for the improvement of the following named streets in the village, to wit: That portion of Chicago Street within corporate limits the same being known as project No. F. A. 44, Sec. and Sec. B. 3;

Whereas the said plans provide for the improvement of the surface of said streets by the state to a width of not to exceed twenty feet in the center or traveled portion thereof, together with additional improvements for the use and benefit of the said village which additional improvements include all necessary drainage structures, and

Whereas, it appears that said plans are in proper form and are satisfactory to this body, and

Whereas it is understood and agreed that the village is to pay for all improvements outlined on said plans and specifications except the strip which is to be improved by the state, or as especially noted;

Therefore be it resolved that said plans be and the same are approved and the consent of the village is hereby given for the making of said improvement in accordance therewith;

Be it further resolved that the vilage improve its portion of said streets in accordance with the plans and specifications as prepared by the State Highway Department and that the village clerk be instructed to advertise for bids for such improvements, if necessary, said bids to be received at the same time and place as the bids to be received by the State Highway Department.

Be it further resolved that the Resident Engineer of the State Highway Department having charge of the supervision of said work on behalf of the state is hereby authorized to act for and represent the village in the supervision and inspection of that portion of the improvement belonging to the village and that the State Highway Department be reimbursed out of the village treasury, on bill rendered by the State Highway Department, for the actual cost of such supervision and inspection, said actual cost to be determined when the work is completed and to bear the same proportion to the total cost of supervision and inspection as the cost of the village portion ofthe work bears to the total cost of the work;

Be it further resolved that a copy of the final estimate to the contractor for the village portion of the work be sent to the State Highway Department for the purpose of its record;

Be it further resolved that the village will at no time hereafter, without the written consent and approval of the State Highway Department, attach any further or other improvements to the improvement so made by the said department, or make any changes from these plans.

Motion adopted by following vote: Yeas 5, Nays, none.

Moved and supported that we adjourn until Thursday, May, 4th, at 7:30 p. m. Carried.

MISS KYLE'S CLASS MEET AT MURPHY HOME

Mrs. John Murphy opened her delightful home on West Pottawatamie street Tuesday evening for a meeting of Miss Kyle's Sunday school class. This meeting proved one of the happiest of the long list of very interesting meetings for which this class holds a record.

Mrs. W. S. Dickinson led the devotionals and the president, Mrs. F. E. Snedicor, conducted a short business meeting when it was decided to hold the June meeting with Mrs. Milburn Keyser. This will be an all day meeting with potluck dinner.

The following program was given:

Reading, "Too Late for the Train"—Mrs. Franc S. Gillespie.

Dialogue, "Social Difficulties"—Mrs. H. E. Mitchell, Mrs. R. M. Moiles, Mrs. John Wyrill, Mrs. J. J. Orr, Mrs. H. S. Waring. This was a humorous sketch, comic in the extreme, the ladies being in costume.

Reading—Mrs. G. R. Schreder.

Sketches from Jean Knotts "Wedding Bells"—Mrs. Wm. Gibson and Mrs. Martha Nye.

Charades finished the program and afterward the ladies and Friend Doctor enjoyed lemon ice and cakes.

DE MOLAY BOYS ORGANIZE.

A meeting of the De Molay Boys of Tecumseh was held at the Masonic Temple Monday evening, May 1 and a club was formed with the name of "Tecumseh DeMolay Club" and the following officers elected:

President—Harry Duncan.
Vice President—Bert Ousterhout.
Secretary—Robert Collins.
Treasurer—Bertram Updyke.

Meetings will be held on the 1st and 3rd Mondays of each month.

PRESBYTERIAN TRUSTEES ELECT.

The trustees of the Presbyterian church met Thursday evening and organized with the following officers:

Chairman—J. R. Nyland.
Vice Chairman—H. E. Whelan.
Secretary—J. B. Kennedy.
Treasurer—Don. F. Wright.

A Coffee will be given by the Westminster Guild at Mrs. Graebner's Friday May 5, from 2 to 5 p. m. also delicious home-made cakes, doughnuts, sandwiches, candies and salted nuts will be for sale. (adv)

FEDERATED CLUBS MEET AT CLINTON

(Continued from P

and county appropriations. It is to be hoped the matter will come before the supervisors at an early date. Miss Slenean was an extremely interesting speaker with a charming personality. This was followed by an address by Mrs. A. B. Cramer of Highland Park, president S. E. District, M. S. F. W. C. Mrs. Cramer emphasized the fact that we are living in an age of new thought and ideas, and that they must be put over through the right people and right activities; that woman has awakened from being only a maid, a nurse and a mother, and has added to her responsibilities, citizenship. That the war has brought to us the fact that we cannot live as individuals or as a nation, that we must have some sort of an organization that can remedy the conditions that confront us.

Mrs. Cramer spoke briefly on equalizing education, the Shepherd Towner Bills the question of County re-organization, taxation, recreation for boys and girls, urging each member to keep in mind that she had become a citizen of the town, county, state and nation.

A charming vocal solo given by Mrs. Eugene Rosacrans added much to the program and Mrs. Rosacrans responded to the hearty encore which followed.

Rep. Chas Evans next talked about how to raise more money by taxation. He recommended a tax on gasoline, a tax on bank accounts, a tax on incomes, etc. Mr. Evans' idea seemed to be that there must be found more to tax if the ever increasing expenses of the state are to be met.

Committee reports were submitted as follows: club extension, Mrs. Jane Clark of Clinton; historical, Mrs. Phelps of Hudson; county improvement, Mrs. G. G. Lewis of Cement City; woman's congress, Mrs. Osgood of Adrian; library extension, Gertrude Lowe of Hudson; music, Mrs. R. S. Moore of Tecumseh; press, Mrs. George Jones of Adrian; household economics, Mrs. Fred Morse of Jasper.

Mrs. W. W. Crabbs of Morenci, chairman of the resolution committee presented a number of resolutions all of which were adopted. One of the most important being the appreciation of their work and aid in establishing the Carleton Memorial of Mr. Edward Frensdorf and Miss Florence Frensdorf.

The Addison Club members extended an invitation to meet with them in 1923 which was accepted.

Mrs. H. S. Barnard rendered two charming numbers, "Come Down To Kew" and "I Will Follow You."

Mrs. M. B. Ferrey of Lansing, chairman of the historical department of the Michigan State Federation of Woman's Clubs spoke briefly at the close of the program in regard to retaining interest in the history of the county.

MACON

Mrs. William Avery

Mary Alberta Sage came into this world July 17, 1860 daughter of Milan and Martha Collumn Sage and departed this life April 28, 1922. She was united in marriage March 1, 1888 to William Avery and to them was born a daughter who died in infancy, two sons, Milan and Ralph. Ralph preceeded his mother in death 3 years ago. HIGH SCHOOL MAY PARTY.

Prettiest Party Of Year At High School "Gym."

One of the prettiest events of the school year is the annual May party in the "gym" and this year's party was one of the prettiest given. The decorations were in charge of Lester Heesen who found the Juniors efficient assistants. Pastel shades were used in the streamers which draped the lights lending the room in a beautiful glow which fell on the bright faces of the young people and the pretty dresses of the girls making the scene gay indeed. Yellow butterflies with markings of black were suspended over the heads of the dancers. Trellis of white partitioned cozy corners about the room, these furnished with seats for the pleasure seekers. In the gallery was packed a great crowd of the fond parents and friends of the students, come to admire the scene.

The Joy Boys with the addition of Archie Boyd with the violin and Mr. Judge of Clinton on the saxophone furnished that jazzy sort of music which gets into the feet of the stiffest and makes everybody dance.

A favor dance was a feature when vari-colored caps graced both girls and boys and made great sport.

Present from out of town were Virgil Hesselgrave of Jackson, Miss Doris Fabrique, Stewart Pardee, Harold Wilson and John Schuler, of Clinton, Miss Marion Williamson of Toledo, C. W. Price of Grass Lake, Harold Lowry of Ann Arbor, Leroy Van Winkle and Glen Crittenden of Ypsilanti, Malcolm Dickey of Pontiac.

Mr. and Mrs. Glenn Tansley moved Monday into the Scofield house, corner of Pearl and Kilbuck streets. They have been living in the rooms over Glenn's meat market.

Tecumseh Hive, No. 784, L. O. T. M.—Anna Haughn, Comd'r; Mertie Waring, R. K.; Ida Freeman, F. K. The Finance Keeper will be at her home on Maiden Lane the last day of the month for the collection of assessments. Meetings second and fourth Monday.

Royal Neighbors — Florence Glancey, Oracle; Jennie Hodges, Recorder. Regular meeting first and third Wednesdays.

Rebekah Lodge, No 338—Lizzie Smith, N. G.; Lura Howard, Rec. Secy. Meetings 1st and 3rd Fridays of each month.

Mrs. Jas. M. Jones Died Last Sunday

Highly Respected Old Resident Drops Into Long Sleep After Extended Illness. Leaves Husband, And One Son To Mourn Their Loss.

After an illness extending over several months, death called Mrs. James M. Jones Sunday evening at 11:45. Both Mr. and Mrs. Jones have been in very poor health for some time, so were taken to Bixby hospital, Adrian, one week before for treatment, but Mrs. Jones grew rapidly worse and passed away as stated.

Florence L. DePuy, was born near Tecumseh on Christmas day of 1857 and this has always been her home. On Sept. 12, 1880, she married J. M. Jones, a Tecumseh merchant tailor and to them was born one son, Wade, now in the clothing business with his father. She is also survived by the three grandchildren, Marion, Majel and Dean Wade, and one brother, J. W. DePuy of Detroit.

Mrs. Jones was not a society woman. Her home was her first thought always and her neighbors her closest friends, and she was most highly respected by everyone.

The body was brought to the Belding Funeral Home Sunday night and the funeral was held from there yesterday afternoon.

The service was a private one conducted by Rev. J. F. Kiskaddon of the Presbyterian church. The bearers were W. T. Eccles, W. W. Whiting, Fred Rosacrans, J. J. Freeman, R. A. Heesen and James Elliott.

Called into town by the death of Mrs. Jones were her brother, J. W. DePuy of Detroit; Mrs. Bell Probart of Portland; Mr. and Mrs. F. D. Teachout, Miss Harriett Teachout, Mr. and Mrs. Albert Deming, Mr. and Mrs. Boyd Belcher of Jackson; Mr. and Mrs. Ellsworth Cairnes of Toledo; Mr. and Mrs. George Smith of Britton.

STOWE'S "UNCLE TOM'S CABIN" CO.

Jno. F. Stowe's mammoth production of the immortal American drama, "Uncle Tom's Cabin," the most correct and impressive scenic production of the late Harriet Beecher Stowe's everlasting legacy to posterity ever seen in America, the only version that has been accepted by the pulpit as a moral instructor. No such amount of money as Mr. Jno. F. Stowe has spent on this play has ever before been expended on this neglected and much abused American drama. They have taken great pains in the selection of the cast and have engaged actors for their special fitness for their various parts, rather than for their ability to play some instrument in the band, which has been the rule with managers of like attractions. The company which Mr. Stowe will bring to our city is said to number over 50 people. A special train of 12 auto cars and trucks are required to transport this famous monarch of them all. One grand night performance only, at Tecumseh, Thursday, May 18th.

Mrs. Fred Teachout came from Jackson Monday called by the death of her sister-in-law, Mrs. J. M. Jones.

CLINTON TRIMS TECUMSEH.

At the local track meet between Clinton H. S. and Tecumseh H. S. the former took the honors to the tune of 83 to 15.

Evidently the local high athletics are either in a [illegible] of decided decline or Clinton is going fast by the results of the field meet. Clinton simply ran away with about every event which certainly should give the woolen workers a very chesty feeling.

However, we can take a good trimming and smile so look out for later events when we get our gang going some and maybe Clinton will have to take off their hats. Following is the score:

Mile run—Vandermark, Clinton, first; Sproull, Clinton, second; Sisson, Tecumseh, third. Time: 6:38.

Broad jump—Wells, Clinton, first; Moore, Tecumseh, second; Tate, Clinton, third. Distance: 18 feet 1 inch.

100-yard dash—Wells, Clinton, first; Haas, Clinton, second, Tate, Clinton, third. Time: 11 seconds.

Shot put—Sproull, Clinton, first; Thielan, Tecumseh, second; Moore, Tecumseh, third. Distance: 34 feet, 4 inches.

440-yard dash—Sproull, Clinton, first; Wells, Clinton, second; Platt, Tecumseh, third. Time: 1:03.

High jump—Cooley, Clinton, and Wells, Clinton, tied for first; Nobles, Tecumseh, third. Distance: 4 feet, nine inches.

220-yard dash—Sproull, Clinton, first; Haas, Clinton, second; third place not awarded. Time: :27.

Pole vault—Cooley of Clinton, Metzger of Clinton and Wells of Clinton, tied.

120-yard low hurdles—Nobles, Tecumseh, first; Tate, Clinton, second; Parker, Clinton, third. Time: 12 seconds.

Ball throw—Forfeited to Clinton.

Relay—Forfeited to Clinton.

OLD ALMA QUARTETTE REUNION.

A reunion of the old Alma Quartette, boys of the 1912 class of that college was a very happy event of the week-end and the pleasure was also extended to the audience of the Presbyterian church on Sunday morning when the boys sang as splendidly as of old. The boys graduated here in the class of 1907 and 1908, singing together frequently and the music was kept up when they went to Alma to school.

On Saturday evening the company, Mr. and Mrs. Wade Frost of Lansing, Mr. and Mrs. Seymour Boyd of Cleveland and Roger Waring of Omaha, were guests of Mr. and Mrs. Fred Dickinson for dinner and on Sunday the party with Mr. and Mrs. Dickinson were guests of Mr. and Mrs. H. S. Waring.

NEW JEWELRY OPENING.

In last week's issue we carried the announcement of the Geo. M. Tripp Co's. opening of a jewelry stock, but through an error the date of the opening was omitted.

This company so well known throughout the county and which conducts a jewelry store in Adrian has opened a splendid line of jewelry at the Karl Braman store and their adv. again appears in this issue. It will pay you to drop in next Friday and Saturday and look over this splendid line of merchandise whether you are in immediate need of anything in their line or not.

You will find the latest in jewelry and of a quality that is always standard with this firm. You will be made very welcome at all times at this store.

SIX INITIATED IN L. O. T. M. AND GIFTS GIVEN BRIDE.

Monday night's session of the L. O. T. M. was a very interesting and happy meeting. Six candidates were initiated into the order: Mrs. Irving Clark, Mrs. Fred Holmes, Mrs. Alfred Holmes, Mrs. Clarence Cole, Mrs. Donald Fair and Miss Mabel Clark.

After the lodge session the members made a kitchen shower for Mrs. Claud Smith, nee Martha Covell, a bride of two weeks. Her gifts were useful, dainty and many. Later ice cream and cake were served. There were 52 in attendance.

SMITH—COVELL.

On Wednesday, April 26th, Miss Martha Covell and Claude Smith, both of Tecumseh, were married in Adrian. Miss Covell, who is a daughter of Mr. and Mrs. Charles Covell, has for some time been a cigar maker in Whiting's shop and made many friends since coming to Tecumseh.

The groom is an employee of the D. T. & I. He is the son of Mr. and Mrs. John C. Smith and has resided here about all of his life.

The happy couple will begin housekeeping at once in John Mull's house on West Kilbuck St.

DEERFIELD PAPER SUSPENDS

Another Lenawee Co. paper has given up the ghost and expired. This makes two papers which have been in existence for a long period that have quit for lack of patronage.

And it means two good towns are without any newspaper publicity of their own whatsoever. It will mean thousands of dollars lost to these communities because the people are going to trade with places that advertise their goods and encourage the people to buy of them.

The best salesman of the stores in Onsted and Deerfield has gone and no more is the message of the stores in these places going into the homes of the people. Its a big and distinct loss to the whole community and to the merchants especially.

No town is any better than its publicity department which is the local paper. This has been proven many times over. The newspaper is always boosting the town in every conceivable way and when that force for progress is dead, the town will drop into a decided decline. Every live progressive merchant and every citizen knows this and usually do their part to help pull business for the town. Its merely doing the necessary work for a more-business town.

Not everyone likes the editor. He never runs the paper the way everyone would have it, absolutely impossible and highly undesirable, but every business man who wants business knows its necessary to pull for it if he is to get the share that belongs to him, so all boost for the paper if he is alive to his own interests whether he likes the way the editor combs his hair or not (providing he has any).

Deerfield and Onsted will soon learn their lesson with good roads and cars putting the big cities within easy reach of their trade but it seems its the way of the world to "never miss the water till the well runs dry."

The cause for both these deaths is simply the growth of the city papers and the lack of foresight of the merchants in these towns in realizing what a blow it will be to their business to be without local publicity.

And there are other towns that should take notice lest lack of appreciation for a high class paper causes the owners to cheapen their production and adopt the easy method of skimming more cream from less milk. Its up to every town to be a red-blooded booster for their own paper. Trade with the firms that advertise in the home paper if you want to receive square honest treatment. They give it in heaping measure.

No town is any better than its newspaper, remember that.

MOTHERS' DAY PROCLAMATION

By the Governor

Following the beautiful custom with which we have become familiar in recent years, the time has come to name a day to be known as Mothers' Day, a day whose observance shall honor the memory of our departed mothers and pay a tribute of gratitude and affection to those who are still with us. In the watchful, tender care which guided our earliest footsteps, in the constant planning for our welfare and our happiness, in the unfailing love that has blessed us all though the years up to manhood and womanhood and that still blesses and cheers us, though it be but a dear memory, in these things we find abundant reason for humble and grateful acknowledgment of the debt we owe our mothers. The very name of mother is a synonym for love and devotion and willing sacrifice.

Therefore, by virtue of the authority vested in me as Governor of the State of Michigan, I do hereby designate and proclaim Sunday, May fourteenth, 1922, as Mothers' Day, and I call upon our people both old and young, to gather in their several places of worship and take part in services appropriate to the day.

And let absent sons and daughters take this occasion to visit the mother in the old home, or, where such a visit is impossible, let them send a message of cheer and greeting.

In accordance with a resolution of the Congress of the United States, I further request the people of Michigan on the day aforesaid to display the Uunited States flag in their homes and in other suitable places, as a fitting expression of their desire to pay homage to American motherhood.

Given under my hand and the Great Seal of the State this Twenty-seventh day of April, in the year of our Lord one thousand nine hundred and twenty-two, and of the Commonwealth the eighty-sixth.

Alex J. Groesbeck.

By the Governor: Charles J. DeLand, Secretary of State.

Mrs. Lydia Coryell is at her farm in Newburg for a few weeks.

Episcopalians Meet in Tecumseh

Southern Archdeaconry Of The Episcopal Church Of The Diocese Of Michigan Hold Session. Meeting Was Very Successful.

One of the most successful meetings in the history of the Southern Archdeaconry of the Diocese of Michigan was held in St. Peter's Church. "The Oldest Church in Michigan" on Tuesday and Wednesday of this week.

Among those present were Archdeacon Jermin of Bay City and Archdeacon Ramsay of Pt. Huron, and eighteen of the Clergy of the Southern Archdeaconry.

At the evening service on Tuesday evening two able addresses were given by Rev. Ed. M. Parrott of Jackson and Rev. E. M. Stambaugh of Adrian. Mr. Parrott's address dealt with "The rural problem of the Churches" and Mr. Stambaugh gave a very lucid account of the way in which the churches ought to approach the question of reunion. He emphasized the great value that would result from a reunited Christendom.

During the offertory, Mrs. Jones rendered a very appropriate solo.

On Wdenesday morning at 7:30 there was a celebration of the Holy Communion. Archdeacon Ramsay was celebrant assisted by Rev. J. J. Preston, Rector of St. Peter's.

The first subject discussed at the morning session was "Some practical details of the Rural Problem." Excellent papers were given by Rev. A. Backhurst of Brooklyn and W. Heilman of Owosso. A very thorough discussion followed under the direction of Rev. Mr. Munday of Pt. Huron, conference leader.

The second topic on the program was "Work with, by and for Boys." The discussion was led by the following leaders: The Rev. Chas. McCurdy, Birmingham, Mr. Frank Nagel, president of the Junior Brotherhood of St. Andrew for the Diocese of Michigan, Detroit; Mr. I. C. Johnson, director of Boys Camps for the Diocese of Michigan, Detroit.

The several phases of work with boys was very ably presented by these leaders. A very hearty vote of thanks was tendered the ladies for their kind hospitality.

The ladies of St. Peter's served breakfast and luncheon in the Parish House.

COMMERCE CLUB MEETS TUESDAY.

The next meeting of the commerce club will be held next Tuesday evening at 6:30 at the high school. This will be a joint meeting with the American Legion and the Ladies Auxiliary will serve the supper.

It is with much pleasure that we can announce that Warden Hurlburt of the Jackson State Prison will be the speaker. This will insure a most excellent program and one which no one will [illegible] that ticket when the boys come around for doubtless the sale will be heavy and you will surely want to hear this man and his wonderful message.

WILL CANVASS NEXT FRIDAY

Parties from Adrian will come to Tecumseh next Friday to canvass for the Salvation Army Fund. It is to be remembered that every dollar subscribed to this fund stays right here in Lenawee Co. Not a cent is sent away and for that reason it is hoped that everyone will give this worthy organization as much assistance as they can. Your money may feel better in your pocket but you can't take it with you. There is something after this life for everyone. You will probably be judged for your deeds not your words. Help a worthy cause along.

COMMUNITY SERVICE AT THE FRIENDS CHURCH.

Rev. Lloyd East of Penn, Mich., was the speaker at the community service which was held at the Friends Church Sunday evening. Rev. East had attended the Quarterly Meeting at Ypsilanti Saturday and came to Tecumseh as the guest of Rev. Escolme.

He is a whirl-wind talker, never lacking for words and very enthusiastic in his Master's work. He chose as his text, "There came virtue out of Him and healed them all." His address was full of splendid thoughts and an appeal for his hearers to get closer to Jesus.

Next Sunday night Rev. Gregory will have charge of the service at the M. E. Church.

Mrs. Mary Harrison, who recently came from Tipton to live with her son, Lavern Harrison and wife, fell last Wednesday night to the floor dislocating her hip. This is the more serious as Mrs. Harrison is 82 years of age.

LOCAL AND PERSONAL

Supt. and Mrs. Crampton and daughters visited in Olivet Saturday and Sunday.

Mrs. G. R. Schreder is entertaining her sister-in-law, Mrs. Robert Gordon of Toledo.

Dr. and Mrs. E. D. Brown, Mrs. Lydia Coryell and Mr. and Mrs. Arthur Harding drove to Ann Arbor Sunday.

Mrs. Flora Squires returned to her home in Quincey, Tuesday, having visited Miss Emma Rogers since Thursday.

Mr. and Mrs. Burl Bumpus have purchased Mrs. J. W. Owen's house, the old Hoag property, on East Shawnee street.

Mrs. Jessie Helfrick and little daughter Mary of Ann Arbor visited the former's parents, Mr. and Mrs. F. D. Avery Sunday.

Mrs. James Cole, who with Mr. Cole arrived from Eustis, Florida, several weeks ago, has been very ill since reaching here, but is now much improved.

Sunday guests at John Sherman's were Will Sloat and family and Mrs. Emma Perrin of Manchester and Mr. and Mrs. Will Cummings and Claud Underwood.

Mrs. Thomas McCann was called to Jackson Sunday by the serious illness of her mother. Mrs. McCann returned home Monday leaving her mother some improved.

Harrie A. Smith, R. V. Wilson, Clarence Alderdyce and Emil Princer drove to Brooklyn Saturday night to attend I. O. O. F. lodge. The degree was conferred by a team from Ottawa Lake.

A few of the new Fords about this vicinity belong to Mrs. J. D. Shull, John Snow, John Cadmus, Frank Baldwin and August Feldkamp of Tipton, George A. Anderson of Adrian and E. J. Rogers.

Homer Whaley goes to Grand Rapids next week for the meeting of the Grand Chapter and Grand Council of Masonry. W. S. Dickinson goes to that city the 22d for the meeting of the Masonic Grand Lodge.

The primary and junior department of the Presbyterian Sunday-school will entertain their friends with a Mother Goose show at the church parlors Monday evening at 7:30. Don't forget the silver offering.

Miss Emma Rogers entertained on Sunday, Mr. and Mrs. Ed Pierce of Yonkers, N. Y., and Mr. and Mrs. H. J. Williams of Adrian. Mrs. Pierce returns today to spend the balance of the week with Miss Rogers.

Mr. and Mrs. Clark Goodacre were called to North Adams Sunday morning by the serious illness of his father, who died that afternoon. The Tecumseh couple again drove to North Adams yesterday for the funeral.

Mrs. P. C. Satterthwaite was hostess for the Young Ladies 500 club Friday evening. The high honors went to Mrs. Ralph Smith with Mrs. Leon Rosacrans consoled. Mrs. Ralph Smith will entertain the club May 17th.

Arno Daniels, his daughter and Mrs. Henry Ward drove to Ann Arbor Sunday and brought back little Robert Daniels who has been ill with spinal meningitis in a hospital. The little lad has not improved much while in Ann Arbor.

Guests of Mr. and Mrs. W. S. Dickinson and the latter's father, Mr. Duncan, for Sunday were the latter's son and wife, Mr. and Mrs. G. J. Duncan, James R. Duncan and Miss Hazel Struble of Lansing, Mrs. E. R. Wells and daughter of Detroit.

Complimenting her sister, Mrs. Ida Spencer, whose birthday it was, Mr. and Mrs. Willis Smith entertained at dinner Sunday their brothers, Ed and Will Spaulding and their wives of Tipton, Mrs. Leonard Mangus, Mrs. B. F. DePuy, Miss Fern DePuy and At. Mangus.

Word comes to Mrs. Anna LaPoint of the sudden death of her friend, Mrs. W. Harrison Moore of Cleveland last Saturday. Mrs. Moore, who was 36 years of age, has visited Mrs. LaPoint and daughter, Miss Bertha, every summer for several years and made many friends here.

Mr. and Mrs. Frank Snedecor leave tomorrow for a three weeks' trip through the east, going first to New York to visit their son Harry and family, then to Washington, Baltimore and Cleveland. This is the first time Frank has taken a whole week from his business in over thirty years.

Mrs. J. N. Satterthwaite was hostess for the Friends Missionary society Thursday afternoon when Mrs. Helen McNeil gave a very interesting talk on the Oneida Institute of Oneida, Ky., in which she is so intensely interested. Miss Odessa Jones favored the company with a vocal solo.

George Elliott was the proud host when eighteen youngsters came Monday afternoon to help him celebrate his sixth birthday. Games and stunts amused the kiddies until Mrs. Elliott, assisted by Mrs. F. S. Bell and Mrs. H. W. Whaley, served the guests the nice refreshments. George received many gifts from his young friends.

REAL OR IMITATION?

Towns are built by boosters and killed by knockers. Every town is just as good as the per cent of real genuine boosters it contains, and just as poor as the number of knockers that call it home.

A booster is not one who says he is but don't live up to it. He is a camouflaged or cowardly knocker who hasn't the courage of his convictions and seeks to hide his true nature. Of all the knockers in any town, this type is the most detestable.

The man who is openly against a proposition is not a knocker at all. He is simply expressing his own convictions and has as much right to do so as any man has to champion it. To be against or for public questions has nothing to do with being a knocker for what is good for one man is not necessarily good for all, hence clean cut open opposition to any public question is every man's right and it brings out the best in the final analysis, for its opposition that trues up every question and gets it into shape for genuine service to the community. We admire the man who takes a stand on every public question whether it agrees with others or not for that is the very essence of our form of government and is the balance wheel that makes the old machine run true and smooth.

The imitation booster or camouflaged knocker is the selfish greedy individual that wants everything in the town or community to contribute to his welfare. He is the man who is jealous of any other man's success and uses the loathsome methods of the world hated lying tongue to discredit him or his business. He loves to pick up juicy scandal and carry the infection like a sewer rat into respectable homes.

He is one who uses deceitful tactics in business and knocks everyone who doesn't happen to contribute largely and often to his personal welfare. Such an one might be properly designated as a kleptomaniac for stealing good will and town prosperity. They would do immense harm were it not for the fact that they are always well known no matter how cleverly they may believe themselves hidden which is the one weakness in their make-up that destroys the harm they otherwise would do.

The real town builder is the man who has always a good word for every business in the town, who works hard to bring people into the town to trade and live, and who takes personal delight in making the town a happy cultured respectable place in which to live and work.

He is friendly and unselfish. Greed never entered his make-up. He is quick to recognize everything that is good for the town and he goes out of his way to help it succeed. He is a strong puller on the load of progress. He delights in everything that stands for better living, schools, churches, libraries and prosperous business for ALL. He is quick to recognise the hardships of others and square in his dealings always. He does business on business principles unbaised by personal prejudice and gives freely of his time and money to assist every worthy cause. Such a one is truly the town builder or booster.

We are mighty pleased to say that Tecumseh has the largest percentage of real town builders of any place on the map with which we are conversant. The rank and file of its citizens is of the booster type in a very large degree and the very few who are not are quite ineffective in their misdirected efforts though at times they might be like the pestiférous mosquito hard on our otherwise courteous vocabulary.

To say Tecumseh is booster perfect would kill our further efforts, but to say it rants exceedingly high is putting the truth mildly.

Mother's Day May 14th

Mother! What sweeter name in any language? What more fitting than a day in her honor?

Our country owes much to the mothers of America. What statesman in our history has not humbly acknowledged his debt to the teachings of a true, noble-hearted mother?

May HER wisdom ever be heeded. As those precepts of virtue, truth, and justice have made of this a mighty nation, so will they preserve it!

A. C. AYLESWORTH, Auctioneer.

The ladies of the Westminster Guild gave a "coffee" Friday afternoon at the home of Mrs. C. N. Graebner which netted the society over $23. The tables were dainty with white napery, flowers and handsome china and silver. Then in the dining room were attractively displayed most delicious home-baking which went like hot cakes. Beside the nice sum added to the treasurer the social fellowship is beyond price.

Reduce Your Production Costs

Farming, like every other business, must cut down the overhead.

It is not a question of being able to afford a Fordson; it is a question of being able to continue farming on the old too-costly basis.

The farmer's problem is not all a sales problem; it is also a production problem. He must cut down the cost of production.

Let us give you the proof. Write, phone or call today.

The Fordson does more work at a lower cost and in less time than the old hand methods.

Buick

The Famous Buick Valve-In-Head Motor Powers The Buick "Four"

The powerful Buick valve-in-head motor has been an outstanding Buick feature for 20 years. Its unfailing dependability, stamina and certainty of performance have justly earned for it the unstinted admiration of the entire motoring public.

The Buick "Four" is equipped with the reliable Buick valve-in-head motor. This is merely another indication of the fact that the Buick "Four" maintains Buick standards of quality throughout every element of its construction. It is Buick through and through.

MORTGAGE SALE.

WHEREAS, James Dryer and Rose Dryer, son and mother, each of Homer, Michigan, made and executed a certain mortgage bearing date July 22d, A. D. 1918, to Ester Bovee, and Ella Deline, each of Dover Township, Lenawee County, Michigan, and Emma Shepherd, of the city of Adrian, said county and state, which was recorded in the office of the Register of Deeds of the county of Lenawee on the 9th day of August, A. D. 1918, at 8:40 o'clock in the forenoon, in Liber 211 of mortgages, on page 193;

AND WHEREAS, the amount claimed to be due on said mortgage is the sum of one thousand one hundred and thirty-nine dollars and twenty-two cents ($1139-.22), and whereas the taxes for the years 1920 and 1921 have been returned unpaid and there is now due and owing on said delinquent taxes the sum of seventy-nine dollars and seventy-five cents $79.75), and no suit or proceedings have been instituted at law to recover the debts now remaining secured by said mortgage or any part thereof;

AND WHEREAS, default has been made in the payment of the money secured by said mortgage whereby the power of sale contained therein has become operative;

NOW, THEREFORE, notice is hereby given that by virtue of said power of sale, and in pursuance thereof, and of the statute in said case made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises at public vendue, to the highest bidder, at the East front door of the Court House, at the city of Adrian, in said county of Lenawee, on the 20th day of June, A. D. 1922, at 10:00 o'clock in the forenoon; the description of which said premises contained in said mortgage is as follows: The Northwest Quarter of the Southwest Quarter of Section number Thirty-Three (33) of the Township of Dover, Lenawee county, in the State of Michigan and consisting of forty (40) acres of land more or less.

Plunder Merchandise

There is a lot of this kind of merchandise being offered to the public today. What is it? Merchandise in which quality, workmanship, service and satisfaction have been sacrificed to create fictitious "bargains."

Plunder merchandise is the poisonous growth of illegitimate competition between unscrupulous dollar chasers who have no appreciation or respect for the public good or good-will.

Plunder merchandise is the falsest bargain ever foisted on an economy seeking public. Your safeguard against loss from buying this kind of merchandise is careful examination of the goods you require. Test them as to quality and actual value before you buy. Then buy of only reputable dealers who value their reputation for honesty and integrity.

The quality of our goods is unexcelled and we guarantee the price as low as can be, when figured on today's market.

Buy here and safeguard your own interests.

Opening Game Is Next Sunday

Base Ball Season Opens At Athletic Park With Deerfield At 3 P. M. Splendid Team Assured This Season. Town Must Back Up Games With Attendance If Successful Season Is To Result.

The opening base ball game of the season will be played at Athletic Park next Sunday between Deerfield and Tecumseh at 3 P. M.

The park grounds are in good condition for fast work and our team has been practicing steadily under efficient management so that they are getting into snappy condition.

Several new players have been added to the line-up and everything set for a very successful season. There is no better sport on earth than base ball and it certainly gives the people of the community a lot of good wholesome entertainment so it is most desirable that Tecumseh produce a winning team and the only way a team ever will be a winner is to have the people back it up with big attendance and plenty of enthusiasm.

Tecumseh wants a winning team and it is up to the people to get back of the team and boost not crab. No team can win every game even if they are the best aggregation ever sent to the field for luck will sometimes beat them out. For instance a home run hit with no one on bases means one score. If two were on bases, it means three scores, and so it could be mentioned many cases where luck puts a big figure on the score board. Come on all you fans and near-fans, lets get behind the home team and boost like a lot of real sportsmen and show the team we are for them every minute whether they win or lose. Then they will get the spirit and play for all they are worth and it will make a wonderful difference in the percentage of games won. Remember the date and time and be on hand with the whole family down to the last kid. We're off in a bunch so whoop'er up for Tecumseh and the home team.

Mrs. Albert Anderson suffered an operation last Thursday for the removal of tumor, Drs. Hardy and Conklin performing the surgical work. Reports from her are very pleasing and a quick recovery is assured.

Senior Reception Brilliant Affair

Radio Proves Very Pleasant Manner Of Entertaining. Decorations Most Artistic, Both Seniors And Juniors Are To Be Congratulated.

One of the most elaborate events of the school year is the Junior-Senior reception and certainly the class of 1923 did themselves proud in the very pretty party they gave Friday evening in the high school "gym." A trellis divided the great room in a banquet hall and ball room. Lilacs in profusion decorated the sides and green and white, the Junior colors trailed over the gallery railing. Over the orchestra was suspended a canopy of the green and white and from the lamps were streamers in pastel shades. The faculty were also guests making a party of over eighty.

The banquet was served at small tables graced with hand-painted nut cups and green and white menus. Ten sophomore boys were the waiters.

The decorations were in charge of Ellen McCook, the invitations rested with Luella Colson, the chairman of the banquet committee was Alice Heilman and Bernice Austin was chairman of the entertainment committee who presented the following "Radio" program of toasts with Harry Duncan, the jolly toastmaster:

The Broadcasting Station—Miss Holmberg.

The Amplifier—Archie Waring.

Vocal duet—Mildred Haines and Euena Eastlick, accompanist Gertrude Brooks.

The Transmitter—Lawrence Harrington.

The Tuning Coil—Clara Wilson.

The Wire Line—Doris Hoag.

Orchestra selection.

Adapter—Miss Boyce.

The balance of the evening was spent in dancing to the music by The Joy Boys.

TWO LITTLE LADS CELEBRATE THEIR BIRTHDAYS

Tuesday afternoon of last week Harold Wilson and Aaron Beckman celebrated their birthdays in a joyful party at the home of the former. There were eighteen guests and during the party it was discovered that it was also the birthdays of Charles Marsh and Thomas Pyle. The mothers of the two hosts, Mrs. Sidney Wilson and Mrs. Alfred Beckman served a splendid supper with Sidney the chief waiter. The youngsters played games and stunts and amused their elders in fine shape.

The guests were Pauline Hayes, Beatrice Ellis, Joyce and Clarence Marsh, Betty and Fritz Seitz, Virginia and Edward Brazee, Virginia and Richard Boyce, Charles McLaughlin, Charles Marsh, Billy Magley, Thomas Pyle, Raymond Benedict and Mayme Beckman.

Jas. M. Jones Passed Away Last Sunday

Survived His Good Wife But A Few Days. Was A Man Of Strict Integrity. Well Known Through This Section. Had Built Up Fine Business And Was Highly Respected By All.

Only two days after the burial of his wife, James M. Jones passed away Friday at noon. He had been in failing health with anemea several years—as had his wife—but at the end the call came suddenly. By sheer strength of will, Mr. Jones had kept up, coming down town nearly every day until Thursday, so the end was a shock to the Tecumseh people even if they did know he was in a serious condition.

James M. Jones was born in Tecumseh May 15, 1856, the oldest son of Mr. and Mrs. David Jones, the pioneer tailor of the village. When 18 years of age James went to work in his father's shop, taking over the business as Mr. Jones became feeble through old age.

Tweny-one years ago James Jones took his son Wade into business with him and since then the firm has built up a fine clothing business, moving several years ago into the Masonic Temple block, with the tailoring department carried on in another building. Mr. Jones was assisted in this department by his brother Louis who recently took this portion of the business himself.

Mr. Jones on Sept. 12, 1880, married Miss Florence L. DePuy whose death we announced last week. The son, Wade, was their only child, but the two enjoyed their three grandchildren, Marion, Majel and Dean Wade, immensely.

Also surviving are five sisters and the one brother: Mrs. Belle Probart of Portland, Mrs. Stella Smith of Britton, Mrs. Minnie Cairns of Toledo, Mrs. Cora Teachout and Mrs. Lulu Deming of Jackson and Louis Jones of Tecumseh.

Mr. Jones was intensely interested in civic affairs, taking an active part in anything for the town's good. He kept in touch also with the national trend of events and through the years has been a loyal advocate of the Democratic party. He was a member of the Knights of Pythias and Royal Arcanum. The former of these lodges acted as the escort when on Sunday afternoon the body was laid away in the mausoleum in Brookside. The services were held in Belding's Funeral Home, conducted by Rev. J. F. Kiskaddon. The bearers were R. A. Heesen, James Elliott, Alva Spayde, Robert Quackenbush, John Mahaney and Edward McKinney. The Knights of Pythias gave their beautiful burial service at the cemetery, Chancellor Commander Earl Haughn reading the ritualistic work very impressively.

Among those present from out of town were Mr. and Mrs. J. C. Probart ot Portland; Mr. and Mrs. Ernest Voyt of Grand Ledge; Mr. and Mrs. F. D. Teachout, Miss Harriett Teachout, Mr. and Mrs. A. E. Deming of Jackson; Mr. and Mrs. E. W. Cairnes of Toledo; Mr. and Mrs. George W. Smith, Mr. and Mrs. Russell Smith and two daughters. U. of M. FRATERNITY ENJOY OUTING AT SAND LAKE.

The Phi Mu Alpha fraternity, of which Robert H. Moore is a member, and their ladies and chaperon made a party of over fifty who came from Ann Arbor, Friday afternoon to the North Shore hotel at Sand Lake for an outing. With usual lake sports and dancing on the hotel verandah the vacation was most delightful and with regret the young people returned to Ann Arbor Sunday evening. Mr. and Mrs. R. S. Moore joined the company Sunday and returned to Ann Arbor with them that evening for a few hours.

EAGLES ELECT OFFICERS.

At their meeting last week the Eagle lodge members elected these officers:

Worthy President—G. J. Ziehr.
Vice President—Verdi Skinner.
Secretary—Charles Hastings.
Treasurer—Frank Wallinger, for his 15th year.
Chaplain—F. E. Smalledge.
I. G.—Henry Kelley.
O. G.—Frank Poley.

The election followed a 6:30 banquet.

Mrs. G. B. Garlinghouse Died Tuesday

Prominent Tecumseh Lady Passes Away Tuesday.

The death of Mrs. G. B. Garlinghouse took place at the state hospital at Kalamazoo Tuesday afternoon at 6:20. The remains arrived from that city this morning at 7:05.

The remains were taken to the Belding Funeral Home where the funeral services will be held tomorrow morning at 10 o'clock.

Mrs. Garlinghouse was born in Towelsville, Steuben county, N. Y., in 1858. She was the daughter of the late Mr. and Mrs. Timothy Mills. The family came here when the daughter, Fannie, was a young girl. In 1880 she married Frank Bryan and to them were born three children: Floyd of Tecumseh, Mr.s Florence Kerr of Durand and one little son who died several years ago.

Mr. Bryan died fifteen years ago and in 1914 Mrs. Bryan became the wife of G. B. Garlinghouse of this city. Three or four years ago her health began to fail and in January 1921, she was taken to Kalamazoo for treatment, but she has grown steadily worse until death came to her release Tuesday.

Mrs. Garlinghouse when in her good health was a cheery little woman, a real friend maker. She was an energetic worker in the Baptist church and a member of the O. E. S.

BANKS MAKE EXCELLENT SHOWING.

In last week's issue we printed the financial statements of the Lilley State Bank and the People's State Bank of Britton.

The most excellent showing made by these two strong financial institutions is very gratifying indeed to their many customers and to all the people in this community for that matter, for strong service-giving banks are the greatest of assets to any community.

The Lilley State Bank showed its capital, surplus and undivided profits to be over $71,000 which puts it in the class of top notch banks for strength and service. The People's State Bank of Britton has an equally good showing for the amount of its deposits and both banks are serving the community in a very high degree of efficiency with every accomodation consistent with sound banking. Both banks are growing steadily in public favor for their splendid service to the community.

HAGUE PARK OPENS

Knowing the conditions of the country the last few years and the general depression of things, Mr. Odell, general manager and owner of HAGUE PARK, Jackson, Mich., is opening the famous resort earlier than usual to have us forget the past and be for the future and present and as there is no better proposition than the resort that has made Jackson famous where we can enjoy ourselves more and at very little expense than at HAGUE PARK. The rides have all been reduced, buildings remodeled, new concessions, dancing hall, enlarged bathing beach all overhauled, new suits and towels. The restaurant conducted by a local man and wife who will give you home-cooked meals. The hamburger and waffle stand will use all electric cooking devices and in fact everything has been overhauled and all appears as new although this is their 15th anniversary. Automobiles parked free.

Our fireworks will be on the lake and under the directions of Mr. Jos Weigand, president of the Weigand Fireworks Co. of Franklin Park Cook Co., Ill., and will be worth going miles to see as we have the best fireworks money can buy. Sunday, May 14 will be inspection day, all rides will be open and a great many of the concessions and will be pleased to have all come out and look us over.

Warden Hulburt Gave Fine Address

Commerce Club Delighted With Splendid Description of our State Institution. Pictures Show Inside Of Prison At Work. People Listen Intently.

Warden Harry L. Hulburt of Jackson was the principal speaker at the monthly chamber of commerce banquet which was a joint affair with the American Legion last Tuesday night and held at the high school.

About one hundred were present and they were both greatly entertained and delightfully instructed by the Warden's great address. Warden Hulburt is a big man physically, mentally and has a big generous nature that instantly appeals to all men which combination ideally fits him for the responsible position he so ably fills.

The warden gave a minute description of the inside workings of the prison both as regardng the industries and the handling of the men and he was listened to intently from start to finish as his talk was a splendid word picture of the work carried on at our state prison.

Each industry was taken up and explained both as to its effect upon the men and the returns it is making to the state which shows that every effort is being made not only to reform the men and turn them insociety at the close of their terms as good citizens as it is possible to make them, but that the state is deriving a splendid revenue from the operations carried on at the prison.

The pictures added great interest and brought the whole matter into an intimate glimpse of this great institution in its ever day life. Those present were loud in their praises of the warden's efforts and his great generosity in coming here with such a fund of entertaining enlightment.

The people of this vicinity certainly are much better informed on our state prison than they have ever been before. If the warden will allow himself to be utilized often in this kind of work, the people of Michigan will soon know how carefully and thoroughly the prison is managed in the best interests of society both as reforming the men and making the institution financially successful. We extend our sincere thanks to the genial warden for his efforts so much appreciated.

The ladies of the Auxiliary served an elegant supper which was thoroughly enjoyed by everyone and the whole evening was a distinct success.

MRS. F. S. TURNER ENTERTAINS AT BRIDGE AND LUNCHEON.

On Tuesday Mrs. F. S. Turner was hostess to a large company of friends for an afternoon of bridge at her home on Chicago street.

The beautiful old home was never more attractive than in its decorations of spring flowers. Baskets of tulips, iris, narcissi and lilacs in all the deepening shades from darkest purple to pure white made the rooms a bower of beauty.

The afternoon was spent in playing bridge at which seven tables were filled. Mrs. J. H. Smith and Mrs. Nellie Adamson held the high and low scores respectively and received the dainty awards.

A number of friends joined the company later and a delicious two-course luncheon was served. A crystal basket of violets and lillies of the valley centered each small table and corsage bouquets of the same lovely flowers marked each plate carrying out the color scheme of purple and white most effectively.

Mrs. Turner was assisted in serving by her daughter, Miss Margaret Turner, Mrs. Floyd Heesen and the Misses Marguerite Wilson and Katherine Heesen.

MRS. F. J. TEMPLE, MUCH IMPROVED.

Word comes from Mrs. F. J. Temple who is taking treatments at Battle Creek that she is decidedly improved.

Last Sunday F. J. Temple accompanied by Miss Vie Temple and Harry Temple and family went to Battle Creek to visit Mrs. Temple and found her much better. Previous to going there she was unable to take solid food and was in much pain at all times.

She has taken the X-ray treatments to the full extent and shows marked improvement, taking solid food with ease and the severe pain has left, all of which shows she is gaining rapidly and the further fact that she is in much better spirits makes for rapid improvement.

Her may friends here will be delighted to hear from her thus.

MOTHER'S DAY SERVICE AT PRESBYTERIAN CHURCH.

Mother's Day was beautifully observed in the Presbyterian church Sunday morning when the members of the G. A. R. and ladies of the T. B. A. were the guests. The altar was banked with lilacs in purple and white and other spring flowers.

A full choir led the singing and the anthem, "Home, Sweet Home" was especially impressive, leaving scarcely a dry eye in the room. W. S. Dickinson also sang a beautiful mother's song.

Rev. J. F. Kiskaddon used Prov. 31:28-31 as his text, making his address a splendid tribute to that dearest of all, "Our Mothers."

He first lauded the old-fashioned mother who spun her own yarn, knitted and wove the cloth for the family's garments and even made the candles by the light of which to do this work. Then he also spoke in affection of the modern woman, who beside caring for her home has outside interests, being interested in cleaner politics, the charities and great church work. He did not forget to praise the good women of the world who have not been called to wifehood and motherhood.

But the root of the greatness of both must be the fear of the Lord.

RECEPTION FOR NEWLY WEDS.

Mr. and Mrs. Fred Poucher were hosts Wednesday evening for a party of thirty-five guests complimenting their son, Claire Dickinson, and bride, who were recently married in Sprngfield, Ill., The rooms were decked with great baskets of lilacs and tulips. Several vocal selections were rendered by W. S. Dickinson and Fred C. Dickinson and the guests visited through the evening. Guests were present from Tipton, Holloway, and Clinton.

A dainty three course luncheon was served by the grooms sister, Mrs. E. M. Campbell and Mrs. Milvin McWilliams. The happy couple received many pretty and useful gifts.

Everybody has been held responsible for the crime wave except the criminals.—New York Tribune.

BRITTON BUSINESS MEN PUT ON SHOW.

Will Hold Big Free Movie Show Next Saturday Night On Street Of Britton. Will Test Out Plan For Show Every Saturday Night. Every Business Man In Britton Is Boosting It.

Britton Merchants are going to put on a big free movie show on the streets of their village next Saturday night and will give the people a real two hour program of comedy and other pictures.

The business interests of Britton are going to do all in their power to boost their town and bring people in there to enjoy themselves and to trade, hence they are trying out the scheme of giving a free show every Saturday night.

The business men of our sister town are live wires and believe in going after business hence they have inaugurated the plan mentioned.

The show will start at 8:30 and will consist of eight reels of pictures covering a wide range of subjects. There is absolutely no charge for this and the people are urged to come and enjoy it.

LOCAL AND PERSONAL.

R. A. Heesen went on a business trip, to Detroit and Dayton last week.

Miss Gale Bowen, daughter of Mr. and Mrs. Don Bowen of Washington Court House, O., graduates from the city high school next month.

Miss Hazel Stahler is taking a trip through California and enjoying it very much. Miss Stahler was until last January one of Tecumseh's popular young ladies when she left for the west for an extended visit. Her many friends will be glad to hear she is enjoying her stay in the west.

The board of education and their ladies, also Supt. and Mrs. E. E. Crampton were guests of the 10th grade cooking class and their teacher, Miss Gertrude Rankin, at 1 o'clock luncheon Wednesday. The guests were delighted with the splendid menu served and prepared by the girls.

Charles Manley, H. H. Hanna, Robert Quackenbush, Wm. Camburn, Ed McKinney, Clyde Drewyor, Charles Stevenson, Louis Collins, Bert, Ralph, Tom and Harry Boyd, Clarence Aebersold, John Herring, Milburn Brooks and Harold Skinner made up a party who drove to Ann Arbor last week for a K. of P. meeting.

Mrs. J. F. N. Bowen has received word that her niece, Miss Frances Brewster, of Marshall, who has met many Tecumseh people during her visit here, has started on a Chautauqua circuit thru the southwest and western states. This is her fifth season, having charge of the Children's Hour. Her first engagement was a Junior conference in Houston, Texas.

BUSINESS LEADERSHIP FOR PUBLIC SERVICE.

The following article taken from the N. Y. Evening Post is of interest to many in this vicinity as Mr. Bush made his home for many summers with his grandparents, Mr. and Mrs. Jonathan Hall of Ridgeway.

By the choice of Irving T. Bush yesterday as president the State Chamber of Commerce assures a continuance of its high traditions.

Irving T. Bush's bold conception of using his capital and his waterfront tracts in Brooklyn to build a great terminal came from an original perception of one of the city's chief deficiencies. He saw industries fleeing from New York to centers where they would have direct connection with rail and water. He did more than induce many such plants to remain; he brought new factories in from the outside. Today the Bush Terminal owns the greater part of a mile along a forty-foot channel, with nine piers and more than a hundred warehouses. It represents an industrial city as remarkable in its way as Gary, Ind., with its growing number of enormous industrial buildings housing manufactories that range from pianos to chewing gum. It is a city with its own ships, locomotives, yards for 2000 cars, police, and street cleaners. In his relations with his employees and the municipality the man who made it grow has shown himself singularly enlightened, and his influence has always been exerted for sound public policies.

BELDING "FUNERAL HOME"

There are many things about Tecumseh of which we are all very proud and among these is the Belding Funeral Home, situated at 210 W. Pottawatamie Street, between Pearl Street and Maiden Lane.

This home fills completely the need for a place where the remains of loved ones can be taken during the interim before they are laid in their final resting place. Every modern convenience is provided at this home for the care of those who have gone before, in fact, there is nothing that could be desired by friends whose tender love for those now still in death that is not provided by these beautiful surroundings.

The grounds are kept in careful condition and the Home is furnished in splendid taste to meet the use for which it is estableshed. The large reception room on the first floor is roomy and opens directly through double doors into another room of equal size which affords a beautiful place in which to conduct services when so desired. And still a third room can be opened into these two through double doors should more room be desired. These three rooms together with a large hall and spacious porch affords ample room for many friends to attend the services in comfort.

The show rooms for caskets are located on the first floor and in the four rooms up-stairs where Mr. Belding has on display a line of caskets, suits and dresses far superior to what are usually carried in cities many times our size.

The entire building is heated with hot water and toilet conveniences are located on each floor. The rooms are softly lighted and very "homey" decorations are used throughout. It is in fact a most ideal place for the need it so completely fills and affords our town conveniences seldom found in cities many times our size.

Mr. Belding has just added another modern hearse to his equipment which is of the very best design and equipped with every convenience to contribute to the needs of the service. He now has two complete equipments, one of which is convertible into a modern ambulance of the latest type and which affords every care to those who need such a service.

And lastly, we wish to say that combined with this splendid equipment is the personality of Mr. Belding himself which is of such a sympathetic nature that those whose loved ones are entrusted to his care always feel that they are receiving every attention that human kindness can give and that they are laid to rest by a sincere friend.

It is with personal pride in the excellence of all this that the editor writes these few lines of appreciation well merited indeed.

SOME BATTERIES WE SAY.

Schneider Bros. have on display in their show window two Exide batteries that have given most remarkable service.

One was owned by Wm. Gibson of this city and has given seven (7) years of genuine service to the owner. That is by far the longest service we ever knew of in an auto battery.

The other was owned by a Mr. Wright of Adrian and has given 5 years and 9 months service and both batteries look as if they were good for much more as Mr. Schneider stated that either one would start your car right this minute.

Both batteries are certified to length of service by the owner and there can be no doubt as to the authenticity of the service rendered. Some service we say.

PRIMARY DEPARTMENT GIVE MISSIONARY PLAY.

"Mother Goose's Missionary Meeting" was the title of the entertainment given at the Presbyterian church Monday evening by members of the Primary department. This was in charge of the superintendent of that department, Mrs. R. M. Moiles, with Miss Marjorie Boyce accompanying the little people in their songs.

A regular missionary meeting was conducted by Mother Goose (Wilma Pyle) who as well as the members attending were dressed for their parts. Just like their [illegible], the members made all sorts of excuses when asked to take part in the work of the society and as a take-off on the real missionary society it was splendid.

The caste was as follows:

Mother Goose—Wilma Pyle.
Jack Sprat—Ned Rosacrans.
Mrs. Sprat—Irene Craig.
Mary-Quite Contrary — Wilda Henry.
Jack—Frederick Dickinson.
Jill—Helen Hodges.
Jack Horner—Raymond Puffer.
Miss Muffit—Ruth Witherell.
Old Woman who lived in a shoe—Katherine Jean Wood.
Nancy Etticoat—Majel Jones.
Bo-Peep—Juanita Skinner.
Boy Blue—Raymond Wilmarth.

The salutatory was delivered by Julie Anderson, a recitation, "He Gave a Nickel to the Lord," by Esther Brewer, "Long Distance Missions with Indians and Whites" Verlene Wilmarth and Norma Skinner. The valedictory by Albert Herring closed the program. After a talk by Rev. J. F. Kiskaddon the silver offering of $13.50 was received, this to go toward the missionay funds of the church.

INSTALLS NEW FIXTURES

The Jones Clothing Shop has just installed an elegant set of new fixtures bought of the Interchangeable Wall Case Co. of Detroit.

The set extends the whole length of the east side of their store and consists of eight closed cabinets and four open shelf sections. They are built of oak and are of the latest dust-proof type which gives them ample show and storage space.

These improvements are in line with the up-to-date policy of this progressive business and will be a handsome and useful addition to the store.

NATURE TELLS YOU

As Many A Tecumseh Reader Knows Too Well.

When the kidneys are weak,
Nature tells you about it.
The urine is nature's index.
Infrequent or too frequent passage,
Other disorders suggest kidney ills.
Doan's Kidney Pills are for disordered kidneys.
Tecumseh people testify to their worth. Ask your neighbor.

Thomas Langton, retired farmer, W. Chicago St., Tecumseh, says "I had kidney complaint awfully bad and suffered with my back. My kidneys acted irregularly and were unnatural. I used Doan's Kidney Pills purchased at Wright & Son's Drug Store and they strengthened my back and regulated the action of my kidneys."

The above statement was given July 27, 1916 and on May 3, 1920, Mr. Langton said: "Since endorsing Doan's Kidney Pills I have used them several times. If thru taking cold, I have noticed a return of the trouble, Doan's have never failed to give me relief."

The Coal Situation

Letters from Washington guarantees from coal firms, the incerasing demand of the manufacturing industry. Dealers are beginning to buy coal, railroads buying coal instead of using their reserves, the demand is now greater than the supply, nothing to indicate early freight reductions, the uncertainty of the ending of the coal strike, all indicates scarcity and higher prices of coal this fall and winter.

BUT NOW

We have Pocahontas lump and egg coal in transit, purchased considerable under present market prices. Same will arrive about the same time as you read this ad, phone your requirements, the next coal we get in will be higher in price.

A HOUSECLEANING SERMON.

"Tear Down The Horsesheds On The Church Properties," Says Rev. W. A. Gregory.

"Prohibition laws could be more easily enforced in Tecumseh if we could persuade our church boards to tear down the horse sheds which make eye sores of the church properties in town," so said Rev. W. A. Gregory Sunday evening at the community service held in the M. E. church.

Rev. Gregory has been cleaning the walls and ceiling of the large auditorium of the Methodist church and while rubbing the sore muscles of his shoulders and back decided on Matt. 12:44 as a fitting text for this service. Then he saith I will return into my house whence I came out; and when he is come he findeth it empty, swept and garnished."

The speaker said he was not a D. D. "Doubtful Dignity" as he puts it, but a D. D. D. "Doctor of Dirt and Dust" which degree he has acquired in the last few days. He applied this spring cleaning to the church with the appeal to have the horse sheds removed and to ourselves by asking that we remove the rubbish from our own lives and be careful what we allow to enter instead. "Right now we are in danger of our intellectuality over-coming our vitality in the Christian life," said the minister.

"When God calls, He wants you to get up and move. When you have the house all cleaned, open wide the door and let the spirit of Jesus in.

Then prepare your souls for the to begin Sunday night. Lay aside all social things which will interfere with the services" were a few of the thoughts expressed by Rev. Gregory in his forceful address.

The other ministers conducted the opening services with a vocal solo by Mrs. S. N. Wyman.

ANNUAL BANQUET OF WIT AND WISDOM CLUB.

The Turner home was very beautiful Tuesday evening of last week when great baskets of apple blossoms, lilacs, and other spring flowers made a gay setting for the annual banquet of the Wit and Wisdom club. The feast was served at small tables through the rooms, the places of absentees being filled with guests. The hand-painted menus at each plate were works of art. "Wit" was represented with a clown with bells and "Wisdom" by the owl standing on a great book.

The program was a magazine edition with F. S. Turner the editor in chief or toastmaster. The toasts were as follows:

The Review of Reviews (club work for two years)—Mrs. W. G. Waldron.

The Outlook—Rev. J. F. Kiskaddon.

The Musical Observer (a vocal solo)—F. C. Dickinson.

The American Boy—Miss Alice Wimple.

The Outing—Mrs. F. D. Rector.

Dr. E. D. Brown, the new president, was introduced and appointed the following committees:

Picnic Committee—Mrs. J. O. Eaton, H. S. Waring, and Mrs. Helen McNeil.

Program Committee—Mrs. F. S. Turner, Miss Kyle, Miss Wimple and Rev. W. A. Gregory.

WESTMINSTER GUILD MEETS AT GILLESPIE HOME.

The Misses Grace Gillespie and Marion Bills entertained the Westminster Guild Tuesday evening at the home of the former.

Miss Mary Whitelock had charge of the devotionals and the chapters were discussed by Miss Ethel Keyser, Miss Ethel Garlinghouse, Miss Jennie Gillespie and Mrs. Frank Nyland. The subjects were "The Native Church" and "The Missionary Enterprise and its Critics." Refreshments were served.

The next meeting of the Guild will be held Monday evening, May 29, at the home of Mrs. George Kidman when a pot-luck supper will be served.

LOCAL AND PERSONAL

Floyd Ager of Detroit visited Mr. and Mrs. Eugene Service Sunday.

Mrs. Roy Collins of Toledo has been here on business part of the week.

Frances, the oldest daughter of Mr. and Mrs. Howard Wilson, has scarlet fever.

Mrs. Ida Spencer is in Detroit spending a week with her son, Arthur Spencer, and wife.

Miss Asenath Hosmer has been visiting her friend, Mrs. Edith Lamkin, in Detroit since Friday.

Wesley Pennington, one of Macon's prominent residents and well known in Tecumseh has the measles.

Mr. and Mrs. Eugene Rosacrans have been visiting the latter's sister in Grand Rapids most of the week.

Mr. and Mrs. A. D. Macham, their daughter, Mrs. B. E. Giles and two children of Plymouth, visited the Rector and Gillespie homes Sunday.

Mr. and Mrs. Harry Harper of Lima visited her brother, W. E. Fisher, and wife the first of the week. They were enroute to Battle Creek.

Mr. and Mrs. Raymond Pratt and daughter Catherine of Adrian spent Sunday with Mr. and Mrs. Mervin Furgason. Mr. and Mrs. H. K. Hay were also guests.

Mr. and Mrs. Carey Clymer and grandchildren, Janita and Harold Sheldon, of Ann Arbor were week end guests of Mr. and Mrs. James Day and Mr. and Mrs. P. K. Allen.

Stanley Ford and daughter Ella of Birmingham visited Mrs. Ford's mother, Mrs. Ella Aten and at Ted McConnell's from Friday to Tuesday. Mrs. Ford is in Ford's hospital in Detroit for treatment.

T. C. Harris of Ann Arbor in renewing his subscription states that he has taken the Herald since 1887 and that he has missed but one copy in all these years, which he considers a pretty good record.

Measles is the next disease for the small fry and probably some of their elders. Some of the victims so far are Ralph Cilley, Marion and Stanley, two of D. C. Smith's children, Emma, the little daughter of Fred Smith, and Glen Hendershott.

On Thursday afternoon at two o'clock, May 25th Mrs. F. S. Turner will be hostess to the Woman's Home Missionary Society of the Methodist church, Mrs. W. A. Gregory will act as leader, the theme for the afternoon, "The Call of To-morrow." Enigmas will be in charge of Mrs. B .Hurry.

LECTURE ON MOUNTAIN SCHOOLS.

There will be an illustrated lecture on Kentucky Mountain schools by T. L. Adams of Big Creek, Ky., on Thursday (this) evening at the high school auditorium at 8 o'clock. Mr. Adams was president of Oneida Institute for four years and is now founding a new school at Big Creek. The lecture promises to be a splendid one and all interested in this kind of work are cordially invited to attend. No admission is charged.

BENEFIT DANCE TO BE GIVEN

Near the first of June there will be a benefit dance given in Witherell Hall for the Armenians.

Mrs. Witherell has donated the use of the hall free for the occasion and Coller's four-piece orchestra will also donate its services free so that every cent will go to this worthy cause.

It is certainly very nice of Mrs. Witherell and of the orchestra to give so freely to this cause and every person in Tecumseh who dances should be on hand for while they dance in pleasure they can be assured they are dancing life and health into dying people. Think of it and visualize these starving and tortured people looking so hopefully to us who have so much for just enough to keep life in their bodies and you will certainly buy a ticket if you can't go but go if you can.

The committee for the occasion is as follows: Mrs. Tom McCann, chairman; Mrs. J. C. L. Hardy; Mrs. Jos. Smith, Mrs. Helen McNeil; Mrs. W. L. Coller; W. L. Coller and Mrs. Geo. Isaacson, the latter treasurer.

Watch for the date and GO.

To the Purchasers of a 30 x 3½ Usco for $10.90

WHEN the "Usco" Tire announced its new price of $10.90 it carried this understood contract with the buyer—

A price reduction made in good faith—using all the U. S. advanced art of tire making not only to get the price down, but to keep the *quality up*.

* * *

Today $10.90 is not the uncommon price it was last November.

But the "Usco" Tire is still the *uncommon tire value* it always has been.

VELOUR FINISH

Is Your House A Home?

The answer is on the walls

WALLS are the background of family life. They affect the beauty, cheer and cleanliness of every room.

When finished with the soft mellow tints of Devoe Velour Finish (a flat oil paint) walls not only help to make the things in front of them beautiful, but *become beautiful themselves.*

And because such walls are *washable*, their cleanliness and fresh beauty are easily preserved by the occasional use of soap, water and a rag.

Devoe Velour Finish can be applied on any interior wall or ceiling.

Devoe Products are time-tested and proven,—backed by the 168 years' experience of the oldest paint manufacturing concern in the U.S. Founded 1754.

Christian Church Notes

There was a large attendance Sunday morning at the Mother's Day service. The attendance in the Sunday-school was two hundred and twenty-eight, which is the largest number ever present as far as any of the records show.

The Christian Endeavor society of the M. P. church were guests of our society Sunday evening and the preaching service was a union service. This made a much more interesting service than we usually have on Sunday evening.

The Dorcas Class is meeting Thursday of this week at the home of Mrs. C. J. Smith for an all-day meeting with a pot-luck dinner.

The play, "An Old-Fashioned Mother" was given before a full house in Deerfield last Friday evening. The advertising and arrangements were done by the Ladies' Aid society of the M. E. church of that place.

By request of the Holloway church the play will be given there Friday evening of this week.

M. P. Church Notes

There was a good attendance at the Mother's Day service held Sunday morning. A reading by Miss Wanda Fisher of Adrian was an added feature.

The Willing Workers are meeting today with Mrs. Herbert Allen.

A bake sale will be held Saturday evening. Watch the bulletin board for location.

The C. E's enjoyed a splendid service Sunday evening with the Christian church C. E. society.

The "New Minister" by the Friendly class will be given next Thursday evening, May 25, at Saline, the M. E. ladies having the business end in charge.

The remains of Miss Florence Heller who met a tragic death Friday morning in Detroit by jumping from a sixth story window were brought here Saturday evening and taken to the home of her aunt, Mrs. Fred Shultz, southeast of town, where the funeral was held Sunday afternoon at 3 o'clock. Rev. Chas Bragg officiating. Burial was made in the family burying ground at Azalia. Miss Heller lived here about seven years ago with her parents, Mr. and Mrs. Ernest Waidner and had many friends who deeply regret her untimely death. She is survived by her father, stepfather, one sister, Miss Oleta Heller and one brother, Clare Heller. The remains were accompanied here by her sister and a lady friend who also lives in Detroit. The father and brother are in the west. During her residence here she was an attendant at the M. P. church and member of that Sunday school.

NOTICE OF MORTGAGE SALE.

WHEREAS, Charles J. Williams and Pearl Williams, his wife, made and executed a certain mortgage bearing date the 14th day of June, 1921, to The Lenawee Farms Company, a corporation, of Adrian, Michigan, which was recorded in the office of the Register of Deeds of the County of Lenawee, State of Michigan, on the 20th day of August, A. D. 1921, at 9:10 o'clock in the forenoon in Liber 215 of Mortgages on Page 192;

AND WHEREAS, the amount claimed to be due upon said mortgage at the date of this notice is the sum of (4,909.46) Four thousand nine hundred nine and 46-100 dollars, and no suit or proceeding has been instituted at law to recover the debt now remaining secured thereby or any part thereof;

AND WHEREAS, default has been made in the payment of the money secured by said mortgage whereby the power of sale contained therein has become operative;

NOW THEREFORE, NOTICE IS HEREBY GIVEN that by virtue of said power of sale and in pursuance thereof and of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises at public vendue to the highest bidder at the East front door of the Court House at the City of Adrian, in said County of Lenawee, State of Michigan, that being the place of holding the Circuit Court within the said County, on the 10th day of July 1922, at nine o'clock in the forenoon, Central Standard time, the description of which said premises contained in said mortgage is [illegible] follows:

All that certain piece or parcel of land situate in the Township of Hudson, in the County of Lenawee, and State of Michigan, and described as follows, to wit: The East half (½) of the Northwest quarter (¼) of Section Thirty-four (34) in Town Seven (7) South of Range One (1) East, containing Eighty (80) acres of land, more or less.

A DELIGHTFUL MAY PARTY.

Miss Gladys Grueber entertained several of her friends Friday evening at a May party at her home three miles south of Tecumseh.

A 6 o'clock luncheon was served the table being prettily decorated with spring flowers. The guests were the Misses Jeannette and Frances Corey, Agnes Collins, Marie Fitzgerald, Norcena Engel, Bernice Dempsey, Marcel Laberdie and Mildred Drury of Tecumseh, also Martin Marx, Robert Sauters, Elmer, Robert and Edmund Lock, Louis and Robert Corey, John McKendry, Marcellus Kirkwood, Walter Wallace, Joe, Frank and Carl Gruber. Mr. and Mrs. J. J. Corey, Mr. and Mrs. Emmett Harrison and Mr. and Mrs. John Gruber chaperoned the party.

TECUMSEH MAN HONORED

At the convention of the American Legion held in Ann Arbor last Wednesday, R. K. Anderson was elected president for the second congressional district of Michigan, by the posts of the American Legion.

This is a distinct honor and Tecumseh is very proud to have one of her young men at the head of such an organization.

Among the things discussed at the meeting was the founding of a 200 bed hospital at Ann Arbor to care for mental cases among former service men.

The 1922 State convention of the American Legion will be held in Ann Arbor on Sept 5 and 6.

The Big Meetings Start Next Sunday

McCombe-Clase Evangelistic Meetings Will Be Big Event in Tecumseh. Other Cities Can't Say Enough For Their Good Work. Immense Crowds Will Be Here.

One of the tragedies of small town life lies in the fact that after any great event there is always a number of people who come to you with this remark "I didn't know about it" or "I never thought it would be so good." Now we are on the eve of the greatest Union Gospel Campaign Tecumseh has ever been privileged to enjoy. The McCombe-Clase party has had considerable experience of this section of southern Michigan and the host of friends they have made during their recent campaigns will make Tecumseh the center of Lenawee County for the next four weeks.

Starting in at Ypsilanti, two years ago then at Adrian last winter, and following this in Monroe they have more than made good. It is intended to use the auditorium of the Presbyterian church as the largest in town, but as this will not accommodate the crowds it is important that all who wish to get a seat should be there not later than 7:15.

Mr. McCombe is a talented preacher who keeps his audience with him from the first to the last word. The fact that he is of Irish extraction is a guarantee that his sermons are anything but dry.

Harold Clase, who came into prominence as chief chorus leader at Camp Custer is a man worth going miles to meet. Everything goes like the sound of rippling waters when Clase is on his feet. And his smile. Well—judge for yourself.

"They never say enough about Mr. and Mrs. Roberts" is the complaint of all when the campaigns are over. The reason is simply words fail when we want to speak of them to hear their voices even over the phone is to feel like meeting old friends.

The meetings on Sunday will get the campaign fairly under way and before Tecumseh knows it we shall be swept into one of the greatest events in her history. Come along. Get in the swim and enjoy the meetings to the full extent.

A long distance call from Mr. Roberts announced that the party will be in Tecumseh Saturday morning ready for the chorus rehearsal. Sunday morning one or more members of the team will visit each of the churches at the regular service hour "to boost the meetings."

SEVENTY-SECOND YEAR. No. 34 TECUMSEH, MICHIGAN, THURSDAY, MAY 25, 1922. Published Every Thursday

Boost Tecumseh! It Will Pay You to Trade at Home!

Merchants Here Leading in Low Prices--Survey Shows Tecumseh Better Equipped Than Ever to Look After Your Wants.

Tecumseh again takes the lead over her neighboring cities as the trading center in this section of Michigan. This spring more than ever before has trade from the outlying territory increased. The advent of good roads, of bargain days, of larger stocks, of brighter stores and better service have been felt by the business houses here.

And more and more are efforts being made by our business men to keep this trade on the increase. They are making prices more attractive, are putting in larger and even more up-to-date lines and are offering to the buyer service unequalled before. The latest move on the part of the business places here is meet or even beat prices of outside competition wherever possible. And in most every case the careful buyer has found that by buying at home, he is not only getting things for the same money or less, but is getting the personal service of the business men and that shopping is really made a pleasure here.

It is our sincere belief that Tecumseh possesses every requirement to fill the wants of all the people in this section and we trust the following presentation of the business places here will merit the careful consideration of those who live within this trading radius.

Make Tecumseh your trading center. Meet the business men. Ask them to give you prices and compare them with outsiders. You'll find it pays to trade in Tecumseh.

To See Better See Karl A. Braman

How many people are today wishing that they were properly fitted with glasses when they were younger? How many more who are now experiencing eye trouble who wish they had consulted a specialist in time? Your eyes are the most delicate of all your organs and when irritated require the attention of an expert.

In and around Tecumseh this expert is Karl A. Braman, the hustling manager of the George M. Tripp Company, the up-to-date jewelry store of this city. Mr. Braman has made a special study of the eye and is thoroughly competent to fit you with glasses no matter what may be wrong with your eyesight. And Mr. Braman will save you about half the money which goes when you consult an outside "spcialist."

Besides being a specialist on glass-fitting, Mr. Braman is an expert on watch and all kinds of jewelry repairing. He is also manager of one of the finest and most complete jewelry stores in this part of the state, The Geo. M. Tripp Company.

A recent addition to this splendid Tecumseh store is the Kennilworth Gift Shop where the discriminating buyer will find the most beautiful line of cut-glass, silverware, candle-sticks, fruit dishes, pictures and other articles in this part of the country.

It will well pay you to give The Geo. M. Tripp Company and courteous manager, Karl A. Braman, Jeweler and Optometrist, a call.

The Spitler & Horn Hardware Company Have It

Displaying a large stock of brand new hardware, direct from the largest manufacturers in the country, The Spitler & Horn Hardware Co., one of the best known institutions in this section is out after the business this summer stronger than ever before. And if high quality and reasonable prices will get the business, it's a safe bet that this store will surely have it's share.

Since starting in business here, this popular store has gained many friends and customers. They handle everything in the hardware line including the famous Merco Perfect Kerosene stove, Keen Kutter hardware, Leonard roofing and other well-known makes of hardware. They also install the well-known Arcola pipeless furnaces and are agents for other high-grade lines including Jewel Stoves and Ranges.

The plumbing and tinning department is one of the most complete and efficient in the county and is fast gaining a reputation for the quality of work done and the reasonableness of prices asked.

Spitler & Horn Hardware Company is the headquarters for pure lead and zinc.

If there is anything in the hardware line you need, we feel that we can safely recommend Spitler & Horn.

The Webster Anderson Co. A Credit To Tecumseh

The Webster Anderson Co. has gained a wide reputation as being a bargain center not only on sale days but all the time. The impression created by this store is a splendid one and the extensive patronage it enjoys reflects the position it holds among the business places of Tecumseh. This store is a favorite and has been for years with country and city folk alike. The low prices which prevail, the high quality of goods sold, the courtesy, attention and deference with which all are treated have endeared this store to all. The Webster Anderson Co. can always be depended upon to give the most for the least money, to supply all wants at the smallest possible price, consistent with goods of quality and dependable merchandise in every department, dry goods, suits, cloaks, ladies' ready-to-wear, millinery, Munsing underwear, Wayne Knit hosiery, Corticelli, Belding's, Skinner's silks, Butterick patterns, rugs, carpets, lineoleums. The rug department is complete in every detail and the newest rugs are always on display, Armstrong's lineoleums and Congoleum is also handled here. Anywhere in this store the attitude of courtesy and attention to customers can be felt.

R. W. Puffer, the manager, is prominent in the community's social and business life and is always glad to contribute time and energy to any cause he thinks worthy. His store policy "Value for Value" is a reflection of his character and his belief in the square-deal idea.

The Webster Anderson Co. has been established since 1866 and is known as one of the most dependable institutions in Lenawee Co.

Tecumseh's Oldest Business Man Dies

J. E. Loomis, Harness Maker Here Nearly Sixty Years, Passed Away Friday Morning.

John E. Loomis, Tecumseh's veteran harness maker and oldest business man, died at 2:45 Friday morning. He had only been ill two days, being at his shop up to Wednesday morning.

He celebrated his 85th birthday April 13th last by working all day in his shop and was exceedingly proud of his good health and ability to carry on his business at his wonderful age.

Mr. Loomis was born in Barry, N. Y., coming to Michigan with his family when but a year old. Jonesville was his home for several years. He learned the harness maker's trade sixty years ago, first working at Hudson and Clinton before coming here.

He married Miss Lucinda Allen Aug. 29, 1856, celebrating their 65th wedding anniversary last August. To them was born one son Edward who with his family lived with the old couple, carring for them tenderly. Mrs. Loomis, who is over 80, is very feeble.

The funeral service was held at the home on South Union street Monday afternoon, Rev. W. R. Curtis officiating.

The stores were closed during the hour of the funeral Monday, thus honoring the highly respected old gentleman. The bearers were C. E. Williamson, O. G. Hunt, F. D. Avery, J. N. Satterthwaite, William Gaston and Will Bennett. The burial was in Brookside.

Among those present from away were Mr. and Mrs. Philip Sewald of Hudson; Mrs. Everett Collins, Mrs. Abbie Schnauble, Mrs. Vesta Kuder of Macon; Mrs. R. P. Simmons of Cleveland; Mrs. Bert Lee of Hillsdale; Mr. and Mrs. E. C. Smith and daughter, Mrs. Herman Beaning and daughter of Adrian; Mr. and Mrs. Wm. Beevers, Mr. and Mrs. Earl Beevers and children of Ridgeway.

REV. W. A. GREGORY WILL BE SPEAKER FOR DECORATION DAY.

Plans for Decoration Day observance were made at a meeting of citizens and members of the G. A. R. and American Legion, Friday evening. The gathering was held at the council building. It was called to order by R. K. Anderson and by vote Percy Bowen was made chairman and Perry Satterthwaite secretary. It was decided to give the program at the Presbyterian church with Rev. W. A. Gregory, the speaker. J. D. Shull will read Lincoln's Gettysburg address and Gov. Groesbeck's Memorial proclamation.

The officers and committees for the day were appointed as follows:

President of the day—Dr. E. G. North.

Marshal—Percy Bowen.

Program committee—Mrs. R. S. Moore, Mrs. F. B. Wood, W. S. Dickinson and F. C. Dickinson.

Transportation Com.—Leon Rosacrans, L. P. Williamson, Louis Schneider.

Floral car—H. W. Stevens.

Finance committee—H. H. Hanna.

The Sons of Veterans will attend to the decoration of the graves of the Civil War veterans and men from Underwood-Orr Post, American Legion will be the color guard and bugler.

The parade to the cemetery will be headed by the Tecumseh Ladies Band. In line will be the following organizations: G. A. R., Sons of Veterans, Spanish War Veterans, American Legion, Uniform Rank of Knights of Pythias.

Every Civil War, Spanish-American War and World War veteran is urged to turn out. The latter, if possible are to come in uniform but come anyway. It is requested that all business houses and residences display Old Glory.

FRED O'DELL SUFFERS BAD FALL.

Fred O'Dell, the contractor met with an accident Tuesday which he is thanking his lucky stars resulted no worse. He with his men were putting a new roof on the home of Mrs. Horace Holdridge. Mr. O'Dell had gone up the ladder and as he stepped onto the kitchen roof one of the men started to ascend the same ladder. The weight of the two men broke the ladder and Mr. O'Dell fell to the ground. He was unconscious when picked up and on examination his physician found some broken ribs and a badly wrenched arm and shoulder.

Mr. and Mrs. Leon McLachlin of Coldwater visited friends here Sunday.

TECUMSEH LADIES ATTEND PARTY IN ADRIAN.

Miss Mildred Armstrong of Adrian complimented Miss Muza Rice Tuesday evening by giving a very pretty party in honor of the latter's approaching wedding. From Tecumseh were present Mrs. E. M. Campbell, Mrs. Melvin McWilliams, Mrs. Fay Van Valkenburg and the Misses Lillian Kennedy, Katheryn Reed, Edna Taylor and Gladys Bowen.

On June 10th Miss Rice will marry Rev. W. E. Grove of Brownsville, O.

Tecumseh Lady Is Found Dead

Mrs. Helen Sheridan Found By Neighbors Lying In Her Bed With Life Extinct.

Mrs. Helen Sheridan was found lying dead in her home Friday evening by one of her neighbors, Floyd Willnow. Not having seen her around during the day and fearing she might be sick in her home where she lived alone, Mr. Willnow went to the door. His rap failing to rouse Mrs. Sheridan, he looked in the window and saw her lying on the bed. As she had told him to do should she be found helpless, he notified her attorney, G. A. Rathbun, who came at once and brought a physician. Only a glance from the latter assured the men that she was dead. The body was taken to the Belding Funeral Home and there the funeral was held Sunday afternoon, conducted by Rev. W. A. Gregory.

Present from away were Dr. Thomas and Miss Laura Casey of Detroit. The body was taken to Detroit Tuesday by Undertaker Belding for cremation.

Helen Smith was born in Tecumseh seventy years ago and lived here until her marriage to Thomas Sheridan of a wealthy Boston family. They traveled extensively through their married life, Mr. Sheridan having business interests all over the country, especially in Alaska. Both were highly educated and deep thinkers and their married life was so beautiful that since his death, hers has been a lonely existence.

Eight years ago she came back to the old home town to be near her brother, John B. Smith, our deputy sheriff, purchasing the Root property on East Chicago street. Only within the year she converted this house into a two-family dwelling and built for herself a modern bungalow at the rear. Here, surrounded by her books and pets, she occupied her time as a Christian Science practitioner, having patients from one end of the country to the other, until ill health forced her to give up the work.

Only two brothers survive. Mr. Smith of Tecumseh and William Smith of Vanderbilt, Mich.

By the will of Mrs. Sheridan she leaves her large library to the Tecumseh library and the remainder of her property for a ladies rest room in the village, a much needed convenience.

SEWING EXHIBIT AT PINK SCHOOL.

For some months Miss Alice Whelan has been conducting sewing classes in her school, the "Pink." Wednesday night Miss Clase, the county club agent and Miss Craig, teacher of domestic science in Adrian, went out to the school and inspected the girls exhibit of their work. Mary Douglas was given first honor, Mabel McClure second Shirley Langton and Helen McClure tied for third and the fourth fell to Ruth Platt.

The children gave a program and the play, "The Great Stone Face."

Tonight the girls of the class are to be entertained at the Harry Langton home for supper.

MRS. F. J. TEMPLE COMES HOME.

Mrs. F. J. Temple was brought home from Battle Creek last Sunday and is feeling very much improved. In fact, the treatments she took there seemed to be very effective and her condition responded quickly with the result that she is greatly improved. Her many friends will be exceedingly glad to hear this.

Mrs. Temple will remain at home for five weeks when she will again return for a second treatment which it is hoped will effect a permanent cure and restore her to good health again.

Tecumseh Trims Deerfield Team

First Game Of Season Goes To Local Independents 8 To 2. Fair Sized Crowd Out To Enjoy The Great American Game, Grounds In Good Condition.

The first local base ball game of the season was played at Athletic Park last Sunday afternoon between the Independents and Deerfield. It being the first game of the season, there was not so much excitement as is usual in closely contested games but the crowd thoroughly enjoyed the sport from first to last.

Deerfield was not the least bit dangerous at any time which took away the spectacular stuff and did not give the homers much to be scared about hence it was void of startling events.

Tecumseh showed good form at all stages of the game and held her apponents safely while the locals piled up a steady score sufficient to keep far in the lead until the close of the argument. If the local team keeps up the pace she has started, Tecumseh will see some elegant ball before the season is closed and the local fans will be rooting for a winning team.

Only a fair sized crowd was present although it was an ideal day but this was due to lack of excitement and is quite usual with the starting of the season. Now that the boys have showed some class, it is expected that the fans will comes out in big numbers to cheer the home team to a season of splendid victories.

ENTERTAINS AT BRIDGE.

Mrs. E. T. Armstrong was hostess to a company last Tuesday for a bridge luncheon. Spring flowers were used in the different rooms making a pretty color scheme.

The guests were seated at small tables centered with baskets of roses. Out of town guests were Mesdames A. H. Veazey, L. C. Dillon and S. B. Gaskell of Hudson.

FRESHMEN CLASS PUTS OUT FINE WORK.

The Freshmen Class of the local high school put out a very fine little pamphlet setting forth the history, description of industries and various other matters of interest concerning Tecumseh.

The booklet was exceptionally well compiled and shows our freshmen are very live wires and capable of doing most excellent work. Miss Boyce is their English teacher and she may well be proud of her proteges.

Evangelistic Work to Continue Month

Was Begun In Tecumseh Sunday, By the McCombe-Clase Party—All Churches Unite—Held At Presbyterian Church. Big Crowds Are Attending.

Sunday saw the beginning of the McCombe-Clase Evangelistic meetings and Tecumseh people appreciated at their very first service the wonderful opportunity was ours in procuring these people.

Each meeting starts with a "peppy" song service conducted by Harold Clase, who was a "sing-song" master at Camp Custer and overseas. Pep just spells Clase. He has organized a big choir from all the singers of all the churches in town. This lively bunch fills the choir loft of the Presbyterian church in which these services are all held and also a large platform in front, in fact crowding the ministers of the village about off the rostrum.

The accompanist is Mr. Roberts, a Welchman and a fine musician. Nothing phases him and he uses no notes. He gives quite an important feature of the program with his piano solos.

After the song service John Henry McCombe, Irish-Scotch, but he cant help it, gives his message. This is every night full of good things. He is not one of the old time evangelists who try to separate the sheep from the goats. He

BOOSTER TRIP IS PLANNED.

Over One Hundred Autos Are Planning To Go Out Next Monday. Ladies Band To Go. Stops At Various Towns For Music And Speeches Will Be Made.

A big booster trip has been planned for next Monday in the interest of the McCombe-Clase meetings and the town in general. About 100 autos are expected to make the trip and take along the ladies band to liven up the affair.

Stops will be made at Britton, Macon, Saline, Clinton, Tipton, Onsted, and Adrian and the drive will include about a 70 mile trip. Messrs. McCombe and Clase will accompany the party and make short talks at the various places visited. Be on hand at 9 o'clock with your auto filled with plenty of gas and oil and take a full load on this round-up in the interest of Tecumseh. It will be a great trip and do much to boost the town interests. "Put on your bonnet with the ribbons on it and come along."

IMPORTANCE NOTICE.

The churches have decided to have a union service at 11 a. m. Sunday at the Presbyterian church. Each church will hold its own Sunday-school in their own church previous to the Union Service.

TECUMSEH L. O. T. M. HONOR GREAT COMMANDER

Our L. O. T. M. ladies made a great hit in Adrian Wednesday when they gave an Indian drill in costume at the couty convention. They preseted the great commander, Frances E. Burns, whose 25th anniversary it was, with a tomahawk as a souvenir of Tecumseh..

The next meeting of the convention will be in August in Addison.

Mr. and Mrs. J. L. Trann have returned from spending the winter in Missouri and New Orleans. They have been in Peoria and Chicago the past few weeks.

The Best Feature About the Roberts

IS THAT THERE'S TWO OF 'EM

It was great when Arthur Roberts, a Welshman, (which means a born musician) began to show us where they keep the music in a piano. But now that a Grand Piano is on the platform, and Mrs. Roberts accompanies him on piano No. 2, why—the music simply bulges out the walls. The birds, the soft winds, the laughter of happy children, the music of many waters—all this and more when the Roberts play.

Do We Owe You Money?

JUNE first marks the beginning of a new quarterly interest period in our Savings Department.

If you are one of the thrifty folks who are building a savings account here, this bank owes you money.

Bring in your bank book so that the interest can be entered at the earliest possible date.

And incidentally, be sure to make a substantial deposit on or before June 10th as all deposits made during the first ten days of the month will draw interest from the first.

By the way, this would be a fine time to start a savings account if you do not already have one. One dollar or more is all that you need and your money will earn 4% annual interest compounded quarterly.

Listen for the chime clock. When you hear it remember that it is time to make a deposit!

SCHOOL DISCIPLINE.

Law or rules of conduct is as old as civilization itself. Even the most primitive tribes found as soon as two or more individuals were intimately associated together by force of necessity, there arose an imperative need for rules of conduct.

Nature planted it strongly in the human breast to be selfish, that is, the great and first law of nature is self preservation, hence man is by nature a selfish being who very strongly desires to convert everything to his own use. Therefore it is necessary to have a rule of conduct governing all men's actions in order to preserve the rights of the weaker ones and establish a means whereby men may dwell together and each one respect the rights of all others.

That is how and why law is a necessity among every people the world over, and the more perfect our laws are and the closer all men observe them, the more real liberty we all enjoy. Someone said "liberty is observing the law." Nature has its inviolate laws and its punishment for breaking them is very often severe and inexorable The child learns by bitter experience that touching a hot stove brings much pain and discomfiture. It is hard that this is so and yet it preserves the life and happiness of the child for if no pain resulted from burning, we would all be helpless cripples from being burned to a crisp. Nature punishes in order to protect, and so it is absolutely necessary that man made laws must have a punishment attached for their violation or all laws would be at once ineffective and society would become a shambles where might ruled hideously.

Law is based upon equal justice to all. It prescribes what is right and commands us not to do wrong By these rules of action society builds itself and we have developed what we understand as civilization. Our federal government has laws, our state has laws and even our towns and villages have laws in order that we may all dwell together in peace and harmony. The better these laws are observed and enforced, the better is the community from every angle. No sane person denys this except that he may desire to break the laws for his individual benefit no matter how much it inflicts hardships on someone else. No community is free from these selfish individuals and often communities tolerate them far more than they should for the good of everyone, yet justice and the true liberty demands that everyone obey the laws with exactly the same care and punctuality.

Just as political units find it necessary to have laws, so schools which are composed of many boys and girls intimately associated together finds it descessary to establish the same rules of conduct or law. And the same as with all law, there must be a punishment fitted to the violation of these rules which will insure their being properly observed. We often refer to school law as discipline and classify it as good or poor, and it is very obvious to everyone who has been associated in school work, that the best discipline is that which secures law observance voluntarily instead of through fear of punishment. The best citizen is one who observes law because he knows it is best instead of through fear of the penalties.

In general all school authorities endeavor to secure voluntary obedience to law because it is decidedly the best, but when this fails, it is absolutely necessary to inflict punishment to establish respect and observance of the law. This too should be administered with exact justice and after careful consideration to be very certain that the rights of all concerned are carefully guarded and that full justice is extended. And it is most desirable that justice be tempered with much mercy in the application thereof. Such punishment should bring about a more careful observance of the law but if it fails, then someone has become incorrigible and the safety and work of the schools demands that he be removed from contact with the others and thus the rights of the masses be preserved.

School discipline is often handicapped by carelessly giving encouragement to law violation and thus pupils otherwise amenlable to discipline may become stubbornly bad and in absolute conflict with the best interests of the schools. Everyone should decidedly impress students with the idea that strict observance with the rules of the school is not only highly desirable but absolutely necessary to carry on the work, and further that the very safety of our government lies in the teaching of the schools especially as to obedience to constituted authority, hence there is but one attitude and that is, everyone must obey the law and do it promptly and cheerfully if we are to be called good citizens and do our bit in preserving the traditions and safety of our government.

"As the twig is bent so the tree is inclined." No one doubts it, and just as sure is the fact that school discipline is the basis of good citizenship and the rock upon which our government is built. Without it, we are lost as a nation governing ourselves and embodying the spirit of true liberty. The teacher who cannot secure voluntary discipline is a failure and those who do not preserve respect for law are not worthy the name of a teacher. All good teachers abhor punishment and resort to it as the last means to compel observance to rules of conduct, and yet no true teacher will shirk the infliction of punishment when it has become absolutely necessary after careful trial and in justice to all.

Justice must be preserved and it must be dispensed without fear or favor as indicated by the blindfold over the eyes of her who weighs the evidence in the scales of equality. Justice tempered with much mercy and meted out with extreme care is absolutely necessary among all civilized people, and voluntary obedience is the most highly desirable thing in the public schools. Law and order must be established in the minds of the children if we are to have men and women of the same type and every good citizen will encourage the work of the schools in developing a true sense of law observance as the most desirable part of the child's instruction.

The teacher who secures this with the least show of force is the one best fitted to handle the youth [illegible] valuable to the community and to the country at large.

How trivial world problems seem when we reflect that soon we shall hear the crack of the bat against a fast one.—Akron Beacon-Journal.

Anderson Grocery Company
A Favorite For 50 Years

The Anderson Grocery Co. has for the past 50 years been known as one of the finest table supply houses in Tecumseh. In fact the name "Anderson's" has always been associated with the very best of things for the table.

Not only is this splendid store the headquarters for groceries, fruits and canned goods, Anderson's is headquarters for the people of the entire community.

Mr. E. B. Anderson conducts his business on the rock of fair and honest dealing. His first consideration has always been for the highest value and quality of the goods he handles, and he then has determined how reasonably he could sell to his trade. As a result his business has grown from its inception by leaps and bounds. Once his customer, always his customer. And today the firm of Anderson Grocery Co. is doing business in the same manner.

"Everything for the table" is the motto of this store and ever courteous and obliging, Andersn's not only enjoys the friendship and esteem of its patrons, but of everyone with whom it comes in contact. both country and city folks alike. The store reflects credit not only upon Mr. Anderson, the founder, but upon the community and a record of Tecumseh attractions would be incomplete without honorable mention of it.

Ford Sales and Service
Finest in the Land

Tecumseh can boast of one of the finest Ford Sales and Service buildings in Lenawee county. Under the guiding hand of L. P. Williamson this business has certainly grown and prospered. Mr. Williamson, its manager, at all times keeps on hand all parts of the fmous Universal Car. He also sells the Fordson tractor with every attachment which helps the farmer bring forth the record crop.

Mr. Williamson typifies the Ford Dealer spoken of by one writer in a late issue of the Fordson Farmer. It runs: "I am the Ford Dealer. I stand among you as the personal representative of an industrial organization that has done much to make life more worth living in the city and on the farm and that has done more to make the word "service" have life and breath and action than any other.

"I add to the joy of living of millions by making it possible for them to enjoy life more through the chance to travel at a price well within the reach of the most humble.

"I make farm life more worth living by making it possible for the farmer to raise bigger crops at less expense, and to do away with much of the drudgery of farm work.

"I am engaged in selling Ford cars, trucks and Fordson tractors, which means better business, increased profits, and a life more worth living in this community.

"I AM THE FORD DEALER."

The Jones Clothing Shop,
Clothes That Are Right

A town in which men, both young and old, are particular about their personal appearance, always impresses the strnger as being a prosperous community. It is not every town the size of Tecumseh that has access to an up-to-date clothing and furnishing establishment, for men and boys, such as is conducted here by Wade L. Jones of the Jones Clothing Shop.

As long as Mr. Jones continues in business here in Tecumseh, this community will be able to obtain clothing and furnishings at most reasonable prices. You will find every department amply stocked here, Stadium and Big 4 for men, Julius Schwartz & Sons boy's clothing, hats, caps, a fine line of Palm Beach and summer clothing, also a complete line of Wilson Bros. furnishings are here in an excellent showing and the careful buyer will be well repaid to make his or her next purchase at this store.

The Jones Clothing Shop is responsible for the well dressed appearance of the men and young men of this community, and above all Mr. Jones guarantees perfect satisfaction in every transaction.

One of the features of this up-to-date establishment are the new dust proof cabinets just installed. The Herald does not hesitate to highly recommend the Jones Clothing Shop to the men and young men of this community.

A Tribute to the Grand Army of the Republic

Time adds new luster to the glory of the Grand Army of the Republic—to those men who fought, bled, and died that the honor and integrity of the nation might be preserved.

Year by year this valiant army dwindles and Memorial Day takes on an added solemnity. Let us make Decoration Day, May 30th, a day of national reconsecration to the principles for which that great army fought!

In respect to the day, this bank will not be open on Tuesday, May 30th.

The Meat Shop, An Asset To Tecumseh

When Glenn E. Tansley took charge of The Meat Shop in Tecumseh last October he did so with the idea in mind of giving the people of this vicinity the very best in fancy, fresh, cured and smoked meats. And since that time the people of Tecumseh and this section have found that Mr. Tansley has made good his promise to himself.

For here the customer is always assured of the very best in all kinds of meats at surprisingly low prices. Mr. Tansley supervises his own killing and dressing. He buys the best stock that can be found and he makes sure that everything is perfectly right before it is put on sale. In addition to his home-cured meats, he also handles the famous Armour's & Hammond brands of fancy hams and other meats.

Mr. Tansley is a true type of the progressive young business man. The store he conducts is the heigth of cleanliness and up-to-dateness. And best of all his business methods are honorable and fair.

The Herald takes this opportunity to congratulate him on his splendid store and feels sure of a continued prosperity. Try The Meat Shop the next time. You'll find it pays.

C. A. Wright & Son, The Popular Drug Store

An up-to-date drug store is an asset to any community, any town or business is, to a certain extent, judged as to importance by appearances. If Tecumseh were to be judged from the appearance of Tecumseh's Drug Store, Tecumseh would not suffer. The impression this store conveys is a splendid one. It is a monument to this community which has helped it grow and prosper.

Few cities the size of Tecumseh can boast of a better or more complete store than this. Here are sold the best known lines of every description, Eastman Kodaks and supplies, the famous Nyal Remedies as well as other dependable lines of the finest ivory sets, toilet articles, books, rubber goods and other articles. This store aims to supply any article you may expect to find in an up-to-date drug store.

One of the big features of C. A. Wright & Son is the splendid wall paper and paint department. Besides showing a most complete line of wall papers and window shades, this store handles the famous Sherwin-Williams paints and Berry Bros. varnishes in a complete assortment of colors and blends.

The firm of C. A. Wright & Son has been in the drug business in Tecumseh for 50 years and has built up this splendid business by always treating his customers honorably and alike and by giving at all times the best the market affords at reasonable prices.

Hoyt E. Whelan, The Farmer's Friend

There is no one store in this section that is superior to the modern implement establishment of Hoyt E. Whelan, when it comes to supplying the farmers with their every need. Here the farmer can find what he wants in the way of Farm Implements and Supplies of every description, which includes John Deere farm machinery, Malleable steel ranges, Anker—Holt Separators, Hay machinery, harness goods at greatly reduced prices, windmills, United Engine Milking Machines, stock feeds and it will pay anyone to come in and study up the proposition, as he has always had a reputation of handling the very highest grade of Farm Implements and Supples for the farm on the market.

The people have generally come to know that when they need anything in plow points and other parts for nearly all makes of machinery the best they can do is to see Hoyt E. Whelan at Tecumseh.

He knows his business here and maintains an efficiency throughout the entire establishment and all the implements are of high grade.

Mr. Whelan pays the highest market prices for cream and eggs and is also agent for Michigan Mutual Windstorm Insurance.

It will pay you well to get acquainted at Whelan's.

Clark's Market, A Favorite In Tecumseh

To do well by yourself, you must first do well by others. Many of us know this but too few practise it. Clark's Market has been in business in Tecumseh many, many years and each month has seen this firm with more friends and more business. This is the working out of the first statement in this article. Clarks Market has always treated others well and always will. It has ever been the principal by which the business has been conducted and has been interwoven throughout their dealings since Mr. Clark's embarkation in business in Tecumseh.

Clark's Market has always stood for the very best in meats. They buy the highest-grade stock in this part of Michigan and all is prepared under their own supervision. Albert Clark, the proprietor, has been in the meat business in Tecumseh for 33 years and knows how to supply his customers with the best. In addition to the finest kinds of meat, Mr. Clark also has a complete stock of the high grade canned goods which he sells at reasonable prices.

Think of Clark's Market when you think of good things to eat, you can be assured of the very best at the lowest prices.

F. Clark Gallup Sells The Famous Chevrolet

The name of F. Clark Gallup of Gallup's Garage has for the past three years been associated with the motor car business in Tecumseh. Mr. Gallup sells the famous Chevrolet Cars and since engaging in this business he has supplied many of the people in this vicinity with safe and inexpensive means of transportation.

The new Chevrolet, the world's lowest priced fully equipped automobile is finding much favor in the eyes of the drivers who are fortunate enough to have one. No better motor car can be found anywhere than the large beautiful touring car. The smart trim lines and beauty of this model is not only in appearance. It is also in its mechanical efficiency. For here is a car that averages over 22 miles to the gallon of gas. It will take all hills on high and is capable of developing speed with the higher priced cars. Another beautiful model is the famous four-door sedan.

Gallup's Garage gives the best kind of service to Chevrolet drivers. They keep on hand at all times parts for this famous car and are noted for their fast and efficient work on all makes of cars, giving both day and night service.

They also carry a complete line of parts and accessories including the well-known Fisk Tires. Sunco Oils, Caille and Evenrude Boat Motors and sell the famous Vesta bateries and have a complete battery service in connection.

If you are contemplating a new car it will pay you well to call on Mr. Gallup at the Chevrolet Garage.

Alice M. Owens Millinery and Up-to-date Store

To compile a special edition of the most prominent Tecumseh business places without some interesting news for the women of this community and without mention of the millinery establishment of Alice M. Owens then this edition would be incomplete and misleading.

For Miss Owens' fine millinery store is one of the show places for the women and young girls of this section. Miss Owens carries as complete and up-to-the-minute line of ladies' hats as any store in Michigan. The newest and brightest creations are always on sale here. And the best part of it all is that those who purchase have found that by buying hats and trimmings here in Tecumseh and at Miss Owens' that they are not only getting the newest styles, but they are saving a great deal on every purchase.

Miss Owens has been in business in Tecumseh for the past 10 years and numbers among her customers the best people in the community. Here you will find the famous Fisk line of ladies' and children's hats as well as Red Seal Hair Nets and a complete line of trimmings and hand made blouses.

The next time you are in need of ladies' or youngsters' hats, it will pay you well to call at this store. You are always assured of courteous treatment and the newest of the styles will surprise you.

All season our regular prices on High Grade Coats were as low as others were asking at their sales.

How could we do it? Because we buy of a big Manufacturer who runs an open shop and saves 1-3 on labor costs. Garment Workers Unions are putting hundreds of manufacturers out of business by their unjust demands.

does not embarrass one by those heart-quaking questions but drives home his arguments for a better living very forcefully. His talks are full of genuine Irish wit which keep the attention riveted on him and helps get across his splendid sermons.

The fourth number of the party is by no means a figure head. Mrs. Roberts takes the work with the women and girls as her share of the quartette's labor. She is a very pleasing person to meet and has made many warm friends for herself already. She has organized a Woman's Council which is composed of representative women from all the churches. This body are to be her advisers and help get hold of the women and girls of the town.

Then too she has organized a Business Women's society, which is made up of the business women of the town. This group will enjoy a banquet together tonight from 5 to 7:15 in the M. E. church. Attendance at this function does not bind the ladies to go to the evangelist service later, but is for the purpose of bringing them together to talk over things for their mutual benefit.

At both the afternoon and evening services Sunday large crowds of Adrian and Monroe people attended, friends whom the party had made while holding services at these cities.

The sermon in the afternoon was directed at the church people and as one minister said, "I only wish more of my own people had heard it." Mr. McCombe asserts that all churches were born in revivals but before he was through said some churches were like graveyards only in the latter were no kickers. He criticized also our lax observance of the Sabbath, saying he never knew a town yet which disobeyed the fourth commandment which amounted to shucks.

In the evening service Mr. Clase sang as a solo, "Is my master satisfied with me?" Mr. McCombe took for his theme the incident of Saul keeping the sheep and cattle for sacrifice after the Lord had commanded that all taken in the raid on the heathen nation be slain. He said some people are mighty good in sacrificing to the Lord with the things which dont belong to them. In lamenting the lack of church attendance he said the "Don't smile in church" attitude is what has emptied our churches. Why do so many have two faces, one for their lodge and business and another for church. He used to be afraid he would offend but now is afraid he wont for the people need to be offended to put a little life in their religion. God or his angels cannot make you a Christian, it all lays with you.

Monday night was a great get-together and get acquainted service.

Tuesday night was guest night when everyone was to invite their neighbor who was not a church attendant.

Last night Mr. McCombe told of the five men in Tecumseh who would not go to heaven, and today's program will be as follows:

Thursday, 10 a. m. Cottage Prayer Meetings.

5:30 p. m. Luncheon and program for all girls over 15 years of age who are not attending school.

7:30 p. m. Military sing-song. Mr. Clase will wear the uniofrm that he wore in France. You will never forget this meeting. You cannot afford to miss it. Dr. McCombe's subject will be: "The greatest soldier of all times."

Fri[illegible] Prayer Meetings.

3:30 p. m. Boys and Girls meeting, M. E. church.

7:30 p. m. Grand Illuminated Cross service. Splendid program of music. A huge 8 ft. cross electrically lighted will be used.

Saturday, 7:30 p. m. Grand Sacred Concert by the members of the party and the choir. Dr. McCombe's subject: "A song service in jail."

Sunday, Red eLtter Day. Mass meeting all day at 10:30, 3 and 7 o'clock. Forty are coming from Monroe and bring their lunch. The Presbyterians will open their kitchen and serving rooms for their convenience.

Each forenoon prayer service are held in the homes of the people. For this the town is divided in five sections, each with a captain.

But that million dollar smile of Harold Clase is the friend winner, making the way for the wonderful work of the others.

ANOTHER TECUMSEH CASE

It Proves That There's A Way Out for Many Suffering Tecumseh Folks.

Just another report of a case in Tecumseh. Another typical case. Kidney ailments relieved in Tecumseh with Doan's Kidney Pills.

Hiram Cahill, locomotive engineer, 409 Evans St., Tecumseh, says: "Doan's Kidney Pills certainly do just as represented and I can recommend them highly. Three years ago I was laid up for eleven weeks in a terrible bad shape with kidney trouble, My back nearly had me wild with pain; every time I moved, sharp pains would catch me right across the kidneys. I had no control over the kidney secretions and many nights was obliged to get up as many as six times to pass the kidney secretions. They were highly colored and otherwise unnatural. I doctored, but got no relief until I bought three boxes of Doan's Kidney Pills from Wright & Son's Drug Store. This remedy reached my case at once and these three boxes cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cahill had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

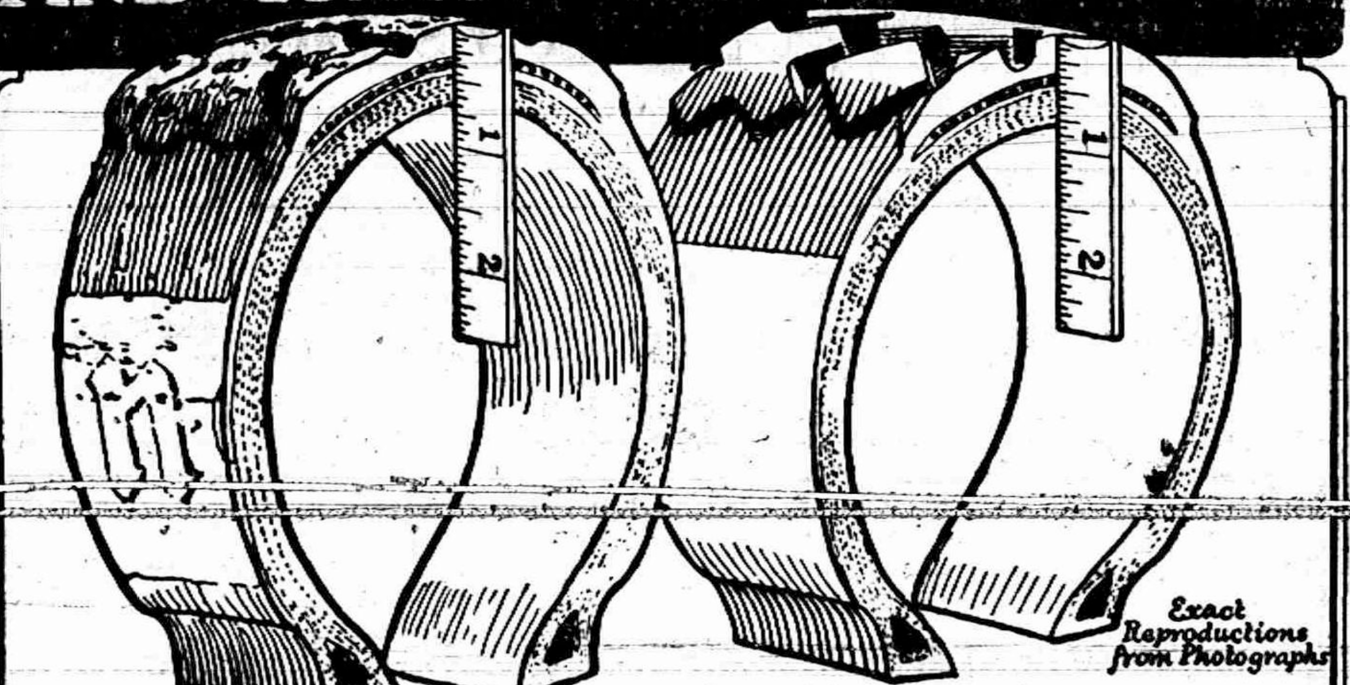
20,994 MILES AND TREAD ONLY 1/3 WORN



MOST MILES per DOLLAR

Firestone CORD TIRES

The tire section above at the left shows the condition of a Firestone 33x4½ Cord Tire after 20,994 miles on a Yellow Cab in Chicago.

The section at the right was cut from a new Cord of the same size. Careful measurements show that only 1/3 of the tread of the tire on the Yellow Cab has been worn away after this long, gruelling test. The carcass is intact after more than 11,000,000 revolutions.

Firestone Cords have averaged over 10,000 miles on Chicago Yellow Cabs (1,200 cabs all Firestone equipped). In thousands of instances, they have given from 15,000 to 30,000 miles.

Look at the tread—scientifically angled against skid, massive and heavy in the center where the wear comes, tapered at the edges to make steering easy and to protect the carcass against destructive hinging action of high tread edges. The carcass is air bag expanded to insure uniform tension and paralleling of every individual cord. It is double "gum dipped" to make sure that each cord is thoroughly insulated with rubber.

This is the reason why Firestone Cords unfailingly deliver extraordinary mileage. It explains the unanimous demand of thoughtful tire buyers for these values. The local Firestone dealer will continue to provide the personal service that makes Firestone tire comfort and economy complete.

Stiff? Sore?

A lame back, a sore muscle or a stiff joint often is considered too lightly by the sufferer. It should be remembered that backache, rheumatic pains, stiffness, soreness, sallow skin and puffiness under the eyes are symptoms of kidney and bladder trouble—and these certainly should not be neglected.

Foley Kidney Pills

help the kidneys eliminate from the system the poisonous waste and acids that cause these aches and pains. They act promptly and effectively to restore weak, overworked or diseased kidneys and bladder to healthy, normal condition.

J. E. Simmons, 400 E. 50th St., Portland, Ore., writes: "I was troubled with backache and urinary trouble. I tried Foley Kidney Pills and will say that I highly recommend them to any one troubled in that way, as they are excellent."

Junior-Senior Reception.

The annual Junior-Senior banquet and reception of Britton High School was held May 19, at the home of Mr. and Mrs. Walter Swick. Covers were laid for thirty-eight. The Senior table was decorated with green and white streamers falling from the chandelier which was decorated beautifully in green and white. Green and white nut cups and a basket of white roses did their share in carrying out the Senior color scheme.

Pink and green streamers and nut cups and pink roses graced the Junior table. A great deal of credit is due the Junior class and to Mrs. Cora Gibson for the success of the affair.

Victrola music was played during the banquet after which Lawrence Marten, acting as Master of Ceremonies, introduced Miss Grace Wells, who presided as toastmistress. The following persons responded to toasts:

Welcome to Seniors—Lawrence Hoagland, president of the Junior Class.

Response—Miss Grace Underwood, president of the Senior Class

If—Leland Bush.

The Scrapbag—Miss Fern Leasman.

Moonlight—Miss Florence Smith

Burned Toast—Ronald Stevenson.

Be Square—Ruth Soper.

The remainder of the evening was spent informally.

The following program has been arranged for the Decoration Day services to be held under the auspices of the Woman's Ridgeway Cemetery Association at the M. E. church at Ridgeway at 2 o'clock (eastern time):

Song—Star Spangled Banner.

Prayer—Rev. Cole.

Piano and violin duet, "Daybreak"—Hazel and Maynard Aldrich.

Solo—Mrs. Leon Exelby.

Remarks.

Duet—Messrs Ash and Barita.

Address—Judge B. L. Hart of Adrian.

Duet—"How Betsey made the Flag"—Beatrice Gorham, Harriett Britton.

Closing Song—America.

Immediately after these services a procession will be formed to the cemetery where the graves of the departed heroes of all wars will be decorated. An urgent request is for all to attend and especially the children.

IN MEMORIAM.

A tribute to Helen M. Sheridan.

"The soul, th' eternal soul must reign
In worlds devoid of pain and strife;
Then why should mortal man complain
Of death, which leads to happier life?"

Helen M. Sheridan, who so recently has been called to the higher life and who will be sadly missed by thousands to whom she administered such vital thoughts and words of wisdom: a lover of nature and of all mankind, her greatest happiness was found in serving others,

Work and life meant the same thing to her. And in her work she found the best expression of God. A philosopher, scientist, and evolutionist, her deep visioning was an urge to higher spiritual unfoldment; and proved to those who knew her best, that the finest of all arts is the art of living alone, but never lonely. No greater tribute can be given her, than by quoting Tennyson's immortal lines.

"Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home."

CELEBRATES HER EIGHTH BIRTHDAY.

Eleanor Frances Beard celebrated her eighth birthday anniversary last Saturday afternoon by inviting sixteen of her little friends to her home on Logan street.

Those present were Helen Hodges, Virginia Wilson, Majel Jones, Mary Audry Smith, Katherine and Virginia Alice Whaley, Fern Knight, Glenola Whelan, Margaret Dove, Nellie Howell, Christine Miller, Lucille Owens, Virginia Brazee, Naomi Beland, Helen Leighton.

The color scheme of yellow and white was carried out in the decorations and refreshments. A jolly time was enjoyed by each little guest and the little hostess was the recipient of many beautiful presents. Miss Ethel Curtis and Mrs. Claire Beland assisted Mrs. Beard in serving.

RESOLUTIONS OF RESPECT.

In as much as it has pleased God to call our Chairman, Supervisor John F. Schreder to receive the reward for a just and upright life, we the members of the Township Board of Tecumseh, deeply feel our loss and appreciate that the Public has lost a good official, and we a true friend and co-worker.

Resolved that a copy of this be spread on the records of our meeting. And copies be sent to Mrs. Schreder, and the children of Mr. Schreder.

And a copy be printed in the Tecumseh Herald, and Adrian Telegram.

Frank E. Pratt,
Sylvester P. Hosmer,
Wm. F. Fisher,
Hugh H. Hanna,
Township Board of Tecumseh Township.

L. O. T. M. VISITS SICK MEMBER.

The drill team of the L. O. T. M. in all their paint and feathers as they gave their Indian drill in Adrian last week, called on Mrs. E. J. Haines Friday evening, to her great pleasure. Mrs. Haines is an enthusiastic Maccabee but through illness has been unable to attend lodge lately so the visit was the more deeply appreciated.

In the company were Ladies Anna Haughn, Lena Chiverall, Algia Mattis, Carrie Saul, Hattie Whelan Dora Aten, Lillie Harrison, Mame Stevenson, Ida Freeman and Mertie Waring.

HAMMOND—BLYTHE

A wedding of interest to Tecumseh people took place in Adrian Saturday when Miss Bernice Blythe became the wife of Clifford Hammond, a Manchester young man. The ceremony was performed by Rev. Earl Rice at the Methodist parsonage and the young couple went at once to their home, 902 North Locust street, Adrian, which Mr. Hammond owns and had ready for his bride.

Miss Blythe who had lived in Tecumseh six years, returned to her home in Manchester a year or more ago to care for her father who passed away last March. Mr. Hammond is a N. Y. C. brakeman and both are highly respected in their home town and Tecumseh.

H. H. HANNA APPOINTED SUPERVISOR.

At a meeting of the township board yesterday H. H. Hanna was appointed supervisor to fill the vacancy caused by the death of John F. Schreder. Mr. Hanna was just starting his ninth year as township clerk. This office will now be filled by Ivan E. Spitler.

Death Claims Our Supervisor

John F. Schreder Called By eDath Was Supervisor 17 Years And One Of The Best Known Men In The County.

After an illness extending over several months with heart trouble Supervisor John F. Schreder passed away Friday at 3:30 p. m. Mr. Schreder started out as usual to make the assessment this spring but was too sick to complete the work and this over-doing probably hastened the end.

John Schreder was born February 15, 1852, a son of Israel and Margaret Gillespie Schreder. His birthplace was in Raisin and his whole life was spent in this vicinity.

December 15, 1875, he married Miss Jennie Schreder and to them were born six children, Mrs. Lovisa Millard now of Chicago, Mrs. Lovina Penman, now of Detroit; Chas. Schreder of Utica, Mich.; Mrs. Lydia Reid of Phoenix, Arizona, Mrs. Margaret Ryan of Cleveland and Miss Blanche Schreder of Chicago. Mrs. Schreder died in 1907 and later Mr. Schreder married Mrs. Susie Coller of Tecumseh who survives.

The deceased also leaves to mourn two sisters and two brothers: Mrs. Mary Cook of Clinton, Mrs. Emma Waldron, Willis and Grant Schreder of Tecumseh, and fifteen grandchildren.

Seventeen years ago Mr. Schreder was elected supervisor and this office he has filled efficiently thru the years. Previously he was highway commissioner for eleven years. A loyal friend, efficient in his duties and a good business man, probably no man in this vicinity had more friends than John Schreder.

He had been a member of the Presbyterian church for many years and held a life membership in the Masonic lodge.

The funeral was held from the home Monday afternoon, Rev. J. F. Kiskaddon officiating.

The bearers were brother Masons: Joseph Smith, Frank Temple, G. B. Garlinghouse, Frank Bradley, C. E. Williamson and Frank Pratt.

The house and lawn were full of many friends and relatives of the deceased. The board of supervisors attended in a body and with them were many of the county officials, among the latter: County Clerk Emery Root, Prosecutor Leland Bean, Poor Commissioner Osborne, School Commissioner Tripp, Treasurer Harry Osgood. The Masonic fraternity and county officials formed the escort to the cemetery and a long line of cars made an impressive cortege. At the grave the beautiful Masonic burial service was read by R. A. Heesen with fifty Masons in line.

Among those from away in attendance were Mrs. Lovisa Millard and daughter, Miss Margaret of Chicago; Mrs. Margaret Ryan of Cleveland; Dr. and Mrs .Will Penman and daughters and Mrs. Geo. H. Stacy of Detroit; Mr. and Mrs. Charles Schreder of Utica, Mich.; Mrs. Walter Hunt of Laverne, Iowa; Ernest Coller of Jackson; Mr. and Mrs. J. A. Nichol and son of Toledo; George Gillespie of Mason; Mr. and Mrs. Richard Farley of Lansing; Frank Gillespie of Monroe; Guy E. Nemire of Columbus; Mrs. Fred Rentschler of Pontiac; Lemuel Goldsmith and daughter of Clinton; Miss Margeretta McClelland of Auburn, Ind.

BIG FAIRBANK'S PRODUCTION COMING TO THE BRADLEY.

The management of the Bradley always on the alert to give his patrons the best productions the screen affords, has just closed for the new Fairbank's "The Three Musketeers" staring the screen's greatest actor, Douglas Fairbanks, for two days playing, commencing Sunday June 4.

Douglas Fairbanks might have done long ago, that which he achieves in "The Three Musketeers"—the production of a double length picture, the worth of which can only be compared with legitamate attractions of the highest order and the tremendous picture productions of the past.

The engagement at the Bradley, Tecumseh, is for two days so that every one may have a chance to see this mammouth screen play and for the first time in Michigan this wonderful production is playnig at prices under 50c.

Our Soldier Dead Fittingly Honored

Great Crowds Observe Decoration Day With Beautiful Service At Church In Remembering Our Valiant Boys.

Memorial Day was one of the most beautiful days of the season. Apparently all nature worked together to give us the prettiest flowers and golden sunshine of this long cold rainy spring. This wonderful day brought out a great crowd to do honor to our soldier dead and many came from away to lay flowers on the graves of their loved ones and greet the living.

At 2 o'clock the service of the day were held in the Presbyterian church when H. W. Stevens, Commander of Beers Post, G. A. R., was chairman. There were 19 of the Old Boys present and with them were the T. B. A. ladies, Sons of Veterans and a representation of the American Legion. After the invocation by Rev. J. F. Kiskaddon, Mr. Stevens gave the program to Dr. L. G. North as president of the day. He in turn announced this program:

America— Audience and choir.

Lincoln's Gettysburg Speech— Hon. J. D. Shull.

Trio, "Land of Mine"—Messrs. Clase, Roberts and McCombe.

Address, "Americanism and for What it Stands" — Rev. W. A. Gregory. The speaker asserted "We must not let the light die out within ourselves but think of tomorrow."

Poem, "The Old Boys"—Harold Clase.

Selection by chorus choir led by Mr. Clase.

Address by Dr. McCombe, paying a beautiful tribute to Uncle Sam's boys, both young and old. His tribute to Lincoln was also most charming.

Vocal solo, "The Little Bronze Button"—Harold Clase.

"The Star Spangled Banner" by the audience closed the excellent program and the cortege formed for the City of the Dead. The order was as follows:

Eva Mark on her little pony; Percy Bowen, marshal of the day, with his aides, Floyd Bryan, Herman Seitz and Perry Satterthwaite; John Larsen as color bearer with his escort, Dr. C. E. Moorman and O. Tonneberger; ladies band; American Legion; floral car; Sons of Veterans; Uniform Rank, K. of P.; G. A. R. and T. B. A. in autos; many auto loads of citizens.

In the cemetery after the flowering geraniums were placed on the soldiers graves, the crowd assembled at the G. A. R. lot where the ritualistic work was read by Mr. Shull and H. C. Daniels. The band played again, the salute was fired by a squad of Legion boys and taps sounded by Claire Camburn.

One of the most splendid features of the parade was the floral car with its load of flowers and bright faced girls. The arrangement was the work of Mr. Stevens and well worth all the admiring comments it received.

The buttoneires in the lapels of the old soldiers was the work of Miss Lucy Train who for years has taken this loving duty as her own.

"CONNIE TALMADGE" SATURDAY NIGHT.

Saturday night, June 3rd, the Bradley is presenting an exceptionally fine double bill with your personal favorite Constance Talmage in one of her newest and best comedy-dramas, "Wedding Bells" as the main feature and the King of Comedy, Larry Semon, in a new two-act riot, "The Rent Collector" on the same bill. A good big laugh will do you more good than anything on earth and you are bound to get it at the Bradley Saturday night—but go early, if you want a seat.

Meetings Draw Great Crowd

Tecumseh Is Entering Heartily In The McCombe-Clase Services. Many Coming From Other Towns.

Great crowds are filling the Presbyterian church each night for the McCombe-Clase evangelistic meetings.

One of the features of the series is the Business Women's Council which hold a luncheon each Thursday evening at 6 o'clock at the M. E. church. The first held last Thursday was a splendid success. Mrs. Homer Whaley was in charge of the committee who served a dedicious menu at beautifully decorated tables.

While the waiters were busy Messrs Clase andRoberts rendered a pleasing musical program and little Virginia Alice Whaley sang "Over on the Sunny Side." After the banquet Mrs. Roberts gave a very fine talk using the word "W-A-T-C-H" as her theme and told of the Adrian Woman Council. Miss Rathbun of Adrian was present.

There were 53 served and it is hoped this number will gradually increase as the luncheons are held and the organization becomes a permanent one.

The patriotic service that evening was inspiring in the highest degree, The chorus had been well drilled by Mr. Clase. In fact this great choir is doing wonderful work, are faithful in all the services and are receiving such training from Mr. Clase as they cannot buy in Tecumseh.

The service on Friday night was on the theme of "The Cross." A great lighted Cross was hung on the choir loft and the auditorium was lighted therefrom. This service was one of the most impressive yet held. Mr. Clase's songs and those of the trio were all of a patriotic nature as was Dr. McCombe's address.

On Saturday night the choir rendered a sacred concert of some length before the evening's address.

Sunday morning during the Sunday-school hour Mr. Clase addressed over sixty of the boys of the different churches at the library. The morning service was a Union meeting at the Presbyterian church. In the afternoon another mass meeting was held when many were present from out of town, but it was in the evening that the greatest crowd of all attended.

The ladies of the M. E. church, hearing that many from Monroe would be here and bring their lunch, opened their church at the supper hour and had hot coffee ready for the 60 who came from that city. Seats were reserved for these people, The Fidelity class, in the church and they met with hearty applause when they marched in.

That evening "standing room only" was true, many being unable to crowd in. All joined enthusiastically in the songs and appreciated the splendid address by Rev. McCombe. This evening the little ladies, Catherine and Virginia Whaley, delighted the crowd with the song so popular in the services, "Over on the Sunny Side."

The Boosters' parade Monday morning was a rouser. There were 25 cars in line, nearly all decorated with flags and big signs. The route comprised Ridgeway, Britton, Clinton, Manchester, Tipton, Onsted and Adrian. At each stop Rev. McCombe gave an address, Mr. Clase led the singing and delighted the little people of the audience with his bag of tricks. At Manchester the crowd stopped for dinner. Here the church ladies had tables all ready and served the Tecumseh people coffee and lemonade to drink with their lunch. Here the judges sized up the different cars and the prize, a sack of 1900 flour, was awarded George Hines, as his car was the most handsomely decorated. Flat tires were abundant, but, though tired and dusty, the participants with one accord said they had had a wonderful day.

Tuesday evening the services were resumed after the one night's vacation. The cottage prayer services that day were well attended, as usually about 85 being present at the five meetings.

The Boosters meeting on Wednesday was a big one. Over 250 youngsters have attended these services and enjoyed hugely Mr. Clase and Mr. Roberts with their music and the former's tricks. Mr. Clase's talks are certain to bear good fruit in these young hearts.

Last night's was a grand service of song and story and tonight Mr. Clase will sing "The Ninety and Nine" with illustrated slides. Dr. McCombe's subject will be "Fight, run and pray."

This afternoon is another of the Business Women's luncheons at the M. E. Church to which all women of the town who work for a living are invited.

Tomorrow at 3:30 is another Booster's meeting and that evening will be held a double illuminated cross service, which you will never forget.

Saturday evening the Booster's choir will give a concert and Dr. McCombe's subject will be "An Eye-Opener."

Sunday morning the party will go to Clinton as the Baccalaureate sermon will be preached in the Presbyterian church at 11 o'clock by Rev. J. F. Kiskaddon.

At 3 o'clock Sunday there will be a mass meeting for men at the Presbyterian church and another for women at the Methodist church. In the former Dr. McCombe will take for his subject "The Sins of Men" and in the M. E. church Mrs. Roberts will speak on "A Woman's Answer to a Man's Question."

That evening will be another big meeting when people from other towns will be welcome as usual. That night Dr. McCombe's address will be on "The Man Who Preached 120 Years Without a Convert."

Mail Carrier Called By Death

James Updyke Expired Monday. Burial in Brookside Today.

The Tecumseh people were intensely grieved Monday afternoon when the word was passed over the street that James Updyke, a life-long resident of this township had died. Mr. Updyke was one of the best known men in this vicinity having been one of the first of our rural mail carriers and served in this capacity nineteen years. Two years ago he was pensioned and retired from the carrier's service.

A year ago his health began to fail but he was only confined to his bed two weeks ago when he suffered an attack of apoplexy. He lay in a semi-conscious state until the final call.

James Updyke was born in Tecumseh township on the farm now owned by Clyde Mangus, Nov. 9, 1844. His parents were James and Belinda Updyke, pioneers of this township. Their children numbered 11, of whom now survive only the one daughter, Mrs. Kate Culver, of Hudson.

In 1874 Mr. Updyke married Miss Atlanta Bates, also of a pioneer Tecumseh family. To them were born two sons, Earl and Carl. The former with his wife and son Bertram reside in the Updyke home and Carl is in business in Idaho Falls, Idaho. He arrived home only a day before his father's death.

The funeral will be held from the family home on West Chicago street this afternoon at 2 o'clock, Rev. W. A. Gregory officiating.

So we mark the passing of an exemplary character, a loyal friend and in his home the best of fathers and husbands. James Updyke lived a quiet life but in his quiet way made for himself hosts of friends who today extend their sympathy to the family who are thus bereaved of their best earthly friend.

ANNOUNCES HIS CANDIDACY.

Geo. Armstrong, who has for years been well known in Lenawee Co. has announced his candidacy for Register of Deeds subject to the Republican Primaries next Sept.

Mr. Armstrong has been a resident of Adrian for many years and has been a traveling salesman since retiring from business in Adrian and he is probably one of the most capable men that could be found for the office. He has never held a county office to our knowledge but has always taken considerable interest in boosting along every worthy project whether it was for Adrian or the rest of the county.

Geo. will doubtless make a mighty good run owing to his popularity among all classes of men and his special fitness for the place. And probably one of the strongest points in his favor is that he is no relation to the editor of this paper.

A MARKED TRIBUTE.

Every supervisor in the county except one together with all of the county officers attended the funeral of John Schreder in a body last Monday. This was a very fitting tribute to a man so long identified with the work of the county and shows in what high respect the officials of the county held the deceased.

The Masonic Lodge had charge of the services and were out in a body to pay their last respects to one who had been a member of the Tecumseh lodge since its inception. The impressive ritualistic service of the lodge was rendered as the body was laid to rest as is solemnly fitting to those who follow the teachings of the order.

Independents Beat Adrians Sunday

Put The Indian Sign On The County Seaters 5 To 0 At Adrian. Lenardson Pitched Good Ball And Received Gilt Edged Support. Next Six Games Will Be Played Here.

Last Sunday afternoon at Franklin Park in Adrian the local base ball team handed their old time rivals from the county capitol a beautiful whitewash so fresh and white that it was extremely glaring and made the gathering from the home of the politicians look like a lot of school boys committing their first offense at base ball,

Lenardson pitched an excellent game and held the Adrianites helpless at all stages of the contest. He received splendid support and this helped to blank the big fellows in fine style. A good crowd witnessed the slaughter but could not change the verdict by feeble attempts at rooting.

The next six games will be played at home at the Park and it is expected to give the people a fast exhibition of modern base ball. The locals have hit their stride early in the season and doubtless will be a hard bunch to beat if they get the handsome support they deserve.

A STORY WORTH WHILE. READ IT.

We do not know who wrote the following, but Warren Griffith of the Landman-Griffith Company carried the story of "The Little Black Hen" and the message it holds into Toledo as well as into every Community in the State of Michigan during the recent trade trip of the The Toledo Chamber of Commerce. It is so good we could not help but reproduce it—so here it is—

The Story of the Little Black Hen

Said the little red rooster, "Gosh all hemlock! Things are tough,
Seems that worms are getting scarcer, and I cannot find enough
What's become of all those fat ones is a mystery to me;
There were thousands through that rainy spell—But now where can they be?"

The old black hen who heard him didn't grumble or complain—
She had gone through lots of dry spells; she had lived through floods of rain.
So she flew up on the grindstone, and she gave her claws a whet,
As she said, "I've never seen the time there were not worms to get."

She picked a new and undug spot, the earth was hard and firm;
The little rooster jeered, "New ground! That's no place for a worm."
The old black hen just spread her feet—she dug both fast and free;
"I must go to the worms," she said, "The worms won't come to me."

The rooster vainly spent his day, through habit, by the ways
Where fat round worms had passed in squads back in the rainy days.
When nightfall found him supperless, he growled in accents rough
"I'm hungry as a fowl can be. Conditions sure are tough."

He turned then to the old black hen, and said. "It's worse with you,
For you're not only hungry, but you must be tired too.
I rested while I watched for worms so I feel fairly perk;
But how are you—without worms, too—and after all that work?"

The old black hen hopped to her perch and dropped her eyes to sleep,
And murmured in a drowsy tone, "Young man, hear this and weep.
I'm full of worms and happy, for I've dined both long and well.
The worms are there as always—but I had to dig like hell!"

Oh, here and there red roosters still are holding sales positions;
They cannot do much business now because of poor conditions.
But soon as things get right again they'll sell a hundred firms—
Meanwhile the old black hens are out and gobbling up the worms.

The Little Black Hen is a "Go-Getter."

TIPTON.

Tipton Four Corners Scene of Many Auto Accidents.

Sunday afternoon a Ford car coming from the north driven by some Adrian parties was struck by a Dodge coming from the east, driven by some people from Albion. Fortunately no one was injured but both cars were damaged to some extent. But after repairs at the garages they were able to go on their way.

Monday morning a Buick touring car came from the west at high speed striking one of the gravel trucks which are hauling gravel on the road north of Tipton, breaking the steering gear on the truck thus the driver having no control of the truck it struck the main electric light pole just in front of bank, snapping it off. The occupants of the touring car were Misses Josephine Kerr and Elva Denslow both graduates in the 1922 class of Onsted. They were taking Lynn Maxwell, Dorothy Glee and Raymond Miller of Richmond, Ind., to Ypsilanti where they are attending school. These friends had been in Onsted for the Baccalaureate service Sunday evening.

All the occupants escaped with slight injuries except Miss Denslow whose injurles might be more serious than was first thought. At last report Miss Denslow is paralized from the waist down. Ritter's ambulance came and removed the injured young lady to her home in Onsted. The touring car was a complete wreck.

Citizens of this village feel that the removal of the flag pole and dummy which the state highway department removed at the building of the state roads ought to be replaced with some kind of a safety devise as people will insist on driving across this dangerous crossing at break-neck speed.

Mr. and Mrs. Garrett Baker attended the Alumni at Ridgeway Saturday evening.

Mr. and Mrs. Derbam Oberlighter and some friends from Monroe were guests Sunday at the home of F. E. Derby.

OBITUARY.

Again we are called to mourn the death of a lifelong and much respected resident of this vicinity, Wesley Lister, who passed away at his home Monday evening May 15. Mr. Lister's illness dates back 2 years when he was stricken with paralysis and from which he failed to recover and again about two weeks ago he suffered another stroke that rendered him helpless.

He was born in Ridgeway township July 7, 1857. On December 23 he was united in marriage to Miss Mary Thackeray, as a blessing to this union one daughter, Mrs. Vie Tucker was born. Since his conversion in 1888 he has been a faithful follower of Him who knoweth and doeth all things well. He was a loving husband and kind father always ready to comfort and help.

Besides his companion and daughter, he leaves to mourn his departure, five grandchildren, two brothers, George Lister of Rome, Chas. Lister of Britton and one sister, Mrs. J. M. Elder of Petersburg and several nieces and nephews. One brother and two sisters preceded him in death some years ago. Rev. R. C. Powell officiated at the services which were held Thursday afternoon at 2:30 at the M. P. church where he attended whenever his health permitted.

He was a member of the Brotherhood and will be sadly missed by that class. The pall bearers were C. B. Exelby, B. J. Beasley, C. J. Gorham, Lavern Biggs, W. B. Swick and Chas. Myers.

Those from away attending the funeral were Mr. and Mrs. Geo. Lister and Byron Wilson of Rome Center; Mr. and Mrs. J. M. Elder and family of Peterburg; Mr. and Mrs. W. E. Nivison and Loree, Sherman and the Misses Charlotte and Mabel Lister of Detroit; Mr. and Mrs. Alfred Holmes of Tecumseh, Leland Cure and family of Sand Creek; Mrs. Albert Smith, Mrs. Bert Pocklington, Mrs. Ernest Elkington, Mrs. Earl Pocklington, Mrs. C. F. Smith of Adrian; and Mr. and Mrs. Will Spreeman and Mr. and Mrs. Harvey Hindes of Ridgeway.

Card of Thanks.

We are truly grateful to all who were so kind during the sickness and death of our husband and father. We would especially thank those who sent flowers, the singers and the Rev. R. C. Powell for his words of comfort.

Mrs. Wesley Lister,
Reuben Tucker and family.

Run Down?

Kidney and bladder troubles are not limited to men. Housework, or work in office or factory, causes women to suffer from weak, overworked or diseased kidneys. The symptoms are—puffiness under the eyes, sallow skin, constant tired feeling, lack of ambition, nervous condition, backache, rheumatic pains, sore muscles, stiff joints.

Foley Kidney Pills

get right at the cause of suffering and misery, regulate the kidneys and bladder and restore the diseased organs to sound and healthy condition.

Mrs. Wm. Fischer, 2009 Woodbourne Ave., Louisville, Ky., writes: "I am just getting along fine. I am taking Foley Kidney Pills every other night. You should have seen me before I started I was yellow as gold, now my eyes and skin are all cleared up. My kidneys do not bother me at night any more. If it will help some other poor soul who is suffering you may use my name wherever your medicine is advertised."

THREE RECEIVE M. M. DEGREE.

At the F. & A. M. meeting Friday night three candidates, Joe McCaughen of Lansing, Rev. W. R. Curtis and Victor Gillespie were given the M. M. degree. Among the many from out of town who were there were three of the evangelistic party.

Harold Clase sang a solo and read a poem, Arthur Roberts gave a piano selection and Rev. McCombe a fine talk. They were warmly received by the fraternity who in turn enjoyed the visit immensely.

15 Years Service

You feel that you would rather doll up your car this year instead of buying a new one?

You realize your car needs some parts cleaned and tightened, you wish to get by with it this year and have a dandy new car another year.

I have spent fifteen years in doing just what you want done, and the way the cars have been coming in for the past few weeks to have done just what you want done, is not only pleasing to me but to the customers who send their friends here.

While I am glad to work on any make of cars, I am making a specialty of Buick work.

Drive in and get an estimate on your job. Turn in at the Buick Service Sign on N. Pearl Street.

The purchasers of the MIRACLE battery are more than pleased not only the quality but the price as well.

THE 30 x 3½ tire situation today is just this—

The man who buys an USCO at $10.90 is justified in believing that his money is going farther in tire value than it *ever has gone* or *could go* before.

Naturally he appreciates the quality of USCO. That was established *long ago.*

It is still fresh in his mind that USCO *led the national market* into the $10.90 price range.

THEY ALL DEMAND IT

Tecumseh, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have brought lasting results to thousands. Here is Tecumseh evidence of their merit.

Miss Rhoba Arner, 108 Oneida St., Tecumseh, says: "We have often used Doan's Kidney Pills in our home and so far as my own experience goes, I can recommend them. I had been feeling run down and my head was just a steady, dull pain. I was dizzy by spells and my kidneys didn't act regularly, either. I knew that Doan's Kidney Pills were good for these troubles, so I sent to Pulver's drug store and got a box. After using them, my troubles left me. My kidneys have never bothered me since and it's a pleasure for me to endorse Doan's Kidney Pills."

FRIENDS CHURCH

Edward Escolme, Pastor.

Let's be on hand for Sunday School, at 10 o'clock Sunday morning, sharp.

Baccalaureate Sermon will be preached by Rev. J. F. Kiskaddon at the Presbyterian Church at 11 a. m. Sunday morning.

CHRISTIAN SCIENCE

10:45 Morning service. Subject, "God the Only Cause and Creator."

NOTICE.

My office will be closed from May 28th to June 18th inclusive. During my absence, Dr. E. E. Hendershott will perform the duties of Health Officer.

H. H. Hammel, M. D.

NOTICE.

All the latest puffs, curls and fancy head pieces. Switches made from combings or from cut hair. Anna E. Douglas, 123 E. Church St., Adrian, Mich. Phone 281.

LOCAL AND PERSONAL

Mr. and Mrs. Al. Hunter of Detroit were guests over Decoration Day of Mr. and Mrs. Floyd Totten.

C. A. Wilmarth left for Muskegon Wednesday and later he will go to Elgin and Gilbert, Ill., where he gives a demonstration of the peat and coke making plant made by his company.

In the notice of the death of Mrs. Helen Sheridan last week the word mental science should have been used instead of Christian science as Mrs. Sheridan was not a christian scientist.

Mr. and Mrs. Thomas Hamilton and baby went to West Toronto on Tuesday to make that city their home. This young couple came here from Ireland a couple of years ago and have won many close friends whose best wishes accompany them to the Dominion.

Miss Gertrude Sheldon came home from Ypsilanti Friday for over Decoration Day. On Tuesday morning she suffered an operation for appendicitis, Dr. I. D. Loree and Dr. P. B. Hardy being the surgeons. Miss Gillespie is her nurse. That vacation will prove a few days longer we fear, but reports from the Sheldon home give her as resting comfortably.

Bradley Opera House Sold Last Saturday

F. H. Guy of Detroit Buys Famous Play House. Will Take Possession On June 6th. Ed Mark Has Operated It For Twelve Years Very Successfully.

An important deal took place last Saturday when F. H. Guy of Detroit purchased the Bradley Opera House of Ed Mark the present owner.

Mr. Guy is an experienced picture show man and said last Saturday that he planned on giving the people here the best of the pictures at all times and that he would do his part to keep the play house popular with the public. He takes possession on June 6th.

Ed Mark has operated the play house for twelve years and has given the people some of the best pictures obtainable and he has always drawn large crowds from far and near. His management has been very popular with the people as attested to by the success of the business. Mr. Mark is a hard worker and an expert operator which with his excellent equipment has always given the people a good show and extra good values for their money which doubtless accounts for the big crowds usually on hand for the shows. Mr. Mark said today that he has made no plans for the future but will take a short rest before engaging in business again.

FRANCIS—DREWYOR.

Miss Hazel Drewyor of Tecumseh and Clarence Francis of Britton were married in Adrian Friday afternoon, Rev. Earl R. Rice performed the ceremony at the M. E. parsonage. The young couple were accompanied by the groom's sister and husband, Mr. and Mrs. Charles Meyers of Britton.

Miss Drewyor is the daughter of Mr. and Mrs. J. D. Drewyor and has been a Tecumseh resident for five years. Part of that time she has clerked in down town stores and made for herself many friends. Mr. Francis holds a good position in Britton in which place the young couple will reside.

Little [illegible] has the mumps.

MRS. JOHN ADAM'S SUFFERING OVER.

Had Been Ill Four Years With Cancer.

Mrs. John Adams passed away Monday afternoon at her home south of the village after an illness extending over four years with cancer. The funeral was held from the home yesterday afternoon with burial at Brookside. Rev. W. R. Curtis officiated at the service.

Sarah Smith was born June 15, 1869, at London, Monroe county, the daughter of Mr. and Mrs. Joseph Smith. Thirty-three years ago she became the wife of John Adams, a Britton farmer, and to them was born one son, Clarence. The family were successful in their business as farmers and some years ago bought the fine place south of town which has since been their home. The son Clarence and his wife reside in the nearby house and he assists his father.

Mrs. Adams also leaves two sisters and four brothers, Mrs. Perry Rider and Mrs. Emma Adams of Dundee, Henry Smith of Cone, Frank Smith of Ann Arbor, John Smith of Los Angeles and Will Smith of Jennings.

I. O. O. F. ELECT AND ORGANIZE BALL TEAM.

Baccalaureate was Largely Attended

Rev. J. F. Kiskaddon Delivered Splendid Address To Class Of 1922. A Union Service. Church Handsomely Decorated By Juniors.

The graduating class of 1922 could not have planned a more beautiful service than that of their Baccalaureate which was held Sunday morning at the Presbyterian church. The day was a most glorious one and the church was accordingly packed with friends of the class. The decoration which was the work of the Juniors, under the chairmanship of Miss Alice Hellman, was charming. Great baskets of peonies and roses were used, nearly filling the large platform and across the front were draped the class colors, blue and gold. The class motto, "Not Evening, but Dawn," was suspended over the choir loft. The program of the service was as follows:

Organ prelude, "March of Priests" (Rossini)—Mrs. F. C. Dickinson.

Doxology.

Invocation and responses.

Interlude.

Hymn, "Praise the Lord."

Psalter selection, Psalm 24.

Gloria Patri.

Solo, "Jesu, Thou Art Standing" (True)—Lester Waring.

Reading of Scripture, I Chronicles 29:20-25—Rev. W. R. Curtis.

Prayer—Rev. Edw. Escolme.

Chant, "The Lord's Prayer"—Choir.

Offertory, "Memories" (Stearns).

Prayer of Dedication.

Anthem, "Gloria in Excelsis" (Morrison).

Sermon, "On the Eve [illegible] Rev. J. F. Kiskaddon.

Hymn, "How Fir[illegible]oundation."

Benediction.

Ascription.

Organ Postlude, "[illegible]stlude in C" (Rockw[illegible]

Rev. Kiskaddon [illegible] was quite a coincidence [illegible] not learned the class mo[illegible] took for his theme David's [illegible]ple of laying his responsibility [illegible]building the temple on the [illegible] his son Solomon for so [illegible] life [illegible] the aged lay their b[illegible] and the young take [illegible] up where they find them.

"Through the window of graduation our young peole look out upon the sea of life."

The speaker told of the early pioneers of Tecumseh, how they laid the foundation for our pretty town, this home place for this class and it has been by following these plans that the town became a reality. Solomon followed the plans of his father, obeying his useful laws. Now much of our trouble has come in going too far from the old laws.

The Supreme Architect has laid down plans for our life which Moses has giver us in the Commandments, but Jesus gives us the law of self sacriice.

Solomon asked for wisdom, so we give credit to this class to make the same request. There is only one way to [illegible] of life, by asking guidance of God. "Seek ye first the kingdom of God and his righteousness."

ENTERTAINS FOR BRIDE ELECT.

Miss Ruth Reed entertained nine friends at an exceedingly pretty dinner party last Monday evening at the home of Mrs. Russell Thurlby on Maiden Lane. The affair was in honor of Miss Ellen Robins of Detroit who will be a June bride.

The decorations were June roses, peonies and other flowers of the season.

A delicious six o'clock dinner was served and the evening spent in telling fortunes and a cake contest. In the cutting of the cake Miss Ellen Smith received the ring and Miss Robins the dime.

Out of town guests were Mrs. Ralph Negus and Miss Caroline Robins of Adrian.

OLD ALMA QUARTETTE WILL SING BY RADIO.

The radio fans will be interested to know that the old Alma Quartette have a date with the Detroit Free Press broadcasting station to render several numbers at 8 o'clock Saturday evening. These are old Tecumseh boys, Roger Waring, now of Detroit, Wade Frost now of Lansing, Seymour Boyd now of Cleveland and Fred Dickinson, still of the old town. Mr. and Mrs. Roger Waring will be the hosts and their Tecumseh friends will watch for the music, never fear.

PLEASE TAKE NOTICE.

All high school pupils who were absent during examinations because of illness, will meet at the High School Building Monday, June 19th at 8 a. m. to take the examinations.

CLASS DAY EXERCISES WERE UNIQUE.

A crowd of happy young people make up the class of 1922 of the T. H. S. and this is their commencement week, beginning with the Baccalaureate service of Sunday morning. Last night their class day exercises were given at the high school auditorium. The stage setting was in the form of a banquet hall with the class seated at a U shaped table. The decoration of flowers and boughs was the work of the Juniors.

Alton McIntyre presided as toastmaster with the following program:

President's Address, "Co-Operation"—Arlene Gillespie.

Class History, "As We See Ourselves"—Lavina Wallace.

Class Prophecy, "The Message of the Sibyl"—Marion Harrington and Bert Ousterhout.

Piano solo, "Moonlight on the Hudson"—Gertrude Brooks.

The Giftatory, "Class Scrap Bag"—Clau Dyne Newton.

Class Poem, "Blue and Gold"—Ethel Randall.

The Will—Dorothy Saum.

Presentation of Cane—Arlene Gillespie.

Acceptance of Cane—Mary Pennington.

Class Song.

This evening the usual commencement exercises will be given at the auditorium. The salutatory by Myrna Van Vleet, a lecture by Prof. Wordy of Ann Arbor, the Valedictory by Archie Waring and the diplomas presented by some one of the school board.

GREGG—RICHARDSON.

At Adrian Saturday afternoon took place the wedding of Miss Lucile Richardson and John Gregg, two Tecumseh young people. Rev. E. R. Rice read the marriage service at the Methodist parsonage and the young people were given their wedding supper at the home of relatives in Clinton.

Miss Richardson is the daughter of Mrs. Electa Richardson, the family moving here from Tipton a couple of years ago following the sudden death of the father of the family, Murray Richardson. Since coming here Miss Richardson has been employed in Whiting's cigar factory.

Mr. Gregg, who is the youngest son of Mrs. Amy Gregg, is an industrious young man, having for several years been a miller in Gratz mill. Both are popular in their home town. They will reside for a time with the bride's mother.

IS A CANDIDATE FOR REGISTER.

E. C. Brasee of Weston who is a candidate for Register of Deeds on the Republican ticket subject to the Sept. primaries, was in town last Tuesday meeting people and making acquaintances.

Mr. Brasee is a keen business man and well versed in the needs of the times and unafraid to stand squarely for the best interests of the common people. He has held several offices in the township and [illegible] the people the best of services always.

He will doubtless give a good account of himself at the primaries.

GOOD CHEER CLASS ELECT OFFICERS.

The Good Cheer class of the Baptist Sunday-school met with Mrs. Wilbur Harrison Thursday afternoon and elected their new officers.

President—Mrs. H. D. Beard.

Secretary—Mrs. Alva Knight.

Treasurer—Miss Bessie Van Antwerp.

The class are to take some form of study at their business meetings, to be decided upon by the teacher, Mrs. A. O. Howard and the executive committee.

GROVE—RICE WEDDING TO TAKE PLACE IN TIPTON.

The wedding of Miss Muza Rice of Adrian, but well known here, and Rev. William Grove of Brownsville, O., takes place Saturday at the Tipton Congregational Church. Tipton was the former home of both, Rev. Grove having occupied the pulpit of the Congregational church a few years ago.

HONORING MRS. GILLEN.

Complimenting one of the members, Mrs. Charles Gillen, Mrs. H. E. Mitchell's Sunday-school class met at her home Saturday evening for a pot luck supper. Mrs. Gillen was presented with some Pyrex ware as a souvenir of the good times she had enjoyed with the class.

Scrapping the Navy, spectacular gigantic, thrilling, fireworks, speccacle. Five big hippodrome acts, band music, fairgrounds, Jackson, June 15th, 16th, 17th. Don't miss it. (adv)

McCombe-Clase Meetings Successful

Great Crowds Coming In From Outside For Services. Party Is Proving Very Popular In Tecumseh.

Large crowds continue to fill the Presbyterian church at every service held by the McCombe-Clase evangelistic party. Many come from the surrounding country, Adrian sending over a large crowd nightly.

At the luncheon given for the Business Women's Council at the M. E. church Thursday night the menu was excellent. Several musical numbers preceded Mrs. Robert's talk as follows:

Piano solo—Miss Gertrude Brooks.

Vocal numbers (a) "The Morning Wind" and (b) "The Night Wind"—Mrs. R. S. Moore, accompanied by Miss Edna Taylor. Mrs. Moore responded to a hearty encore with a musical reading.

Vocal solo, ukele accompaniment—Miss Lillian Kennedy.

Thursday evening Rev. J. M. McCombe of Lansing assisted in the service.

Friday evening was a most impressive cross service. Mrs. Roberts sang "I am coming to the Cross" as Mrs. J. M. Mulvaney illustrated it in pantomine. Colored lights were thrown on the picture making it divinely beautiful. Part of the service was given by the light of the great illuminated cross.

Saturday night belonged to the Boosters, a band of 200 youngsters which Mr. Clase has organized. They occupied the choir space and gave a patriotic and religious program of songs. The part of Betsy Ross was taken well by Genevieve Austin. The yell masters were Burford Barber and Arthur Eaton with energetic assistance from Raymond Puffer. That evening some one hundred of these little people made their start in the Christian life.

Sunday morning the party held services in Clinton as the Baccalaureate service was to be held at the Presbyterian church here. That afternoon Messrs. Clase and Roberts assisted in the Memorial services at Macon, arriving in Tecumseh at 2 for the Men's meeting.

The crowd for this service was a large one and the interest deep. Mrs. Roberts conducted a mass meeting for women at the M. E. church at the same hour when the auditorium was packed to the walls. Mrs. Roberts gave a splendid talk and Mrs. Moore sang two solos in her usual gracious way.

CADMUS — TOTTEN

Tecumseh Young Man Marries Domestic Science Teacher

Roy Cadmus, son of Mr. and Mrs. Sidney Cadmus of Raisin, is today to be married to Miss Gertrude Totten at her home in Delta, O. Mr. and Mrs. Sidney Cadmus are attending the wedding. Accompanied by Prof. and Mrs. [illegible] the newly-weds start Saturday on a motor trip to Williamston, N .Y. On their return Roy a nd his bride will come to Tecumseh to reside on the Albert Cadmus farm.

Both are graduates of the M. A. C. For two years Miss Totten has been the domestic science teacher in Morenci. Mr. Cadmus was nine months overseas during the war, serving in the medical department.Since he has been fruit inspector on the New York Central, coming home upon the death of his uncle, Albert Cadmus and assisting his father in running the two farms.

GOT YOUR OWNERSHIP CERTIFICATE?

Have you sent your dollar to the Sec'y of State at Lansing and received your certificate that you own your car, if you have one?

If not you better do so before July 1st or the state "Constab" will probably hop on the running board and tell you to drive around and see the Judge. Got to have one you know. Law says so and they need the money powerful bad up there at Lansing.

No matter if you did pay cash for your old bus and have the idea you own it, you must send a dollar to Lansing to find out for sure that you do own it and you must do that before July 1st or get pinched with a fine from $10 to $1,000 so the papers say.

P. S. Send Evans, Bryant and Vine back to Lansing again and maybe they can help put through a law to tax the squeak in your car. That's about all they have overlooked so far.

Brooklyn Knocks Tecumseh Out Cold

Westerners Lift The Scalp Of In[illegible] 6 to 4. Game Loosely Played, Tecumseh Getting Three Scores On Wild Throw To First. Pitching Staff Was Ineffective Against Opponents.

The game last Sunday afternoon was not what one would call a first class exhibition of base ball although the score ended 6 to 4 at the close of the tenth inning. The score was close enough as it stood 4 to 4 at the end of the ninth but three of Tecumseh's scores was due to a wild heave to first which allowed the runners to complete the circuit and register in at home plate.

Ives and Howe pitched for Tecumseh [illegible] they held the score to only four up to the fatal tenth, the Brooklynites found them when they needed to score and hit rather freely earning all their runs. Tecumseh evidently underestimated their opponents or else had the spring fever for they put up a ragged exhibition of base ball that would have spelled a much worse defeat had they been up against a real team.

But, we can't expect to win all the time and as we have three clean victories to our credit so far and this is the first defeat, we should feel considerable pride in our showing thus far. A good defeat is the best thing for a team in the early stages as it takes out the over-confidence and puts pep and work in its place which are the two elements of success. Come on everyone, tighten up your belts and get in the game like you did at Adrian, Oh, boy those county seaters haven't got through rubbing the sore spots yet. That will bring the crowd and put the rooters on edge. One loss is a good thing son don't worry—work.

T. H. S. ALUMNI TO BE HELD TOMORROW NIGHT.

Plans are working out splendidly for the alumni meeting tomorrow evening. On Monday 166 acceptances had been received. Mr. and Mrs. Edgar Ide have sent acceptances fom Los Angeles and Charles Hurry, who landed in Vancouver from the Orient, is expected to arrive in Tecumseh tomorrow for the glad reunion. His sister, Miss Harriett, is also here from Grand Rapids and will be a guest.

The program is in charge of Miss Marjorie Boyce and she has toasts promised from Guy Davidson, Alvin Brazee, Perry Hayden, Wilfred Waldron and Mrs. Helen Crittenden Pentecost of Onsted. Miss Lucy Train will give the address of welcome with the response by Miss Frances Mominee.

Mrs. R. S. Moore has charge of the music which warrants that portion of the program will be delightful indeed.

The Presbyterian ladies will serve the banquet at 6:30.

COMPLIMENTING MISS RICE, A BRIDE OF THIS WEEK.

On Thursday evening Miss Lillian Kennedy entertained a party of ladies complimenting her friend, Miss Muza Rice of Adrian whose wedding will be solemnized Saturday. Each guest brought a gift for the bride-to-be wrapped to represent a flower. All were very useful and the flower theme was caried out through the party.

The guests spent the evening sewing and directing announcements for Miss Rice and the hostess served dainty refreshments.

The guests were Miss Rice of Adrian, Mrs. Hans Christianson of Clinton, Mrs. Melvin McWilliams of Holloway, Mrs. E.M. Campbell, Mrs. Paul Hunt., Mrs. Will Babcock, Mrs. Fay Van Valkenburg, Misses Katheryn Reed and Gladys Bowen.

FORMER RESIDENT DIED IN EVANSTON.

Word comes to his Tecumseh relations of the death of Robert J. Rickey, which occurred May 24th at Evanston, Ill., where he and his daughter, Miss Florence, lived together.

Mr. Rickey was 91 years of age but had kept in touch with his Tecumseh relatives by frequent letters. He lived here in his young manhood, teaching in the Culbertson school so is well remembered by the older people. He was a cousin of the Gillespie and Schreder families.

GUN CLUB TO BE ORGANIZED.

Everyone who is interested in trap shooting is asked to meet next Monday night at Spitler & Horn's at 8 o'clock to help form a gun club for Tecumseh. Already a large number have signed up as backers of the project and its assured. No dues, just plain expenses divided up is all it costs. Come Monday night.

CLEAN-UP OR GET CLEANED.

It is up to the Republican party to clean-up and that right soon if the voters of the country follow the lead of Indiana and Pennsylvania where two former Bull Moosers have just landed the nomination against the best the old line Republicans could put up and with the entire machine back of them.

The voters of Michigan have stood for about their limit in rotten legislation and outrageous taxation and it just remains to be seen how much more the people will stand for before using the boot on every man who has had anything to do with the present regime.

Everyone is for just [illegible]table taxation. Patriotism is just as high and as sincere as it ever was. Party affiliation is beginning to weaken and people are commencing to think for themselves regardless of party. Tickets are getting split as they never have been before and spell binding is not going to have much effect against the lamentable experience the people are passing through.

The record is clear and unless the Republicans in Congress pull [illegible] together and quit. boy [illegible] something to put the [illegible] its feet and that mighty [illegible] those Honorables down they will never see Washington again unless on a visit.

And Larsing, wow! If the people again send the gang back that helped to saddle the extortionate taxes on them for the past six years, then the aforesaid people have no license to kick if the constabs drop in and itemize the rest of your belongings and tell you to send them up as soon as possible.

The sooner the Republicans get back to rationalism and the freedom our forefathers knew and drop [illegible] get to sawing wood the good old fashioned way that stands for prosperity among the rank and file of the people, the sooner they will avert the fast closing in of utter destruction. Its up to those in power to get their ear to the ground and cut out gang methods and endless do-nothing tactics or go down to defeat this fall with such a thud that the breath of life will be knocked out of them for years to come.

Homely doctrine but nevertheless the naked truth plainly spoken.

THEY ALL DEMAND IT

Tecumseh, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have brought lasting results to thousands. Here is Tecumseh evidence of their merit.

Miss Rhoba Arner, 108 Oneida St., Tecumseh, says: "We have often used Doan's Kidney Pills in our home and so far as my own experience goes, I can recommend them. I had been feeling run down and my head was just a steady, dull pain. I was dizzy by spells and my kidneys didn't act regularly, either. I knew that Doan's Kidney Pills were good for these troubles, so I sent to Pulver's drug store and got a box. After using them, my troubles left me. My kidneys have never bothered me since and it's a pleasure for me to endorse Doan's Kidney Pills."

John McIntyre, President.

The following resolution was offered by Trustee B. J. Pulver and supported by Trustee E. M. Campbell:

Whereas, the Common Council of the Village of Tecumseh by due resolution heretofore passed on the first day of May, 1922, did declare it a public necessity and of general public benefit, that Evans Street, within the Village of Tecumseh, be paved from the north line of Chicago Street to the north link of Logan Street, in the manner provided in said resolution, and that seventy-five per cent of said cost be defrayed by special assessment upon the premises or lots abutting such improvement, except the cost of the fifteen feet of said improvement to be paid by the state;

And whereas, the cost of said improvement as a whole, except the portion thereof to be done by state authority, is estimated at the sum of Twenty-two Hundred Thirty-five ($2235) Dollars;

And whereas, said estimates of expense of said improvement and a plat and diagram of the proposed assessment district (hereinafter described) are now on file in the office of the clerk of said village;

BE IT RESOLVED, that the special assessment district for the purpose of the assessment and levy of a tax to meet said proportion of said cost, shall be, and is hereby designated as District No. 4, and is fixed, determined and described as follows:

All lots and parcels of land off the east side of Block 6 of Hewitt's Addition to said village, fronting and abutting upon Chicago Street; and all lots and parcels of land off the west side of that block in said village bounded north by Logan Street, east by Ottawa Street, south by Chicago Street and west by Evans Street, fronting and abutting upon Chicago Street;

And be it further resolved, that the Common Council of said village, will meet at the council building in said village on the 23rd day of June, 1922, at three o'clock in the afternoon, to consider any objection thereto;

And be it further resolved, that the Board of Special Assessors are hereby directed that a special assessment roll be made, pro rata upon the lots and premises in said special assessment district, according to the frontage thereof (taking into equitable account the valuations thereof) describing and designating the lots and premises contained therein;

And be it further resolved, that the clerk of this village give due notice of said meeting to consider objections as aforesaid, by publishing a lawful notice thereof for at least two weeks prior to the date of said meeting, in the Tecumseh Herald, a newspaper published and circulated within the said village.

Upon roll call: Ayes Campbell, Satterthwaite, Anderson, Lidke, Hendershot, Pulver.

Nays, None.

Resolution carried.

Motion made to adjourn. Carried.

W. L. Coller, Clerk.

LITTLE FOLKS ENJOYED BIRTHDAY PARTY.

Thursday afternoon Mary Louise Artman was a happy little Miss. It was her fifth birthday and a party of little people helped her celebrate with games and fun galore. MACON.

The services of the decorating of the Soldiers' graves was held on June 4th at the Macon cemetery. There was a large attendance from our own community and many visitors from the neighboring towns, Ann Arbor, Ypsilanti, Tecumseh, Clinton and no doubt other places. The program was finely conducted, interspersed with music by the Clinton band.

Judge Hart of Adrian gave a very interesting address. There is one sad feature nearly always accompanies these gatherings. After the multitude have come together to honor the dead soldiers to whom we owe our country and the time arrives to decorate the graves there is scarcely ever enough wreathes or bouquets to place one on each grave. even after the committee have taken the larger ones and split them. We must remember that the sisters and brothers, the parents and many of the children of these soldiers are also sleeping in these grounds and can no longer provide the wreathes and flowers for this one day of the year which is given for honoring our noble dead. And though the cemetery all over is beautiful with its decorations, and can, and will be, kept this way throughout the summer. yet there is not enough flowers for the soldiers' graves on only one day which is given to them.

As long as this country is our country it is through our soldiers that we have it and whether we are of kinship to them or not as long as we observe this day, let us rally, especially, the younger generation, and see to it there is enough flowers by our free and unsolicited offerings. that as the song which has been sung so many times on this occasion. tells us. "Cover them over with beautiful flowers."

Poultry Field Meet.

The Macon Poultry Association having members in Washtenaw and Lenawee counties are planning for a Big Poultry meeting at the home of M. W. Trout in the southern part of Saline Township on June 20. The meeting will be called at about 10:30 a. m. There will be a pot luck dinner at noon

Prof. Forman. head of the Poultry Dept. of the M. A. C. will be present at the meeting and give a culling demonstration. He will also discuss the marketing of eggs and poultry products. Mr. Patch of the Markets Dept. of the M. A. C. is also on the program and will outline the plan of operation of the Farm Bureau Produce Exchange which has recently started business in Detroit. This organization intends to handle all kinds of farm produce including eggs and poultry.

This will be the only opportunity of farmers in this community for holding a culling demonstration [illegible] supervision of Prof. Forman therefore every neighbor bring a neighbor to Mr. Trout's on June 20th.

COUNCIL PROCEEDINGS.

At a special meeting of the council held at the council rooms Wednesday, June 7th, present Trustees, Pulver, Satterthwaite, Campbell, Hendershott, Lidke and Anderson. Pres. McIntyre in the chair.

APPROVAL OF PLANS BY COMMON COUNCIL FOR PROJECT NO. TRUNK LINE NO. 52-2.

At a session of the Common Council of the Village of Tecumseh duly held at their council rooms the Seventh day of June A. D. 1922, the following resolution was offered:

Whereas plans and specifications have been prepared and filed with the village clerk by the State Highway Department for the improvement of the following named streets in the village, to wit: Evans Street on TL 52 from the north line of Chicago Street to the north line of Logan Street, the same being known as project no. Trunk Line No. 52-2.

Whereas the said plans provide for the improvement of the surface of said streets by the state to a width of not to exceed tweny feet in the center or traveled portion thereof, together with additional improvements for the use and benefit of the said village which additional improvements include all necessary drainage structures, and

Whereas it appears that said plans are in proper form and are satisfactory to this body, and

Whereas it is understood and agreed that the village is to pay for all improvements outlined on said plans and specifications except the strip which is to be improved by the State, or as especially noted,

Therefore be it resolved that said plans be and the same are approved and the consent of the village is hereby given for the making of said improvement in accordance therewith.

Be it further resolved that the village improve its portion of said streets in accordance with the plans and specifications as prepared by the State Highway Department and that the village clerk be instructed to advertise for bids for such improvements, if necessary. said bids to be received at the same time and place as the bids to be received by the State Highway Department.

Be it further resolved that the Resident Engineer of the State Highway Department having charge of the supervision of said work on hehalf of the State is hereby authorized to act for and represent the village in the supervision and inspection of that portion of the improvement belonging to the village and that the State Highway Department be reimbursed out of the village treasury, on bill rendered by the State Highway Dpartment. for the actual cost of such supervision and inspection, said actual cost to be determined when the work is completed and to bear the same proportion to the total cost of supervision and inspection as the cost of the village portion of the work bears to the total cost of the work.

Be it further resolved that a copy of the final estimate to the contractor for the village portion of the work be sent to the State Highway Department for the purpose of a record.

Be it further resolved that the village will at no time hereafter. without the written consent and approval of the State Highway Department, attach any further or other improvements to the improvement so made by the said department, or make any changes from these plans.

Motion adopted by following vote: Yeas, 6. Nays. none.

W. L. Coller, Village Clerk.

ACCEPT PLANS AND SPECIFICATIONS.

At a special meeting of the Council last night, the plans and specifications of the State Highway Department for paving Evans Street and Chicago Street were accepted. The bids of contractors will be opened at Adrian on Wednesday, June 21st.

It is expected that the main business section of Chicago Street will be paved to a width of 66 feet leaving a strip 5½ feet wide on either side of the pavement to be covered by an extension of the sidewalks later on. This will be done if the bids are low enough to get by with the amount of money voted for paving purposes, otherwise the paving will be only 60 feet wide as called for in plans of the Highway Department. The engineer stated however that he believed it would be easy to get 66 feet and that an extension of the sidewalks 5½ feet would be most desirable.

EIGHTIETH BIRTHDAY ANNIVERSARY.

The following item was taken from the Flint paper.

Alfred Jackson, who celebrated his eightieth birthday anniversary Friday, was honor guest at a six o'clock dinner at the home of his only son, Glenn R. Jackson, 514 E. Third-st. Despite his years, Mr. Jackson is active. He has spent the last three years in Flint, coming here from Tecumseh. He now makes his home with his daughter, Mrs. H. L. Barrett, 311 Sylvan-ct. His only other child, Mrs. J. M. Woodward, of Clinton, was unable to attend her father's birthday celebration. During the day Mr. Jackson was the recipient of a postal card shower and numerous bouquets.

PARTY FOR NEWLY-WEDS.

Mr. and Mrs. Roy Cadmus arrived home Saturday after their trip to New York. On Tuesday night over 100 neighbors gathered at Henry Raymond's for a barn party in their honor. The barn was decorated profusely and fun reigned supreme. Games and dancing made the program of the evening and refreshments were served. Mr. and Mrs. Cadmus received many splendid gifts.

Revivals Closed Sunday Night

McCombe-Clase Party Very Successful In Tecumseh. Over $2,000 Raised During Campaign. $1100 Given McCombe and Clase Sunday For Their Services.

The revivals have closed and the McCombe-Clase party have gone to other work. In talking with various members of the churches, all have expressed themselves as greatly pleased with the results. Not a large number of converts were obtained but many members of the church have become active through the work just closed and without a doubt the local churches will be greatly strengthened by the meetings.

The last services of the McCombe-Clase meetings were splendid indeed. The business women's luncheon on Thursday was attended by 78 and proved delightful as did the other three. A committee of ladies from the different churches served the banquet and afterward Mrs. E.N. Billings sang "My Love" and Mrs. Fred Sheldon gave a jolly reading, "Miranda and her automobile." Mrs. Roberts gave her last talk to the ladies as a body advising them to hold fast to the decorating the choir loft and railing good things for which they stand.

A service in honor of Mother was held in the evening. Flowers had been used in profusion, lavishly in front while great baskets of roses and peonies filled in where ever room could be found. Each person wore a white flower, honoring Mothers white life and the word Mother was suspended over the choir. A shower of snowballs saluted the mothers also. A great bouquet was given the oldest mother in the room, Mrs. Lydia McIntyre who was 83 last night. Six were present who were over 80. An excellent program of music was given with "Mother" the theme as it was also the theme of Mr. McCombe's address.

The double cross service on Friday night was also attended by a packed house. Miss Eva Ash of Adrian illustrated in pantomime, "I am Coming to the Cross," as it was sung by Mrs. Roberts. This was very impressive and followed by a soul searching message by Rev. McCombe met with a hearty response by those seeking a deeper consecration.

On Saturday Rev. McCombe and Mr. Clase went to their Ohio homes and before nightfall had their families with them here. Mr. and Mrs. Clase were accompanied by his parents of Ashley, O. That evening both ladies assisted in the service. This was well attended.

But is was on Sunday that the largest crowds turned out. In the morning Mr. Clase met with about 100 boys at the library in a splendid service. At 11 o'clock Rev. J. H. McCombe addressed his audience on the subject, "After the Revival, What?" He gave his hearers much good advice as to the management of the local churches which was happily received.

In the afternoon the Ladies' Band played before [illegible] and at the Presbyterian church before the men's meeting. The woman's meeting was a holy place, many of the ladies after the service telling how wonderful it was. Mrs. E. C. Heilman sang, "Teach Me to Pray" accompanied by Mrs. Ella Hodges. Mrs. Roberts' theme was "A Woman's Touch." Both Mrs. McCombe and Mrs. Clase assisted in the service.

The evening service, the last of the campaign, saw the largest crowd ever packed in the Presbyterian church. Men and children sat on the floor in the aisles and the class rooms and study in the rear were also full. Dr. Leeson of Ann Arbor gave the invocation and during the opening Rev. W. A. Gregory announced that $1100 had been raised as an appreciation for the party's work among us. Perry Hayden, in behalf of the boys with whom Mr. Clase has worked so heartily, presented him a pair of cuff links to "link" him with Tecumseh. The high school girls quietly slipped Mrs. Roberts a great box of candy as a token of their love.

Rev. McCombe took for his text "Prepare to meet thy God," and that sermon will never be forgotten by his hearers. At the close many came to the front signifying they were seeking their Savior and a better life.

This party has done Tecumseh people a world of good. They have been tireless in their labor and as a party won many close friends here.

The Misses Marguerite Wilson and Marion Harrington with Carl Thomas of Macon go to Detrot today to attend commencement at the Central High, where Miss Frances Alvord is one of the graduates.

Her Tecumseh friends will be delighted to hear that the salary of Miss Alice Cutting at Long Beach, Cal., has been raised $250 for next year. This gives her the maximum salary paid grade teachers in that city and she will only teach half of the day.

TECUMSEH PEOPLE TO TAKE EUROPEAN TRIP.

Miss Mildred Boyce leaves today for Detroit where she joins a party of Southern people for a trip to Europe. They will sail from Montreal June 24th on the Corsican, landing in Liverpool. They will tour England, Belgium, the Netherlands, France and Switzerland, witnessing the Passion Play at Oberammergau. Mr. and Mrs. John Trann are to be of the party joining them at Montreal. Miss Boyce expects to return to Tecumseh about the middle of August.

FREE "1900" ON DOLLAR DAY.

On Wednesday Night, June 28, the Hayden Milling Company will give away a free barrel of "1900" Flour. During their recent house-to-house canvass every order for flour entitled the purchaser of "19000" to a free chance. Every sack of flour sold carried with it a number. On Wednesday night these numbers will be drawn. The first number entitles the holder to a free barrel of "1900" or $8.00 in trade at any Tecumseh Grocer; the second draw entitles the holder to 1-4 barrel of "1900" or $2.00 in trade; the third draw entitles the holder to a free 1-8 barrel of "1900" or $1.00 in trade. To give others a chance to win these useful prizes the following plan has been adpoted: Every one buying a sack of "1900" Flour between Friday morning, June 23 and Wednesday, June 28 up to 7:30 p. m. will be entitled to a free chance. This will be given if the purchaser asks for it. Only one prize to a person. But any one is entitled to hold as many numbers as they buy sacks of flour. Buy a free sack of "1900" Four and win a barrel, "Free."

Chances will be given out only by Tecumseh grocers.

Big Dollar Day Next Wednesday

It Will Pay Everyone To Read The Big Special Bargains Advertised In This Paper. Tecumseh Merchants Have Put On Big Bargains. Reasons Given For Such Event.

Next Wednesday, June 28th, is the big dollar day in Tecumseh and every merchant here who has any bargains to offer, have advertised them in this paper so that everyone can see just what they are offered in the way of a saving on seasonable merchandise.

It pays to read these ads and take advantage of them as they are great savings to those who care to save and money saved is as good as money earned. A good buyer is just as essential in making money as is it to earn money some other way.

The successful merchant is a good buyer. Tecumseh merchants are watching the markets every minute to take advantage of offerings in staple merchandise that will enable them to sell to you for just a little less and thereby save you money as well as make a little for themselves.

People have come to know that the home merchant is always on the lookout for genuine bargains so that he can pass them along to his customers and save money for both. It is perfectly easy to understand that when a wholesaler gets too large a stock of seasonable merchandise on hand and finds he is not going to move it unless he cuts the price to often a real loss, he will cut that price and notify his customers, the retailers, of such a cut in price. He wants to get his money out to use in other lines and he must get rid of his goods so he does exactly what a farmer does when he has too many horses or cows he puts a price on them that will move them.

There is where the local merchant buys at a great saving, and if the local merchant finds he has bought too heavily and is not going to move all his merchandise in season, he too puts the price down where it will move even though he has to take a loss for he cannot afford to carry it over to next season and take chances on its deteriorating or on its being out of style or becoming a greater loss for any other reason and he does exactly what every other person does—puts the price down where it will move and that quickly.

There is no fake about dollar day specials or selling goods at a lower price than the market really should be. It is merely a necessity backed up by sound business judgement and the consumer gets the benefit of the merchant's loss.

Again merchants who advertise do so to move their goods quickly and get a much quicker turnover. for instance if a dollar article is sold at a profit of 2 cents and this same article is sold five times a week, the merchant makes ten cents profit during the week. If he asked five cents profit on the same article and it was sold only once each week he would make only five cents profit or half as much though he charged over twice the profit. It takes but very little knowledge of arithmetic to see plainly that the small profit and quick turnover is much more profitable than large profits and slow turnover. Merchants know this absolutely and they act on the plan that brings them the most profit, hence they advertise to you their merchandise in order that you buy your needs now and enable them to carry on the plan of small profits and quick turnover. Advertised goods are always dependable for no merchant will say over his own signature what is not true. He relies on his sales giving you absolute satisfaction and he deals in no other kind. He is judge of goods and buys only what will give full value for the money you spend. He is here to do business with you for years to come and he prizes your confidence and trade.

Dollar days and advertised goods are a real genuine saving to you and it is the only legitimate way by which merchants can get quick turnover and be able to ask only small profits. You are assured of genuine bargains when you buy right. It pays you hundreds of dollars each year to read advertisements in this paper and buy where you can do the best.

Its the only way consumers can expect low prices is by taking advantage of these sales and there are genuine bargains advertised in every issue of this paper. If you read the ads and tell the merchants you are doing so in order to encourage them to ask only small profits and get quick results, you are helping to make a market where small profits and quick turnover is the absolute rule. You are helping yourself to buy right, at a mere fraction of what you have to pay where the merchant dares not buy only in small quantities and therefore has to pay more than if he could buy for in larger quantities with a sure knowledge that he would quickly turn over the goods and be able to handle them at a small margin of profit.

Another reason why the local merchants can sell for less is on account of their overhead expenses. City stores have more than five times the overhead expenses of the country store which has to be taken care of out of their profits, hence the local merchant has a decided advantage here and you get the benefit.

Read every advertisement in this paper every week and encourage the merchant to sell for small profits and quick turnover. Take advantage of this great dollar day sale. Be a business man yourself. Buy right and save money. Its the only way to get ahead. Make it a habit to read the ads and tell the merchant you are doing so, buy advertised goods and not the "just as good" kind for they are the imitations that is trading on the genuine's reputation. If there is anything in this that does not appeal to you as sound logic and absolute facts, come in and tell us so for we want to give our readers full value and fight high taxes. Does that appeal to you? If it does [illegible] word just as well as you do.

Take advantage of the advertisements every week, it absolutely pays you in savings that amount to many dollars in a short time.

ATTENDS REUNION OF CLASS OF '77.

Dr. L. G. North attended a reunion of his Medical Class in Ann Arbor last Friday. The class graduated in 1877 which makes it just 45 years old. The class had 84 members, and 42, just one-half, are known to be deceased. Seven are out of practice, two died in Liberia, two are in South America. They are scattered all over the United States. But nine responded to roll call. Dr. North has been class president since the first reunion in 1902. How many more times will they meet?

LAVERN DOVE SERIOUSLY INJURED

Lavern Dove suffered a broken collar bone and other injuries yesterday just after noon when a load of hay turned over on which he was riding at the Perry farm west of town. He had bought a field of hay of Mr. Perry and was bringing a load with his mules. They turned too short coming through the gate and the load overturned, burying Mr. Dove. When he was extricated he was brought to Dr. Hammel's office where his injuries were dressed.

Tecumseh Wins Again Sunday

Hudson Is Trimmed 3 To 2 In Hard Fought Game. Lenardson Again Holds Foes Helpless. Given Good Support. A Hot Game Pleased Big Crowd.

One of the best games of base ball of the season was played at Athletic Park last Sunday between Hudson and Tecumseh. Lenardson was on the mound for the Independents and he certainly pitched good ball holding the Hudsonites to a few scattered hits which would have netted them but one run except that their manager pulled off a play that was questioned but the umpire allowed a man to score.

With a man on third the Hudson manager protested that the ball was wrong after a foul hit and Lenardson threw it into the bench for him to inspect when the runner on third raced home although it is claimed Lenardson had not been in his box after the foul hit and the ball was not in play. The umpire however allowed it and the score stood 3 to 2 in our favor.

A big crowd saw the game and they certainly had their money's worth.

A Dollar A Day!

It doesn't sound like much and you may not think it worth while to deposit so small a sum in a savings account but a dollar a day, in three short years, amounts to more than $1000.

If you can't save more than a dollar a day, set your mark at that and stick to it. We will add interest and our Savings Department will co-operate with you helpfully.

Spend Your Summers

AT SUNSET BEACH

Vineyard Lake-The Beautiful

The ideal Spot for a Summer Cottage. One of the most delightful lakes for a summer home in Southern Michigan. A beautifully wooded slope on the Eastern shore of Vineyard Lake, including a wooded ridge which affords a grand view over the lake and surrounding country. Prevailing Westerly winds give the beach a gentle breeze most all the time. One of Nature's Beauty Spots where a day's outing or a summer's restful vacation can be enjoyed to the fullest.

Fishing, Boating and Bathing

For those who like to "wet a line," Vineyard Lake is a paradise. Good fishing abounds everywhere. Perch, Blue Gills, Bass and Pickerel are plentiful. Also, a wide expanse of water makes canoeing and sailing a delight. Bathing facilities are of the best—a wide, sandy shore extending the entire 80 rod length of Sunset Beach affords great sport for wading and swimming, while farther out the water is amply deep for diving.

A Hundred or More Choice Lots for Sale

This property has only recently been acquired from an estate, and because of its natural beauty and ideal location, is being platted into building lots and offered for public sale. Choice lake front lots are available for practically the entire width of the property, with an equal number of choice lots along top of ridge, while between lake front lots and ridge are fifty or sixty more excellent lots. Not a single undesirable lot on the beach. Beautiful boulevard runs entire length of beach with courts leading to all lots and extending to water front.

Special Sale June 30th and July 1st

ONE LOT FREE

Beginning Friday afternoon, June 30th, at one o'clock, these lots will be offered for public sale. Every lot will be plainly marked and priced. First come gets first choice. Everyone attending first day of sale will be given a ticket on a lot to be given away free to the holder of the lucky number. Salesmen will be on the ground to show lots. In the event of rain or bad weather, sale will continue following week.

How to Get There

Sunset Beach, Vineyard Lake—The eBautiful, is about 2½ miles from Brooklyn, Mich. on improved State Road. From Adrian, go Northwest to Wamplers Lake, turning to right on State gravel road toward Brooklyn. Go about 2 miles West, watch for sign and take first left-hand turn, continuing South less than one-half mile to large sign indicating private drive leading to lake.

From Sand Lake, go short distance North to Chicago Pike, then West through Irish Hills, turning to right at school-house opposite Wolf Lake (see sign). Then, go North about 2 miles to large sign which indicates private drive to lake, mentioned above.

A guide will leave New Adrian Hotel 11 o'clock Friday morning, June 30th, for Sunset Beach. Look for Sunset Beach sign on his car.

Be Sure to Come

Bring the whole family—youngsters and all, also your bathing-suits and lunch-baskets. It will give you an excellent opportunity to sample our bathing-beach and other pleasures while looking at these wonderful lots. The many nearby points—one only 2½ miles away—make it easy to get building materials at reasonable prices, which is a decided advantage for Sunset Beach property owners.

Remember the date. This is your chance to get a real Summer Home, which should more than double in value in a short time.

Big Special Entertainments Opens Summer Season Of Special Wednesday Night Shows. Celebrated LeRoy's Revolving Ladder [illegible] Be Headliner. Clinton Band Will Play Afternoon And Evening.

The first Wednesday night special entertainment will be given on the streets of Tecumseh next Wednesday night, June 28th. This is the opener of the season and every Wednesday night thereafter ye old time special will be given.

The shows have made Tecumseh famous for years and this year they will be just as good as ever. The Clinton Band will play afternoon and evening and the famous LeRoy's will put on their thrilling revolving ladder act as a headliner.

Two other acts will be put on and you can rest assured it will be an evening of excellent entertainment. Come.

THREE GONE IN NINE MONTHS.

Last August Mr. and Mrs. John Tingsley and children returned to their old home at Piggott, Ark., after a couple of years in Tecumseh. Soon afterward came the word of *the death of two of* their children and now comes the news of the death of Mrs. Tingsley which occurred June 10th following a long illness with tuberculosis. Mrs. Tingsley was a sister of Henry Ward of this place.

The Race Victory at INDIANAPOLIS The Road Victory at WICHITA Help You Choose Tires

500 miles at 94.48 miles an hour—a relentless grind over a rough finished, sun-baked concrete and brick pavement at record-breaking speed—that is the gruelling test Oldfield Cord Tires underwent successfully at Indianapolis Speedway May 30th. They were on the winner's car for the third successive year and on eight of the ten finishing in the money, upholding the confidence successful race drivers have in the trustworthiness and ability of these tires to meet the greatest demands of speed, endurance and safety. Their records in every other important race have been equally as good.

Consider this achievement along with another test of Oldfield quality made at Wichita, Kansas, this past winter and early spring.

34,525 miles on rutted, icy Kansas roads, running day and night on a Studebaker stock car without a single tire change. This test was made by a group of Wichita automotive dealers in a tire, oil and gasoline economy run. Mayor Kemp of Wichita was official observer and made affidavit to the mileage and service given by Oldfield tires.

You may never subject your tires to the gruelling experience of Indianapolis nor the steady grind of bad winter roads, but it is good to know you can get such safety and mileage economy by buying Oldfield tires. Ask your nearest dealer.

165% Increased Business
The buying public is the surest barometer of the value of any article. Their approval of Oldfield value has been demonstrated by the increase of 165% in business for the first five months of 1922 over the corresponding period of 1921.

NORTH ADRIAN

Williams Family Reunion.

The sixth annual reunion of the Williams families were nicely entertained at the home of Mr. and Mrs. Arthur S. Mapes last Friday, June 16, at Adrian, Mich. Friends came from Perrysburg, Ohio; Devils Lake, Tecumseh, Tipton, North Rome, Rollins, Adrian Center, North Adrian and Adrian. At noon a fine picnic dinner was served, the hostess serving strawberry short-cake which all enjoyed. After dinner the meeting was called to order by the president, Leon Wilson. The secretary's report was read and the roll call found 55 present.

The officers were then elected for the next year, president Orville Gove; vice-president L. G. Brown; secretary Mrs. Hazel Brown; treasurer May Consaul; program committee Mrs. Ira Wilson. Mrs. Nellie Mapes invited the reunion to meet with her at North Rome next year, that closed the meeting. Later all were served to ice cream and cake in abundance after which came the parting, all hoping to meet again next year.

Mr. and Mrs. Archie Trott entertained her parents of Adrian over Sunday,.

Mr. and Mrs. F. N. Gove, Mr. and Mrs. E. H. Brown, Mr. and Mrs L. G. Brown and Lura, all attended the Williams Reunion in Adrian last Friday.

Mark Maltman entertained company last Sunday.

Mr. and Mrs. Lynn Harris and son Frankie of Tecumseh visited L. G. Brown and family Sunday evening.

Mr. and Mrs. E. H. Brown attended the graduating exercises at Adrian College last Thursday and were entertained for dinner at Rev. T. H. Eckert's in Adrian.

Mr. and Mrs. F. N. Gove, Mr. and Mrs. C. L Dibble and Wilma, Mr and Mrs. Ed Robins, all spent Saturday and Sunday at Wamplers Lake.

Mr. and Mrs. E. H. Brown attended Gala Day at North Rome last Saturday.

FISH POND OVERFLOWS.

Last Monday when the janitor at the high school went into the building he found the lower floor was flooded and on looking for the cause found that the fish pond in Mr. Wilcox room had become clogged and the water of course continued to run in and over the top.

The plastering got a good soaking and will probably let go in some spots as is usual when too much water gets its work in. No report is available as to what became of the four poor fish that were supposed to be swimming in the pond.

The following resolution was offered by Trustee Satterthwaite and supported by Trustee Hendershot.

A resolution authorizing the issuance of paving bonds of the village of Tecumseh in the sum of Fifteen Thousand Five Hundred ($15,500) Dollars:

Whereas at a general village annual election duly called and held in the village of Tecumseh, and State of Michigan, on the 13th day of March. 1922, at which there was duly submitted to the qualified electors of said village the proposition whether the said village should be authorized to make a loan in the amount of Fifteen Thousand Five Hundred ($15,500) Dollars, for the purpose of paving Chicago Street, in the manner and form provided in a certain resolution duly adopted for said purpose;

And whereas more than two-thirds of the qualified electors of said village, voting at said election, voted in favor of said loan;

And whereas, all the legal and constitutional requirements have been fully complied with to authorize the making of said loan and the issuance of the bonds of said village therefor;

Therefore, the village of Tecumseh resolves:

Section I: That, in pursuance of said proceedings and said election, there shall be issued a series of bonds of the village of Tecumseh, in the aggregate amount of Fifteen Thousand Five Hundred ($15,500) Dollars, consisting of thirty-one (31) bonds of Five Hundred ($500) Dollars each. which shall bear date of July 1st, 1922, and shall be numbered from one to thirty-one, inclusive, and shall bear interest at the rate of five per cent per annum, payable semi-annually on the first day of January and the first day of July of each year until the principal sum shall be fully paid; that the principal sum shall be fully paid by general taxation, as hereinafter provided; that the principal sum of said bonds shall become due and payable as follows:

Six of said bonds on July 1st, 1924;

Six of said bonds on July 1st, 1925;

Six of said bonds on July 1st, 1926;

Six of said bonds on July 1st, 1927;

Seven of said bonds on July 1st, 1928;

And that both principal and interest shall be payable at the Chase National Bank, in the city and State of New York;

Section II: That said bonds shall be signed by the president and attested by the clerk of said village, and shall have the corporate seal of the village affixed thereto, and shall have interest coupons attached, which shall be signed by the treasurer; providing the signature of the treasurer may be lithographed on said coupons:

Section III: That said village, through its proper officers, shall levy and collect an annual tax upon the taxable property of the village, sufficient to pay the principal and interest of such bonds as they may mature, such tax to be assessed and collected in the same manner as other general village taxes; and the proceeds of such tax shall be deposited by the village treasurer in a fund separate from all other moneys, which fund shall be designated by the name of paving sinking fund; and the moneys in such paving sinking fund shall be used only for the purpose of paying the principal and interest of said bonds, as the same may mature;

Section IV: That said bonds shall be executed in the form and shall contain recitals substantially as follows:

The following resolution was offered by Trustee Campbell and supported by Trustee Lidke.

A resolution authorizing the issuance of special assessment bonds of the village of Tecumseh, in the sum of Six Thousand ($6 000) Dollars, to cover the deferred payments in special assessment district No. 1:

Whereas, the Common Council of the Village of Tecumseh. Michigan, did on the 20th day of June. 1921, declare and determine that it was expedient and necessary that a portion of Chicago Street in said village be paved, from the east line of Pearl Street to the west line of Ottawa Street;

And whereas, said Council did on the first day of May. 1922, designate the special assessment district which should bear a portion of the expense of said paving, which should be known as special assessment district No. 1. and that there should be raised by special assessment in said district for said purpose the sum of Seven Thousand Five Hundred ($7,500) Dollars:

And whereas, the assessment roll for the collection of said special assessment in said district. has, by due authority. been prepared, reported, reviewed, confirmed, and is now in the hands of the treasurer of said village for collection, and said sum has been duly levied upon said district:

And whereas, Fifteen Hundred ($1500) Dollars of said special assessment is now due and will be paid forthwith, leaving in deferred installments to be collected in the four successive years subsequent to the present date., Six Thousand ($6000) Dollars: and whereas, all the required legal proceedings validating said special assessment having been duly had as evidenced by the records of the meetings of said Common Council and said special assessment roll:

Therefore, the village of Tecumseh resolves:

Section I: That, pursuant to said proceedings and authorized by the statutes of the State of Michigan, there be issued a series of bonds of the Village of Tecumseh, pledging the faith and credit of said village to the payment thereof out of the deferred installments of said levy when collected upon the special assessment roll for said special assessment district No. 1, in the aggregate amount of Six Thouand ($6000) Dollars, consisting of sixty bonds of One Hundred ($100) Dollars each, which shall bear date of August 1st, 1922, and shall be numbered from one to sixty, inclusive, and shall bear interest at the rate of six per cent per annum payable annually on the first day of August of each year thereafter until the principal sum shall be fully paid; that the principal sum and said interest shall be fully paid from the deferred installments provided in the special assessment roll for said district as collected, as hereinafter provided; that the principal sum of said bonds shall become due and payable as follows:

Fifteen of said bonds on August 1st, 1923;

Fifteen of said bonds on August 1st, 1924;

Fifteen of said bonds on August 1st, 1925 and

Fifteen of said bonds on August 1st, 1926;

And that both principal and interest shall be paid at the Chase National Bank, in the City and State of New York;

Section II: That said bonds shall be signed by the president and attested by the clerk of said village, and shall have the corporate seal of the village affixed thereto, and shall have interest coupons attached, which shall be signed by the treasurer; providing the signature of the treasurer may be lithographed on said coupons:

Section III: That said village, through its proper officers, has levied the proper special assessment upon the real property of said special assessment district No. 1, sufficient to pay the principal and interest of such bonds as they mature. and such assessment shall be collected in the manner provided by law; and the proceeds of such assessment, as the deferred installments thereof are collected. shall be deposited by the village treasurer in a fund separate from all other moneys, which shall be designated by the name of special assessment district No. 1 sinking fund; and the moneys in such fund shall be used only for the purpose of paying the principal and interest of said bonds, as the same mature;

Village President.

Attest: W. L. COLLER,
Village Clerk.

The following resolution was offered by Trustee Lidke and supported by Trustee Hendershot.

A resolution authorizing the issuance of special assessment bonds of the village of Tecumseh, in the sum of One Thousand Tree Hundred Twelve ($1312.00) Dollars to cover the deferred payments in special assessment District No. 3.

Whereas, the Common Council of the Village of Tecumseh, Michigan, did on the 7th day of February, 1922, declare and determine that it was expedient and necessary that a portion of Chicago Street in said village be paved, from the west line of Ottawa Street to the west line of Wyandotte Street;

And whereas, said Council did on the first day of May, 1922, designate the special assessment district which should bear a portion of the expense of said paving, which should be known as special assessment district No. 3, and that there should be raised by special assessment in said district for said purpose the sum of One Thousand Six Hundred Forty ($1640) Dollars;

And whereas, the assessment roll for the collection of said special assessment in said district, has, by due authority, been prepared, reported, reviewed, confirmed, and is now in the hands of the treasurer of said village for collection, and said sum has been duly levied upon said district;

And whereas, Three Hundred Twenty-Eight ($328) Dollars of said special assessment is now due and will be paid forthwith, leaving in deferred installments to be collected in the four successive years subsequent to the present date, One Thousand Three Hundred Twelve ($1312) Dollars; and whereas, all the required legal proceedings validating said special assessment have been duly had, as evidenced by the records of the meetings of said Common Council and said special assessment roll:

Therefore, the Village of Tecumseh resolves:

Section I: That, pursuant to said proceedings and authorized by the statutes of the State of Michigan, there be issued a series of bonds of the Village of Tecumseh, pledging the faith and credit of said village to the payment thereof out of the deferred installments of said levy when collected upon the special assessment roll for said special assessment district No. 3, in the aggregate amount of One Thousand Three Hundred Twe[illegible] ($1312) Dollars, consisting of twelve bonds of One Hundred ($100) Dollars each and one bond of One Hundred Twelve ($112) Dollars, all of which shall bear date of August 1st, 1922, and shall be numbered from one to thirteen, inclusive, and shall bear interest at the rate of six per cent per annum payable annually on the first day of August of each year thereafter until the principal sum shall be fully paid; that the principal sum and said interest shall be fully paid from the deferred installments provided in the special assessment roll for said district as collected, as hereinafter provided, that the principal sum of said bonds shall become due and payable as follows:

Three of said bonds on August 1st, 1923;

Three of said bonds on August 1st, 1924;

Three of said bonds on August 1st, 1925 and

Four of said bonds on August 1st, 1926;

And that both principal and interest shall be paid at the Chase National Bank in the City and State of New York;

Section II: That said bonds shall be signed by the president and attested by the clerk of said village, and shall have the corporate seal of the village affixed thereto, and shall have interest coupons attached, which shall be signed by the treasurer; providing the signature of the treasurer may be lithographed on said coupons;

Section III: That said village, through its proper officers, has levied the proper special assessment upon the real property of said special assessment district No. 3, sufficient to pay the principal and interest of such bonds as they mature, and such assessment shall be collected in the manner provided by law; and the proceeds of such assessment, as the deferred installments thereof are collected, shall be deposited by the village treasurer in a fund separate from all other moneys, which fund shall be designated by the name of special assessment district No. 3 sinking fund; and the money in such fund shall be used only for the purpose of paying the principal and interest of said bonds as the same mature;

Section IV: That said bonds shall be executed in the form and shall contain recitals substantially as follows:

Church Notes.

Regular services in both churches Sunday morning followed by Sunday-school. The regular evening service at M. P. church will be resumed after a months vacation with C. E. Meeting as usual.

The Children's Day exercises which were very good, were held Sunday morning at M. P. Church.

Death of Alwood Pilbeam.

Undertaker DuBois and Everett Exelby went over to the County Poor Farm Saturday and brought back the remains of Alwood Pilbeam, more familiarly known as "Al," who passed away the day before, death being due to heart trouble. The body was laid to rest near his parents in the family burying ground at Lake Ridge. Rev. R. C. Powell conducting the services which were held at the grove. Mr. Pilbeam was 73 years old and was one of 16 children born of English parents, the late William and Hannah Hause-Pilbeam. He has nearly always lived in this vicinity. So far as is known, he is survived by three brothers, one sister and numerous nieces and nephews and many friends. A few months ago, having no home, and his health failing he was taken to the County Home in Adrian.

Erve Hause and sons Bert and Ray Hause and wife of Peoria, Ill., Niel Hause of Detroit, Clarence Hause and son John and Mary Elizabeth Hause of Clinton were here Sunday calling on relatives.

Miss Lucille Lowe is spending a few days in Detroit.

Dr. S. J. Rubely and H. F. Temple accompanied Mrs. Temple to Ann Arbor Thursday whree she was operated on for appendicitis. Mr. Temple and children were over Sunday and found her getting along just fine.

The Saturday evening street show was largely patronized Saturday evening and was a delight to everyone. These surely are hitting the public right and filling in a heretofore much needed gap. Our merchants are certainly jubilant in its praise and at the result.

The lodge memorial services that were held Sunday p. m. at three o'clock in the lodge rooms were fairly well attended. An excellent program as printed last week was given and enjoyed by all present. Many helpful thoughts and words of encouragement were given. A potted geranium was placed on the graves of the departed members, following the services.

Frank Burough of Stevensville, Mont., was a Monday visitor at his nephew, Harry Younglove and family.

Alex Gibson and Harry Younglove and their families spent Sunday at a family gathering at Wm. Gibson's in Macon.

Rev. R. C. Powell and family were in Adrian last week attending the Adrian College graduation exercises, their son Rudolph Powell being among the graduates.

Mr. and Mrs. Chas. Craig were in Adrian Thursday to attend Adrian College Commencement exercises, their daughter, Miss Julia Craig being among the graduates. Others there for the day were Mrs. Simon Gould, Mrs. Leon Exelby, and Miss Pearl Linton.

Miss Gladys Underwood, Clyde Exelby and Donald Gorham were graduates from this place at the M. S. N. C. at Ypsilanti this week. Their parents Mr. and Mrs. Amos Underwood, Mr. and Mrs. E. J. Exelby and Mr. and Mrs. C. J. Gorham were present for the occasion.

Mr. and Mrs. Ervin Smith of Adrian spent Sunday with their daughter Mrs. Wm. Kuster and family.

E. J. Gould and family of Detroit and Miss Henrietta Washburn of Bellaire were week end guests of Mr. and Mrs. Simon Gould. Rev. and Mrs. Hemboldt and three children of Stockbridge spent the first of the week there also.

Miss Eleanor Underwood is in Chicago for an indefinite stay with Mr. and Mrs. Wal Cadmus.

Mr. and Mrs. Wm. Hause have returned from a trip to Battle Creek and Grand Rapids.

Dewitt Martin had business in Detroit Saturday.

Geo. Allen and Ernest Hoagland each have new Ford sedans.

Mr. and Mrs. Willard Collins came Monday from Toledo for a few days stay with relatives.

Mr. and Mrs. Glen Burcroff and sons of Kunkle, O., and Harry Allen of Adrian were home Saturday and Sunday visiting their mother, Mrs. Herbert Allen.

Miss Delta Dennison of Milan is spending the week with Mrs. Caroline Biggs and Lavern.

The hotel is being re-painted adding much to its attractiveness.

Mrs. Lorraine Blackenship and children of Detroit are spending a few days with their grandmother Mrs. Mary Exelby.

Mrs. Alex Peters of Tecumseh spent several days last week with Mrs. Susan Linn and Mrs. Lena Nichols.

Rev. W. S. Hescott, president of the Michigan M. P. conference, was an over Sunday guest of Rev. and Mrs. R. C. Powell.

The Misses Edna and Luella Miller are in Adrian this week having their tonsils removed and staying with relatives.

Miss Dorothy Martin is assissting at Gibson and Feldman's implement store while Miss Edna Miller is away.

Fred Taylor and daughter, Lucille and Will Taylor were here Sunday from Detroit to see Mrs. Henry Taylor who has been very sick.

Mrs. Martha Wiggins, Mrs. Emily Brown, Mrs. Wm. Underwood and Mrs. L. N. Pilbeam are at Wamplers Lake for a few days.

Mr. and Mrs. O. B. Lenardson have returned from a weeks stay in Detroit.

Mrs. W. W. Lister is staying for an indefinite time with Mrs. Susan Linn.

M. J. Roberts and family spent Sunday with friends in Tecumseh.

Miss Della Allen of Detroit spent Wednesday with her brother, Geo. Allen and family. She is also assisting in caring for her sister Mrs. Van Vleet of Tecumseh who is ill.

Miss Bess Boweman of Superior, Wis., has been spending a few days with Mr. and Mrs. W. L. Exelby.

Mrs. E. H. Oliver has returned from a visit with relatives in Detroit.

The Misses Blanche and Bessie Curry were home from Jackson Saturday and Sunday.

Mrs. Roy Van Nest and Leola spent part of last week with relatives in Detroit.

Mr. and Mrs. Bert Miller were here Sunday from Tecumseh calling on his parents, Mr. and Mrs. Herschel Miller.

Leon Beasley and family of Toledo spent the week-end with relatives here. Mrs. Mabel Van Nest accompanied them home Sunday for a few days.

Mr. and Mrs. Chas. Hubbard and son George were here Sunday from Detroit visiting Mr. and Mrs. Henry Bachman. George remained for an indefinte stay.

G. L. Gripton left Sunday evening for Chicago to attend the

SPECIAL JUNE OFFER

RED ★ STAR
Detroit Vapor
OIL STOVE

No matter where you are, a little kerosene makes it possible to have a cooking service equal to city gas in every respect. The Red Star will cook anything that can be cooked on any stove and will do it in the same time as called for by the best recipes. Red Star burners are quite different from those in ordinary oil stoves. There are no wicks or wick substitutes. The patented burner is made from solid grey iron castings and automatically makes gas from either kerosene or gasoline. All heat is directly under cooking utensils, so that none is lost. Burner parts become red hot, adding their even metal heat. Give 19 hours of splendid cooking service from each gallon of fuel —a saving of 25% of fuel cost. These stoves are sturdily constructed and will give a lifetime of cooking service.

Special June Offer

To the many housewives of this community who have long wanted a Red Star oil stove but hesitated because of being able to get along with the stove they were using. No matter what condition your present cook stove is in, during this sale we will allow you $5.00 for it to apply on the sale of a new Red Star. In other words, to get a Red Star stove into every kitchen possible, we are going to make this very special offer during June. Arrange to call and see the new model Red Stars today.

EASY TERMS

In addition to the special June offer which we are making, we will also make very easy payment terms. Small amounts down and balance monthly. We will suit your convenience absolutely in the matter of easy payments. You may never have the opportunity of getting a Red Star so conveniently again. Tunr in your old stove, get $5.00 for it to apply on the purchase of the new stove and pay the balance over several months if you wish.

PROBATE NOTICE.

STATE OF MICHIGAN,—County of Lenawee—ss. Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian, on the 14th day of June, in the year one thousand nine hundred and twenty-two.

Present, HON. HARRY L. LARWILL, Judge of Probate.

In the matter of the estate of FREDERICK H. BELAND, Deceased.

On reading and filling the petition of Leonard Miller, administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 10th day of July next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three successive weeks, previous to said day of hearing.

LOCAL AND PERSONAL

Miss Meta McKinney was home from Detroit over the week-end.

Mrs. Ella Sheldon has been visiting Detroit relatives since Saturday.

Miss Hiley Hand of Oneida, Ky., has been visiting Mrs. Helen McNeil and family this week.

Miss Eleanor and John Schreder of Toledo have been guests of their cousin, Miss Alice Hardenburgh, this week.

On the 20th occurred the Annual reunion of the old 4th Michigan Infantry at Hillsdale. H. C. Daniels will be present.

Mrs. Eleanor Hardenburgh left on Tuesday on a motor trip to Cleveland, accompanying a party of Toledo friends.

Mr. and Mrs. Ted Watson on Saturday will move to Jackson where Mr. Watson has been employed for some time.

The next regular Pythian Sisters meeting is June 29th. Initiation, refreshments, something new all bring your nickles.

Mr. and Mrs. Horaec Smith, the Misses Ellen Smith and Ella Holmberg, Ed Rogers and C. W. Price enjoyed an outing at Wolf Lake from Saturday to Tuesday night.

Mrs. Wm. Witherell and Mrs. P. C. Snell start today to visit friends in N. Y. The former goes to Holly and the latter to Hilton. They are accompanying Rudia Meade who is driving to Watkins, N. Y., to visit his daughter and family.

Dr. and Mrs. H. H. Hammel and children returned Friday from a few days with the doctor's parents, Mr. and Mrs. Hammel in Detroit.

Dr. Albert Benze, pastor of St. Matthews Lutheran church of Toledo with his family and Mr. and Mrs. Paul Heyman also of Toledo were week-end guests at the Graebner home, returning Monday morning.

CAR SKIDS AND TURNS OVER.

Alva Spayde, his daughter, Miss Bess, Fred Rosacrans and Carl Glancey started for Detroit Friday morning in Mr. Spayde's machine. About five miles east of Ypsilanti as they struck the interurban track the car skidded on the wet pavement and landed bottom side up in the ditch.

None of the party received a scratch but Mr. Glancey. His glasses were broken and his face cut by the splinters of glass. The car was badly smashed. Leon Rosacrans drove out for his father and Mr. Glancey, but Mr. and Miss Spayde went on to Detroit to care for their business interests.

MALCOLM WARING SUFFERS OPERATION.

Macolm Waring was operated upon Thursday night for appendicitis. He has been attending the M. A. C. the past year but when taken ill was taken from the college to the Sparrow hospital at Lansing where Dr. William McNamara, well known here as the son-in-law of Frank E. Bradley, operated upon him. Malcolm's mother, Mrs. Floyd Waring, was notified at 11 o'clock that in a half-hour her son was to be operated upon so with two other sons, Archie and Clarence, started at once for Lansing. The ordeal was over when they arrived at the hospital and assuring themselves that he was coming on nicely, they drove home again Friday morning. Since reports from Lansing have been very favorable.

The Republican party, too, seems to have its problems of the unemployed.—Detroit News.

A MILLION BILLION BUBBLES

The Value of Bubbles

It's the millions of miscroscopic globules, or bubbles, in Moreland's Diamond-M Motor Oil that gives it such wonderful lubricating value. The moment you add soap to clear water(little bubbles are formed which make the water slippery and if these little bubbles had the strength (or viscosity) to withstand pressure, together with the ability to withstand excessive heat, soap water would be a good lubricant. But unfortunately soap bubbles are tender and break down easily while even a small amount of heat will ruin them entirely. Moreland's Diamond-M Motor Oil is the result of most extensive research and experimenting in lubrication by some of the world's greatest experts and after most exhaustive experiments and tests a process was discovered for treating a high fire test mineral oil in such a way as to produce billions of tough little bubbles, or globules, that would neither break down under heat nor "tear" down under pressure, and it is the marvelous strength of these little bubbles in Moreland's Diamond-M Motor Oil that accounts for the wonderful lubricating quality of this product.

These little bubbles are so strong and tough that they positively prevent a piston from coming in direct contact with the cylinder wall and consequently reduce friction and wear to practically nothing. No other oil on the market is treated as Moreland's Diamond-M is treated and no other oil will come as near eliminating friction in a gasoline motor. Unsure just like ball bearings and it is this quality that gives it the name of a mass of tiny bubbles that roll against each other under heat and pressure just like ball bearings and it is this qulity that gives it the name of the oil "with the roller bearing base."

The only thing that will prevent Moreland's Diamond-M Motor Oil from lubricating your motor perfectly is the leakage of gasoline past the piston rings and into the crank case. This occurs in a greater or less degree with all motors and it is therefore necessary to drain out the oil frequently and replace it with fresh. Motorists who drain their motors every 500 or 600 miles and keep fresh Moreland's Diamond-M in the crank case NEVER have any piston troubles and their motors will outwear every other part of their cars.

If you have any respect for your motor and want to cut down your garage expense there is just one sure way and it is the easiest way in the world,

Use the oil with the bubbles ☛ Moreland's Diamond-M Motor Oil "The Oil with the Roller Bearing Base"

BROWN—SCHREDER FAMILY REUNION.

At the home of Mr. and Mrs. Earl Bugbee, on the Newton Bryan farm, Saturday was held the Brown-Schreder family reunion with 35 present. Some came from Clinton and West Adrian. A picnic dinner was served and the afternoon's program was made up of talks, stunts, and songs from each one. Mr. and Mrs. Roy Cadmus, married two weeks ago were given a cobweb shower with many gifts at the end of the strings.

L. O. T. M. GIVES SHOWER FOR BRIDE.

At the meeting of the L. O. T. M. Monday night, Mrs. John Gregg, a recent bride, was given a kitchen shower. The degree team gave their drill honoring P. G. C. Mary Timminy of Detroit who was their guest and presented her with a tomahawk all draped with ribbons as a souvenir of the Tecumseh tent.

Mesdames Hittle and Powers were Adrian callers Monday.

Mr. and Mrs. Lew McDuffy of Detroit were Sunday guests of Mr. and Mrs. Jno. McComb.

Mrs. Emma Brown and daughter Laura were in Tecumseh Saturday attending the Brown-Schreder reunion.

POST SURPRISES COMRADE.

June 21st being the 84th birthday of W. M. Crittenden of Macon who was one of the captors of Jefferson Davis and a member of the G. A. R. Post of Tecumseh a number of the members of the Post and Auxiliary planned a surprise for him by going to his home.

They found him sitting on the porch of his lovely home seemingly lost in revery of the past but was soon surrounded by friends, children and grandchildren gathered there to honor their father and grandfather. Fragrant flowers adorned the house, lovely roses being sent by Mrs. Van Tyle of Clinton. A feast of good things were served by the Macon ladies and finished with ice cream. Hon. J. D. Shull paid the honored guest high compliments for his service in the capture of Davis, and the distinguished host responded with some of his historical experiences. Pictures were taken of the company, and one of the host alone with the flag.

Comrade Stevens extended hearty thanks to the host and his family for the pleasure they had given the Post.

MRS. A. W. MILLS GIVES D. D. LADIES OUTING.

A sign in front of Mrs. A. W. Mills' home says "Sand Lake Camp of Dignified Dozen" and against the verandah lean a dozen or less long fish poles. Investigation developed the facts that Mrs. Mills is entertaining the D. D. ladies at their usual outing of a week at her home instead of going to the lake—about the most sensible plan we've heard of lately. This is the 24th annual outing of the club and is proving most delightful, for each dear woman can call her home at anytime to assure herself all is well and the mosquitos and ants have not bothered at all. Mrs. Mattis is seeing to the "eats" side of the outing.

In the company are Mrs. Adeline Holdridge, Mrs. Ella Sheldon, Mrs. Myron Conklin, Mrs. B. J. Rector, Mrs. F. D. Rector, Mrs. J. F. N. Bowen, Mrs. O. B. Finch, Mrs. B. Hurry and Mrs. H. B. Eaton.

It is remarkable that this company of ladies have kept up this custom of a lake outing for 24 years and that nine of the group have enjoyed the annual affair without a break.

BOBBIE LOWE CELEBRATES BIRTHDAY.

Bobbie Lowe was about the biggest boy in town Monday when he celebrated his third birthday with a lawn party. Supper was served by the Misses Esther Brewer, Katherine Heesen and Alice Heesen of Toledo.

The guests were Jerry and Jack Hammel, Betty Ann Williamson, Beth and Henry Carl Smith, Margaret Williamson, Daniel Linn, Caroline Gregory, Franklin Shea, Benjamin Pulver, Gibbs Barber and Betty Anderson.

E. HAVILAND BUYS RIDGEWAY GROCERY.

Mr. and Mrs. Emery Haviland have traded their home on West Shawnee street for J. O. Aldrich's grocery store in Ridgeway. They will take possession July 1st. Mr. Haviland has had many years experience in the grocery business and we wish him all the good luck possible.

Mr. and Mrs. Haviland will not move to Ridgeway until the last of August.

SOCIAL

There will be an ice cream social at the DeSpelder church Friday evening, June 30, for the benefit of the Salvation Army. Adjt. Lewis and others wil speak. Singers from Adrian will be present and assist in the program. Everybody welcome.

IMPORTANT NOTICE

The Herald force wants to celebrate the 4th of July also. So PLEASE get your ads ready on Monday and we will surely appreciate your kindness and as always keep boosting the good old town. Thanks. The Herald Force.

Two Big Games Sunday And Fourth

Independents Are Now Going At Swift Pace. Beat Monroe Last Sunday 12 To 1. Game Too One Sided For Much Excitement. Next Week's Games Will Be Fast Ones.

Two big games are scheduled for next week. One on Sunday when the fast Palmyra team much strengthened up comes up to retake their lost laurels and one on the Fourth of July with Tipton.

Both of these teams have taken on new timber and are now in shape to give Tecumseh a regular battle and they propose to do so right from the jump. Both games will be played at Athletic Park and the fans can expect to see real ball playing.

Last Sunday the game was a jug handle affair with the handle all on our side for the game was easy for Tecumseh all the way, so much so in fact, that the fans lost interest and could not find much to enthuse over except that Tecumseh played a steady consistent game all though with the other team trailing along in a helpless condition. The final score being 12 to 1 in our favor.

LARGE CROWD ATTEND COMMUNITY SERVICE.

Sunday evening the Community services were resumed by the different churches joining at the Pesbyterian church, and they will continue these services there as long as the large crowd of Sunday evening continues to appear. It was prophesied that all interest in things religious would die out after the McCombe-Clase party left but such has not been the case. The meeting Sunday night was enthusiastic and inspiring. Rev. W. R. Curtis led the great chorus choir, which had attended the revival services so faithfully. The musical numbers were varied by "Above the Bright Blue" by Mrs. J. H. Smith's class and a duet, "Nailed to the Cross" by Rev. and Mrs. Curtis.

Rev. J. J. Preston, rector of St. Peter's Episcopal church was the speaker, taking the parable of The Talents as his theme.

The following is only a synopsis of a very splendid sermon: The talents in every man can be developed or lost forever. Each servant is intrusted by God with gifts which make him different from every one else. Each gets what he can best manage. God does not ask of anyone the impossible, but to stand as witnesses of him.

No one dare excuse his laziness if he has one talent. The obligation of servants admits of no excuse. Each receives the approbation of the Master. If the world is to advance in holiness it is necessary that those of one talent must join hands with others of one talent and work together. We must work together as church people if we bring the Kingdom of God on earth.

We can't all be electric lights, but we can be tallow dips. Christ condemns the man who has done nothing. We can't return the talent to the Master as in the parable for if we don't use it, we lose it. Don't be discouraged over the one talent. The Master will say to us, too, "Enter thou into the joy of thy Lord."

CARNIVAL SHOWS HERE NEXT WEEK

The Mulholland Carnival Co. has been engaged to show here all next week under the auspices of the Underwood-Orr Post, American Legion. The concessions will be located on Monument Park and they are said to be a very clean aggregation tolerating nothing objectionable to anyone.

The clause is in the contract that the Legion can close up any show that is objectionable to them whenever they wish so that it is up to them to see the show is run right which it doubtless will be as the Mulholland Shows are said to bear an excellent reputation for being absolutely clean from any objectionable features.

Elsewhere in this paper is the ad of the company which will explain what the show carries. There will be swings, wheels, shows, merry-go-rounds, whips and various other amusements for entertaining both old and young.

FATHER GETS CHILDREN.

In the divorce action of Leon Manley against Hazel Manley, the hearing of which was had before Judge Collingswood in the circuit court yesterday, the father was given the decree of divorce and the custody of the two children. The custody of the children was contested by the mother while the father testified to various acts on the part of the wife which he alleged showed that she was an improper person to have the care and custody of them.

The above item appearing in a Battle Creek paper will be of interest to Tecumseh people as the parties formerly lived here.

NOTICE.

Dr. Conklin will omit his evening office hours during the months of July and August, excepting those of Wednesday and Saturday of each week. The afternoon hours will be from 12 to 3 p. m. as usual. (adv)

HAS MADE A GOOD RECORD.

The following item from one of the Ann Arbor papers is of particular interest to Tecumsehites as Mr. Hanham is a graduate of the local high school class of '20 and is a son of Mr. and Mrs. Wm. Hanham of this city.

Homer Hanham will succeed Edwin Shadford as assistant director of physical education in the Ann Arbor High school next fall. Hanham comes direct from the Michigan State Normal college where he has made an enviable record as an all around athlete.

He is an all-M. I. A. A. tackle in football and made the baseball basketball and track squads. He was one of the two or three best gymnasts in college at Ypsilanti.

Hanham will assist in the coaching of the football and basketball teams at the high school and will coach the track squad next spring.

FREE SHOWS BEGIN

Yesterday's Crowd Big for Opening of Wednesday Shows

Yesterday was held the first of the Wednesday shows with the usual big crowd. Several of the small towns around are putting on band concerts, movies and free shows, but the crowd last night was the usual big Tecumseh bunch—all happy, visiting with friends from the lakes to Monroe and enjoying to the full the entertainment. That it is not a money-loser is evident by the readiness with which the merchants raise the money for the music and acts, and then we've had these shows so long they are a real feature and many have been asking lately, "When do the Wednesday shows begin?" So Manager Jones can see that his efforts in getting us good shows are appreciated. He is getting his acts from a new agency this year so we will get a different line and no repeaters.

Yesterday afternoon was given one show and in the evening two with three acts each, with the Clinton band furnishing the music.

In the LeRoy revolving ladder act appeared Miss Katie VanWinkle, now of Jackson, daughter of Ernest VanWinkle of this city. This held for Tecumseh people unusual interest for Miss VanWinkle was born and grew to womanhood here. This act was exceptionally good.

The Gafney Sisters gave a program of singing, dancing and saxophone music and The Three Martell's in a bicycle stunt were excellent, in fact the program was a fine start for the series for the season.

FREE STORAGE FOR WHEAT

We are informed that the Gratz Grain and Milling Co. will commence the free storage of wheat for farmers. Anyone can draw his wheat to their elevators and store it free of charge, selling it to the mill whenever they coose. In this manner the farmers can draw their wheat when ready and sell it when the market suits them Doubtless the farmers will greatly appreciate this convenience.

Right at harvest time in Michigan the price of wheat is usually the lowest on account of the heavy receipts of wheat in the western markets. For the mutual benefit of the farmers and ourselves we have built additional storage in our new plant so as to give the farmer free storage of his wheat. He can deliver his wheat direct from the threshing machine to our plant either in exchange for flour or to sell at market price any day he wishes, time being limited to July 1st of each year. In this way when the rush of wheat is on we would not have to ship the wheat out and later on in the year, ship wheat back in to grind.

SEVENTY YEARS YOUNG.

Remembering that on Tuesday Miss Sarah McNeil would be 70 years young, Mr. and Mrs. Howard Bredow invited her for supper and passed the word about the neighborhood. The neighbors just packed up a pot luck supper and came along, much to Miss McNeil's surprise. The honored guest was presented a nice gift.

The guests were Mrs. William Powell, Mrs. Oscar Lidke, Mrs. James Updike, Mr. and Mrs. Earl Updike and Bertram.

A BIRTHDAY PARTY.

Celebrating the ninth birthday of her little daughter, Phyllis, Mrs. Clarence Starkweather entertained ten little maidens Monday afternoon. Games and stunts made lots of fun and Mrs. Starkweather served a delicious supper. Miss Phyllis received many pretty gifts. Present were Inez Baker, Lucile Lewis and Doris Slater of Tipton, Glenola Whelan, Marion Colson, Dorothy and Catherine Kapps, Mary O'Pravel and Rayola Wise. Mrs. Leora Camburn of Adrian assisted Mrs. Starkweather in serving.

FIVE INITIATED IN W. B. A.

Monday was a big day for this district of the Woman's Benefit Association, the nine reviews of the organization in Southern Michigan meeting in Adrian. Tecumseh's review was represented by 21 members and in the great crowd of candidates initiated were Mrs. Thomas Deniston, Mrs. Will Anderson, Mrs. Fred King, Mrs. Lura Howard and Mrs. Don Sweet.

New Home Ready For Tecumseh Chief

Gratz Grain And Milling Co. Has Erected Modern Mill Of Latest Type On Corner Of Pearl And Cummings Streets. Has 150 Barrel Capacity. Grain Bins Hold 26,000 Bushels. Latest Type Of Machinery Installed.

One of the biggest additions to Tecumseh for many years is the new flour mill erected by the Gratz Grain and Milling Co. on the corner of Pearl and Cummings streets and which will be completed next week and immediately set in motion.

This will be the new home of that celebrated flour, "Tecumseh Chief," which is considered one of the best flours on the market today. The structure is 176 ft. by 36 ft. and from three to four stories high with a basement 12 feet deep underneath all. There are 24 separate grain bins with a total holding capacity of 26,000 bushels.

The flour mill will have a capacity of 150 bbls. per day of the very best grade of flour while the remainder of the mill is devoted to handling other grains. Special machinery has been installed to scour, dry and mill corn which makes a very high grade of poultry feed as well as the very best corn meal. Other departments are devoted to milling rye flour, buchwheat flour, whole wheat flour and for making all kinds of poultry and dairy feeds.

Automatic scales weigh out the wheat from the bins and the flour after it has been made so that exactness is carried through every operation and a complete check is always available on the entire output. The side track runs the whole length of the south side of the mill and unloading pits are constructed so that a car can be unloaded rapidly and at once elevated to any bin in the mill. The same is true of the drive on the north side of the mill where machinery is ready to up-end a wagon and dump its contents into a pit to be taken by conveyors into the mill and to any bin desired.

Hardwood floors have been laid throughout and everything put in the very finest condition to make the mill a model for the sanitary and absolutely clean handling of its products. When the mill is completed it will be a model in every respect and it will continue to make a specialty of its justly famous Tecumseh Chief flour which is made from the very finest of pure sound wheat milled to scientific perfection.

The driveway on the north side is covered the whole length and there is room for ten teams to stand under its protecting roof. Pliny Gratz, who is the moving spirit and general manager of the concern, said this morning that he intended to make a specialty of buying home grown grains and as in the past he will continue to pay the top market prices for every thing in the way of grain the farmers grow.

The mill must be seen to be appreciated and it will certainly be a great addition to Tecumseh and provide a still better market for the farmer's grain. Nothing is left undone to make this one of the most [illegible] plants found in the country and a written description is entirely inadequate to express the magnitude and perfection of this latest addition to our splendid village.

JAMES DAY PASSED AWAY FRIDAY.

James Day, who has been in poor health for several months, passed away Friday at noon. He was born Dec. 15, 1880, at Pandora, O., the son of James and Mary Day. His parents died when he was a little lad and he grew to manhood in the family of Mr. and Mrs. John Nemire. He came to Michigan in 1903 and was married to Miss Emma Hornbaker Oct. 24, 1907. She together with two daughters, Beatrice and Katherine, and three half brothers mourn the loss of one of the kindest of husbands and most loving fathers.

For many years Mr. Day had been in the employ of the D. T. & I. Ry and was a member of the K. O. T. M. so three brother Maccabees and three railroad men were chosen to carry the coffin from his home. The funeral was held from the M. E. church Sunday afternoon, Rev. W. A. Gregory officiating. Several hymns were sung by Mrs. William Waldron, Mr. and Mrs. A. B. Harding and Wilfred Waldron. The burial was in the beautiful Macon cemetery, among a wealth of flowers.

Those attending the services from away were Mr. and Mrs. Ross Biddle of Ypsilanti; Mr. and Mrs. Carey Clymer, Mr. and Mrs. John Frost, Mr. and Mrs. Ira Biddle of Ann Arbor; Mr. and Mrs. Fred Aprill, Mrs. Kate Stang, Mrs. Gertrude Qutz of Saline; Mr. and Mrs. Fred Clymer of Milan; Mrs. Irene Stevens of Toledo; Mr. and Mrs. Delos Biddle, Mr. and Mrs. Jesse Frost, Miss Ethel Lindsley of Macon; Mr. and Mrs. Martin Gaedt of Raisin; Mr. and Mrs. Will Stewart of Clinton.

Mr. and Mrs. LaFrance are living at John Hoy's while Mr. and Mrs. Hoy are in Denver.

Mrs. Etta Hendershott will move from the J. M. Jones house to apartments in Fred Marsh's home Saturday.

Big Celebration At Ridgeway 4th

Local Committee Has Arranged Program Of Sports And Fun. Everything To Entertain Visitors. Fireworks Galore And Music By Best Bands.

The good people of our sister village of Ridgeway have arranged for a regular old time celebration on the 4th of July. A complete program of fun, music and sports has been arranged to start early and wind up when the crowd gets ready to go home.

Athletic games with suitable prizes, contests of every sort and a general good time is assured to everyone who attends and it is expected that a big crowd will be present. In connection with the celebration a Home Comer's Day has been added so that many of the old time and former residents will be on hand to help the big time.

COMBINES INSURANCE BUSINESS.

The Alfred James Agency Taken Over By Mrs. Franc Gillespie.

On July 1st Mrs. Franc Gillespie will take possession of the insurance business of the Alfred James Agency which has been conducted by Mrs. James so efficiently for the past nine years. Mrs. Gillespie will also have the office in the Masonic Temple used by the James agency since the erection of the building.

Thirty-seven years ago Mr. James started a fire insurance agency in Tecumseh and it has been carried in the same name all these years. A record for honest dealing, unfailing courtesy and prompt attention is true of tre James Agency and this record is Mrs. Gillespie's standard also. She has been in the business for the past ten years so is adding this agency to her own. She will continue as reporter for the Herald for a time so give her all your news as well.

SON OF FORMER TECUMSEH TEACHER GRADUATES WITH HONORS.

One graduate in this year's class of the Northern High, Detroit holds special interest for Tecumseh people. The lad, William Evans, is the son of Dr. and Mrs. Wm. Evans the mother formerly Miss Harriett Welchi having taught here some 20 to 25 years ago, holding her position here five years. William who is only 15 years of age took the highest mark in his class, and instead of the 80 points usual to an excellent student amassed 128 points in his four years high school course. During the last semester he carried physics, chemistry, English, Algebra, and trigonometry. In each of these subjects he earned marks of 97 or 98. He enters Williams college this fall.

PROF. LOCKWOOD WILL LECTURE AT BOYS CAMP.

Today at Half Moon lake, near Ann Arbor opens a camp for wayward city boys under the authority of the U. of M. These boys are picked up from the street and alleys and given a ten days outing. Over 400 are enrolled so the camp will continue for forty days and one of the instructors is Elmer Lockwood, Tecumseh's taxidermist. He will give lectures in nature study, treating especially of insects and birds. Last year the camp lasted only ten days but was found so valuable that this year the work is enlarged and time extended. Mr. Lockwood has been engaged for the full forty days.

SMALLEY FAMILY HOLD REUNION.

Mr. and Mrs. Homer Whaley hospitably entertained the Smalley family reunion Saturday, forty-five being in attendance. They came from Toledo, Adrian, Jasper and Morenci. Dinner was served at the M. E. church for the company and during the afternoon these officers were elected.

President—H. W. Whaley.
Vice President—Lyman Kennedy of Morenci.
Secretary—Mrs. Franklin of Ogden.

The reunion will be held next year with Mr. and Mrs. Kafer of Ogden Station.

Mrs. Allan Bell has been visiting in Detroit part of the week.

Paving Commences Soon On Streets

Rockford Construction Co. Is Low Bidder. Same Firm Built Concrete Road Through Britton Last Year. $1.85 Square Yard Bid. Chicago Street Will Be Paved 66 Feet Wide in Business Section.

The Rockford Construction Co. was the successful bidder on the six miles of road connecting the strip west of town with that east and including the boulevard paving and Evans Street block through the village.

It is reported that the bid was $1.85 per square yard, a very much lower bid than had been figured on, and this is sufficiently low to enable the two blocks in the main business section to be paved 66 ft. wide. The sidewalks will be extended 5½ feet on each side to meet the curb of the paving and the business section will then be paved from the extended curb to extended curb.

Heavy lead pipe will be laid under the street paving so that as leaks should occur here and the iron pipe will be allowed to stand under the side walk and the extensions.

The boulevard sections will be put in as originally planned and the block on Evans street will be put in 30 feet wide or as near the R. R. right of way as possible.

It is estimated that the whole village job will come within the $38,000 voted by the people for paving purposes and the Construction Co. did good work last summer through the Britton section so that the people can expect a first class job here. The total amount of the bid is understood to be $91.000 for the six miles of road let.

Work will commence at once at the corner of Evans and Chicago streets and proceed in two directions so as to hurry the work along as fast as possible. The Rockford Construction Co. has every modern machine to work with and consequently should not be delayed in getting the pavement down rapidly. It has not yet been given out whether the Company will put down the curbs and gutter themselves or sublet the same to other parties making a specialty of such work.

It is not yet learned who the inspector of the job will be for the village. The village will sell water to the Costruction Co. at the regular city rates provided they do not use in excess of 5000 gal. per day. This will be metered out to them on the same plan that other water users receive.

CHILDREN'S DAY CELEBRATED AT PRESBYTERIAN CHURCH.

Great baskets of June lillies with hollyhocks and crimson ramblers made the setting for the Children's Day exercises at the Presbyterian chruch Sunday. The decoration was the work of Mrs. J. H. Smith's class which group of young girls are coming into the work of the church so splendidly.

"The Lord's Prayer" was the theme of the anthems and many of the readings and recitations. The little people gave a charming program as follows:

Prayer—Loraine Herring and [illegible]
Song—Anna Hamilton.
Story, "Hallowed and Precious"—Esther Brewer.
Bible Exercise—Wylma Pyle, Katherine Wood, Virginia Wilson, Anna Hamilton.
Exercise—Juniors.
Song, "Above the Bright Blue"—Nannette and Thomas Pyle.
Dialogue, "How They Do It"—Juanita Skinner and Raymond Wilmarth.
Vocal solo, "The Birds Go North Again"—Katherine Wood.
Short address, "The Lord's Prayer"—Rev. J. F. Kiskaddon.

THREATENS PROSECUTION.

The Lenawee Co. Humane Society have just laid plans for the prosecution of every person found maltreating or abusing dumb animals.

The Society is right. Any person who is so low down that they will wantonly abuse a dumb animal or allow it to suffer through neglect should be prosecuted vigorously and made to suffer an equal punishment beside receiving the scorn of every true human being.

Special mention was made of those who bring kittens to town and throw them out on the street to be killed by dogs or to starve to death by slow degrees. Any person guilty of such a cruelty should be tied up in a swamp where the mosquitoes eat them until they realize how much animals are made to suffer by their own cruelty. It is hoped that evidence will be obtained on which to base a vigorous prosecution for cruelty to animals and see if the law can be set in motion in Lenawee County. It can and will be done even in Tecumseh.

THE DEATH PENALTY.

Much agitation is now going on to get the next Legislature to adopt the death penalty. It is being urged that this will tend to lessen the crime of murder.

If it would, we would be greatly in favor of it; but the experience and statistics of other states that have the death penalty is exactly the reverse of this. These states have just as high and in many cases higher percentage of murders than has Michigan.

The death penalty is a form of barbarism that never should be tolerated in civilized lands. It does not deter murderers and it does not right the wrong committed. It simply takes a human life and in many cases it takes an absolutely innocent life, it being found long after that the real murderer went scott free and an innocent man which circumstances had surrounded with a semblance of guilt and who could not prove his innocence, went to the gallows for simply no crime whatever. The taking of one life like this is a blot on the people of any state that can never be erased. It is not sentiment but cold accurate justice that condems the death penalty and every man who runs for the office of Representative should be publicly asked the question as to how he stands in order that the voters may know who o vote for.

The trouble with the life imprisonment is that the Governor has the right to pardon. That should never be. No man sentenced to prison should have a single day cut off his time unless by review of his case in the court which convicted him and in the same manner in which he was convicted. There is no excuse or justification as we see it in convicting a man in a competent court wherein he has the right of defense and a presumption of innocence until proved guilty, and then giving the Governor or any other man the right to set him free or cut his sentence short.

If the pardon power was destroyed in Michigan, and the right of review left entirely to the court of conviction, there would be no clamor for the death penalty. As it is we are unalterably opposed to inflicting death upon any human being. We believe that solitary confinement for the remainder of one's life is greater punishment than death for a rational being and for the irrational, we have no moral right to inflict the death penalty by any means.

It is true that atrocious murders call for vengeance but that vengeance must be the result of judicial deliberation and not the hot blood of mob violence which just recently broke out in the most barbarous brutality ever known, when 75 men were atrociously slain and most horribly multilated in the mine riots in Illinois.

Think of a mob tying six men behind an auto and dragging them up and down a rocky road until they were ground to death or nearly so and then laugh at their pleadings for a drink of water as they lay in the boiling sun and pleaded for just one swallow of water to quench their dying thirst.

No worse depraved brutality has ever been recorded in history than was enacted here in Southern Illinois and if the Governor of that state does not hunt down these vile murderers and shut them up to consider their awful acts for the rest of their lives, then the state of Illinois should hang its head in shame and stand convicted of one of the foulest and most brutal crimes ever enacted by human beings.

Mob law has no excuse for existence and this is probably the best example of how fiendish and outrageous it can act, that was ever prepetrated on human kind. Its leaders were the type of brutes that let run at large are more dangerous than a mad dog and of about the same metal caliber. Society must rid itself of these hideous beings and the place for them is solitary confinement until death claims their unnatural being.

NORTH ADRIAN.

WINS HER CASE.

The many friends and relatives hereabout of Mrs. Margaret McHenney will be pleased to learn that the case brought against her regarding her father's farm in Washtenaw County has been decided in her favor by the Supreme Court. Many years before his death her father, Peter Morton, made his home with Mrs. McHenney and some six months before his death he deeded the farm to her in consideration of past board, care and kindnesses and also to provide him with a home for the remainder of his life. The giving of this deed was attacked in the Washtenaw court by her sister and brother after her father's death, but the Supreme Court has upheld the transaction in every respect. The deed was drawn by F. B. Wood whose client Mr. Morton had been for many years.

AN AUTOMOBILE VISITS OUR CITY.

Sunday Mrs. Clarence Conklin enjoyed a visit from her mother, Mrs. Bloomfield, of Napoleon, Ohio and her sister, Mrs. Chas. Yaeger of Wauseon.

Shortly after Mrs. Yaeger left home and boarded the train for Tecumseh, her husband took it into his head to visit Tecumseh also, in his horseless carriage. So, with his brother, he started, leaving Wauseon, fifty miles south of here, at 8 o'clock a. m. and arriving at Mrs. Conklin's in time for dinner.

This carriage cost Mr. Yaeger between seven and eight hundred dollars and runs thirty miles an hour, but Mr. Yaeger has never traveled quite as fast with his. It caused quite a little excitement in town, as it was the first one ever seen here and we hope it may not be the last.

Mr. Yaeger and brother left Tecumseh about 4 p. m., expecting to get home before dark.

MIXED.

The editor received some home brew and a wedding notice and a farm auction sale, all in the same mail. He stowed away some of the home brew and went to work on the wedding notice and the auction sale, and when the paper came out it had this story:

William Smith and Miss Lucy Anderson were disposed of at a public auction at my farm, one mile east of a beautiful cluster of roses on her breast and two white calves, before a background of farm implements too numerous to mention in the presence of about 70 guests, including two milch cows, six mules and one bob sled. The Rev. Jackson tied the nuptial knot with 200 feet of hay rope and the bridal couple left on one good John Deere gang plow for an extended trip with terms to suit purchaser. They will be at home to their friends with one good baby buggy and a few kitchen utensils after 10 months from date of sale to responsible parties and some fifty chickens.

Of course this kind of thing never happened on the Herald!

NOTICE OF MORTGAGE SALE.

WHEREAS, Gottlieb P. Gerken and Bertha Gerken, his wife, of Defiance, Ohio, made and executed a certain mortgage bearing date the first day of March A. D. 1920, to Adrian State Savings Bank, of Adrian, Michigan, which was recorded in the office of the Register of Deeds of the County of Lenawee, on the 2nd day of March, A. D. 1920, at 8:45 o'clock in the forenoon, in Liber 213 of Mortgages on page 510.

AND, WHEREAS, the amount claimed to be due upon said mortgage on the date hereof is the sum of Six Thousand Four Hundred Fourteen and 44-100 ($6,414.44) Dollars, and no suit or proceedings have been instituted at law to recover the debt now remaining secured thereby or any part thereof;

AND, WHEREAS, default has been made in the payment of the money secured by said mortgage, whereby the power of sale contained therein has become operative: NOW, THEREFORE, NOTICE IS HEREBY GIVEN, that, by virtue of said power of sale, and in pursuance thereof, and of the statute in such case made and provided, said mortgage will be foreclosed by a sale of the mortgaged premises at public vendue, to the highest bidder, at the east front door of the Court House, at the City of Adrian, in said County of Lenawee, and State of Michigan, that being the place of holding the Circuit Court within said County, on the 17th day of July, 1922, at ten o'clock in the forenoon; the description of which said premises contained in said mortgage is as follows: All that certain piece or parcel of land situate in the Township of Ma[illegible] [illegible] of Lenawee and State of Michigan, described as follows, to wit: the west half (½) of the south east quarter(¼) of Section one (1), in Town five (5) south of Range five (5) east, being eighty (80) acres, more or less, excepting a strip of land of the uniform width of three (3) rods, north and south, from off and across the north end of that part of said tract which lies east of the center of the angling road, which strip of land was conveyed May 20th, 1873 by Jacob Litchard and wife to John F. Temple, by deed of record in Liber 104 of deeds at folio 86, Lenawee County records.

Dated, April 15th, 1922.

OBITUARY.

It is with sorrow that we mark the passing of another of our old and respected residents.

Mrs. Mary E. Van Vleet departed this life June 19 after an illness of several months. She was born October 15, 1842, making her 79 years, 8 months and 4 days old.

She was first married to James Hathaway, he living but six years In Sept. 1872 she was united in marriage to E. C. Van Vleet.

Two sons and two daughters were born to this union: Arthur, Edna, Roy and Gertrude, Edna having passed away August 14th, 1917, and the husband and father October 31, 1919.

Arthur and family, Roy and Gertrude, five sisters and two brothers together with a host of friends remain to mourn her loss.

She with her family moved from Ridgeway to the farm near Tecumseh where she died.

Her interest was in her home and she attended to her household duties up until stricken with her last illness.

She was a devoted wife and mother and will be greatly missed in the home. She was a member of the Order of the Eastern Star.

Card of Thanks.

We desire to thank our many friends for their kindnesses and sympathy in the death of our mother; the minister for his comforting words and also for the beautiful floral offerings.

Gertrude Van Vleet,
Roy Van Vleet,
Arthur Van Vleet and family.

"Home is not home, Mother's not there,
Dark is her room and empty her chair.
Gone is her smile from the old homestead door,
Dear faithful heart, to come back never more.

"Sleep, Mother, sleep, with your hands on your breast,
Poor, weary hands, they needed their rest;
Well have we loved you, but God loved you best,
Dear Mother, He has given you rest."

Notice to Our Customers

Beginning July 1st we will operate our garage business on a strictly cash basis which we believe will be to your advantage as well as to our own.

Business today is being operated on a different basis than it was four years ago. Nearly every manufacturer we buy from today are operating on a cash basis so that it is necessary for us to demand cash on all goods we sell. This will become effective July 1st and we will appreciate your co-operation.

We believe we can sell our goods for less money and at the same time give you more value if we know exactly when each transaction is closed. It saves time and disputes and is much more satisfactory from every standpoint..

We are in business to serve you and it will always be our policy to treat you courteously and serve you promptly but we must insist on the cash with our goods showing you that we have but one policy which is one and the same to all our customers.

Plenty More Like This in Tecumseh

Scores of Tecumseh people can tell you about Doan's Kidney Pills. Many a happy citizen makes a public statement of his experience. Here is a case of it. What better proof of merit can be had than such endorsement?

Thomas Russell, retired farmer, 209 Pearl St., says: "I have used Doan's Kidney Pills on different occasions and always found them very beneficial. My back at times has given out, due to heavy lifting when working on the farm and my kidneys wouldn't act regularly. They showed signs of disorder in other ways. I suffered from rheumatic pains in my lower limbs, too. Whenever I have felt these symptoms coming on, I have gone to Pulver's Drug Store and gotten a box of Doan's Kidney Pills. It has never taken them long to relieve me of my trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Russel had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

How did your neighbor's last bargain tire turn out

PROBABLY you know at least one car-owner who is always on the look-out for the cheapest tires he can find. He likes to get them by mail or at a sale or at some place where they have big red bargain signs over the door.

It would be fine if he could get "the edge" in every tire trade.

But the dealer can't afford to let him have it.

* * *

Even if a man saw any slight percentage in tire shopping at all—it disappeared when the "Usco" brought the price down.

A *standard* product—and the dealer sells it with pride.

A good tire. The dealer has no desire to trade you into a larger profit for himself.

An out-in-the-open tire. The dealer sells you confidence, not price. He wants you satisfied with performance and value. The only way he knows to get your business is to deserve it.

This is the "Usco" idea.

* * *

Compared with the ten-minute thrill of the bargain appeal, the "Usco" is just plain common-sense.

No tax charged on this 30×3½ "USCO"

A BUSINESS COUPE OF STEEL

Dodge Brothers offer to the business public of America an entirely new principle in Coupe body construction.

From framework to window mouldings the body is built of steel. It is the first all-steel closed car ever marketed. This design anticipates every possible requirement of commercial travel. It insures unusual quietness—unusual grace—unusual stamina. It has made it possible to give the Coupe that same lustrous baked-on enamel finish for which Dodge Brothers open cars have long been famous.

The upholstery is of genuine leather—leather that will wash and wear. The seat is wide and comfortable. Carrying compartments are accessible and spacious. The car is equipped with a heater, dome light, window levers, windshield cleaner, cord tires, Yale door locks, and every other appointment necessary to the owner's comfort and protection.

Built inside and out to withstand the wear and tear of everyday use, it retains the same lightness and beauty of line which you are accustomed to look for in Dodge Brothers cars.

It is the Business Coupe which business people the world over have been expecting—from Dodge Brothers.

The price is $980 f. o. b. Detroit

The following resolution was offered by Trustee Satterthwaite and supported by Trustee Hendershot.

A resolution authorizing the issuance of paving bonds of the village of Tecumseh in the sum of Fifteen Thousand Five Hundred ($15,500) Dollars:

Whereas at a general village annual election duly called and held in the village of Tecumseh, and State of Michigan, on the 13th day of March, 1922, at which there was duly submitted to the qualified electors of said village the proposition whether the said village should be authorized to make a loan in the amount of Fifteen Thousand Five Hundred ($15,500) Dollars, for the purpose of paving Chicago Street, in the manner and form provided in a certain resolution duly adopted for said purpose;

And whereas more than two-thirds of the qualified electors of said village, voting at said election, voted in favor of said loan;

And whereas, all the legal and constitutional requirements have been fully complied with to authorize the making of said loan and the issuance of the bonds of said village therefor;

Therefore, the village of Tecumseh resolves:

Section I: That, in pursuance of said proceedings and said election, there shall be issued a series of bonds of the village of Tecumseh, in the aggregate amount of Fifteen Thousand Five Hundred ($15,500) Dollars, consisting of thirty-one (31) bonds of Five Hundred ($500) Dollars each, which shall bear date of July 1st, 1922, and shall be numbered from one to thirty-one, inclusive, and shall bear interest at the rate of five per cent per annum, payable semi-annually on the first day of January and the first day of July of each year until the principal sum shall be fully paid; that the principal sum shall be fully paid by general taxation, as hereinafter provided; that the principal sum of said bonds shall become due and payable as follows:

Six of said bonds on July 1st, 1924;

Six of said bonds on July 1st, 1925;

Six of said bonds on July 1st, 1926;

Six of said bonds on July 1st, 1927;

Seven of said bonds on July 1st, 1928;

And that both principal and interest shall be payable at the Chase National Bank, in the city and State of New York;

Section II: That said bonds shall be signed by the president and attested by the clerk of said village, and shall have the corporate seal of the village affixed thereto, and shall have interest coupons attached, which shall be signed by the treasurer; providing the signature of the treasurer may be lithographed on said coupons:

Section III: That said village, through its proper officers, shall levy and collect an annual tax upon the taxable property of the village, sufficient to pay the principal and interest of such bonds as they may mature, such tax to be assessed and collected in the same manner as other general village taxes; and the proceeds of such tax shall be deposited by the village treasurer in a fund separate from all other moneys, which fund shall be designated by the name of paving sinking fund; and the moneys in such paving sinking fund shall be used only for the purpose of paying the principal and interest of said bonds, as the same may mature;

Section IV: That said bonds shall be executed in the form and shall contain recitals substantially as follows:

The following resolution was offered by Trustee Campbell and supported by Trustee Lidke.

A resolution authorizing the issuance of special assessment bonds of the village of Tecumseh, in the sum of Six Thousand ($6,000) Dollars, to cover the deferred payments in special assessment district No. 1:

Whereas, the Common Council of the Village of Tecumseh, Michigan, did on the 20th day of June, 1921, declare and determine that it was expedient and necessary that a portion of Chicago Street in said village be paved, from the east line of Pearl Street to the west line of Ottawa Street;

And whereas, said Council did on the first day of May, 1922, designate the special assessment district which should bear a portion of the expense of said paving, which should be known as special assessment district No. 1, and that there should be raised by special assessment in said district for said purpose the sum of Seven Thousand Five Hundred ($7,500) Dollars:

And whereas, the assessment roll for the collection of said special assessment in said district, has, by due authority, been prepared, reported, reviewed, confirmed, and is now in the hands of the treasurer of said village for collection, and said sum has been duly levied upon said district;

And whereas, Fifteen Hundred ($1500) Dollars of said special assessment is now due and will be paid forthwith, leaving in deferred installments to be collected in the four successive years subsequent to the present date, Six Thousand ($6000) Dollars; and whereas, all the required legal proceedings validating said special assessment having been duly had, as evidenced by the records of the meetings of said Common Council and said special assessment roll:

Therefore, the village of Tecumseh resolves:

Section I: That, pursuant to said proceedings and authorized by the statutes of the State of Michigan, there be issued a series of bonds of the Village of Tecumseh, pledging the faith and credit of said village to the payment thereof out of the deferred installments of said levy when collected upon the special assessment roll for said special assessment district No. 1, in the aggregate amount of Six Thouand ($6000) Dollars, consisting of sixty bonds of One Hundred ($100) Dollars each, which shall bear date of August 1st, 1922, and shall be numbered from one to sixty, inclusive, and shall bear interest at the rate of six per cent per annum payable annually on the first day of August of each year thereafter until the principal sum shall be fully paid; that the principal sum and said interest shall be fully paid from the deferred installments provided in the special assessment roll for said district as collected, as hereinafter provided; that the principal sum of said bonds shall become due and payable as follows:

Fifteen of said bonds on August 1st, 1923;

Fifteen of said bonds on August 1st, 1924;

Fifteen of said bonds on August 1st, 1925 and

Fifteen of said bonds on August 1st, 1926;

And that both principal and interest shall be paid at the Chase National Bank, in the City and State of New York;

Section II: That said bonds shall be signed by the president and attested by the clerk of said village, and shall have the corporate seal of the village affixed thereto, and shall have interest coupons attached, which shall be signed by the treasurer; providing the signature of the treasurer may be lithographed on said coupons;

Section III: That said village, through its proper officers, has levied the proper special assessment upon the real property of said special assessment district No. 1, sufficient to pay the principal and interest of such bonds as they mature, and such assessment shall be collected in the manner provided by law; and the proceeds of such assessment, as the deferred installments thereof are collected, shall be deposited by the village treasurer in a fund separate from all other moneys, which shall be designated by the name of special assessment district No. 1 sinking fund: and the moneys in such fund shall be used only for the purpose of paying the principal and interest of said bonds, as the same mature;

Section IV: That said bonds shall be executed in the form and shall contain recitals substantially as follows:

An Interest in the People

The church has a real interest in the welfare of all the people. It is able to give most help to those who become its members or who attend its services. In honor of its new members the Presbyterian Church will give a reception next Tuesday evening on the church lawn

In imitating the Master, each member learns the joy of giving friendship, help, and encouragement to others. The church is a great society.

YOU ARE INVITED TO ATTEND.

NOTICE.

Reports have recently been circulated that certain persons connected with the Wm. Hayden Milling Co. have attempted to use whatever influence they might have with the heads of other industries in Tecumseh to have the wage scale in this village lowered, in order that the proposed boulevard improvements could be carried out within the estimated amounts. The writer wishes to state emphatically, that this report is not only absurd, but is absolutely untrue.

P. C. Satterthwaite.

NOTICE.

In selling the Alfred James Agency to Mrs. Franc Gillespie, I feel there will be continued the painstaking endeavor and careful consideration for the insured that was established 35 years ago by its founder whose name it bears.

I would ask for her the loyalty and courtesy always extended to him and to me as his successor.

Mrs. Alfred James.

IN MEMORIAM.

In sad and loving memory of Florence Titus-Klappick who passed away one year ago today, June 27th, 1920, recalls sad memories of a loved one gone to rest, those who think of her today are those who loved her best.

Loving Father, Mother, sister Ella and Bertram.

NOTICE.

The I. O. O. F. picnic of the Adrian and Tecumseh lodges with the Rebekahs will be held Sunday at Evans Lake. The usual sports including a ball game will take place. All members are invited to come.

Brought Here For Burial

Mrs. James Mitchell Passed Away In Battle Creek Saturday. A Former Tecumseh Lady.

Mrs. James Mitchell of Birch Run, Mich., better known here as Mrs. Lizzie Kyle, passed away Saturday at the Battle Creek sanitarium. Mrs. Mitchell had been in poor health several years, but suffered an injury to one of her feet a few weeks ago which developed gangrene and she was taken to the Bay City hospital for treatment. She received no relief there so went to the Flint Hurley hospital and after a week to the U. of M. hospital. After eleven days, as she was steadily growing worse, she was taken to the Battle Creek sanitarium June 22, and at 8:30 Saturday morning the end came.

The body was shipped to Tecumseh that day and on Sunday the funeral was held from the Belding Funeral Home. Rev. J. F. Kiskaddon conducted the service and the burial was in Brookside cemetery.

Lizzie Murphy was born in Ireland May 20, 1860, and came to America when 13 years of age. She married Will Kyle of Tecumseh when she grow to womanhood and several years after his death she married James Mitchell a little over 20 years ago. They went to Flint to reside and that has been their home nearly all the time since. Only last November they moved on a farm near Birch Run which they had purchased.

Beside the husband Mrs. Mitchell is survived by two sisters, Mrs. E. T. Bean and Mrs. James Bell, both of Tecumseh.

A niece, Mrs. Will Schnitzler of Ft. Wayne, and Mrs. Thos. Ferguson, husband and two children of Flint, and a nephew, Will Mattison of Jackson were here for the funeral.

ENTERTAINED BRIDGE CLUB.

Mrs. A. S. Cummins entertained her Bridge Club last Thursday afternoon. The rooms were fragrant with lillies, roses, shasta daisies and other summer flowers. At the close of the games a delicious lunch was served.

Out of town guests were Mrs. Jennie Hicks, Mrs. H. T. Dunn of Detroit, Mrs. Allan Bell of Centralia, Ill., and Miss Doris Anderson of Ottumwa, Iowa.

LOCAL AND PERSONAL

Dr. Franklin Meyers, the chiropractor, has moved his office into the east suite on the second floor of the new Ford garage block

While descending the ladder, fom picking cherries, Saturday noon, Mrs. C. A. Page, had the misfortune to fall, breaking two ribs and otherwise bruising herself. Her daughter, Mrs. H. V. Worden of Jackson, is caring for her.

Mr. and Mrs. Delmar Finch and daughter Marion started yesterday morning on their return trip to their home at Parkersburg, W. Va., after a visit of a few days with their parents, Mr. and Mrs. O. B. Finch and Mrs. J. F. N. Bowen.

John Lowry and children, Mrs. Margaret Carr, Miss Nina and Harold Lowry were in Pontiac Tuesday, visiting another daughter, Mrs. William Jones, and family. They brought Marion and Edward Jones back with them for a short visit.

William H. Westcott was granted a divorce from Helen J. Westcott on a cross bill in the circuit court Monday. The property part of the transaction was settled out of court. J. N. Sampson was the attorney for Mrs. Wescott and Wood & Rathbun had Mr. Westcott's side of the case.

Mr. and Mrs. P. R. Heyman and daughter Helen and Dr. and Mrs. Lukens and daughter Ruth of Toledo were guests of Mr. and Mrs. C. N. Graebner for the Fourth. The party enjoyed dinner at the Putnam Hotel, Sand Lake and a trip through the Irish Hills.

Rev. and Mrs. Edgar Woolam and two children of Cleveland have been guests of Miss Anna Satterthwaite and other friends this week. They came for the Friends Bible conference being held in Adrian this week. Others going over for the sessions have been Rev. Edw. Escolme, and the Misses Satterthwaite and Lockwood.

Miss Gertrude Wade of Superior, Wis., was an over Sunday guest of Miss Gertrude Turner. She was enroute home from Wellesley college where she has just graduated.

Miss Lena Lockwood, Elwin and Everett Hensen, Miss Kuder of Clinton, Mr. and Mrs. Osborn Raymond of Ypsilanti visited M. E. Lockwood at the U. of M. Fresh Air Camp at Half Moon Lake on Tuesday.

A big I. O. O. F. picnic will be held at the east side landing, Evans Lake, next Sunday when the Adrian lodge has asked the Pike League to participate. There will be a ball game between the Adrian and Tecumseh I. O. O. F. teams and the usual stunts, potato race, etc. A picnic dinner, one of those bountiful Odd Fellow lay-outs, will be a feature. Let every 3 linker and his family and all Rebekahs and families be on deck.

The early worm gets the fish-hook.—Newspaper Enterprise Association.

COMMUNITY SERVICE WELL ATTENDED

Rev. W. A. Gregory Gave Spirited Address on "The Eyes of God."

A delightful service of song opened the Community service Sunday evening. Rev. W. R. Curtis was the the leader with Mrs. E. J. McConnell accompanist. Among the numbers was a song by Mrs. Fred Sheldon's class, "How Betsy Made the Flag," the solo part rendered by Miss Charlotte Lamkin. Mrs. R. S. Moore sang a beautiful flag song, "The Story of Old Glory" and Rev. Curtis expressively renderer "In Serving God in My Weak Way." "Above the Bright Blue" and "Stay Over" are yet favorites as in the revival. Rev. J. F. Kiskaddon gave the prayer, Rev. J. J. Preston read the Scripture lesson and Rev. Edw. Escolme the announcements.

Rev. W. A. Gregory was the speaker of the evening taking I Timothy 6:13 as his text, with his theme "The Eyes of God." Appended are a few pertinent sentences which outline the address:

"The Christian life is a fighting job. A dead fish can float down stream with the current, but it takes a live one to swim up........ Limited by time and space Man is infinitesimally small, but girded by God's strength, he is a mighty force.

Tecumseh is more careful what Mrs. Grundy says than of what God says. It's mighty easy to stand for God when you are surrounded by Christians but get into society where a cabbage head aristocrat asks "What might you be." There are times when we have no business to trifle with our moral backbone. Be careful for the eye of God is upon you."

The poise of Jesus before Pilate was one of the wonders of the Universe. Christ was not a dodger. If we are God's children we will be pleased to know God's eyes are upon us.

BOYCE FAMILY HOLD JOLLY REUNION.

Quite a party of Tecumseh people and their guests were in Brooklyn Tuesday for the Boyce family reunion. There were forty present and after the big dinner came sports of all sorts. One was a ball game with J. T. Boyce umpire and right here is some good advice. No need to hire a umpire for these Tecumseh games while J. T. is in town. Raynor Benedict, Guy Nemire and Leslie Van Doren were the stars while Fred Rector passed the fans. Then in the potato race Mrs. Mary Benedict lost her heel.

She would certainly have won, barring accidents.

From Tecumseh went John Boyce, Mr. and Mrs. Leslie Van Doren, Mrs. Mary Benedict, Mr.s B. J. Rector, Mr. and Mrs. S. W. Boyce, Wilbur Boyce, Mr and Mrs. Raynor Benedict, and sons, Miss Madeline Boyce, Mr. and Mrs. John Calhoun and son, Mr. and Mrs. J. F. Rector, Mr. and Mrs. James Cole, Mr. and Mrs. Albert VanDoren and Doris. Others present were Albert Boyce, Mr. and Mrs. Guy Nemire and daughter Alice of Columbus. Dr. and Mrs. Sam Boyce of Madison, Wis,. and Geo. Benedict of Detroit.

The meeting next year will be with Mrs. Mary Benedict in Tecumseh the last week of July.

DANIEL SOPER 81 YEARS OF AGE.

Senator Daniel E. Soper, well remembered in Tecumseh by the older citizens, celebrated his 81st birthday June 3, by a dinner party for 19 guests at the Dixie Inn, Richard City, Tenn. Of late years Mr. Soper has been making his home with his daughter and husband, Mr. and Mrs. Richard Hardy at Chattanooga.

Mr. Soper has made a great hobby of collecting Indian relics and entertains his guests most heartily with exhibitions of the same. He insists that ths North American Indian comes from the ten lost tribes of Israel, proving his theory by the likeness which our Indian faces bears to that of the olden Israelite.

Mr. Soper was born in New York coming to Tecumseh when a mere lad.

TECUMSEH WINS TWO GAMES.

Last Sunday Tecumseh crossed bats with the redoubtable Palmyra team and took the title with a score of 4 to 1 at the end of the fifth inning when old Jupiter Pluvius took a hand and spared the lowlanders a worse fate. In fact, it just poured and the game had to be called at the end of the fifth inning.

On the Glorious Fourth, Tipton came down loaded to take home the scalp of our braves but went home with defeat hanging like a pall of gloom over their shoulders. The score did not look like a real ball game as it ended 12 to 7 in our favor but then Lenardson did not try to kill himself the last part of the game and let the visitors off easy.

The local team one and all are playing fine ball and have met but one defeat this year which is a remarkable record. The fans are coming out in large numbers and the team is going strong. Let the good work go on and we will have a record to be proud of at the close of the season.

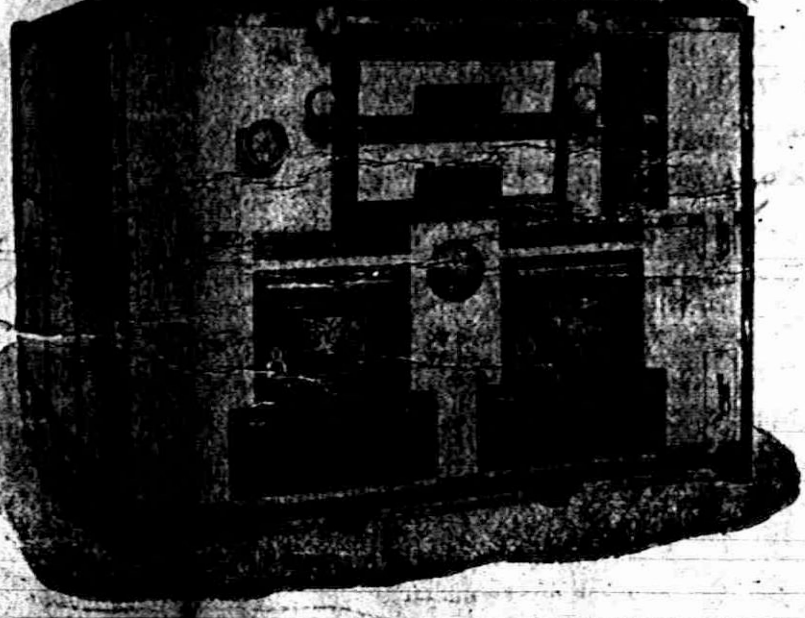
INSTALLS NEW OVEN.

The Purity Bakery has just installed one of the latest pattern Hubbard Baking Ovens of 200 loaf capacity. This oven has every feature designed to put out a product of the highest superiority and the popular brand of Purity Bread will be made still better if such a thing were possible.

Chas. Walton the manager of the firm has an eye to bringing the product of this bakery to the very highest point of excellence and the firm has also installed a new sink new bun divider, mixer and other machinery to make the very best possible bread and pastry.

The entire baking room has been overhauled and put in the very finest sanitary condition throughout which with their new machinery makes this one of the most up-to-the-minute baking plants of modern type to be found in the state.

The new oven has double capacity of the old one and already this is taxed to about the limit solely because their product is very superior in every respect. The good people have found out there is no better bread and pastry to be had than is made at the Purity Bakery and consequently their business is growing rapidly. The change in ovens necessarily made some delay in filling their orders but it is now complete and they are ready to put out all the Purity Product required. It certainly is a fine shop and a great credit to our town. Eat Purity products and boost Tecumseh is the code of the editor of this paper.



CARNIVAL DRAWS BIG CROWDS.

The Mulholland Carnival shows are drawing big crowds every night and the people seem to enjoy themselves on the swings and trying for the baby dolls to the full extent.

There is about everything to entertain you and get your money that human minds can think of and the young folks including everyone up to grandad certainly try their luck at all of them.

The whip seems to be the favorite amusement and being slung around the corner is very attractive to young and old. The side shows contain some wonderful features and although not exactly educational, they are clean and mirthful giving the people some excellent entertainment.

The kiddies ride the merry-go-round and thoroughly enjoy its exhilerating rides. Altogether it is a very entertaining clean carnival.

A UNITED YOUNG PEOPLE'S SOCIETY FORMED.

The young people of the different churches have organized for a series of play nights. They held one of their sessions at the Friend's chuch lawn Monday night when games and stunts formed the program capped off with a "weinie" roast.

The young people elected officers for their united organization as follows:

President—Alva Knight.

Secretary and treasurer—Ray-[illegible]

Chairman of social committee—Lena Lockwood.

TWO MEN ARRESTED.

The first of the week Alfred Reeves was arrested for stealing from Geo. Peters on the John Shull farm. He was arranged before Justice Hosmer and pleaded guilty. He was fined $15 and costs of $8.

Last Tuesday night Gus Kempf parked his car on Chicago street and went to the carnival. When he returned the car was gone. He reported it at once to Deputy Smith who got busy and finally located the car north and west of Tipton where the party who is alleged to have taken it was apprehended and is now awaiting a hearing. The party gave the name of Dale Dickerson. The car was quite badly damaged.

DAUGHTER OF REV. W. F. JONES MARRIED IN CARLINVILLE, ILL.

In the Macoupin County Enquirer, printed at Carlinville, Ill., under date of June 30, was a fine account of the wedding of Miss Gladys Irwin Jones, daughter of Rev. and Mrs. W. F. Jones, formerly pastor of the Presbyterian church of Tecumseh. The groom was John Raymond Colver, a druggist of Staunton, Ill. The wedding was a splendid function, held in the Presbyterian church at Carlinville, the officiating clergyman being the brides father.

Miss Jones graduated from the Kewanee high school and attended Sargent's Physical Educational School at New York City. She spent two years in Junior Chautauqua wok and during the war worked at the cartridge works at Alton. Afterward for two years she had charge of the pay roll at the Nordyke & Marmon factory at Indianapolis.

This bit of history of the former "little miss at the manse" will be interesting to her father's parishioners.

PARTY GIVEN FOR CLASE-ROBERTS PARTY.

Ten young girls, friends of Mr. and Mrs. A. L. Roberts, while they were in Tecumseh, entertained them and Mr. Clase at the home of Mr. and Mrs. J. R. Nyland at breakfast Monday morning. The girls, understanding that the three were to drive through town from Albion that morning, arranged to serve their guests at the Presbyterian church, but Mrs. Nyland very kindly invited them to her home. The party was most delightful, the hostesses enjoying the function probably better than their guests. Small gifts were made the guests as token of remembrance and with invitations to a house-party at the Clase home soon, the party started for that place near Marion, O.

Next week the three will furnish the music at a Crusaders meeting at Escanaba.

MINOLA HAWKINS GRADUATES AT MANCELONA.

Copies of the Mancelona paper tell of the graduation from that high school of Miss Minola Hawkins, daughter of the editor, Ed Hawkins. Miss Minola, who by the way, was born here when her father was editor of the Tecumseh News, is quite a musician and recently took third place in a class of fourteen contestants in the soprano work of the Mt. Pleasant school of music.

THE SECOND FREE SHOW AS GOOD AS THE FIRST

Manager Jones and the people certainly can find no fault with the acts sent by the vaudeville bureau which holds the contract for this season's street shows. Yesterday's program consisted of Vardo, an artist o nthe accordian; The Mells in a comedy ring act which held some very excellent features; and Paul Kirkland & Co. in a balancing act which indicated some chin power all right.

The Ladies Band discoursed sweet music and with the Carnival running full blast two blocks north, the people were well entertained.

CELEBRATES HER BIRTHDAY.

Little Edna Brees was five years old Friday so her mother, Mrs. Burlin Brees, invited a party of little people to help her celebrate After games of all sorts Miss Irene O'Hara accompanied the youngsters to the Kandy Kitchen for ice cream and a nice birthday cake.

The guests were Glenola Whelan, Iva Cummings, Dorothy Babcock, Eleanor McCann, Volna Bumpus and Norma Langthorne.

ENJOYED PICNIC AT LAKE.

The ladies of the Wednesday 500 Club with their husbands made a picnic party at Wamplers Lake Thursday evening. After the supper the party danced until a late hour. In the company were Mr. and Mrs. Faunt Lenardson of Britton, Mr. and Mrs. J. M. Artman, Mr. and Mrs. F. C. Dickinson, Mr. and Mrs. E. E. Berry, Mr. and Mrs. G. A. Rathbun, Mr. and Mrs. P. C. Satterthwaite, Mr. and Mrs. Norman Taylor, Mrs. Charles Hanna, Miss Edith Shull, Mrs. Vera Hodges, H. H. Hanna, L. J. Heesen, John Keeney.

B. G. SWIFT SUCCUMBS AFTER LONG ILLNESS.

B. G. Swift,, a well-known resident of this village, passed away Monday in the early morning, aged 68 years. He had long been a sufferer from asthma, and for the last three months his sufferings have been terrible as complications developed.

Billings Grant Swift was born in Clinton township on what is now the Wise farm 2½ miles north of Tecumseh June 3, 1854. February 14, 1874, he married Miss Dinah Bragg of Deerfield and to them were born seven children: Charles Swift of Tipton, Jesse Swift of Tecumseh, Mrs. Ella Davis of Tipton, Mrs. Ada Schaffer of Toledo, Orley Swift of Adrian, Mrs. Ola Hall of Tecumseh and Mrs. Cecile Royal of Milan, all of whom survive. Mr. Swift also leaves one sister, Mrs. Jefferson Graham of Adrian, one brother, L. W. Swift of Tecumseh and a niece, Miss Lizzie Swift of Manchester.

Mr. Swift and his family lived on a farm near Tecumseh until some 20 years ago when they purchased property on East Chicago street which has since been the family home.

Not many men in Tecumseh were better known than Mr. Swift. Original in a high degree, wherever he was was a joke passing and he will be greatly missed on the business street where he has many friends.

The funeral was held from the home yesterday morning, Rev. W. R. Curtis officiating. Mr. and Mrs. A. B. Harding sang two beautiful songs. The remains were laid away in the Deerfield cemetery.

WOMAN'S MISSIONARY SOCIETY HOLD PICNIC.

The Presbyterian Missionary Circle met Friday June 30 at Mrs. S. W. Boyce's for their annual June afternoon meeting and picnic supper. Autos with occupants began to arrive at two o'clock and at three the president, Mrs. S. W. Boyce, called the meeting to order.

Rev. J. F. Kiskaddon led the devotionals and treasurer's report and some letters were read by the secretary, one from Zetta Harris (the girl the circle is helping thru the Asheville school) after which the meeting was turned over to Mrs. J. F. Rector, the leader of the afternoon. The program was as follows:

Piano solo—Miss Marjorie Boyce

Buddhism in our own Country—Miss Wimple.

Buddhism Campaigns for American Converts—Mrs. Mitchell.

Christianizing Chinese in America and Japanese Problem in America—Mrs. J. F. Rector.

The program was very well carried out and proved very instructive as well as interesting.

After the close of the program the time was given to visiting until the men arrived for the picnic supper.

That was some supper, as 57 were present and every one filled and some baskets of fragments remained.

As the shade of night began to fall we bid our genial and hospitable host and hostess "good night" feeling that we had had a very happy day.

PAVING WILL COMMENCE AT DIVISION STREET.

The [illegible] will commence work at Division St. near the Hayden Mill and work west to the end of Chicago St. They will probably sub-let the curb and gutter work.

The reason they have to begin here is because the outlet to the storm sewer is at this end and the sewer will be laid as the curb and gutter is put in.

Work on installing the lead connections to the water main on Chicago St. will commence at once and unless it is rushed with all possible speed it will not be ready for pavement when that comes thru.

All telephone and light poles will be removed from Chicago St. in time for putting down the pavement. Both the Telephone Co. and the Electric Co. commenced to take down their lines on this street before they were even asked to do so as they are anxious to help make our Main St. one of the most beautiful in the whole state. This was very commendable of them as in many places a hard fight has to be made to get such poles removed.

Next week will see the work starting off in earnest and it will not be long now until Chicago St. will be resplendent with a new pavement so long needed.

NOTICE OF ANNUAL SCHOOL MEETING.

The Annual Meeting of School District No. 7 of the Township of Tecumseh, for the election of School District Officers and the transaction of such other business as may lawfully come before it, will be held at The Public Library on Monday, the 10th day of July, 1922, at 7:30 o'clock.

Dated this 29th day of June, 1922.

C. F. Patterson, Director.

Card of Thanks.

Wishing to show my appreciation of the many kindnesses of the people of Tecumseh shown me when I brought Mrs. Mitchell here for burial I will thank them through the columns of the Herald. Also for the comforting words of Rev. Kiskaddon, were we truly grateful.

James Mitchell.

DO YOU KNOW THAT—

A good band, devoted to the best music, is worth sustaining as a civic asset, and music lovers would be glad to contribute an admission fee for this purpose, especially when receiving entertainment from such investment?

An efficient band does not "just happen;" it is the consequence of long hours of individual and assembled practice by the musicians composing it?

The concerts should bring a reward in part for their devotion, for nearly all of the players are employed in situations which compel practice in music to be taken out of hours away from their regular occupations?

This would also be an incentive to all the players for greater proficiency in their hobby?

Boost, Don't Knock.

Guests of Mr. and Mrs. Ed Hand over the Fourth were Mrs. Asa Howe and daughter Miss Helen, Mr. and Mrs. J. M. Haines and son Walter of Detroit.

Resolved: That the Village President and Clerk are hereby authorized and instructed to execute the proposed contract with N. Y. C. Railroad Company relative to siding [illegible] which contract bears date of May 23, 1922.

Ayes: Lidke, Hendershot, Satterthwaite, Pulver, Anderson.

Nays: None. Caried.

An ordinance protecting the sanctity of funeral processions within said Village: The Village of Tecumseh ordains:

Section I. That it shall hereafter be unlawful for any person or persons whomsoever to drive a motor vehicle or a vehicle drawn by a horse, horses or beasts of burden, through any funeral procession passing along and upon a highway within the corporate limits of said village.

Section II. That any person violating this ordinance, shall upon conviction thereof before any justice of the Peace of the Township of Tecumseh, pay a fine not exceeding Twenty-five Dollars and costs of prosecution, or in default thereof be imprisoned in the county jail of Lenawee County for a period not exceeding ten days, or by both such fine and imprisonment in the discretion of the court.

Section III. This ordinance shall take immediate effect.

Ayes: Lidke, Hendershot, Anderson, Pulver, Satterthwaite.

Nays: None.

The ordinance offering ammendment to an ordinance on licenses was laid on table until next meeting.

The following resolution was offered by Trustee Lidke and supported by Trustee Anderson:

Whereas, the Common Council of the Village of Tecumseh, Lenawee County, Michigan, by due resolution heretofore passed on the first day of May, 1922, did declare and determine that it was expedient and for the benefit of the inhabitants of said village, and necessary that a certain portion (in said resolution described) of Evans St. in said village be paved from the north line of Chicago Street to the north line of Logan Stret, in said village, all in the manner and form in said resolution provided;

And whereas, said Common Council did, on the 5th day of June, 1922, determine the special assessment ... ct which should bear a portion of the expense of said improvement, as District No. 4, and did fix the 23rd day of June, 1922, at Three o'clock in the afternoon of said day, as the time when said Council would meet to hear objections to said improvement and to said special assessment District No. 4;

And whereas, said Common Council did meet on said 23rd day of June, 1922, for said purpose pursuant to due notice thereof, at Three o'clock in the afternoon of said day, and did continue in session until Five o'clock in the afternoon of said day, at which session there were no objections made to said improvement;

And wheras, the cost of said improvement as a whole, except the portion to be done by state authority, is estimated at the sum of Two Thousand Two Hundred Thirty-five ($2,235.00) Dollars;

BE IT RESOLVED, that the sum of One Thousand Six Hundred Seventy-six and 25-100 Dollars of the estimated cost of said paving improvement in said special assessment District No. 4 be raised by direct tax upon said special assessment district, according to the foot frontage of said parcels of land comprising said special assessment District No. 4, which said sum is within the limitatons of five per cent of the total assessed valuaton of the abutting property in said district; and the Board of Special Assessors of this village is herby directed forthwith to make said assessment upon said special assessment District No. 4 accordingly, in no individual case exceeding twenty-five per cent of the value of each separate lot or parcel of land, as valued and assessed in the last preceeding tax roll, and to make due report thereof to this Common Council upon completion thereof.

Ayes: Lidke, Hendershot, Anderson, Satterthwaite, Pulver.

Nays: None. Carried.

The following resolution was offered by Trustee Pulver and supported by Trustee Satterthwaite:

Whereas, the Board of Special Assessors of said village of Tecumseh has completed the special assessment roll of said village, for special assesment District No. 4, for the purpose of paving Evans Street from the north line of Chicago Street to the north line of Logan Street, in said village, and has reported the completion thereof to this Common Council, and said roll has been duly filed in the office of the clerk of this village;

Be it hereby resolved that before adopting said assessment, the Common Council and Board of Special Assessors of the village of Tecumseh, shall and will meet in joint session to review the said special assessment and to hear any objections thereto, on Friday, the 21st day of July, 1922, at the Council Room in the Council Building in said village, at Three o'clock in the afternoon of said day; and be it further resolved, that the clerk of said village of Tecumseh shall give notice thereof according to law, by publishing lawful notice thereof for at least two weeks in the Tecumseh Herald.

Ayes: Lidke, Hendershot, Anderson, Pulver, Satterthwaite.

Nays: None. Carried.

W. L. Coller, Village Clerk.

SPECIAL COUNCIL MEETING.

Notice of Special Joint Meeting of the Common Council and Board of Special Assessors of the Village of Tecumseh.

Whereas, the Board of Special Assessors of the village of Tecumseh, Lenawee County, Michigan, has completed the special assessment roll for special assessment District No. 4, for the purpose of paving Evans Street from the north line of Chicago Street to the north line of Logan Street in said village, and the said special assessment roll is duly filed in the office of the clerk of said village;

NOTICE IS HEREBY GIVEN, that the Common Council and said Board of Special Assesors of said village will meet in joint session, in the council room in the council building in said village, on Friday, the 21st day of July, 1922, at Three o'clock in the afternoon of said day, for the purpose of reviewing said assessment as contained in said special assessment roll for said special assesment District No. 4, and to hear any objections thereto.

Motion made to adjourn.

Dated July 3rd, 1922.

LOCAL AND PERSONAL.

A church council has been organized among the churches of the city. The members are the pastors and several representatives from each church.

Cap Williams suffered a painful accident while working in the Puritan Sand and Gravel pit last week. A board fell 15 feet and struck him on the head, cutting a severe gash, but he is all O. K. at this writing.

[illegible] Ingersoll and daughter, Miss Edith went to Chicago Saturday. Here Mr. Ingersoll will spend the month with his son, Will and wife, Miss Edith going on to Denver to visit relatives. Miss Lois Donaldson will have charge of the library during Miss Ingersoll's absence.

At the special meeting of the Pythian Sisters Thursday evening Mrs. Howard Wilson and Mrs John Gregg were initiated into the order. George Ziehr's committee served a fine supper. Mrs. Jas. F. Smith was over from Adrian for the meeting.

Friends of Clement McClelland will be interested to know that he accompanied his parents, Mr. and Mrs. Robert McClelland, to Denver two weeks ago, and is already in a fine position in the Denver National Bank. He has been working in a bank at Battle Creek several years.

Rev. and Mrs. W. A. Gregory and four children started on Monday for Freeland, Mich., where Mrs. Gregory and the children will spend three weeks at her old home. Rev. Gregory goes on a trout fishing trip in the northern part of the state.

Mrs. Franc S. Gillespie and daughter, Miss Arlene, were in Kalamazoo Friday and Saturday, arranging for the entrance of the latter in the Western Normal next fall. Miss Helen McIntyre will be her room-mate and Miss Gertrude Brooks is also planning to attend that school.

Mrs. Wm. Witherell, Morris Coller and Rudia Meade arrived home Saturday from their trip to New York, leaving Mrs. P. C. Snell another member of their party at Detroit for over Sunday. In all the long journey they were not delayed a minute by auto trouble and enjoyed the trip immensely.'

Miss Lena Hamilton and nephew James A. Rock are here from River Falls, Wisconsin visiting Mrs. Goheen and others of the Murphy family, they being old school mates together. They drove through in a Nash car, a total of almost 800 miles. They sure are having a good time visiting and recalling old times.

The Misses Marjorie Boyce and Mildred Haines left Monday for Alma for a Presbyterian school for church work for the week. Miss Geraldine Gillespie jonied them Tuesday. Miss Boyce is taking instruction in Junior work, Miss Haines for primary work and Miss Gillespie for organizing a young people's society, a sadly needed department in the local Presbyterian church.

Mrs. Harry Crane, formerly Ila O'Dell of Tecumseh has gone from Manchester to Chinook, Mont., planning to stay for two years hoping to cure asthma from which she has long been a sufferer. Ver,a, the little daughter is to remain here with her grand-parents, Mr. and Mrs. Fred O'Dell, and Eugene with his other grand-parents, Mr. and Mrs. Amos Crane at Manchester.

Mr. and Mrs. Clyde Barber and children and the Misses Katherine Patterson, Josephine Daisher and Genevra Crampton drove to Albion Wednesday for the Crusaders Conference and to see Harold Clase and Mr. and Mrs. A. L. Roberts. Miss Alice Barber and Miss Daisher accompanied Miss Crampton to her summer home at Olivet for the week-end.

On May 3rd, 1920, Mrs. Kempf added: "My health has been good and my kidneys have given me no trouble at all since using Doan's Kidney Pills some years ago. All praise is due Doan's Kidney Pills for their great value in treating kidney ailments."

OVERFEEDING CAUSES SHRINKAGE OF STOCK

Weakness in System of Co-operative Shipping.

Partly Due to Disposition of Some Shippers to Overfill Animals Before Loading—Best Plan Is to Always Play Fair.

(Prepared by the United States Department of Agriculture.)

Reports to the effect that excessive shrinkage on live stock at central markets is frequently experienced are sometimes received from members and managers of co-operative live-stock shipping associations by the United States Department of Agriculture. In some cases these reports take the form of complaints, and at times the shrinkage feature is pointed to as a weakness in the whole system of co-operative shipping.

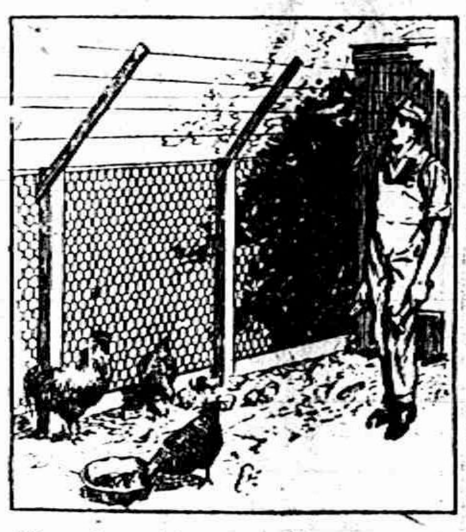
While many things can, and frequently do, result in excessive shrinkage in live stock, investigations have shown that at times it is at least partly due to a disposition on the part of some shippers to overfill their stock before loading. This custom seems to be a relic from the days before co-operative shipping came into vogue and when most small producers sold their stock to country buyers. Under the system of marketing wherein live stock was usually sold on the basis of home weights, or at most, shipping point weights, it was usually to the producer's advantage to obtain a generous "fill" on his stock before turning it over to the country drover.

The co-operative system of shipping live stock, however, practically eliminates the incentive to excessive home or shipping point fills. Stock that is fed heavily just before loading is not only quite likely to sicken and sometimes die while in transit, but seldom takes a good fill when it arrives at market. Furthermore, where co-operative shipments are graded at the shipping point the man whose stock has been given a heavy fill receives more than his just proportion of the net returns. Home grading of co-operative shipments is, in most instances, highly desirable, but it can be successful only where the individual members "play fair" with each other or, in other words, where they really co-operate.

KEEPING CHICKENS IN YARD

Two-Foot Slats Nailed to Posts Will Prove Effective—Fowls Are Thrown Back.

Chickens can be kept in their pen by nailing two-foot slats at an angle to the posts and stringing a number of strands of thin wire through them as shown in the drawing. The chickens do not see these wires and when they attempt to fly over the fence, they strike the wires and fall back into their yard. After a number of futile attempts, they will not try to fly over again.—E. Bade, in Popular Science Monthly.



Wires Stretched as Shown Here Will [illegible] Wandering Into the Neighbors' Yard.

GRAINS RELISHED BY FOWLS

Seed of Kafir and Rolled Oats Found to Be Efficacious in Recent Experiments.

The seed of kafir, one of the grain sorghums, has been used as a substitute for corn in the scratch mixture used by the poultry husbandry division of the United States Department of Agriculture with good results, which indicate about similar feeding value for these two products. Rolled oats were found preferable to ground oats for use in a poultry mash, and resulted in sufficiently greater egg production to justify the additional expense associated with using this costlier feed. The hens ate the mash more freely and, although they consumed more feed, their egg yield was enough larger to produce greater profit.

SPROUTED OATS FAVOR EGGS

Without Succulent Sprouts All Other Aids in Increasing Winter Production Would Fail.

Probably the greatest single discovery for the production of eggs during the winter months was that introduced to the industry by the sprouting of grain, particularly oats, and feeding the tender and succulent sprouts to the hens. Without sprouted oats, practically all of our other aids in increasing winter egg production would fall by the wayside; at least, the results they would obtain would be considerably less than is possible where sprouted oats are used in the ration.

Notice to Our Customers

Beginning July 1st we will operate our garage business on a strictly cash basis which we believe will be to your advantage as well as to our own.

Business today is being operated on a different basis than it was four years ago. Nearly every manufacturer we buy from today are operating on a cash basis so that it is necessary for us to demand cash on all goods we sell. This will become effective July 1st and we will appreciate your co-operation.

We believe we can sell our goods for less money and at the same time give you more value if we know exactly when each transaction is closed. It saves time and disputes and is much more satisfactory from every standpoint..

We are in business to serve you and it will always be our policy to treat you courteously and serve you promptly but we must insist on the cash with our goods showing you that we have but one policy which is one and the same to all our customers.

To those who wish to purchase gasoline books, we will sell 100 gallon books at ½ cent per gallon less than regular price and all it is necessary to do is to bring your book with you. We want your business and will make it an object to you to give us the cash.

Under present conditions we are fully justified in making this change and trust you will accept it in the spirit it is intended. Just look over our free service ad in this paper and see the real Ford Service we are giving to every owner of a Ford car.

COUNCIL PROCEEDINGS.

Council Chambers, Village of Tecumseh, June 30th, 1922, 7:00 p. m.

Special Council meeting held pursuant to call of President.

Present: Trustees Lidke, Hendershot, Anderson, Satterthwaite, and Campbell. Absent, Trustee Pulver.

The following resolution was offered by Trustee Anderson and supported by Trustee Campbell.

Whereas, the village of Tecumseh is about to pave Chicago St., from Wyandotte Street to Adrian Street, and is likewise about to pave Evans Street from the north line of Chicago Street to the north line of Logan Stree.t

And whereas it is deemed injurious and dangerous to the public safety to have telephone, telegraph or electric light poles maintained and used upon said highways;

BE IT HEREBY RESOLVED: That, no telephone, telegraph or electric light poles shall be erected, kept, maintained and used, by any telephone, telegraph or electric company within the part of said paving project or improvement to be occupied and covered by pavement, gutters, boulevard or sidewalks;

And whereas the business section of Chicago Street, between Ottawa and Pearl Streets, and the business section of Evans Street, from the north line of Chicago Street to the north line of Logan Street, is to be entirely improved and covered by either pavement or sidewalk;

That hereafter, no telephone, telegraph or electric poles shall be permitted upon said portion of said Chicago and Evans Streets; but any such companies now having poles upon said streets may use said highways for the purpose of carrying their wires in cables or conduits underground, providing the use thereof does not interfere with the necessary use of said streets by said village or the said pavements or sidewalks.

And be it further hereby resolved that the companies now having any such poles upon said portion of Chicago and Evans Streets sha'l remove the same within a reasonable length of time and that twenty days hereafter is hereby considered such reasonable length of time, and the clerk of said village is hereby directed to forthwith notify any and all such companies having poles upon said portions of said Chicago and Evans Streets, to remove all their said poles and all wires connected thereto, within twenty days from the date of the passage of this resolution.

And be it further hereby resolved, that in the event that any of said companies having poles upon said portions of Chicago and Evans Street, fail to comply with the requirements of said notice, then the street commissioner of this village is hereby directed to forthwith remove all of said poles and any and all wires connected thereto, and is hereby authorized to employ necessary help in so doing.

Ayes: Lidke, Hendershot, Anderson, Satterthwaite and Campbell.

Nays: None.

Motion made to adjourn.

Meeting adjourned.

J. L. RICHARD, Registered Eng'r.

The following is a description of the several sections into which the drain is divided:

Said job will be let by sections. The section at the outlet of said drain will be let first, and the remaining sections in their order up stream, in accordance with the diagram now on file with the other papers pertaining to said Drain, in the office of the County Drain Commissioner of the County of Lenawee to which reference may be had by all parties interested, and bids will be made and received accordingly. Contracts will be made with the lowest responsible bidder then and there to be fixed for the performance of the work, in the sum then and there to be fixed by me, reserving to myself the right to reject any and all bids. The date for the completion of such contract and the terms of payment therefor shall and will be announced at the time and place of letting.

Notice is Further Hereby Given, That at the time and place of said letting, or at such other time and place thereafter, to which I, the County Drain Commissioner aforesaid, may adjourn the same, the assessments for benefits and the lands comprised within the "Lake Ridge Drain Special Assessment District," and the apportionments thereof will be announced by me and will be subject to review for one day, from nine o'clock in the forenoon until five o'clock in the afternoon.

The following is a description of the several tracts or parcels of land constituting the Special Assessment District of said Drain, viz: Township of Macon at large. E½ SE¼ Sec. 1; W½ SE¼ Ex NW10A N. of Rdg Rd. Sec. 1; A parcel of land bd. N & W by Rdg Rd, E by W½ SE¼ Sec. 1; S by Parcel of land owned by Claude Harmon.

A parcel of land bd. N by land of Orval Harmon, E by W½ SE¼ Sec. 1; S by land of James Teufel, W by Rdg Rd. Sec. 1.

NW¼ NE¼ Ex. W2A Sec. 12; NE¼ NE¼ Ex E10A Sec. 12; S½ NE¼ Ex. E2A & W2A, Sec. 12; E6A NW¼ SE¼ Sec. 12; NW4A E½ SE¼ Sec. 12.

The above descriptions are all in T5S, R5E.

Now, Therefore, All unknown and non-resident persons, owners and persons interested in the above described lands and you Robert J. Stephenson as supervisor and Charles Hindes as Highway Commissioner of the township of Macon, Jerry Richards James Taylor, Orval Harmon, Claude Harmon, Alfred Lewis, Charles Booth, Samuel Gibson, Irving Downing, are hereby notified that at the time and place aforesaid, or at such other time and place thereafter to which said hearing may be adjourned, I shall proceed to receive bids for the Construction of said "Lake Ridge Drain," in the manner hereinbefore stated; and also, that at such time of letting from nine o'clock in the forenoon until five o'clock in the afternoon the assessment for benefits and the lands comprised within the Lake Ridge Drain Special Asssment Districts will be subject to review.

And You and Each of You, Owners and persons interested in the aforesaid lands, are hereby cited to appear at the time and place of such letting as aforesaid, and be heard with respect to such special assessments and your interests in relation thereto, if you so desire.

Conrad Ottgen, County Drain Commissioner of the County of Lenawee.

Dated this 26th day of June A. D. 1922.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

GUM-DIPPED CORDS

~and Their High Mileage Records

The high mileage records of Firestone Cords continue to emphasize the fact that Firestone methods are different and better. These records, steadily increasing in number and in mileage totals, justify the Firestone contention that there is one best way to build tires.

Among the primary sources of Firestone extra mileage is double gum-dipping—the saturation of the cord plies in a vat of liquid gum—thus coating each cord and virtually eliminating internal heat and friction.

Another is Firestone air bag curing, with its 200 pound pressure, which places every cord accurately and equalizes the tension.

By blending the rubbers of different plantations and types, and by tempering it before mixing, Firestone men add still more mileage.

Many cord tires are good—a few are better—Firestone users say one is best.

Those who have already experienced Firestone mileage, have stopped shopping and experimenting—they have made these cords standard equipment. Investigate your friends' success with Firestone Cords—and buy your next tire accordingly. Come in and get your share of extra mileage.

Run Down?

Kidney and bladder troubles are not limited to men. Housework, or work in office or factory, causes women to suffer from weak, overworked or diseased kidneys. The symptoms are—puffiness under the eyes, sallow skin, constant tired feeling, lack of ambition, nervous condition, backache, rheumatic pains, sore muscles, stiff joints.

Foley Kidney Pills

get right at the cause of suffering and misery, regulate the kidneys and bladder and restore the diseased organs to sound and healthy condition.

Mrs. Wm. Fischer, 2009 Woodbourne Ave., Louisville, Ky., writes: "I am just getting along fine. I am taking Foley Kidney Pills every other night. You should have seen me before I started I was yellow as gold, now my eyes and skin are all cleared up. My kidneys do not bother me at night any more. If it will help some other poor soul who is suffering you may use my name wherever your medicine is advertised."

Total length of drain 132.94. Width of bottom 2 feet. Slope of sides 45 degrees at each bank.

A strip of land 50 feet wide on each side of the center line of the drain will be necessary to hold the excavated earth and for other purpose in the construction of the drain.

Surveyed November 6, 1920.

J. L. RICHARD, Co. Surveyor.

Said job will be let by sections. The section at the outlet of said Drain will be let first, and the remaining sections in their order up stream, in accordnace with the diagram now on file with the other papers pertaining to said Drain, in the office of the County Drain Commissioner of the County of Lenawee, to which reference may be had by all parties interested, and bids will be made and received accordingly. Contracts will be made with the lowest responsible bidder giving adequate security for the performance of the work, in the sum then and there to be fixed by me, reserving to myself the right to reject any and all bids. The date for the completion of such contract, and the terms of payment therefor, shall and will be announced at the time and place of letting.

Notice is Further Hereby Given, That at the time and place of said letting, or at such other time and place thereafter, to which I, the County Drain Commissioner aforesaid, may adjourn the same, the assessments for benefits and the lands comprised within the "No. 8 Macon Drain Special Assessment District," and the apportionments thereof will be announced by me and will be subject to review for one day, from nine o'clock in the forenoon until five o'clock in the afternoon.

PROBATE NOTICE.

STATE OF MICHIGAN,—County of Lenawee—ss. Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian, on the 14th day of June, in the year one thousand nine hundred and twenty-two.

Present, HON. HARRY L. LARWILL, Judge of Probate.

In the matter of the estate of FREDERICK H. BELAND, Deceased.

On reading and filling the petition of Leonard Miller, administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 10th day of July next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three successive weeks, previous to said day of hearing.

HARRY L. LARWILL, Judge of Probate.

E. I. Larwill, Probate Register.

Unique Invention Is Now On Display

Utility Compressor Co. of Adrian Has One Of Most Unique Freezers Ever Built. It Is Cold Without Ice. See The One At Spitler & Horn's Hardware Store.

At last we have a refrigerator that keeps the ice box cold to 40 degrees and does it without any ice whatsoever. It is an invention that is bound to revolutionize the refrigerator system of the world. No plumbing, brine tanks or other cluttering and expensive paraphenalia.

It takes no more space or installation than an ordinary ice refrigerator and is just as simple as can be imagined yet it actually cools the box to 46 degrees and keeps it there.

When interviewed this morning one of the officers of the Company said they were now 6780 machines behind in their orders and that they had applications for agencies from every civilized country in the world except the central powers, and no wonder for they have a machine that is truly a marvel filling a need that is bound to develop a business of giant proportions in the very near future.

There are no plumbing pipes, brine tanks or anything of the nature in this machine hence it is as portable as any common ice box and it is operated on an average of 8c per day. Take time to call at Spitler & Horn's Hardware and see this wonderful machine. It will be worth your while as one of the modern inventions of the time.

We predict that this machine will be one of the greatest sellers ever put on the market and if we know anything about human needs, it will eclipse Henry Ford's heine completely as a universal product.

F. B. WOOD UNANIMOUSLY RE-ELECTED.

At the annual school meeting held at the library last Monday night thirty-eight voters took enough interest to come out and take part in the proceedings. A very small number considering the fact that nearly $40,000 of the tax payers money is raised each year to pay the running expenses of the schools, and in addition the education of your children depends entirely upon the public schools. Some interest we say.

Atty. F. B. Wood whose term of office expired was unanimously re-elected for another term of three years. Mr. Wood has always taken an active interest in the welfare of our schools and is one of the ablest attorneys in the state of Michigan and he is particularly well fitted both by training and natural adaptability to make a splendid man for this responsible position and the unanimous vote given him last Monday night shows that the people thoroughly appreciate the excellent work he has done for the education of the children in this community.

The annual report was read and approved and other routine matters transacted.

The salary of the Librarian was discussed and it was voted to raise her salary from $800 to $1,000 per year in recognition of the excellent work and long hours she puts in 52 weeks in the year for the benefit of both old and young. It was a nice compliment entirely fitting to Miss Ingersoll for the faithful services she renders.

FIRE AT MACON.

Monday afternoon Walter Morden was burning a bunch of trash back of his store and supposing it was out, went back to work. The high wind carried some sparks to the building next door, the old Dew-Drop-Inn, and it was soon burned to the ground. The roof of the store next door caught fire but was soon put out.

It took quite a bit of fighting to save the houses across the street, but the Minute-Men from Tecumseh who were on the job soon after the call for help came, saved them.

T. B. A. AND G. A. R. SOCIAL.

The T. B. A. ladies and the G. A. R.'s will have a social at the home of Mr. and Mrs. H. C. Daniels, Saturday afternoon, July 15. All comrades and sons of veterans and families are cordially invited to attend. A ten cent pot-luck supper will be served at 5:30. The ladies are requested to bring a plate, cup, fork and spoon. All are welcome.

Good Chorus Choir. Friendly Congregation.

COME.

THIRD CONTINUATION SERVICE.

The third continuation service was not so largely attended as the first two. At the opening of the service a very inspiring song service was led by Harold Clase the third, or Rev. Escolme. The young people of the Presbyterian church and of the Friends church each gave a special selection and Rev. Curtis a solo as the special numbers on the program.

Mr Curtis announced his subject as "The Victorious Personality." We often hear people say can't. We can do things which are hard if we have "grit and gumption." Success is not an accident but a result of hard work. If there is one place above others where this personality is needed it is in the work of the church and in the Christian life. These are difficult times when it means something to stand for Christ. The political world is in bad shape. It begins to look like maybe we had been trusting Germany too much, things look shaky over there. Jesus has given us an example of faith and the possibility of over-coming hard times. He never lauded Himself but always the Father. We should get away from the idea that God is separate from us, he is closely connected and very much interested in each individual. He sees great possibilities in each life. There would be a great loss of power if all the water power in this section were just allowed to go on unhindered but it is dammed up and runs machinery. Just so with individual lives, if we give God a place in our lives all the possibilities in us will be brought to the surface.

There was once a lady who read the verse of scripture about moving mountains by prayer. There was a small hill which she wished to move so she prayed that night that it might be moved. In the morning she looked out and said, "just as I expected." We get what we expect There is no need of man tha cannot be met in Jesus Christ.

The greatest gift we can give to the world is a victorious life. God reaches other people by our lives. We are responsible and should be careful.

A man was to meet another man at the station and asked someone to give him a description so he might recognize him. "He is a tall man who will be helping someone." This was true of Jesus Christ, who taught us the value of service. We need to touch Him who went into the world doing good to make our lives all th[illegible]

INSTALLS RADIO SETS AT MARION, OHIO.

Last week Thursday, L. P. Williamson was called to Marion, Ohio, to install three of their justly famous Indian Radio sets during the time the President was home for his visit to the home-folks.

These Radio sets are giving marvelous results and being manufactured right here at home. The demand for them far exceeds the present capacity of the plant which is being enlarged as fast as possible to meet the growing trade.

These Indain Radio sets are being shipped all over the U. S. but the demand in Detroit is so great that it nearly takes the entire output of the plant.

Last Thursday one of the big loud speakers was put out on the sidewalk and it could be distinctly heard for six blocks. The Indian Radio set is certainly a good one as the demand and the results show and they are put up in as fine a cabinet as one cares to see, compact ann very beautiful with every one of the latest devices attached to give the best possible results.

SCHOOL REUNION.

The 4th Reunion of the Culbertson School will be held on the school grounds Tuesday, August 8th, 1922. All who ever attended the school at any time as well as all teachers, and all who ever lived in the district are cordially invited. Following are the officers and committees:

President—Fred M. Goheen.
Secretary and Treasurer—J. T. Boyce.
Corresponding Secretary—Miss Nannie Kyle.
Chairman on grounds—Don Cleveland.
Committee on refreshments—Mrs. Geo. Sanford and Mrs. Chas. Benedict.
Chairman of Program Committee—Mrs. Albert Benedict.
Chairman Committee on Transportation—Albert Van Doren.
Reception Committee—Mrs. J. L. Van Doren and C. W. Culbertson.

Two Ca[illegible]ash On [illegible]nt Road

George With[illegible]riving A Ford Sedan Cra[illegible] Lucile Martin Wh[illegible]Driving Ford Loaded [illegible]ldren. Two Children [illegible] Severely Cut And Bruis[illegible]

A bad accid[illegible]ppened on the cement road [illegible] and one-half miles west of [illegible]eh last Sunday night wh[illegible] Ford Sedan driven by Geo. [illegible]herell crashed into a Ford [illegible]en by Lucile Martin, aged 1[illegible] Tecumseh.

Miss Martin [illegible]oing west on the cement road [illegible]had a load of five children [illegible]. They were out for a ride [illegible] started for Tipton and wh[illegible]about a half mile west of the [illegible] end of the cement road, [illegible]ere met head on by the [illegible]by Witherell with the result [illegible] the Witherell Sedan lost a front wheel and was otherwise jammed up while the Martin car was al[illegible] wrecked and tipped completely [illegible] in the ditch. The wheels were [illegible]shed, and engine jammed [illegible] bent fenders and broken parts galore.

One of the children, Christine Rutherford, aged [illegible] years was very badly injured. Her arm was nearly cut off and she had a bad gash in her head. [illegible] was hurried to Tecumseh and Dr. Hardy summoned to take care of her injuries. She is doing nicely at this time. Willie Martin aged 12 was badly cut about the head but was able to be about the next day.

Just what caused the crash is not fully understood as the Martin girl and others who were on the scene immediately after the crash state that she was clearly on her own side of the road but for some reason the other car did not keep on its own side and the crash resulted.

It was a bad accident but fortunately turned out without loss of life.

SHOWE[illegible] REUNION.

The 23rd annual reunion of the Showers family was held July 4th, 1922, at the home of Frank Frayer. About 55 were present to enjoy the bounteous dinner. After dinner the meeting was called to order by the president, Martin Frayer, and the following officers were elected to [illegible] themselves, Pres. Martin Frayer; Sec'y and Treas. Doris [illegible]er. [illegible] ledo, Swanton, Flint, Saginaw, Ann Arbor, Ypsilanti, Deerfield, Tecumseh and Tipton. It was decided to hold the reunion next year at Ellis Play Ground, Blissfield, Michigan. Date to be decided later.

OCCUPY NEW OFFICES.

Dr. E. D. Brown and his son, Dr. A. H. Brown who has just graduated from the U. of M. have moved into their new offices in the Heesen Building.

The Drs. Brown certainly have magnificent offices all newly redecorated and they have equipped them with the latest type of instruments and devices used in their work. A new X-ray machine especially arranged for their particular work has been added as well as new motors and all the most approved types of dental instruments.

Special sterilizing cabinets are installed in each room whereby every instrument is perfectly sterilized after use and new instrument cabinets of the portable tray pattern are used which gives perfect sterilization to even the trays holding the instruments.

The very latest thing in chairs motors and instruments have all been added new which makes these offices as complete and up-to-the-minute as any city can boast of.

In the work room every equipment of necessity or convenience has been added to give a wide range of work and it seems that nothing has been left out to make these offices as modern as science can make them and they certainly will prove a splendid addition to Tecumseh.

WILL GIVE CONCERT.

The Universal Radio Company will give a demonstration to the Ann Arbor Commerce Club this afternoon. This is a special meeting of a number of Commerce Clubs surrounding Ann Arbor and a big banquet will be served at 12:30. Perry Hayden, secretary of Tecumseh Commerce Club will be present.

NOTICE.

There is still a chance of getting one or two boys from Tecumseh or vicinity into the Citizen's Military Training Camp at Camp Custer, commencing August 2. One [illegible]onths' vacation free, including [illegible]thes, board, railway fare and [illegible]ertainment.

[illegible]f interested inquire of R. K. [illegible]derson or P. C. Satterthwaite [illegible]fore July 15th.

Donald Fair turned over his milk route to his father, W. L. Fair and has accepted a fine position as shipping clerk in the Mott Manufacturing plant at Adrian.

Mr. and Mrs. W. C. Henry spent the past two weeks in Sligo, Pa. visiting Mrs. Henry's parents. On their way home they stopped at Ashtabula and Cleveland.

U. of M. FRESH AIR CAMP.

Notes As Given By M. E. Lockwood, Teacher Of Nature Study At The Camp.

We arrived in Ann Arbor about 9 o'clock a. m. Thursday, June 29 and in company with L. C. Reiman, director of the camp, met 62 boys on the Interurban from Detroit. We escorted them to the steps of Lane Hall where we stopped and had our photo taken.

Everything was in readiness and we started for camp in autos and trucks. The camp site is at Half Moon Lake.

Arriving at the camp grounds we found 14 boys from the city of Flint. We all assembled in the mess tent and a bountiful dinner which was all ready was served us. After dinner the boys were instructed in discipline and assigned to their various tents. Each tent [illegible] provided with a tent leader chosen from the students of the U. of M. These men are fine fellows, capable of leadership. The motto of the camp is "Play the game of life, and play it square." The environment of the camp is all that could be required of any Christian home.

These boys are taken from the Juvenile Courts, detention homes, Mother's Pension Bureaus and boys that are picked from the streets and alleys of our large cities which cannot be reached by the majority of societies.

While at camp they are thoroughly instructed in calisthenics, baseball, football, volley ball and all the various sports that belong to boyhood.

They have daily nature study, hikes with M. E. Lockwood and one hour after dinner is spent as a lecture hour. At this time the life history is explained and worked out so that the boys become familiar with the insects of our state and are taught the great necessity of the conservation of our Michigan birds.

The Camp is under the supervision of L. C. Reiman '16 of Lane Hall, Ann Arbor, former varsity tackle, now a member of the staff of the student's Christian Association.

The Camp is located 17 miles north of Ann Arbor on the beautiful shore of Half Moon Lake. It is surrounded by tamarack swamps, oak forrests, large hills and ravines, inlaid with juniper bushes and large hemlocks, solomon seals, bay berry and wild berries, making the camp an ideal spot for all branches of nature study.

The lessons learned at this camp by these boys will remain a monument to the contributors to the funds for this work throughout their entire lives and it is hoped that one and all will consider this boy problem and do all that lies within their power to make it possible next year for even a greater and more successful camp.

The 76 boys present at this ten day period were taken to their homes Saturday better prepared to play life's game. The next section numbering 82 of the same kind of boys will meet in Ann Arbor Monday and go to the camp ground for the second period of this camp.

There will be four sections and the aggregate number will be nearly 400 boys. Each camp period is of ten days duration.

Mrs. Cox of Holloway who has been in California for several years is visiting Gertrude and Roy Van Vleet.

Casper Marsh Run Over Last Sunday

Struck By Car Driven By Miss Ethel Keyser. Was Riding Wheel Behind A Truck And Dodged Directly In Front Of Keyser Car. Auto Ran Over Him. Dr. Beardsley Rushed Him To Ann Arbor.

A very deplorable accident happened on Mill St. last Sunday night when a car driven by Miss Ethel Keyser run over Casper Marsh, 10 year old son of John Marsh as she was returning from the lake with a load of Band Girls. The accident happened about 7 o'clock Sunday night.

It is reported that the Marsh boy was riding his bicycle behind a truck driven by a son of Louis Kozel and did not see the Keyser car approaching. The boy was riding north and the car was going south and just as the car turned out to pass the truck the boy darted out on his wheel directly in the path of the car and was run over before it could be stopped.

The boy was immediately placed in the truck and rushed to Dr. Beardsley's office where it was impossible to ascertain his injuries and it being feared he was injured internally, he was at once rushed to Ann Arbor by the Dr. for an examination and treatment, if necessary.

It is reported that he is doing nicely and that no serious injuries were sustained. He is a most fortunate child to get off without being badly injured.

NOTICE.

All those having bottles belonging to the Tecumseh Dairy please wash and return at once. Thank you.
Mrs. Warner.

NEW REPORTER AT THE HERALD OFFICE.

Miss Mabel Lockwood has been engaged as the reporter for the Herald and she will appreciate having you give her all the news that you know concerning the comings, goings, and doings of the good people of this vicinity.

Mrs. Franc Gillespie who has long been the very efficient and loyal reporter for the Herald has bought out the James Insurance Agency and found the combined work of her real estate and the added insurance too large to devote much ime to reporting hence the change. Mrs. Gillespie still has the interests of the Herald at heart and will gladly assist in getting any news to us that she may know for which the Herald is truly grateful, however, we ask that you see the Reporter or phone your news to 36 direct. Miss Lockwood will gladly come to your home for news if you will let her or the Herald know about it.

RECEPTION OF NEW MEMBERS.

Tuesday evening the members of the Presbyterian church held a reception for those who have joined their ranks the past year, numbering about forty.

The plans were to have a lawn party but the storm drove them inside where they had a good time in spite of the rain.

John Nyland was toastmaster and under his capable leadership the following program was given.

Welcome to new members—John T. Boyce.
Response—Nellie Wilson.
Toast, "The Church Home"—Mrs. F. D. Rector.
Toast, "Church's Children"—Rev. J. F. Kiskaddon.
Song—Junior Girls.

The remainder of the evening was spent in singing and light refreshments were served.

Everybody Come

Belding Funeral Home

Having closed my furniture store on Chicago St., I will continue my funeral business at my Funeral Home, 210 W. Pottawatamie Street, one block south and one-half block east of Library.

I will have an office in the hall which will be open during week days and Wednesday and Saturday evenings. My residence is directly back of my Funeral Home at 211 W. Kilbuck Street and the same phone service will reach us day or night. There is no extra charge for the use of the funeral home. If you want to use it the charges will be the same as if done at your residence.

While I regret having to discontinue the furniture business, I appreciate very highly the kind words to Mrs. Belding and myself for the service we have tried to give the public at the store. We think we are making a move to give the people of Tecumseh and vicinity even better service in the funeral work as we can give our full time to this part of the work.

We will continue an ambulance service. If you need an ambulance we will be ready for long or short drives day or night. Also Sedan for sick if you do not need ambulance.

We will order flowers for funerals or for any other purpose at any time and will deliver in the village.

Mr. Earl Updike will be in my employ as before. I feel his service cannot help but meet the approval of all and add to my wish to give you the best.

If you have any business to talk over with us, will call at your residence if you wish. Call by phone, we want to give you every service possible in our line.

PASSING THE BUCK.

It is not a bit surprising that when the sheriff of Jackson Co. was asked if he would deputize sufficient men to protect the workmen at the car shops, that he refused. He knew that the strikers would appreciate it and the rest of the people are indifferent when it comes to an election again.

Same way with a sheriff down in Illinois where the strikers murdered men right and left in the most horrible exhibition of brutality ever perpetrated in the U. S. The Sheriff is a politician and acts just like you would expect any politician that puts re-election above the cold blooded murder of human beings.

The fact we are trying to impress is that we as a people, are very negligent about who is elected to office. In too many cases it is a politirian who wants offire instead of a man who will fill the office with every degree of efficiency. The efficient kind are not office seekers and the people simply let the political office seeker, run things while he sits back and yowls because he is axed out of existence or the sheriff and other officers won't do their duty and give ample protection to life and property.

It is just plainly up to you Mr. and Mrs. Citizen to take a more active part in selecting men for an office who will honor it and perform the duties of the office promptly and efficiently if you expect to eliminate the political office seeker who is using the office to get a re-election instead of performing its duties as he swears he will.

It is becoming far to common for officers to regard the oath of office as a mere part of taking up their duties instead of being a sacred obligation to perform them correctly and in accordance with the laws of the state. Last week we read of four deputy sheriffs in Wayne Co. receiving sentences to prison for failure to perform the duties of their offices as the law prescribes. They fell into a federal Judge's hands who regards his duties as of much more importance than politics and received a stiff sentence for being blind to their duties as officers of the law.

The good people should look over the activities of their officers and decide on who is a politician with blinders on when it comes to seeing anyone breaking the law and those who fearlessly and energetically enforce the law. The latter should be re-elected by all means and the others should take a trip to Atlanta in company with the four from Detroit.

Wake up Mr. Citizen and learn that the Lord is not coming down to do your duties for you. If you haven't energy enough to come out and vote for men instead of politicians, don't complain when politicians are elected and you get the result in no enforcement of the law, or the wilful violation of the law by those elected to enforce it.

DO IT NOW.

Now is the time to extend the sidewalks and have our streets all completed at one time. Why delay? As long as the walks have to be extended 5½ feet on each side to meet the new pavement, why not have it done at once and complete the job.

Tecumseh will be a very beautiful town when the paving is all down and the new boulevard is complete and the (flowers and green grass?) are all in place but it will look very queer to put it mildly with a strip of dirt along each side of the pavement in the business section.

Why not start the ball rolling to put the sidewalks out just as soon as the curb and gutter is in and the paving down or let it be done the same time whichever is the easier and cheaper method.

Some will do so—why not all?

GEN. JOSEPH W. BROWN.

Gen. J. W. Brown has concluded to take up his residence in Tecumseh.

He lived here from 1824 till 1844, a period of twenty years.

Since then he has lived at Toledo, Adrian and Cleveland.

He has now concluded to return to Tecumseh and make our village his home for the remainder of his days.

May the General live with us many years, is our wish.

Notice to Our Customers

Beginning July 1st we will operate our garage business on a strictly cash basis which we believe will be to your advantage as well as to our own.

Business today is being operated on a different basis than it was four years ago. Nearly every manufacturer we buy from today are operating on a cash basis so that it is necessary for us to demand cash on all goods we sell. This will become effective July 1st and we will appreciate your co-operation.

We believe we can sell our goods for less money and at the same time give you more value if we know exactly when each transaction is closed. It saves time and disputes and is much more satisfactory from every standpoint..

We are in business to serve you and it will always be our policy to treat you courteously and serve you promptly but we must insist on the cash with our goods showing you that we have but one policy which is one and the same to all our customers.

To those who wish to purchase gasoline books, we will sell 100 gallon books at ½ cent per gallon less than regular price and all it is necessary to do is to bring your book with you. We want your business and will make it an object to you to give us the cash.

Under present conditions we are fully justified in making this change and trust you will accept it in the spirit it is intended. Just look over our free service ad in this paper and see the real Ford Service we are giving to every owner of a Ford car.

AT THE BRADLEY.

Anita Stewart in "Sowing the Wind."

In announcing Anita Stewart in her latest First National photoplay, "Sowing the Wind," the management of the Bradley Theatre feels perfectly safe in assuring its patrons of seeing this popular screen actress at her very best. In fact it is agreed among critics that his is one of her most notable contributions to the silent stage and it is regarded as certain to increase her very large following extensively. If Miss Stewart has ever lacked the proper opportunity before to give her talents full scope, she is given this chance in "Sowing the Wind." as she portrays a role requiring the most consummate skill as an all-around interpreter of the dramatic art in its highest form. All fans who like really human stories in which the star delineates character from a purely human standpoint will like Miss Stewart in this excellent picture which will be the attraction at our theatre July 15th.

Esquimaux Appear in Hartford Film.

Twenty-six real Esquimaux were employed by David M. Hartford to lend the necessary atmosphere in his latest Associated First National release, "The Golden Snare" a thrilling James Oliver Curwood story of the frozen north, which will be the screen attraction at the Bradley Theatre on July 16th.

Rev. G. R. Millard was in Detroit Friday.

Edna Taylor of Tecumseh and Chas Barnsdale of Trenton visited relatives here Sunday.

Mr. and Mrs. Bert Cox of Detroit came over Sunday to call upon her parents, Mr. and Mrs. Chas. Hause.

Mr. and Mrs. Russell Boyd of Albion visited his parents Sunday.

Mr. and Mrs. E. R. Quigley and two of their children left Sunday for a weeks stay at Houghton Lake.

Mr. and Mrs. Chester Kemp are at the home of her uncle, F. L. Parker for a brief visit.

MACON.

An Old Land-mark Gone.

Monday afternoon the wind was blowing a gale at the rate of 80 or 90 miles an hour, the "Do-Drop" the vacant building just east ot Walter Morden's General Store, was burned to the ground. The fire started in the roof of the leanto at the back of the building and was caused by sparks from a small fire in the rear of the store. With the wind blowing straight from the southwest it appeared as if the half of the village was doomed. But by the heroic efforts of those present and with the aid of chemicals the fire was kept under control and other small fires starting in the roofs of near-by buildings were immediately extinguished.

Another feature whch saved our village was the shade-trees across the street from the burning building and also the fact that the "Do-Drop" was covered with steel roofing from which no burning shingles were carried by the wind to other places. The "Do-Drop" was built about 75 years ago for an inn with front for a store and has been used for many and various purposes throughout the years.

Macon Poultry Asociation.

The Macon Poultry Association will hold its July meeting at the home of J. E. Smith on the 18th at 7:30 p. m.

COMPANY TO DISSOLVE.

Elsewhere in this paper will be found the official notice of the dissolution of the Anthony Fence Co. but this is merely a formal proceeding on the part of the holding company to readjust their affairs as far as the name Anthony Co. is concerned.

There will be no change in the working forces at the plant or in the manufacture of their product it is reliably reported. Work will go forward the same as ever under the same conditions for which the town is greatly appreciative as it is one of our strong, well managed industries.

KNOW IT WELL.

Familiar Features Well Known to Hundreds of Tecumseh Citizens.

A familiar burden in many homes.

The burden of a "bad back."

A lame, a weak or an aching back

Often tells you of kidney ills.

Doan's Kidney Pills are for weak kidneys.

Here is Tecumseh testimony.

Geo. Harriott, prop. of wholesale butcher business, 205 Oneida St., says: "I don't know of any remedy I could recommend more highly than Doan's Kidney Pills. My kidneys were weak and the secretions were unnatural. Backache was especially troublesome when I went to lift anything heavy as it caught me just over my kidneys. I started taking Doan's Kidney Pills, getting them from Wright & Son's Drug Store and they weren't long in curing me up in good shape. I have never been bothered since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Harriott had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

with many improvements
The price remains the same
$10.90
for the
30 × 3½

WHEN "USCO" announced its new low price of $10.90 last Fall, the makers were already busy developing a *still greater* "Usco" value.

The new and better "Usco" as you see it today—with no change in price—and tax absorbed by the manufacturer.

You'll note in the new and better "Usco" these features—

Thicker tread, giving greater non-skid protection. Stouter side-walls.

Altogether a handsomer tire that will take longer wear both inside and out.

The greatest money's worth of fabric tire in the history of pneumatics.

TECUMSEH BEATS THE STATE

On Saturday, the goods collected for the Armenian Relief were shipped to Detroit, by auto truck specially donated by Mr. Perry Satterthwaite, on behalf of the Hayden Mill.

There were 15 cases, all wired on both ends, and in condition to go to Armenia without repacking. This included the donation of one case of new shoes, 50 pairs, by Mr. John Nyland, for which the town has been credited with $75.

All clothes which were soiled had been cleaned, over 16 gallons of gasoline being used, any soiled wash goods were washed.

The weight of the clothes was 1840 lbs. for which Tecumseh has been credited with $1380.00 at the rate of $75.00 for every 100 lbs. shipped.

Total amount sent—

Clothes	$1380.00
Forwarded by Treasurer	249.00
Previous donation	10.00
Friends Church, sent direct to N. Y.	16.00
Baptist Church, sent direct to N. Y.	35.00
	$1690.00

Besides the Methodist Church forwarded a collection of $40.00 at Christmas.

All expenses, such as crating, packing, washing, gasoline for cleaning, wire, nails, telephoning etc. were taken care of loyally and amounted to about $20.00.

The goods will be carried free to N. Y., with 8 carloads from Detroit, and will be sent in the July flourship straight to the Near East so that every cent or garmena contributed has gone without any deduction direct to the "Oldest Christian Nation" on earth.

We understand that for its size Tecumseh has contributed more than any other town in Michigan.

On behalf of the Near East Relief, I wish to thank all generous donors, and hope that in the cold winter nights they will feel a little warmer, when they think that some little child in Christian Asia is living through their gifts.

I shall still receive donations of any kind of clothes at any time.

For the Russian Relief Fund $43.00 was received, and we have received through the Rev. Mr. Escolme a most grateful letter, from Headquarters, acknowledging receipt of check.

DRUNKS CALL ON FARMER.

Fred Daisher who lives about five miles south east of Tecumseh received a call Monday night from a bunch of drunks who drove into his yard and called him out to the car but objected to his dog coming along with him.

When Mr. Daisher went out the visitors told him to call off his [illegible] back on the porch which he did as the night was extremely dark and the car had no lights except a spot light, he could not tell much about the outfit.

Mr. Daisher called the officers and Deputy J. B. Smith and Marshal Mominee responded but found nothing but the tracks, the parties having left as soon as Mr. Daisher went into the house. Evidently a case of too much hootch.

ENTERTAINS BRIDGE CLUB.

Mrs. Floyd Heesen entertained her bridge club last Thursday afternoon. The guests were seated at small tables on the porch which was very attractive with summer flowers. The usual number of games were played and a delicious lunch was served.

Out of town guests were Mrs. Hicks of Lancaster, Penn., and Mrs. Codling of Des Moines, Iowa.

Chautauqua Comes August 12, 13, 14

Big Three Day Program Full Of Entertainment, Education And Civic Uplift. Plan To Get Behind The Affair And Boost. Its A Benefit To All.

The next Chautauqua will be held August 12, 13, 14 right here in Tecumseh and it is a distinct benefit to everyone beside supplying us with a splendid three day program of entertainment, education and civic uplift.

And further, the whole affair is for the financial benefit of our Ladies Band. Everyone knows that the band is one of the organizations that is of greatest benefit to the whole community and should receive the hearty support of every person in the vciinity, hence there is this most excellent reason for boosting the Chautauqua.

Further, every community is greatly benefitted by having excellent singers, orchestras, lecturers and persons high in the civic and educational world come into our midst with messages of modern thought and tales of the doings in other localities that are manifestly of importance and directly beneficial to us.

Communities cannot prosper in an isolated life any more than individuals can and they need the same mixing with other communities that broadens and educates the individual and makes him a more useful member of society, consequently these chautauquas are a community affair of highest importance as well as entertaining to those who care for the better things in life.

Remember the dates and put your shoulder to the wheel and boost.

1922 WOOL POOL CLOSES AUGUST 15.

The State Farm Bureau is closing its 1922 wool pool August 15. No wool will be accepted after that date, says a Bureau announcement. An early final return to growers is certain this year, says Don Williams, manager of the pool. The Farm Bureau has been taking advantage of good offers and reports itself quite well sold at good prices. Between now and the closing of the pool the bureau is urging interested farmers throughout the state to send to Lansing for wool sacks. [illegible] the wool at Lansing [illegible] sends the grower a warehouse receipt which is good for a forty per cent cash advance. The pool has been open since April 1, It is estimated that 70 per cent of the nation's 1922 wool crop has passed out of the growers hands.

HIT BY INTERURBAN CAR.

Last week J. F. Donelly of Morenci was crossing the track with a Ford Sedan in Wauseon and along came the interurban striking him squarely amidships. The car was stove in along the entire left side as if a locomotive had hit it and it was thrown a distance of 32 feet changing ends completely.

Mr. Donelly was alone in the car and said he did not remember of ever getting hit and that he never heard the crash so sudden and violent it was.

The car was in Tecumseh Wednesday going under its own power back to the factory for repairs. You can't hurt a Ford with so small an object as a big street car.

MRS. MARGARET WARD ILL.

Saturday afternoon while on a case at Macon, Mrs. Margaret Ward was taken with acute pains which she supposed was indigestion She was brought to her mother's Mrs. George Rubadou and Dr. Hardy was called.

Dr. Hardy and Dr. Conklin held a council, Sunday, and thought the trouble was gallstones.

Dr. Darling of Ann Arbor was called and operated upon her Monday evening, assisted by Miss Jennie Gillespie, removing several large gall stones.

It was a very serious operation but Mrs. Ward rallied and is resting comfortably at this time.

SHOOTERS TAKE HEED.

Until further notice the Tecumseh Gun Club will hold a shoot every Friday afternoon at the Park. Come up and see how easy it is to miss them.

HART'S BAND COMING WEDNESDAY, AUG. 2nd

The following is a description of the famous Hart's Band which will furnish the program on Wednesday, August 2nd. There will be no afternoon program.

Hart's Concert Band consists of 50 musicians selected by Mr. Hart from his band in Ypsilanti and from Otto's Band and the Masonic Band of Ann Arbor and Chelsea. These bands were consolidated the first of April this year and have been rehearsing each week since that date under the management and leadership of James M. Hart of Ypsilanti who has for the past fifteen years conducted Hart's Band and orchestra. The standard of musicianship in the band is considered by the Musical critics to be very high all of whom were very carefully selected from the three best bands in Washtenaw county. They are booked ahead for several concerts in Ann Arbor, Ypsilanti and surrounding cities and the people of Tecumseh are assured of a real musical treat on August 2nd. Mr. Hart, as the program shows, introduces various soloists during the concert. The band carries soloists consisting of Mr. Carlos Lowe, Frank Mercer, Nicklos Folcona, Prof. LeBlance and a Brass Quartette.

This band will be in evidence at the Washtenaw County Fair for four days and also other county fairs throughout the state.

SAND LAKE IS POPULAR RESORT.

Sand Lake is becoming one of the most popular summer resorts in this part of Michigan. It is a most beautiful lake situated among low lying hills covered with plenteous shade, and offers a most charming spot in which to spend the summer vacation.

The Hotel Putnam is crowded with summer guests most of the time and no prettier spot is to be found. It stands close to the water on the edge of a beautiful grove with a wide veranda on two sides and a two deck affair so that those who have rooms above have an elegant promenade with a wonderous view of the waters lying so placid before them.

The rooms are large airy and cool and the cuisine is one of the best to be found anywhere hence it has everything in the way of both natural attraction and good service to cater to the wishes of its guests.

Many people from the cities find this an ideal spot to spend their vacation where good fishing and bathing are unsurpassed while the luxurious comfort afforded by the natural and artificial attractions simply made it an ideal place in which to spend the hot summer days.

Cottages line the shore almost the whole way around and thousands make this lake their summer home from June until October. It sure is a pretty spot and affords comfort and entertainment for everyone who goes hither to enjoy life at his best.

GIVING AWAY ROGERS SILVERWARE.

The Purity Bake Shop has just started a plan to give away Rogers Silverware by means of coupons given away for wrappers from their celebrated bread.

For every two wrappers returned to the Purity Shop one coupon is given and when you get fifty or more coupons you can get some of the pieces of this elegant silverware.

Everyone knows that Rogers Silverware is among the best to be had hence those who get sufficient coupons to draw a piece of silverware will know that they are getting something good. Full details can be had by inquiring at the Purity Bake Shop.

Ask for Purity Bread, and see that you get it. It has been put up in a different wrapper but is Purity Bread, just the same kind and qualtiy as before.

Tecumseh Blanks Clinton Sunday

Took Woolen Makers Into Camp To The Tune Of 4 To 0. Lenardson Again Pitched Good Ball But Had Gilt Edged Support To Help Him Out Of Several Tight Places.

Tecumseh again played a fast game of ball last Sunday when they blanked Clinton and scored four runs for themselves. The game was exciting at times when Clinton threatened to score by getting men to second and even third base with only a small part of the required number down, but in all these places Lenardson tightened up and by the aid of gilt edged ball on the part of his team mates managed to keep a single runner from reaching the coveted rubber.

Not a very large crowd was present as many of the fans were out to the lakes and there were ball games all around us to draw from our crowd. The fact is that the local team must be given better support or the game is liable to be dropped as far as Tecumseh is concerned. The team is playing most excellent ball, having won all but two games for the season and it is up to the fans who like to see baseball whether they continue or not. Unless it can be made a paying proposition, it surely will not be continued.

So much has to be paid for war tax, ground use and for some of the players without whom we would have no team that it takes the whole receipts to meet expenses. If those who like base ball desire Tecumseh to maintain a good team they must give them better support than they have been getting or the game is a losnig venture. How about it?

G. A. R. HOLD PICNIC DINNER.

A very enjoyable party was given last Saturday afternoon at the home of Mr. and Mrs. H. C. Daniels when fifty-five comrades and Sons of Vererans with their families gathered there to enjoy the afternon.

An excellent dinner was served at 5 o'clock and it is needless to say that it was [illegible] fit for a king for the good G. A. R. ladies certainly never lost the art of cooking if they have grown slightly older in years. The editor knows this as he has been a privileged guest at many of their [illegible] which he has most [illegible] enjoyed.

The afternoon was spent in visiting and recounting old times so dearly loved by these good folks and which are so vividly stamped upon their memories. To say everyone enjoyed the occasion is putting it mildly for they always enjoy these get-togethers as none but those whose experience has led them through such stirring events can do. May they have many more is our wish.

GOES TO LANSING JULY 27th.

Rep. Chas Evans of Tipton was a caller at the Herald office last Tuesday and stated that the Tax Commission will hold another meeting at Lansing next week Thursday, July 27th, and every person who desires to meet the Commission is urged to do so as they were in search of all the information they can get on the tax question.

Mr. Evans has made an exhaustive study of what is being done in other states to bring taxes within reasonable means and he has compiled some very authenic and interesting information from other states that would open the eyes of the tax payers of Michigan wide and make them gasp when they compare them with dear old Michigan. Mr. Evans has promised to write some of these things down for the papers so that everyone can read for himself. We shall be very glad to publish them.

DR. AND MRS. J. MURPHY ENTERTAIN.

Miss Helena Hamilton and nephew James Rock of River Falls, Wisconsin, have been guests of Dr. and Mrs. Murphy this week. Miss Hamilton is an old school friend of Mr. Murphy.

Thursday evening a party of friends were entertained at their home on West Pottawatamie St. A bountiful dinner was served, covers being laid for forty-five.

The evening was spent in talking over old times, singing many of the old songs and dancing.

The party broke up at a late hour, everyone having had such a good time.

LADIES 500 CLUB ENTERTAINED.

Mrs. Pauline Bredow entertained the Ladies 500 Club Thursday afternoon at her home on West Chicago street.

The house was very prettily decorated with garden and wild flowers. Three tables of guests and three tables of members spent the afternoon in playing progressive 500. The out of town guests were Mrs. Nellie Mingay-Taylor of the Soo and Mrs. Wallace Connors of Detroit.

Light refreshments were served by Mrs. Bredow, assisted by Mrs. Earl Updike, Miss Ethel Garlinghouse and Mrs. Halleck Wilson.

Mrs. O. G. Hunt will entertain the club in two weeks.

All guarantors of the Chautauqua meet at Council Rooms, Monday evening at 7:30.

ENTERTAINS SUNDAY.

Mr. and Mrs. Parker K. Allen entertained Sunday, Mr. and Mrs. George Rendel and daughter Gladys; C. F. Allen; Mr. and Mrs. O. H. Perry and children; Allen and David Rendel, all of Ann Arbor; Mrs. Mary Smith and daughter, Mrs. Ralph Hagadorn and Mr. and Mrs. Lewis Skinner of Tecumseh.

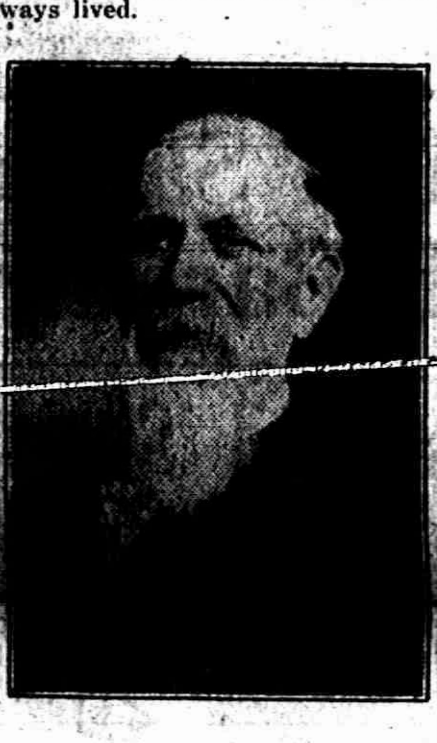
Mr. Allen, senior was eighty years "young" Tuesday and the guests came to help celebrate, A sumptuous repast was served after which the time was spent in visiting. A very enjoyable feature of the occasion was the presence of two Rendel boys, Allen, who served two years in France during the war, and since then two years in the Philippines, and David who has just returned from two years in Alaska.

At a late hour the guests returned to their homes, wishing Mr. Allen many happy returns of the day.

Wm. Gaston Passed Away This Morning

Was One Of Tecumseh's Oldest Men, Honored And Respected By All. Was A Native Of Ireland. Came Over At Age Of 28. Leaves Two Daughters To Mourn Their Loss.

Wm. Gaston, aged 81 years and 1 month passed away at his home on South Pearl street this Thursday morning at 1:30. Death was caused by heart disease and the end came peaceably as he had always lived.



WILLIAM GASTON

Mr. Gaston was born in Ireland and came to America at the age of 28 years. He entered business in Tecumseh soon thereafter and was at his death one of the oldest business men in the town. He was of a cheerful and amiable disposition and well liked by everyone. Mr. Gaston had been in good health up to a few weeks ago when he was stricken with heart trouble which eventually caused his death. He leaves two daughters and their husbands and two grand children to mourn their loss. His daughters are Mrs. E. C. Heilman and Mrs. Chas. Burridge both of this city.

Doubtless the business of the town will be suspended during the funeral hour in due respect for this honored and stalwart man who spent his life so well among us. A more extended obituary will appear next week.

VAN VALKENBURG—GADY.

Percy Van Valkenburg of Adrian, son of Mr. and Mrs. Perry Van Valkenburg, and Miss Henrietta Gady of Tecumseh, daughter of Albert Gady, were united in marriage Tuesday morning at the Presbyterian Manse by Rev. Edward Montgomery.

Miss Jeanette Baker of Adrian and the brides' brother, Norman Gady of Tecumseh, attended them.

They started on a trip to Niagra Falls and other eastern points after the wedding and on their return will make their home in Adrian.

DIED OF PNEUMONIA.

Robert E. Patterson passed away at the home of his sister who lives on the Clarkson farm 5 miles east of Tecumseh on Sunday.

Mr. Patterson who was 55 years of age came last week Wednesday to visit his sister and was stricken with the fatal malady almost immediately. He had been in poor health and could not withstand the ravages of this dreaded disease.

He leaves a wife and two daughters to mourn their loss. He was born near Britton and lived for many years in this vicinity.

The funeral was held last Tuesday with burial in Brookside.

SPECIAL CAR OF BASS.

On the track by R. S. Moore's last Monday morning was a special car from the State Fish Hatchery at Lansing, containing a consignment of small mouth bass These fish are to be distributed to the inland lakes of the state.

About one hundred of them averaging from a pound to a pound and one-half were placed in Sand Lake.

Paving Operations Started Wednesday

Two Mixers Will Be Used. One Commencing Just West Of The Bridge And One At The Ridgeway Township Line. Curb And Gutter And Bridges Are Sub-Let. Main Street To Be Lowered Eighteen Inches.

Paving commenced in earnest last Wednesday when a steam shovel was set to work excavating on the streets in order to place them in shape for paving. The Main street in the business section will be lowered 18 inches and this will be carried through the rest of the city where needed. Our streets have been graveled so long that they are exceptionally high in the center hence the necessity for lowering them so much.

The curb gutters have been sublet to Chas. Strauss of Paulding, Ohio and he will commence his work at once so that the paving proper can be laid as soon as his work is through. The lead pipes are already being laid by the city and will be in in time for the rest of the work to go forward without delay.

The bridges and culverts are being put in by Floyd Carpenter of Adrian who has already built many of these structures for the various contractors.

Wm. Fisher will furnish the sand and gravel for the entire job and as the bank lies right near the city, it should be an easy matter to keep plenty of material on hand for use in building the roads, etc. And it might be well to say that no better gravel ever laid in the earth than is obtained in this section, hence the road should be first class in every particular. Let the good work go on and the sooner it is finished the better.

When the six miles of road is completed it will put Tecumseh on the map in big letters, for we will be the only town except Dundee between Napoleon and Monroe, a stretch of 65 miles through one of the richest country's that ever laid out of doors and it surely will mean much to us from an industrial point of view. It is simply up to us to make the most of a great opportunity in bringing all the business possible into our town.

MISS CAMILLA HAYDEN ENTERTAINS HONORING MISS MURIEL HALLADAY.

Miss Camilla Hayden entertained Friday afternoon in honor of Miss Muriel Halladay's birthday.

The afternoon was spent in sewing and visiting. Refreshments were served, not the least of which was a large birthday cake very prettily decorated with candles.

Muriel received many pretty gifts and many happy birthday wishes.

Those present were the Misses Katherine Reed, Lillian Kennedy, Winifred Mitchell, Gladys Bowen, Helen McIntyre, Dorothy Hunt, Muriel Halladay, Edna Taylor and Camilla Hayden.

REV. ESCOLME GAVE FINE ADDRESS.

The fourth continuation service was opened with a lively song service led by Rev. Kiskaddon, with Miss Camilla Hayden at the piano. The special numbers were a selection by a chorus from the Friends church and a duet by Mrs. Ella Hodges and W. S. Dickinson.

Rev. Escolme took as his subject "Two Disciples of Christ" a study in contrast.

The different characters in the Bible, if studied, will be an inspiration to us and give us food for thought. Abraham, the faithful, Joseph who was true, Gideon, the warrior, David, the sweet singer of Israel and Isaiah, Jeremiah, Ezekiel, Daniel and the other prophets in the Old Testament. John the Baptist, Peter and Paul in the New Testament. There are also great women who stand out in the word of God, Hannah, Deborah, Elizabeth and the Virgin Mary. Their faithfulness leads us to be faithful.

The two we study lived with Jesus, heard Him preach, saw his miracles, both fell, both were sorry, one was restored, the other "went out into outer darkness;" Peter and Judas.

Peter has a disposition so much like the rest of us, impetuous, warm hearted, genuine and always ready to express his feelings that he appeals to us.

Judas was cold, calculative, hard headed as well as hard hearted, and selfish.

On several occasions Peter made a good confession, recognizing Jesus as "The Christ."

Judas never confessed Christ. The nearest he came to a confession was when he called Jesus, Master.

Men cannot claim to be true Christian leaders and refuse to recognize Jesus as "The Christ."

The sins of Peter were sudden while the sins of Judas were deliberate. Peter was honest but self-confident and like him we will fall if we have too much confidence in self.

Both men repented, but one was a Godly sorrow leading toward God while the other was remorse, leading from God. There are two kinds of sorrow, one, sorrow for having committed sin; the other sorrow for being caught.

We are all human and liable to fall but God is willing to take us back, and His grace is sufficient to keep us from stumbling.

Peter became a great man, accomplishing great things for the Kingdom, while we hear no more of Judas after he returned the money and "went out."

It was a splendid service but not largely attended on account of the rain.

FRIEND'S MISSIONARY MEETING.

The Missionary Society of the Friends church met with Mary C. Wood Thursday afternoon. The meeting was called to order by the president, Anna Avery. Mrs. Anna Hanley who has been secretary of the society since its organization resigned because of other duties and Mrs. N. Satterthwaite was elected to fill the vacancy.

After a short business session the following very interesting papers were given. "The Negroes of North America," Mrs. E. Comfort; "The Mountain Whites," Mrs. N. Satterthwaite; "The North American Indians," Miss Elizabeth Satterthwaite.

"It's All Right But"

Talk to some young men about saving money and they will say "It's all right but." You needn't ask them to finish the sentence. They mean "But there is never anything left over."

As a remedy we are suggesting to young men that they deposit a minimum of 10% of their weekly earnings in a savings account before spending a dollar for anything else. Twenty per cent would be better. Save 10% anyway!

COAL AND OIL.

Two of the most necessary elements of human existence right now are coal and oil and their byproducts, and an even dozen men practically control the entire output of these national necessities while the rest of the 105 million people pay a royal tribute to them.

Millionaires and almost billionairs, they loll around in idle luxury and die as they live an absolutely useless part of society—but they compel men, women and children to dump their earnings some of which comes by genuine torture, into their guilted coffers, and its a disgrace to any country founded and maintained as ours is.

God put the coal and oil in the ground for the people to use and someone found it and gathered together a few to exploit its use. Life and especially warmth from the vicissitudes of chilling winter demand that we have coal but the coal barons say No unless you take it on the extortionate terms we offer it to you. What do they care if we freeze, starve or die? What do they care for the rest of humanity as long as their gormandizing stomachs are full and their house is heated like a palace? Entirely without patronism or a conscience, they demand the widow's mite and the children's last penny. They let the sick and poor die midst freezing temperatures or exist like rats in some cellar in order to extort a few dollars to add to their growing millions.

Then they run for high public offices and beseech the people to vote for them while their hired papers extoll their virtues in glorious terms, and the poor deluded people vote for them believing what these hired papers tell them yet pray for some measure of relief. The people have risen against such treatment history tells us and threw these greedy Barons into rivers there to drown like common folks while the people siezed their mines and used them for the benefit of all.

God made the coal and oil and put it in the ground. The Government should take over every coal mine and every oil well in the U. S. and work them solely for the benefit of every individual who lives in this land on exactly a cost basis and then the people would not be slaves of greedy extortioneers who have no more right to the coal and oil than has ever individual in this country.

And it will come to that when the people pull the hood-wink off their eyes and quit believing the subsidized press of the wealthy who are using every means at their command to fool the people while robbing them bodily.

Come good folks, take an active part in political affairs. Choose your candidates don't let them choose themselves while you simply approve what they choose. Come out to the primaries and caucuses and nominate people who are not seeking office and let those who seek it get nothing. If you don't take such an interest, you will pay dearly for your neglect. Remember that.

OSBURN—HONSINGER.

Last Saturday night, Mrs. Florence Osburn was married to Elmer Honsinger of this city. The couple went to Monroe and were married at the M. E. Parsonage. Mr. Honsinger is a salesman at the Webster Anderson Co. and Mrs. Osburn was formerly a clerk at the post office.

A party of Tecumseh young people caught on to the coming event and went to Monroe arriving just in time to see the finish of the ceremony. Mr. Honsinger had planned to go immediately on a camping trip but his un-invited guests thought otherwise and brought them back to Tecumseh where the town was properly appraised of the event by driving around town with the car very appropriately decorated.

A large circle of friends will wish them all the joy possible in their new life.

Overland is one of the most popular cars in America today and stands more firmly intrenched than ever in popular favor.

At $550, the Overland offers greater automobile value for the money than any other car.

A springbase of 130 inches, with big car-riding comfort, modern 3-speed forward and reverse sliding gear transmission, a safe braking system with a square inch of braking surface to every 15 pounds of weight, all-steel touring body with baked-on lustrous finish and many other exclusive Overland features.

Today's Overland at $550

It has been a well known fact among farmers for many years that we make repairs and parts a specialty.

A farmer who purchased a new car of us made the remark to a neighbor, "I would rather buy an automobile of Temple because he always has been prompt to give good service on parts."

We carry the largest stock ever carried in Tecumseh of Buick and Overland parts, they come from the manufacturer of these cars, they fit, are of the best material. You will always be better satisfied if you buy your parts of the Dealer of you car.

The next time you want a part for a Buick or Overland drop in even if your requirement is a very small item.

Notice to Our Customers

Beginning July 1st we will operate our garage business on a strictly cash basis which we believe will be to your advantage as well as to our own.

Business today is being operated on a different basis than it was four years ago. Nearly every manufacturer we buy from today are operating on a cash basis so that it is necessary for us to demand cash on all goods we sell. This will become effective July 1st and we will appreciate your co-operation.

We believe we can sell our goods for less money and at the same time give you more value if we know exactly when each transaction is closed. It saves time and disputes and is much more satisfactory from every standpoint..

We are in business to serve you and it will always be our policy to treat you courteously and serve you promptly but we must insist on the cash with our goods showing you that we have but one policy which is one and the same to all our customers.

To those who wish to purchase gasoline books, we will sell 100 gallon books at ½ cent per gallon less than regular price and all it is necessary to do is to bring your book with you. We want your business and will make it an object to you to give us the cash.

Under present conditions we are fully justified in making this change and trust you will accept it in the spirit it is intended. Just look over our free service ad in this paper and see the real Ford Service we are giving to every owner of a Ford car.

OBITUARY.

Mrs. Henry B. Taylor a well known and highly respected resident of this place passed away Monday, July 10, at her home here. Death being due to a complication of diseases.

Mary Connell-Taylor one of two children born to the late William and Jane Connell, was born in Yorkshire, England, June 1, 1855 and passed away July 10th at the age of 67 years, 9 da.

She, with her parents and brother came to America when she was 17 years old and located in Ridgeway township, where, with the exception of a few years spent in Detroit, she has since lived. Forty-eight years ago June 8th she was united in marriage to Henry B. Taylor and as a blessing to this union, three sons were born, William and Fred Taylor of Detroit and Ernest Taylor, who passed away about 23 years ago.

Her husband passed away nearly five months ago and since that time her health had been gradually failing and she often remarked "I will not be left alone very long." The last four weeks of her life were spent in intense suffering and although loving hands tenderly ministered to her every need it was of no avail, and she silently slipped into the great beyond happy to be with her Lord and Master and the loved ones gone on before.

Those left are her two sons, Wm. and Fred Taylor and one brother, Emmanuel Connell of Detroit, who were by her bedside constantly during her last few days, two grandchildren and three great grandchildren.

When quite young she gave her heart to Jesus Christ and united with the Christian Church and since then in every way tried to emulate the teachings of the Divine Master in fact, her whole life was spent in service—caring for and helping others.

The funeral services were held Wednesday afternoon at 2 oclock at the home, the Rev. R. C. Powell of the Methodist Prostestant church officiating. Three hymns favorites of the deceased were sung. The bearers were Ben. J. Beasley, Charles J. Gorham, LaVern Gripton, Everett Exelby, Glen Underwood and David Boyd.

The remains were laid to rest by the side of her companion in the Ridgeway cemetery.

Those away attending the funeral services were Mr. and Mrs. Fred Taylor and daughter, Lucille, Mr. and Mrs. William Taylor, Mr. and Mrs. Richard Laurain and three Children, Emmanuel Connell and son Eugene, Mrs. Carrie Squires and son Ralph, Mrs. Herman Webber and daughter, Miss Lucille, Mrs. Chas Ryal, Mrs. Fred Rock and Kenneth Miller, all of Detroit.

Card of Thanks.

To those who were so kind during the long illness and at the time of the death of our mother and sister, we wish to extend our hearty appreciation. We wish also to thank Rev. R. C. Powell for his comforting words, the singers and all who sent the beautiful flowers. Words cannot express our thanks.

William and Fred Taylor
and their families,
Emmanuel Connell.

MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear For Many Tecumseh Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy — Doan's Kidney Pills. Hosts of people testify to their merit. Read a Tecumseh case:

Mrs. E. H. VanVleet, 204 N. Pearl St., says: "I had an attack of lumbago and my back was lame and painful and I was always worse when stirring around. My kidney's weren't acting regularly and in other ways showed signs of disorder. A friend advised me to try Doan's Kidney Pills, so one of the family got me a box at Wright & Son's Drug Store and I began taking them. It wasn't long before I got relief. The pains through my back eased up and my kidneys became regular in action. I take pleasure in recommending Doan's Kidney Pills."

The Librarian's annual report was then read and ordered placed on file.

ANNUAL REPORT OF PUBLIC LIBRARY
School District No. 7, Tecumseh, Michigan
July 1, 1921—June 30, 1922

CIRCULATION

Last year the librarian was pleased to report the largest yearly circulation the library had ever known, and this year she is happy to report another banner year, the circulation for 1921-1922 being 23,894 which exceeds last year's figures by 1205. This means an average circulation of 9.8 for each inhabitant of the village.

During two weeks in March and April while the redecoration of the library was in progress our circulation was greatly reduced owing to the inaccessibility of the books and the fact that it was found necessary several times to close the doors to the public, these periods amounting in all to 23 hours, a little more than three library days.

The library was open 302 full days, with an average daily circulation of 78.78 which exceeds last year's record by 4.39.

January, 1922, set a new mark in monthly circulation, 2690 books having been issued for home use in that month.

Of the 23,894 books issued for the year, 62% were fiction, 21% juvenile and 17% solid.

3273 periodicals were issued for home use.

Cards were issued to 165 new borrowers and 15 cards were discontinued, leaving 2230 now in force.

BOOK COLLECTION

347 new books were added, 262 of which were for adult readers and 85 for children. These books were classified as follows:

Reference	21
Fiction	179
Travel	14
History	20
Biography	8
Commercial	8
Scientific	20
Poetry and drama	11
General literature	16
Bound periodicals	50
	347

262 of these new volumes were purchased from library funds, 60 were gifts and 25 were formed by the binding of periodicals.

29 books were discarded, which leaves a total of 7685 books in the library at the present time.

84 books have been transferred to the high school library, mostly duplicates and books on educational subjects.

Gifts of books were received from Mr. David Macham, Mrs. Ella James, Miss Muriel Halladay, Miss Elizabeth Widney, Miss Elizabeth Satterthwaite, Mrs. Harriet Britten, Mr. C. R. Sligh of Grand Rapids, Underwood-Orr Post and from several public sources.

Back numbers of magazines which are of much value for reference work have been presented by Mrs. Graebner, Mrs. Parker Allen, Mrs. Gallup, Miss Mary Anderson and Miss Halladay.

A gift of great value was received from Mr. E. T. Armstrong, consisting of 39 volumes of the Tecumseh Herald, dating from 1860. These volumes are not counted among the 347 new books as they have not yet been prepared for accession.

The cost of the 262 books which were purchased amounted to $374.90. $226.96 of this was paid from fines, rentals and fees received for use of pay books, the remaining $147.94 was paid from library appropriation.

The library is now receiving 45 periodicals, including two daily newspapers, one weekly newspaper, and five children's periodicals. 39 of these periodicals are paid for from library funds, the remaining 6 are gifts. One daily newspaper, the Christian Science Monitor, is a gift from the Christan Science Church.

The card index of titles for the juvenile department was completed early in the year, which now makes a complete author-title catalog of all the books in the library.

The redecoration of the interior of the building has added very greatly to the appearance of the library and has been the subject of much commendation by library patrons.

The meeting then proceeded to elect by ballot a trustee to fill the vacancy caused by the expiration of the term of office of F. B. Wood.

The president appointed Geo. A. Rathbun and Frank Turner as tellers.

E. T. Armstrong then placed the name of F. B. Wood in nomination for the office.

No other nominations were made and a vote was taken. Whole number of votes cast 38 of which Mr. Wood receiving 36 and a majority of all votes cast was declared elected trustee for the ensuing 3 years.

A motion was made, supported and carried directing the Board to increase the Librarian's salary from $800.00 to $1,000.00 per year.

Motion made, supported and carried to adjourn. C. F. Patterson, Sec'y.

DR. L. G. NORTH.

A Young Tecumseh Doctor In Luck. He Receives The Appointment Of Assistant Professor On The Medical Faculty Of The University.

Many of our people are already aware that Mr. L. G. North and Miss Hattie Bills of Tecumseh were members of the last graduating class in the medical department of the University. They both stand high in their class. Having just received the annual announcement of the medical school for the coming year, we see that Mr. North has received the appointment of "Assistant to the Professor of Pathology and the Practice of Medicine."

The position is one of considerable importance, and an excellent place for a young physician just commencing practice.

Mr. North will remain in Tecumseh until the last week in September and will then go to Ann Arbor to spend the winter and spring. We congratulate him upon his good fortune.
—From the Herald, July 26, 1877.

NOTICE TO CREDITORS OF INTENDED DISSOLUTION.

All creditors of Anthony Fence Company, a corporation, are hereby notified that the dissolution of the corporation was duly authorized by action of the stockholders of the company at the annual meeting thereof held on July 10th, 1922, and that the dissolution will be effected in compliance with the provisions of the laws of the state of Michigan respecting voluntary dissolution of corporations.

All creditors, therefore, requested to present their claims at the office of the company, Tecumseh, Michigan, on or before August 10, 1922.

By order of the Board of Directors.
July 27 A. F. ALLEN, Secretary

Say Mr. Farmer! Did you know I can write you a tornado policy on your farm buildings and stock at the rate of $1.00 for 5 years per $100? And don't charge you a fee for writing the policy. You will not be liable for a suit for debt as in the mutual companies. We insure you, not you the other fellow. Mrs. Franc Gillespie.

AT THE BRADLEY.

Well Known Screen Players Chosen For The Various Roles.

An unusually clever cast of players was chosen by Mr. Hart for his support in "The Whistle." Myrtle Stedman, the leading woman, is a charming actress who won fame as a prima donna in light opera and musical comedy. Frank Brownlee, who has a strong role, is a famous "heavy" of stage and screen, Three excellent juveniles add novelty to the cast. They are Richard Headrick, who was with Mr. Hart in "The Toll Gate," Georgie Stone who supported Mr. Hart in "The Poppy Girl's Husband" and who was the Belgian boy in "Till I Come Back to You" and Will Jim Hatton, a child of promise. The minor roles are in the hands of players of ability and discrimination.

An Ideal Screen Production.

"The Great Impersonation" is one of the most ideal screen productions ever made by George Melford, the noted Paramount producer. It is a story of intrigue and international conspiracy and contains some new and most extraordinary situations. The photoplay is admirable.

The novel upon which the picture is based was written by E. Phillips Oppenheim, a leading novelist. His books are widely read and his style has a universal appeal. All his stories are meaty and highly original.

For Sale--Real Estate

Have several small but splendid farm properties listed. May interest you, call me up. One especially good bargain is 25 acres of pasteurage close to town.

A new addition to my list is the Kemp property on East Shawnee. A nearly new cozy little home and it's going cheap.

Also the Geo. Zimmerman dwelling now owned by Meyer Rottman. House nearly modern and new born.

The Howard property on East Chicago street is a good investmen at the price asked.

Adjoining store buildings on Chicago street, a good investment

Home of Mrs. Minnie Gates on North Union street for only $900. Told you this was a bargain!

Another new one just listed is on West Pottawattamie street. Large house, with lights, city water and sewer. Barn all celled and nicer than many dwellings. And all I want for the property is $3000. Better look this up!

For Rent—Desk room in my new office. Cheap for the right party. Telephone free.

For Rent—Large house with four bedrooms. All redecorated and with new electric lights.

The undersigned wish to thank all the people who so efficiently and faithfully assisted in saving our buildings during the fire in Macon on July 10th.

To the crews of men who came from the threshing machines, the people who came from Clinton and brought the chemicals and fire extinguishers, the Minute Men of Tecumseh and all our neighbors we are truly grateful.

Mr. and Mrs. Walter Morden,
Mr. and Mrs. J. M. Williams,
Mr. and Mrs. Joe Doriell,
Mr. and Mrs. J. F. Koebbe,
Mrs. Rose Day,
Mrs. Elizabeth Graff,
Chas. Williams and mother,
Mrs. Lizzie Davenport.

Frank Morgan Jr. of Detroit is spending a part of his vacation with relatives here.

Marjorie Morgan recently returned from a two week's visit with relatives at St. Johns.

Mrs. John Miller returned Sunday from her trip to Montpelier, Ohio, bringing with her, her niece Florence Greenman.

Mr. and Mrs. Chas. Spohr of Britton were guests Sunday of Mr. and Mrs. Geo. Snauble.

Mrs. Walter Morden, accompanied by Mrs. J. F. Koebbe, Mrs. G. D. Ellis, Miss May Chambers and Miss E. L. Richart, attended the County L O. T. M. picnic at Wamplers Lake last Wednesday.

The store of the Macon Mercantile Co. has been improved by an exterior coat of paint.

CHAUTAUQUA COMMITTEES APPOINTED.

The following chautauqua committees were appointed. last Monday night to look after certain features of the coming chautauqua and if they give you a call to assist them just say aye, aye, sir and do your part.

The Sec'y and Treas. is George Isaacson; Chairs and lumber com. J. T. Boyce, Rev. Gregory, James Artman; Piano, J. L. Coller.

Tickets will be on sale at both banks and by members of Ladies Band

Season tickets will be only $1.50 for adults and 75c for children under 15 years of age. This surely is cheap enough as the usual price has been $2.00 and $1.00. It is a good thing both for the community and for the Band so get your horn and don't bring out a hammer. Lets put the whole thing over in regular Tecumseh style—that means success.

DANCING

At Farm Hotel, Wamplers Lake, July 28, 29, 30th. Parker's Colored Orchestra of Columbus, Ohio. adv.

COMMUNITY SERVICE WELL ATTENDED.

Rev. Curtis conducted a lively song service at the beginning of the meeting with the assistance of a choir composed of the members of the various church choirs, with Mrs. Leota McConnell at the piano.

Rev. Escolme read the scripture lesson and gave the invocation.

The sermon was delivered by Rev. Kiskaddon who took as his text 2 Kings 10:30-31, the story of Jehu.

Jehu was an instrument in the hands of God to punish the house of Ahab who had sinned. The punishment had been long delayed but the time had come when it must be administered, and Jehu was appointed of God to carry out His plans.

God takes note of the morals of individual lives, of communities, of nations and of the world. No nation or people can defy the living God without reveiving due punishment. We should live each moment with the thought that we are in His sight.

Jehu was a fighter and thus was better able to carry out God's plan. He was a fast fearless driver, not with automobile but horse and chariot, he was captain of the host, leader in the army which was more loyal to him than their king.

The task he had to do was a bloody one but he made the long drive to the king, killed him and called at the eservants of Baal to the Temple to worship and ordered them slaughtered. His pathway to the throne was indeed bloody.

Jehu was not a Godly man and it is marvelous that God could use him for His purpose. He was fearless, villianous and as a goodly apple, rotten in the core; selfish, willing to do anything only as it might bring benefit to him.

This is an age of reason. People use arguments lke the following: Be honest, for "Honesty is the best policy;" be clean, for to be unclean is dangerous to health. laying stress on policy and health. We should be honest for honesty's sake, clean for the sake of cleanliness.

If we wish to better the morals of any place we must be sincere and have true love for God and humanity. Any other motive will bring failure.

Jehu succeeded in his task as far as punishing the house of Ahab was concerned but failed to destroy the idol worship.

Unless we put our heart into our work we will lack strength and fail to accomplish all we might. No true reform can be accomplished unless the heart enters into the fight.

We should try to live lives that will bring blessing to all we come in contact with, lives that will make the world better, lives that when we are gone people will still speak well of us. Our motive should be to make the world more beautiful, to help someone each day.

The meeting was well attended and the music exceptionally good.

SHOUGH—SMITH.

Mr. and Mrs. John Jensen attended a wedding July 19th at 1:30 p. m., which was held at the home of Mr. and Mrs. Albert Smith, 952 Sheridan Ave., Ypsilanti, their daughter, Helen Mae became the bride of Jesse W. Shough also of that city, in the presence of the immediate family. Rev. Dunning Idle, also of Ypsilanti officiated, using the ring service.

The house was beautifully decorated with sweet peas and other flowers of the season.

The bride was charming in a gown of white georgette crepe over silk and carried a bridal boquet of Ophelia Roses. Following the ceremony a delicious luncheon was served.

The bride is a graduate of Ypsilanti High School, also of Cleary's Business College and the groom is a graduate of Ridgeway school, also Cleary's Business College, and for the past seven years has held railroad office positions, at present is employed in the auditing department of the Grand Trunk railroad in Detroit.

The young couple left on an eastern wedding trip visiting Niagra Falls, and New York City and various other points. They will be at their new home after August 1st, 944 Sheridan Ave., Ypsilanti.

Mr. Shough is a brother of Mrs. Jensen and has often visited at her home and is well known here.

Paving Work Is Well Under Way

Steam Shovel Roots Out Main St. In Fast Time. Gravel Being Used To Fill Cut By Hayden Mill. Work At East End Progressing Nicely.

The steam shovel with its caterpillar tread slowly ambled into position down in front of the Smith store at the east end of the business section last Friday and soon began to tear up the ground in quick time.

Trucks are run along side of the shovel and as it scoops up the gravel it dumps it into the trucks with about four shovel loads to a truck which in turn take it down to the east end cut and dump it. It took just a day and a half for the shovel to cut its way through the east block and Monday morning it started in the west block.

The contractor on the job said the center of the street when finished would be about four inches below the present level in center of the street. If such is the case, the finished pavement will be above the present sidewalk line, a condition seldom seen in street paving.

The east end is being leveled and made ready for the cement as fast as possible about a mile being done already. A detour is established by way of Brownsville and Davidson's corner so that traffic is not interrupted in the least.

The curb and gutter will follow the work of the steam shovel and already C. L. Dickinson with a gang of helpers is making lead pipe connections with the water main in the center of the street so that there will be no iron pipes to rust out and cause trouble after the pavement is down. If the freshly filled trenches do not settle away from the cement and let some of our heavy trucks crash through, the job will be one to be proud of and make this burg the prettiest town in all Michigan.

The council has contracted for the extra six feet in width on each side of the sixty-foot strip called for in the original contract so that when completed the pavement in the business section will be sixty six feet wide and then it will be necessary to extend the sidewalks five and one-half feet on each side to complete the connections with the walk and the pavement.

It is hoped that this extension will be done at the same time as the rest of the work so as to make the job complete and through with all at one time.

CHESTER CASWELL ACCIDENTALLY KILLED.

Last Tuesday afternoon, Chester Caswell, a farmer well known here while helping to stack hay on the Henry VanDeventer farm four miles northeast of Britton was accidentally killed.

In some manner a guy wire to the gin pole broke and the pole fell stricking him on the head causing concussion from which he never regained consciousness. A doctor was hastily summoned and the unfortunate man was rushed to the hospital in Ann Arbor but he was beyond medical aid and passed away during the night. The funeral will be held Friday afternoon at two o'clock.

OBITUARY.

Robert E. Patterson.

Robert E. Patterson passed away Sunday afternoon at 4 o'clock, July 16, 1922 after two days illness of pneumonia. He had been in poor health for about a year and came to his sister's home, Mrs. Will Smith, from Auburn Heights, Wednesday, July 12 and was taken worse Thursday night and did not rally again.

Robert E. Patterson, third child of James and Rachel Patterson, was born October 2, 1867 in Ridgeway and died July 16, 1922. He spent most of his life around Britton. He was a staunch Christian, always ready to help someone else in anyway and he had a kind word and a smile for everyone.

He is survived by a wife, two daughters, Mrs. Harry Vischer of Toledo and Alice at home; one sister, Mrs. Will Smith, Tecumseh; two brothers, Clarence Patterson of Britton and Erwin Patterson of Portland, Oergon.

His funeral was held at his sister's home Tuesday afternoon, July 18. The house was filled with friends to thus honor the memory of one who was always ready to help others.

Mrs. Clara Lamberston and Mr. A. P. Banta sang two appropriate hymns and Rev. Anderson of Flint gave the address. The remains were laid to rest in the Brockside cemetery. To the cousins were the given the honor of being bearers: Sam Patterson, Will McCarbery, Charles Hindes, Dave Linton, Sid Cadmus, Charles Craig.

Coming from away for the funeral were relatives from Detroit, Toledo, Pontiac, East Lyons, Rochester, Adrian, Milan and Britton.

Card of Thanks.

We wish to thus thank the many friends for their kindness during the illness and death of our dear one and the many courtesies extended afterwards for the beautiful floral remembrances, the autos and the singers and Rev. Anderson for his comforting words.

Mrs. Rena and Alice Patterson,
Mr. and Mrs. Harry Vischer,
Mr. and Mrs. Will Smith,
Mr. and Mrs. Clarence Patterson.

FORMER TECUMSEH MAN KILLS HIMSELF.

The following clipped from the Jackson News gives an account of the death of Melvin Sisson, a former Tecumseh man who left this city about fifteen years ago.

Discouraged because of persistent illness, Melvin Sisson, 52, of 333 Union street, shot himself through the heart late Wednesday afternoon with a 12 guage double barreled shotgun. He was found lying in a pool of blood on the floor of his bedroom by his wife when she and her daughters returned from an auto ride about 5:15 o'clock.

Sisson, a molder by trade, employed at the Jackson Steel Products plant, did not go to work Wednesday morning. He complained to Mrs. Sisson of pains in his head and said he felt dizzy. His wife advised him to stay in bed.

After the meal he returned upstairs to his room and stayed there most of the forenoon. He ate his dinner as usual and sat downstairs until friends of the family called to take Mrs. Sisson and the two children riding. When the trio left the house, Sisson started upstairs. His family never saw him alive after that.

When found Sisson was lying on the floor in front of the bed. He was resting on his right side and right arm. In his right hand was a yard stick tightly clutched. Across the back of his legs was the gun, just as it fell when he toppled over after firing it by means of the yardstick. Just to the left of the heart was an ugly hole torn by the charge as it crashed into his body. On the floor was a pool of blood.

Besides the widow and the two girls, Esther and Isabel, Sisson is survived by a daughter, Mrs. Leila Hansen, of Detroit.

An inquest will be held at a date to be announced later.

EARL McCORMICK DROWNED.

Relatives here have received word of the death of Earl Mc Cormick of Baltimore. He had gone with a party of Boy Scouts to St. Michel's on the east shore of Maryland and was drowned while swimming.

He was 21 years of age and the only son of Mr. and Mrs. C. F. McCormick. His mother was formerly Nellie Cole of Tecumseh, a sister of James A. Cole of this city and having many relatives here. The family reside at 508 Louden Ave., Baltimore.

Mrs. McCormick and Earl spent the summer here two years ago when Earl took a course in a Detoit auto school. Earl was to have been married this fall to a Baltimore lady.

SERVICE FURNITURE STOCK SOLD.

Last Thursday afternoon a deal took place which is of considerable importance in our community when Ed. M. Braun of Elyria, Ohio and Thos. M. Bridges of Lorain, Ohio bought the entire stock of furniture from Eugene Service of this place.

Tecumseh will welcome these two young men into our business and social circle and extend them every courtesy. Both are men about thirty years of age and each will move his family here as they expect to enter a permanent business here.

They are undertakers as well and will enter the field in connection with the furniture business. They will occupy the two stores owned by Mr. Service who has made no definite plans for himself other than to retire for a short time and take a well earned vacation. Mr. Service has been in the furniture business for the last twelve years and is one of our best known business men who has made a legion of friends in this community.

Purity Bakery Is Sold To Ohio Man

Walton & Edwards Sell To Mr. Sager of Pandora, Ohio. Walton Family Will Move Elsewhere. Have Built Up Excellent Business.

It was announced yesterday that the Purity Bakery operated and owned by Walton & Edwards had been sold to a Mr. Sager of Pandora, Ohio.

This came as quite a surprise as the Waltons built up a very prosperous business in their line and had just installed a new oven and made other improvements to further take care of their fast growing trade.

However Mr. Walton has found the work growing rather beyond his strength with the increasing demand for their popular product and this was partly the reason for his accepting an offer for the plant which had been under consideration for some time. The town will loose an excellent family when these oood people move away.

It is rumored that another business change of considerable importance is about to take place but no announcement is ready at this time.

SCHOOL ANNUALS ARE OUT.

The Herald Job Department has just completed the new 1922-23 High School Year Book and it gives much desired information concerning our schools. The book is on the same lines as last year and is very interesting and instructive.

The books are for free distribution to patrons of the school and will be found at the library and at each of the two book stores. It wouud be well for parents as well as students to study the book carefully and get thoroughly posted on the plan of organization and the details of our school operations. It also contains the course of study for the high school and manual of work for the grades.

The book is receiving many compliments both as to its contents and the printing thereof.

FUNERAL OF MRS. EDWARD COOPER.

Mrs. Edward Cooper died Friday at her home in Toledo at 11:00 o'clock and was buried Sunday at 12 o'clock in the Oakwood cemetery at Adrian, Rev. Lewis Walker officiating.

She is the daughter-in-law of Mr. and Mrs. Robert Cooper of this place who were called to Toledo Friday because of her serious condition.

Those from Tecumseh who attended the funeral were Mr. and Mrs. Robert Cooper and son George, Mrs. Luella Beaubien and two children Velma and Otta, Mr. and Mrs. Vern Cooper, Mr. and Mrs. Percy Slater and daughter Esther and Mr. and Mrs. Oscar Meads.

500 CLUB.

Mrs. Nellie Mingay-Taylor entertained the 500 club Thursday afternoon. There were five tables of members and their guests ana Mrs. Lewis S. Schneider won first prize and Mrs. R. N. Lowe was consoled.

The house was very prettily decorated with garden flowers, a large glass bowl of bachelor's buttons being placed on each table when the dainty two course luncheon was served.

McCAUGHEN—PETERS.

Miss Frances Peters, daughter of Mr. and Mrs. E. J. Peters of Port Huron, and Joe McCaughen of Lansing were married in Port Huron July 17 by Rev. W. J. Balmer.

Both the bride and groom and officiating clergyman are formerly of this place. Mr. McCaughen is the son of Mrs. Sabina McCaughen now of Clinton. These young people were popular among the younger set while residents here.

For a wedding trip they will motor to the Niagra Falls, thru Canada.

CARD PARTY.

Mr. and Mrs. R. J. Egan entertained a party of friends from Adrian Thursday evening at a card party at their home on West Shawnee street. Light refreshments were served.

The guests were Mrs. Actraasburger, Mrs. Helen Dryek, Violet Krell, Mario Allen, Carolin Miller, Harold Miller, Mesdames Stark, Willnow, Coller, Krell, Keuger, Miller, Earline, Becker, Allen.

MRS. JOE EATON ENTERTAINS

Wednesday afternoon a party of friends were entertained by Mrs. Joe Eaton and Mrs. H. E. Eaton at the Joe Eaton farm home, in honor of Mrs. Mary Henne and Mrs. Chapman of Grand Rapids.

The afternoon was spent in visiting and light refreshments were served by the Mrs. Eatons', assisted by Francis Chapman, Eleanor Snow and Genevieve Wright.

ENTERTAINS AT LUNCHEON.

The Misses Jennie and Grace Gillespie were hostesses last Friday to a one o'clock luncheon at which covers were laid for fifty-two.

The rooms were charming with their decorations of garden flowers of roses, sweet peas and snapdragons. The guests were seated at small tables centered with crystal baskets of nasturtiums.

The afternoon was spent in playing 500 and at the close of the games, high and low scores were held by Miss Brown and Mrs. Elvin Bradley respectively.

The guests of honor were Mrs. Hialey Tefft of Stanton and Mrs. John Hill of South Dakota. Other out of town guests were Mrs. T. Codling of Des Moines; Mrs. Albert Reasoner, London, Ontario; Mrs. Elmer Slayton, Adrian; Mrs. D. Bowen, of Washington Court House, Ohio; Mrs. George Stacy of Detroit; Misses Giles and Biddison of Baltimore, Md.; Mrs. Chapman, Grand Rapids; Mrs. Mendham of Milford and Miss Brown of Piqua, Ohio.

The Misses Gillespie were assisted in serving by their nieces, Misses Arlene, Geraldine and Frances Gillespie, Lucy Murphy and Florence and Meredith Jones.

NEW PARKING PLACE OPENED.

The Commerce Club has made arrangements to use the Bidwell lot on Pearl street as a parking place for autos on Wednesday nights. This lot is just north of the Big Chief garage and the entrance is on Pearl street.

A watchman will be in charge and everyone is invited to park their car here if they wish entirely free of charge. This will be a decided advantage during the time our main street is torn up and you need have no hesitancy in coming to our shows on account of torn-up streets as the show will be given as usual and the splendid parking space mentioned is for your use.

Schneider Bros. have also arranged to have an entrance through this lot from Pearl street right into their garage so that you can easily reach them if you care to do so with your car. Drive through the Bidwell lot from Pearl street right into their back door.

HART'S CELEBRATED BAND COMING.

Next Wednesday, August 2nd, the people of this vicinity will have the pleasure of hearing Hart's celebrated band of Ann Arbor. This band is composed of the very best musicians collected from a wide radius and the program printed last week shows that they are giving a concert of most excellent proportions.

Those who enjoy band music of real class will do well to be on hand for the evening performance early if they wish to get a good location as this band will draw an enormous crowd.

There will be no matinee in the afernoon but a splendid program will be given in the evening that everyone will enjoy. Come early and stay late.

NOTICE.

Beginning Friday, July 7th, I will be at the Lilley State Bank, for the collection of taxes, every Tuesday and Friday until Friday, August 11th.

TRAP SHOOTING DRAWS BIG CROWDS.

Have you heard the incessant pop and bang up on the Park these Friday afternoons? If you have you may have wondered whether the home guard or the minute men were out practicing or what the trouble was. It was simply the boys trying their skill at clay pigeons.

It looks easy to hit em. It is easy for the expert but the blamed little hunks of mud are very elusive to our short sighted vision and many more who are about in our class. However, it is fun and most of the town experts are on hand with a load of excuses as to why they don't break.

Next Friday the boys will all be there and try again to find the range and it is open to the club members and others when there is room and there always seems to be plenty so if you are a shooter, come along and try your luck.

The Gun Club has as fine a trap as you care to shoot over and the boys have worked hard to put the grounds in excellent shape for a real shoot much to their credit and it looks very much as if there would be a big club before long. Come on and join. Just hand D. F. Wright two "plunks" and you are a full fledged member. Following is the score last week.

Name	Birds	Broke	Perct
Ray Carr	76	37	48
Lynn Harris	35	31	88
Wilson Aldrich	41	23	56
Don Wright	40	27	67
Ivan Spitler	45	30	66
Robt Egan	40	17	42
Wm. Damon	61	41	68
LeRoy Britton	50	47	94
Cap Horn	50	26	52
L. Schneider	55	13	23
C. Aldeydyce	36	14	39
Geo. Isaacson	30	10	33
E. T. Armstrong	15	11	73
L. Rosacrans	30	17	56
Chas Downing	45	26	57

Next shoot is tomorrow (Friday) night from five toeight. Come and up see the fun if you do not care to shoot. Plenty of guns for those who do not happen to own one.

Tuesday's Shoot.

At the shoot Tuesday night, Lynn Harris carried off the high score with a record of 34 out of 40 or 85%. Wm. Damon was second with a score of 52 out of 70 or 74%. D. F. Wrihgt was third with 36 out of 50 or 72%. E. T. Armstrong was fourth with 57 out of 80 or 71%. C. Alderdyce got 14 out of 20, Al Van Doren got 19 out of 40, Leon Rosacrans got 40 out of 80 and Robt. Egan got 43 out of 90. Some of the time a bad wind was blowing which made the shooters do some fancy shooting to crack the target.

LAWN PARTY AT RECTOR'S.

Mr. and Mrs. Fred Rector entertained Friday at a farewell party in honor of Miss Martha Biddison and Miss Edna Giles of Baltimore.

Thirty guests sat down to the tables which were on the lawn, bountifully spread with a pot luck supper.

One feature of the evening was a grab-bag pest at which each guest received some kind of a musical instrument. The next number on the program was a selection by the band.

The out of town guests were Mr. and Mrs. Will Boyce and Mrs. E. C. Hethewick of Jackson, Mr. and Mrs David Boyce and Mr and Mrs. Raynor Boyce of Brooklyn, Mrs. Ella Hill of Winner, S. Dakota and Mrs. Cyrene Mendham of Milford.

SAFETY + SERVICE

WHY NOT?

Why not organize a trade club in Tecumseh? By this we mean a club composed of the live business interests organized strictly for the purpose of bring more business to Tecumseh.

If ever the opportunity lay before any community to increase and extend its trading territory it is knocking at our door right now. When the new concrete road is finished Tecumseh will be the only town on this great thoroughfare lying between Monroe and Brooklyn, Jackson county with the exception of Dundee which is not in our class at all.

This highway leads into Tecumseh for miles both east and west and coming into it every mile is a road bringing hundreds of far[illegible] who do not live directly on the road but only a few miles away and when once they reach the concrete they will naturally come here.

Why not help this natural inclination by doing those modern and well established things that help to bring trade to every town? To be sure much of the trade will come here, but right now is the time to get in touch with the whole territory and make the many strangers who have probably not been regular traders here realize what a splendid opportunity they have to assist themselves by coming to Tecumseh to trade?

Modern business does not wait for customers to drift in. It is out after new trade every minute and the fellow who waits or tries to get a piece of what the other fellow brings in without doing his share of the trade building program does not deserve to be considered a part of the business community and should [illegible] told so. He does not even deserve his own home trade for he is a town knocker instead of a town builder. Of course there will be a few of these in every town but if the live active business interests who are trade and town builders would drop them off their calling list, they wouud soon learn that it pays to play the game with others and do their share or get into some small four corners where they can slowly die as they deserve to. The fellow who is so stingy and greedy that he wants the rest of the community to work for new trade and stand all the expense while he trys to steal a bit of it by enticing some of the unwary to come in and buy cheap goods at a big price, which he don't dare advertise, is just like the leech in the mill pond that lives off the live ones who work for their living while he sucks out their life blood. The fewer there are of these creatures the better it is for any community and they should be unceremoniously killed off by keeping every bit of trade away from them possible. Tecumseh is 95 per cent town builders—lets make it 100. The old ship would then travel a merry clip and soon reach the port of sound prosperity.

Lets trim our sails for the breeze thats already coming, scrape off the barnacles from our bottom and a big prosperous new trade wind will send the good ship Tecumseh along at a merry clip. The first step is to organize a genuine trade club full of real life. Why not? Who will start the ball rolling?

One thing we wish to emphasize is that one individual making himself rich in a few years at others expense is not town building. It is usually town knocking. When everyone prospers a little, the farmers just the same as the merchant, it builds a town and makes it just the place to live and grow. Tecumseh is a farmer's town and we must do all we can to attract and help by real honest bargains to assist the farmer in getting what he wants, when he wants it, and at a price he can afford to pay. We must show him we are doing that by every means at our command if we expect to attract and hold his trade. It's sound business and will make permanent friends. Let's Go.

A USEFUL PAIN

Tecumseh People Should Heed Its Warning.

Have you a sharp pain or a dull ache across the small of your back? Do you realize that it's often a timely sign of kidney weakness? Prompt treatment is a safeguard against more serious kidney troubles. Use Doan's Kidney Pills. Profit by a Tecumseh resident's experience.

John B. Smith, farmer, says: "I suffered from pains in the small of my back. When I had an attack it was all I could do to go about my work. When bending I was seized with dizzy spells, causing spots of fire to pass before my eyes and at night I rolled and tossed in bed and woke up in the morning feeling unrefreshed. I used other kidney remedies but received no permanent benefit. I heard of Doan's Kidney Pills and was induced to try them. After taking a few more boxes I was completely cured."

Fordson
THE UNIVERSAL TRACTOR

Buy Your Fordson NOW

At this amazingly low price you can't afford to wait another day for your Fordson Tractor.

There is no tractor made that can approach the money value of the Fordson. Nor is there a Tractor made that can do more work for you.

Remember, the very day your Fordson arrives, it is ready for any one of the 101 jobs it can do—either as a tractor or a stationary power plant.

The Fordson has proved to the 170,000 owners that it has not only cut the cost of field work 30% to 50% but that it has made substantial savings on every job to which it is put.

Fordson figures are interesting-money-savers, labor-saving, drudgery-saving facts you ought to know. Come in, phone or write today.

PROBATE NOTICE.

STATE OF MICHIGAN, County of Lenawee—ss. Probate Court for the County of Lenawee.

At a session of the Probate Court for the County of Lenawee, holden at the Probate Office, in the City of Adrian, on the 23d day of June, in the year one thousand nine hundred and twenty-two.

Present, HON. HARRY L. LARWILL, Judge of Probate.

In the matter of the estate of GEORGE M. ZIMMERMAN, deceased.

On reading and filing the petition, duly verified, of Isaac Zimmerman, brother and heir at law of said deceased, praying that administration of said estate may be granted to Pliny Gratz, or some other suitable person.

It is ordered, That Monday, the 24th day of July next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald a newspaper printed and circulating in said County of Lenawee, for three successive weeks previous to said day of hearing.

HARRY L. LARWILL, Judge of Probate.
E. I. Larwill, Probate Register.

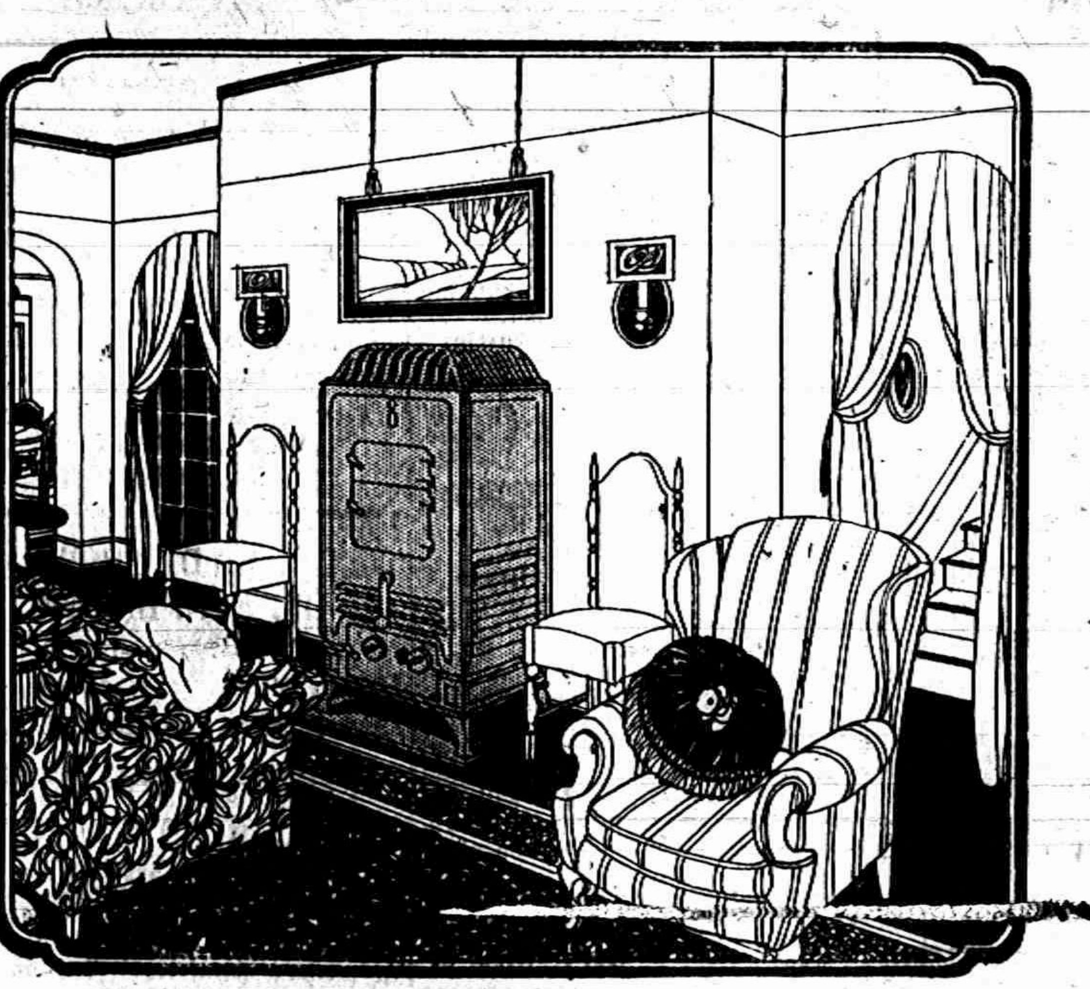
Join Our HEATROLA Club



Note how the Heatrola harmonizes with the furnishings of a modern home. It is a handsome piece of furniture, an ornament to any parlor.

To every one who joins before Aug 12th

One Ton of Coal FREE

We offer to sell Estate HEATROLAS during the next three weeks under a liberal club plan. By joining our HEATROLA CLUB before August 12th and paying down only $2, you are insured one of these wonderful heaters, installed in your home at your convenience, and you receive ABSOLUTELY FREE ONE FULL TON of coal. The $2 applies on your purchase price. Come in for full particulars.

This is the Estate HEATROLA

Looks like a phonograph works like a furnace
Heats 3 to 6 connecting Rooms

The Estate HEATROLA is the new-day heater for small homes, bungalows, apartments and stores, with or WITHOUT BASEMENTS. It looks like a handsome cabinet phonograph and works like a furnace. It will heat three to six connecting rooms—even more rooms in some houses—circulating warm, moist air, just like a furnace.

It is indeed a furnace—*a parlor furnace*—beautifully finished in grained mahogany enamel. Handsome enough to be an ornament to any home. You don't have to take it down in Summer, for it is a beautiful piece of furniture. The Heatrola is easy to keep clean. No iron to black, no nickel to polish. Just rub and dust it with a cloth, as you do your furniture.

As an inducement to order your Heatrola now, we are making this club offer. You pay only $2 down and we will install the Heatrola at any time you may specify.

As an added inducement to join our Heatrola Club NOW we will give you absolutely FREE ONE FULL TON OF COAL.

We have only a limited number of Heatrolas to sell under this plan, and in any event, the offer is good for three weeks only. So it will pay you to come in soon. Your $2 entrance fee is applied to the purchase of the Heatrola. And other payments for the heater may be made in small weekly or monthly installments.

Come in and see the Estate Heatrola. Get our full offer and terms. Let us explain the construction of the Heatrola and show you a wonderful book of letters proving how well it heats, and how economical it is. Does the work of a furnace, but uses no more fuel than a stove.

COME IN AND SEE IT!

COUNCIL PROCEEDINGS.

Council Chambers, Village of Tecumseh

Special joint meeting of the village council and board of special assessors, held on Friday, July 21, 1922, at three o'clock in the afternoon of said day, pursuant to due notice thereof heretofore duly given.

President McIntyre in chair.

Present: Trustees Hendershot, Pulver, Campbell, Anderson, Satterthwaite.

Present: Special Assessor, Frank Snell.

The affidavit of E. T. Armstrong, printer of the Tecumseh Herald, a newspaper printed and circulated in said village, being presented, showing the publication of due notice of said meeting for at least two weeks prior to this date, was presented and ordered placed on file.

The special assessment roll for District No. 4 was reviewed, certain corrections made therein, and then said roll was confirmed as corrected, and the clerk was directed to endorse the certificate thereof upon said roll, showing said date of confirmation.

The Council directed that said special assessment made in said assessment roll for District No. 4 be collected, and that the clerk attach his warrant to a certified copy of said special assessment roll, therein commanding the village treasurer to collect said tax according to law.

Motion made and supported that the bids on bonds be referred to Finance Committee, with power to accept. Carried.

Motion to adjourn.

W. L. Coller, Clerk.

AT THE BRADLEY THEATRE.
Play.

Mae Murry Dances Way Through

That delightful little star Mae Murray has one of those redient personalities that seems to leap from the screen. In "The Delicious Little Devil" at the Bradley Theatre, Wednesday and Thursday, August 2 and 3, she plays a part that offers her the fullest scope for her dancing ability and the way the former Follies star glides across the waxed floor is a show in itself.

On the strength of her wild reputation she becomes the rage of one of the wildest roadhouses around New York and has the men at her feet in droves.

Jimmie is in the same fix. He loves her but fears to entrust his future happiness to such a little vamp. The climax comes in the midst of all these snarls and of course everything is straightened out as it should be.

You will love "The Delicious Little Devil" and regret missing it so take a tip and get there early.

Ray Drops "Rube" Role To Be Fashion Plate in New Film.

Chahles Ray is a regular fashion plate in his latest First National starring vehicle, "Nineteen and Phyllis," which will open an engagement of one day at the Bradley Theatre on Saturday, July 29.

In this production Mr. Ray departs from his usual rube garb role, appearing in up-to-the-minute mail order house garb as a dapper nineteen-year-old city youth, whose two obsessions in life are Phyllis Laurin and a desire to be regarded as a Southern gentleman.

Mr. Ray's supporting cast includes Clara Horton in the leading feminine role. Lincoln Stedman, George Nichols, Cora Drew, Frank Norcross and DeWitte C. Jennings.

Booth Tarkington's delightful novel, "The Conquest of Canaan," picturized by Paramount as a starring vehicle for the ever popular Thomas Meighan, will achieve a decided success on its presentation at the Bradley Theatre, Sunday, July 30. It is doubtful if Mr. Meighan ever has done a more difficult characterization on the screen than Joe Louden, that uncouth and eminently unrespectable denizen of Beaver Beach, who later studies law, wins the love of Ariel Tabor and finally becomes Mayor of Canaan. In every respect the picture is one of the best of the Meighan repertoire this season.

UP TO DATE.

The Bradley is putting on a show advertised elsewhere in this paper that goes from here to the Pantheon Theatre in Toledo and is playing at three Detroit Theatres at the same time as it does here. That's getting them right up to the minute we say.

For Sale--Real Estate

The property of Lewis Skinner on West Chicago street must be sold as the family are to leave town this fall. It's going cheap. Get busy.

Have several farms listed, among them that of Clare Woodward. Can cut it up into some small farms of which that dandy apple orchard will be no small part.

Have several small but splendid farm properties listed. May interest you, call me up. One especially good bargain is 25 acres of pasteurage close to town.

A new addition to my list is the Kemp property on East Shawnee. A nearly new cozy little home and it's going cheap.

Also the Geo. Zimmerman dwelling now owned by Meyer Rottman. House nearly modern and new born.

Adjoining store buildings on Chicago street, a good investment

Home of Mrs. Minnie Gates on North Union street for only $900. Told you this was a bargain!

Another new one just listed is on West Pottawattamie street. Large house, with lights, city water and sewer. Barn all ceiled and nicer than many dwellings. And all I want for the property is $3000. Better look this up!

For Rent—Large house with four bedrooms. All redecorated and with new electric lights.

OBITUARY.

Mrs. Almeida Sones, a well known resident of this place was born in Macon township, August 29, 1849 and died at her home July 17, 1922, being in her 73rd year.

She had been in failing health for the last year, death being due to a complication of diseases. She was the daughter of Abner and Margaret Ellis and at the age of 18 was united in marriage to John Sones who passed away July 1, 1916. Her life since her marriage has been spent in the farm home in which she died. She was a member of the Macon Methodist church where she was a faithful attendant until failing health would not permit it longer. She was of a kind and loving disposition, always thinking of the welfare of others and never complaining. She will be greatly missed in the home, as well as by a large circle of friends.

Surviving her are four sons and one daughter, Harvey of Clinton, Byron of Tecumseh, Charles and Marvin at home and Mrs. Chas. Allen of Ann Arbor, also two grandsons, Harley and Kenneth Allen of Ann Arbor. There are also three brothers and two sisters, Charles of Lansing, Clayton and Garret of Macon, Mrs. Libbie Estabrook of Clinton and Mrs. Saville Hendershot of Adrian.

The funeral services were held Wednesday afternoon at 2 o'clock at the home and the remains were laid to rest by the side of her companion in the Macon cemetery. The bearers were the four sons, Harvey, Byron, Charles and Marvin, also Chas. Allen and Harley.

Card of Thanks.

We wish to thank all those who assisted during the sickness and death of our dear mother, also the singer and the minister for his words of comfort and also those who furnished cars for the funeral.

Mr. and Mrs. Harvey Sones,
Mr. and Mrs. Byron Sones,
Mr. and Mrs. Chas Allen,
Marvin and Chas. Sones.

ADRIAN WINS A HEART-BREAKER.

The Tecumseh Indians lost a heartbreaker last Sunday to Adrian which they had beaten 1 to 0 up to the last half of the ninth and they had two strikes on the man at bat, but the third time he swung he made a scratch hit and got safely to first.

Assisted by errors on both the infield and outfield he managed to score and the count was evened up. In the tenth, the home team couldn't stop the visitors from annexing two more scores which settled the contest 3 to 1 in favor of Adrian.

A good crowd was in attendance and yelled themselves hoarse in helping the home team to win but all to no avail as the fates had decreed that the "seaters" should carry off the long end of the score. Leonardson pitched a good game but luck broke against him when it counted.

CHOSE A GOOD ONE.

Once more Lenawee County has received recognition by a big manufacturing conern, as the typical prosperous section of Michigan.

The Parker Rust Proof Company of Detroit has chosen this county as first one in which to introduce their product, "Hyrocide."

The Parker Process of Rust-proofing is known throughout the country because of its wide use by the government during the war and by manufacturers of iron and steel products. Hyrocide serves a different purpose; it is primarily for the removal of rust, although it also has high rust-proofing qualities.

Speaking of the present campaign, W. H. Cornelius, Secretary and Treasurer of the Parker Rust Proof Company said "Hyrocide is used in various industries for the removal of rust. But we were constantly urged to put it out in a size package that would fit the needs of the home, the garage and the farm.

"When we decided to do this, we naturally turned to Lenawee County to find how general is the need for such a product. For here we find a rich farming country, a large percentage of car owners, manufacturing, and a home owning population. It is the ideal type of American community.

"Hyrocide finds a use among all classes of people. In the home, rust impairs the usefulness of many articles. About the car, it causes rapid depreciation. On the farm it is ever troublesome. And wherever rust is present, Hyrocide is needed.

"We believe the people of this great county will welcome this efficient rust remover."

DEPUTY J. B. SMITH JOINS RAIDERS.

In a spectacular all night raid against illicit whiskey makers and sellers near Springville last week, Deputy John B. Smith together with the officers from the county seat finally succeeded in landing a few in the county jail.

It has been known for a long time that whiskey was being made and sold in this vicinity but the officers were unable to locate the parties with sufficient evidence to hold them. Hence last week the whole force went out and found the still hid in the woods and considerable of its product hid in one of the suspected homes. Moonshining used to be confined to the hills of the south but it has migrated all over the country with the advent of "bone dry" laws until good old Lenawee is now on the moonshine map.

VILLAGE BONDS ARE SOLD.

When the bids of the various bond houses and others were opened for the village bonds authorized at the last election for the purpose of paving, it was found that the bid of Edward Frensdorf of Hudson was the highest bid and it was accepted.

The bid called for par value of the bonds with accrued interest up to the time the bonds were delivered to him and he is to stand all the expense of issuing the bonds. This was considered a good bid as the same bid took both the general and all special district bonds.

The transcript of the proceedings is now being prepared by the village attorney and the money will be available as soon as needed.

FIRE FRIDAY NIGHT.

Friday night about 6 o'clock the tenant house on the north side of the road belonging to the Prairie Side Celery Farm, where B. T. Dunn lived, was discovered on fire.

The origin of the fire is unknown but since it was first discovered near the chimney it is thought sparks may have started it, there having been fire in the stove all that day. Everything was lost, fire having gained too much headway before it was discovered.

The furniture was insured and it is believed the house was insured.

The buildings close at hand belonging to the Tecumseh Celery Company were endangered by sparks but were carefully watched so no damage was done to them.

Trap Shooting Draws Big Crowd

Fans And Others Drop In At Park Friday Night To See The Fun. Elusive Hunks Of Mud With Tail Wind To Help Them Fly Like Demons. Gray Sky Helped Many To Get Away Untouched.

The local shooters, members of the Tecumseh Gun Club, and others were out in force at the Park last Friday night to try their luck at the little hunks of baked mud with a yellow stripe on them and see how well they can draw a bead on a fast flying target.

Most of us found out it looks easy but like many an other trick it is much harder than it looks, and last Friday a tail wind helped put the speed into the flyers much to the dismay of the shooters. Also a dull mottled sky helped hide them so that the scores were low as compared with our previous shoot. However, the fun was all there and the big crowd enjoyed it immensely.

Tomorow (Friday) afternoon from five to eight it is expected that the Clinton shooters will come down and try titles with a five from this club and you will see some real fun as Clinton has had a club for some time and are supposed to be good shots.

The following is the score for last Friday.

CEMENT IS SCARCE.

The streets of the town in the business section look mighty nice without the poles on them and much credit should be given Manager Pruyne of the local Telephone Co. and the Electric Co. for the prompt removal of their poles giving the main street a very fine appearance.

But we hope that fate is on our side when it comes to the cement for it will be bad for all of us if we do not get enough to at least pave the streets of Tecumseh promptly especially the business section.

The contractor states that the District Engineer has promised to get enough cement to do this but the strikes and scarcity of coal has stopped most of the mills from producing and there is but very little on hand anywhere in the state. Lets hope it will come our way.

Later.

Mr. Frisinger, the Contractor, stated Wednesday night that he had just received a telegram from the state highway department saying that they could not get any cement for use at this time and did not give any information concerning the time it would be available.

Mr. Frisinger further stated that the outlook was very doubtful for receiving any cement at an early date, but that the streets would be graded and made ready to lay it as soon as it was available.

The steam shovel will cut another ditch from Hayden Mill hill to Ottawa St. to meet the one already dug in the business section and it was also stated that there are over 3,000 yards of material to be removed between Maiden Lane and Adrian St. which means that a considerable cut will be made throughout these four blocks.

NOTICE.

The party who was seen to take my lawn hose, while I was at the lake, should return it within the next three days while I am also at the lake and avoid trouble.

CARS CRASH NEAR TIPTON.

One of the usual Sunday accidents happened just east of the village of Tipton last Sunday afternoon about two-thirty.

Mr. and Mrs. Westinger, of Hastings, Mich., the former the Ford Dealer there, were driving east and when about sixty rods east of the corners at Tipton they were following another Ford car and driving about 35 miles per hour.

The head car laid over to the right of the road and the following car supposed they had done so for them to pass and started to do so when the lead car swung sharply into a gate and Mrs. Westinger who was driving saw a crash coming and threw her brakes on hard which swung the car around and off the road where it struck an iron stake in the ground and broke the front axle squarely off throwing the car upside down, completely smashing the sedan top.

Mr. Westinger was thrown through the windshield and escaped with a few bruises and scratches. Mrs. Westinges was pinned under the wheel and was badly injured, it being reported that she sustained many bruises and that she had 3 ribs torn loose from the back. Belding's ambulance was hastily sumoned and the unfortunate lady was removed to Bixby hospital where she was uade as comfortable as possible.

One who was on the ground early reported that the Westingers said the man who turned in and cut them off did so without giving any signal of turning whatsoever. It was a bad accident and should give warning that the utmost viligance and care is necessary in driving a car to avoid such accidents and that everyone must comply strictly with the rules of the road or they should be promptly arrested and severely punished. More mounted officers should patrol the roads on Sunday when traffic is heavy.

REV. JOHN R. GREGORY PREACHES SUNDAY NIGHT.

The meeting next Sunday night will be held on the Presbyterian church lawn with Rev. J. J. Preston as speaker.

A fine song service led by Rev. Curtis with Mrs. [illegible] McConnell at the piano opened the service Sunday night. Rev. Escolme read the scripture lesson and Rev. Kiskadddon gave the invocation.

Rev. Gregory introduced his brother, Rev. John R. Gregory of Grand Rapids as "the peacher he liked best to hear, because he is my brother."

Mr. Gregory took as his text II Samuel 23:8, which chapter gives a list of the "Mighty Men of David," and named several of the list together with some outstanding fact relative to their life.

They had a common great leader, David; they became great because they followed their leader, mighty because they obeyed. David was a Godly man who followed and obeyed God, by following the example of David they became mighty men for God.

We have the same great leader, Jesus Christ, by following Him we can become great leaders and mighty men and women in advancing the kingdom.

The meeting was well attended and everyone enjoyed the fine address.

WILL GIVE A HOT SPEECH.

Next Wednesday night immediately following the free show on the street, Theodore M. Joslyn, candidate for Governor at the primaries will give a talk explaining why your taxes are sky high in Michigan.

If you are interested in knowing the facts concerning the regime of extravagance now gripping the State of Michigan and which you are paying for just come to the free show and then wait a few minutes and hear Joslyn "skin 'em head to foot." It will be worth your time and its your duty to know why you are paying such extortionate taxes.

Come and bring your neighbors. Lets hear about it anyway.

GIRL SCOUTS AND BOY SCOUTS CAMP.

The Boy Scouts and the Girls Scouts that plan to go camping spent Friday evening with Rev. and Mrs. Curtis, making their final plans.

The girls will have a cottage furnished with room for sixteen and Mrs. Leslie Bower will be their chaperone. The boys will have four tents and Rev. Curtis will have charge of them.

There will be about thirty-five campers in all, the girls staying a week and the boys ten days, camp beginning August 14th.

MISS ALICE WIMPLE ENTERTAINS.

Tuesday afternoon Miss Alice Wimple entertained a party of friends. The afternoon was spent in visiting and a dainty two-course luncheon was served.

Those present were Mrs. Thos. Perry of Chicago, Miss Keeney of Saginaw, Mrs. J. R. Keeney, Mrs. C. A. Slayton, Mrs. A. W. Mills and Miss Wimple.

Mr. and Mrs. L. G. Coleman and son William of Highland Park are visiting Mr. and Mrs. W. W. Whiting, dividing their time between here and their cottage at Wamplers Lake.

BIG CHAUTAUQUA COMING AUGUST 12-13-14th.

Tecumseh people and those living in this vicinity will have a rare treat from August 12 to 14th inclusive when the big three day program of musical numbers, lectures and special features all put on by people of national reputation come here to give the big chautauqua program.

Everyone will enjoy this short but excellent campaign of fun music and educational features. It is not only very enjoyable but it is a distinct community uplift and for the direct benefit of everyone from whatever angle you choose to consider it. No community should go on eternally without the benefit of these uplift campaigns. They stimulate music, education and business. They put us in touch with the best and latest ideas for the direct benefit of home and country and direct our attention to things worth while.

And further this chautauqua is for the benefit of the Ladies' Band our celebrated organization that has attracted attention to Tecumseh from all points in the state. They need all the support we can give them and they certainly well deserve it for they do their share to boost and help every other movement to a success so we would be "pikers" indeed if we do not get out and work for the success of this chautauqua. Tecumseh will do it as they always do, so come on do your bit and buy that ticket at once. Show the world you are for Tecumseh and the Ladies Band.

WEDNESDAY SHOWS RUN UNTIL FALL.

Regardless of the condition of our main street or the weather or any other condition that anyone can think of, we are positively assured by the management of our Wednesday shows that we will have a show every Wednesday night rain or shine and that every convenience will be provided for the good people to come and hear and see these attractions.

Our shows this year are better than ever before and the crowds are bigger and better looking so come along to the only town on earth that can or will give the people of the community such splendid attractions free every Wednesday night.

Hart's Band was one of the greatest aggregations of musicians ever heard in Tecumseh or any other town of twice our size and the big crowd packed every available inch of space and enjoyed every minute of the wonderful concert they gave.

ENTERTAINS FOR DAUGHTER.

Last Tuesday afternoon seventeen friends of Miss Jean Hodges responded to invitations to join the young lady and help celebrate her sixth birthday.

It was a very happy gathering and after an afternoon spent in games and pleasure so dear to young ladies of about this age, they were treated to very generous helpings of ice cream, cake and other dainties so dear to the hearts of the little Misses. To say that all enjoyed the afternoon is putting it very mildly.

BIRTHDAY SURPRISE.

Mrs. W. R. Curtis was very happily surprised last Monday evening when 40 guests unexpectedly arrived to help celebrate her birthday.

Tables were placed on the lawn and a delicious pot-luck supper served. Mrs. Curtis was presented with a substantial purse as a pleasant reminder of the occasion.

DROVE TO PIQUA, OHIO.

Last week Friday Mr. and Mrs. H. S. Waring, accompanied by Miss Lois Donaldson and Wyman Service, drove to Piqua, Ohio, to hear the Warwick Quartette give several numbers at the annual chautauqua. Lester Waring of this place is a member of the quartette which is appearing before large audiences and meeting with splendid success.

The Piqua Daily Call has an extended article in it giving the boys great credit for their entertaining numbers. Over 5,000 people were in attendance at the meeting which lasts eleven days and is held in one of the finest auditoriums in the state, being just built this season for the use of the chautauqua meetings. The Quartette has appeared in most of the north central states this season and is meeting with unusual success.

The Call says of Mr. Waring, "Give a Man a Horse He Can Ride" was sung by Mr. Lester Waring in a rich melodious voice, "Fiddle and I," and "Wabash Blues" which Mr. Waring played on his soprano saxophone completely took the people off their feet."

MANY ATTENDED FUNERAL OF FORMER TECUMSEH MAN.

Mrs. Caroline Smalledge and Mrs. Elizabeth Graff have returned from Jackson where they attended the funeral of Melvin Sisson, the oldest son of Mrs. Smalledge.

Mr. Sisson had been in poor health several months. He was a former Tecumseh man, moving to Jackson with his wife and children ten years ago. He was a moulder by trade working in the foundries here before he went to Jackson.

Besides the wife and three children he is survivd by his mother and one brother, Tead Sisson of Adrian.

Many Tecumseh relatives attended the funeral services.

EIGHT BOYS AT CAMP CUSTER.

Wednesday morning eight boys left for Camp Custer to attend the Citizen's Military Camp which lasts from August 2d to September 2d.

There will be a total of 3300 young men from the states of Wisconsin, Illinois and Michigan.

This camp was made possible by the Military Training Camp Association, R. K. Anderson being the branch chairman and through the efforts of Lieut. P. C. Satterthwaite, U. S. R. permits were secured for the boys from Tecumseh.

The boys who went were Dale Mominee, Laurence Gray, William Beardsley, John Erwin Anderson, Dale Bowen, Webster Anderson, Robert Collins and John Bell.

Tecumseh has earned a place on the map for this fine representation the first year.

BUYS OUT BUSINESS.

E. C. Heilman who has been associated with the firm of Gaston & Son for several years has purchased the interests of the other heirs and will continue the jewelry business under the same firm name and at the same place as heretofore.

Mr. Heilman said this morning that the same general conditions which has made the firm so well known will be continued.

CELEBRATES SILVER WEDDING.

Mr. and Mrs. Alfred N. Wright celebrated their twenty-fifth wedding anniversary on July 29th.

Mr. and Mrs. Wright were married May 6, 1879, but deferred their celebration till her sister, Mrs. Arthur C. Hunt and husband could join them, coming from Salem, Mass.

The family reunion was held at Mr. Wright's farm home in Tecumseh, on the 25th wedding anniversary ofq Mr. and Mrs. Hunt, on July 29th.

The family gathered on the spacious lawn where supper was daintily served by the twin daughters of the Wright's, Gertrude and Genevieve. Mr. and Mrs. Sydney H. Reynolds, Mrs. H. C. Reynolds, Mrs Russell B. Reynolds, Mr. and Mrs. Curtis G. Reynolds, all of Dundee, Mr. and Mrs. Warren Jones and daughter Phyllis of Ridgeway, Mr. and Mrs. Frank E. Harvey of Adrian and Mrs. Clara Browning of Toledo were present.

The afternoon was spent in games and visiting and recalling the events of the weddings of twenty-five years ago, and was a most pleasant occasion.

NOTED COLLECTION OF CANES.

Mr. and Mrs. L. L. Forsyth of Ann Arbor are summering at Wamplers Lake with their four children. Also with them are three ladies of Morenci, Mich. All of them are relatives or acquaintances of Mr. Frederick W. Day of Cleveland, Ohio, the greatest cane collector on earth so far as known. He has gathered 900 canes from all parts of the world—and has recently sent 34 canes to Dr. North of Tecumseh for his inspection. They are soon to be returned to the collection in Cleveland. Last Friday afternoon the Forsyth's and their guest were all in Tecumseh to see those 34 canes. They made a merry patry. Anyone who wishes to see the canes is invited to do so at the Doctor's residence, 408 Chicago St. west, at any time within the next two weeks.

BRIDGE CLUB.

Mrs. F. S. Turner entertained the Bridge Club Thursday afternoon at her home on West Chicago street.

There were four tables of players who enjoyed the afternoon playing progressive bridge. Refreshments were served at the close of the games.

The out of town guests were Miss Keeney of Saginaw, Mrs. Thos. Perry of Chicago and Mrs. Hicks of Chicago.

"I Never Knew That Before."

Just the other day a customer explained that he had a certain amount of money which he did not need for six months. He asked our advice in placing this money to best advantage.

When we explained that, as a time deposit, his money would begin earning at the rate of 4½ interest immediately, he replied "I never knew that before."

Time deposits offer other advantages also. We will be glad to explain them to you.

Opportunity for Young Men Between 21 and 25 to Become

SALESMEN

The truest success is but development of self.

A young man's success engages and is limited by, his endowments, his opportunities, his environments, his relations to life and his future.

Success must be determined by the consciousness of the fully awakened individual considered with referrence to conditions as they now are, and not as they might be.

Are you actually using your personal efficiency to the best advantage known to yourself?

The only sure test of one's ability to achieve greater success under improved conditions is the measure of success one now achieves under poor conditions, we will improve conditions by first of all giving you proper training. You will become master salesman if you will work and follow our instructions, your future will be assured with a national organization.

Your Success Will be Our Success

We prefer young men of good character, who have had no selling experience but who are willing to learn. We start you in your own community and teach you the business.

If you value success sufficiently to be willing to pay for it the full legitimate price of intelligent and persistent effort, write us immediately giving your age, extent of your business experience and three references.

How The Master Driver Became Master Tire Builder

IN 1903, driving the "999" racing car, Barney Oldfield started his career of victories that later earned him the title of "Master Driver of The World." To overcome the tire weaknesses that made racing difficult and dangerous, he studied tires—specified materials—supervised construction.

Today, Barney Oldfield is known as the "Master Tire Builder." Starting with the crude tires which carried the "999" one mile in sixty seconds, Oldfield gradually developed his famous Cords—a set of which covered 500 miles at eighty-eight miles an hour without a change.

In three years Oldfield tires have won every important race on American speedways. They are the only American tires that have ever taken first place in the French Grand Prix. They have won for three consecutive years in the 500-mile Indianapolis Sweepstakes. So far in 1922, Oldfields have lowered four World's Records and seven track records.

The Wichita Test Run gave evidence of Oldfield superiority in touring—when a set of four Cords covered 34,525 miles over rutted, frozen, winter roads—a performance attested by the Mayor of Wichita.

See your dealer and get a set of these rugged tires that Barney Oldfield has developed and perfected through a lifetime of practical tire experience. Their performance will convince you that they are "The Most Trustworthy Tires Built."

PUBLIC DUTY.

Is a phrase very much heralded by those aspiring to public office and very much forgotten as soon as a candidate is elected. Why not?

The reason why a public servant forgets his public duty after election is because the common people forget their public duty BOTH BEFORE AND AFTER election so why should the people's servant elected by them adopt any other attitude toward public affairs than the people do themselves?

It is very plain to be seen that they will not, and the entire fault rests directly with the people. For instance special interests want special favors that of course are directly opposed to the people's interests and these special interests make a business of using every means at their disposal to coerce the public servant into doing their bidding which he generally does to further his own interests. Why not?

You strongly condemn your representatives in office for doing what you do every day. To illustrate, if the officers of the law enforced the laws as they are on the statute books and made the people live up to them, you would be among the first to desert them and let the offenders condemn them loud and long; and when it came to election again you would stay at home while the law violators and all their friends would be there and kick the man out of office who dared to interfere with their operations whether they were breaking the law or not.

You shirk your public duty every day and excuse yourself because you are not elected to office but condemn the officer for not doing what he knows will be political suicide because YOU WILL NOT DO YOUR PUBLIC DUTY.

Graft is rampant through the country. The state laws say that no man elected to an office can profit by any contract made with the body on which he is serving as an officer. Yet it is done with impunity and you don't have to go outside the county to find it. A penalty is provided for breaking the law and it is severe enough to stop such work if it were applied, but who will apply it? If such work is allowed to go unchallenged right amongst us at home, what is to be expected from our officers who are farther removed from direct contact with the people. It is directly due to the people shirking their public duty because they are afraid of offending someone and losing a little business. In other words financial success is placed above public duty and such being the case, there is no power on earth to stop us from heading straight to the same end that all other nations of the earth have met which adopted the same attitude.

Time was when we all wrote in our copy books. "Honesty is the best policy." It is a travesty on one's intellect to write it now. You say this is too strong? You certainly are not informed on what is being done and do not read the great daily papers if you think so. Who or what is to stop this proceedure? Nothing but a reawakening of the public conscience to a point where all men will fearlessly do their public duty.

It is true we are being made a race of law violators by the fool legislation placed on the statute books. We have so many curtailing our proceedure in life that we can't get to work in the morning without breaking one and at once everyone becomes conscience hardened against all law except what personally benefits us.

The children as soon as they can ride a bicycle become law breakers and all teaching of the schools they can swallow does not change their attitude toward law which is held in slight contempt. Their elders speak and act contemptuously of the law so what can we expect of our public servants?

If a teacher does her honest duty and marks a child what he actually earned, he or she is a failure. If they mark them all 90 or above no matter what they deserve, they are a pronounced success and every parent is heralding their glory from year to year and at the same time telling how close they mark in order to add more credit to their offspring's ability and perhaps take a little ourselves as the sire of such brilliancy. Of course we will deny the allegation, how could we do otherwise and retain the respectability of the family name.

The editors, teachers and preachers are all wrong when it comes to telling us what our public duty is. This is a free country and who the D---l dare tell me what to do? That is exactly where we are right now with the two great strikes paralizing the country and threatening to freeze us out next winter. Who dare tell a coal operator to pay living wages, or a miner to work for the same? There is doubtless a fair policy to both and it is easy to find, and we have a great government with a great President to see it in operation but he can't see the solution or seeing it dare not put his ideas into operation because he does not want to offend either the strikers or the operators. He wants all the votes for his party, and the congressman who are to be re-elected shake with fear lest they be drawn into the quarrel and lose a few votes.

Votes is the nightmare of the politician, and the people are the voters. If the public servants knew the people had a real honest-to-goodness conscience that would cause them to do their public duty fearlessly 100% of the time, they would do theirs, for the majority of the people are right and our great government was conceived and built upon RIGHT by men who dared to do their public duty even if it took their lives on the gallows or before a firing squad to say nothing of those who have died on the "field of honor in defense of RIGHT."

We are not a pessimist neither are we such a fool optomist that everything including our present sad neglect of our public duty is RIGHT. We are just independent enough to think that when we discover we, ourselves are to blame for not standing squarely for the law as it stands and for changing the law if its bad, but living up to it until it is changed, and demanding by our solid vote that our representatives represent the people's interests instead of the private ones, and for the penitentiary for all grafters big and little, then we will find a little relief coming the people's way and fewer billionaire thieves in the country that our representatives help make.

Its your public duty that tells the whole story and you can never shake off the responsibility in such a great government as ours where the people are supreme. If we fail in our public duty, the government built upon that rock will crumble quickly. We have signs of it a plenty—when will the people quit putting the almighty dollar above public duty? When? What catastrophe will wake them up. Shall it take an upheaval that runs the country red or will something else do it? You tell.

GOOD NEWS

Many Tecumseh Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the many bad back sufferers in Tecumseh are glad to learn where relief may be found. Many a lame weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with this tested remedy. Here is an example:

Mrs. F. Stauffer, 102 E. Kilbuck St., Tecumseh, says: "I have a lot of hard work to do and being on my feet so much, put my kidneys out of order. My sight became affected, so I had to wear glasses. My back got so painful I couldn't stand it. Many times I had to go and sit down. I had dizzy spells, too. Doan's Kidney Pills, purchased at Wright & Son's Drug Store relieved me of this complaint. I willingly recommend Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Stauffer had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. adv

STATE FAIR TRIP INTERESTS BOYS

YOUNGSTERS EAGERLY AWAIT JOURNEY TO DETROIT FOR 10-DAY DEMONSTRATION

HUNDREDS OF CHILDREN WILL ATTEND SCHOOLS

Everywhere in Michigan boys who won in the county competitions for free trips to the Michigan State Fair, Detroit, September 1 to 10, are preparing for their participation in the Boys' State Fair school of the seventy-third annual exposition.

Back of the boys' state fair school is the hope of building permanently in the minds of Michigan's future soil tillers what the Michigan State Fair [illegible] and hopes to accomplish.

The county eighth grade examinations for the trip to the fair this year included questions concerning state trunk line railroads, facts about [illegible] which cannot be found in [illegible] knowledge of crop rotations, warfare against weeds, insects and [illegible] other questions. Twenty questions made up the examinations. Boys who win scholarships at the state fair all are from the rural districts. They come to the state fair at the expense of the exposition which includes transportation and living costs during the visit here.

Upon entering the school, each boy is subjected to a physical examination to determine whether or not he is strong enough to withstand the severe 10-day course.

The 10-day course includes lectures by stock judges, inspection tours through all departments and visits about Detroit. Entertainment is provided to relieve the monotony of strenuous schooling. The school superintendent is E. T. Cameron, of Lansing.

Besides the school, the Michigan State Fair also sponsors a course in conjunction with the Michigan Agricultural college, in which 150 boys and 50 girls participate. The youngsters are brought to the fair in relays of 30 every two days. When facilities permit, the entire group will be allowed to remain throughout the fair. All expenses of these children are defrayed by the fair.

Forrest A. Lord, of Mt. Clemens, a member of the board of managers, heads this department of which R. A. Turner, of Lansing, state club leader, is superintendent.

STATE FAIR RADIO SHOW PROMISES WIDE INTEREST

Considerable attention will be directed this year at the Michigan State Fair, Detroit, September 1 to 10, to the new marvel of man—radio, says George W. Dickinson, secretary-manager of the exposition.

"We believe radio has a great future on the farms and we intend to present to the farmer visitors at the Michigan State Fair, this year, an extensive exhibition of this invention," says Mr. Dickinson. "Big receiving sets will be placed in actual operation and practical demonstrations given for guests showing how the farmer in the upper peninsula can keep in constant communication with the cities by means of radio telephony."

Much space in the main building will be given over to radio exhibitions, believes Mr. Dickinson. A definite program of the radio division of the State Fair will be announced by the secretary-manager later.

BARNES NAMED TO HEAD STATE FAIR DOG SHOW

Frank W. Barnes, of New York City, has been named secretary and superintendent of the all-breed dog show to be given by the Michigan State Fair Dog club at the seventy-third annual exposition, Detroit, September 1 to 10.

A plan to have specialty dog clubs co-operate with the fair organization in presenting a specialty show Sunday, September 3, preceding the regular three-day dog show of September 4, 5 and 6, is now under way.

Cash prizes will be given to winners this year instead of the percentage prize awarded at the last fair. Prizes for handlers also will be offered, announcement of which will be made at a later date.

NOVEL BUTTER STATUARY PROMISED AT STATE FAIR

Visitors to the fair who have been drawn to the butter sculptor's work in the dairy department will surely return to see this work at the Seventy-third annual exposition, Detroit, September 1 to 10.

A boy, pushing a wheelbarrow, containing a huge pumpkin, selected by G. W. Dickinson, secretary-manager, as the official fair trademark this year, will be reproduced by J. E. Wallace, sculptor. Mr. Wallace already has started a study of the drawing and intends to bring out every minute detail of it in his work.

Other features, of course, in butter statuary will be made by the sculptor.

AT THE BRADLEY

All the electricians in the Goldwyn Studios were not enough to operate the number of lights used in photographing the vast ball room seen in "The Night Rose," a picture written by Leroy Scott, and directed by Wallace Worsley. Lon Chaney, who plays the leading male "heavy" role, worked as electrician between his own scenes, with Cullen Landis, the juvenile leading man, and Arthur Statter, Goldwyn scenario writer, as assistants. It was Chaney who stopped the call for extra electricians, pulled out an old Union card, and said, "I used to do this sort of thing."

"The Night Rose," a story of the underworld, in which Chaney does some of his finest work, will be seen at the Bradley Theatre, Saturday, August 5th.

"Rent Free"—See Wallace Reid

If the rent problem has hit you hard, why not see how Wallace Reid gets around it in his new Paramount picture, "Rent Free," which comes to the Bradley Theatre next Sunday, August 6. He lives on a roof-top in New York not only rent free, but finds delightful romance by exploring the house tops. Lila Lee is leading woman and heads a strong supporting cast.

"Mind Your Own Business"

—That's one of the best rules that grandmother teaches. But supposing you're a flapper without solid sense enough to do everything grandmother says? That's the predicament the heroine of "Don't Get Personal" is in when she starts her flippant flirting course across the screen of the Bradley Theatre next Wednesday, Aug. 9, in Universal's flapper romance. Marie Prevost's the star and Clarence Badger directed it.

PRES. DAVID FRIDAY GIVES FARM INCOME FACTS.

East Lansing, Aug. 3.—That value of agricultural products in the United States, as compared with compensation of railway employees, has suffered a relative loss during recent years, and that farmers as a whole consequently favor proposed wage reductions for the railroads, is the conclusion reached by President David Friday, of the Michigan Agricultural College, in an article which has appeared in the current issue of the Review of Reviews, national magazine.

Statistics presented by President Friday in analyzing the farmer's position show that, whereas the total value of agricultural products in the United States was more than twenty-three billion dollars in 1919, it fell to a little more than twelve billions in 1921, with an estimate of thirteen billions for 1922. Compensation of railway employees, on the other hand, has fallen from two billion eight hundred and forty-three million in 1919 to two billion eight hundred million in 1921, and an estimate of two billion six hundred million for 1922, a slight decrease as compared with the farmers earning power. In view of the further fact that the farmer believes that the size of railway labor's wages, because of the effect on freight rates, has a very direct effect upon the price which he receives for his product, he naturally looks with favor upon lowered wages, according to Friday.

Commenting editorially upon the present agricultural situation, the Review of Reviews speaks of President Friday's article as "evidence that there is a strong and positive public opinion among the farmers of the country, that must be taken into account in the future adjustment of large problems that effect public welfare."

OBITUARY.

During the past few days we have again been forcibly reminded of the brevity of life, as we think how quickly Chester Caswell, a highly respected citizen and life long resident of this vicinity was called to his long home. Mr. Caswell, as reported last week met his death from an injury sustained last week Monday. He and some fellow workmen were stacking hay on Henry Van Deventer's farm, four miles northeast of here, when a guy wire that supports the gin pole broke, letting the pole to fall, striking Mr. Caswell on the head and badly crushing the skull. Dr. S. J. Rubely, who was called, assisted by friends, immediately took him to Ann Arbor hospital where an operation was performed, but to no avail and he soon passed away without becoming conscious. Mr. Caswell lived with his daughter, Mrs. Albert Grieshaber and family and the remains were brot home to await the last sad rites.

Chester Caswell, son of the late Bry and Betsey Caswell, was born in Lenawee County, Michigan, August 20, 1862 and died July 25, 1922, aged 59 years, 11 months, 5 days. He was the third son of a family of six children, one of whom died in infancy. He was united in marriage Dec. 25, 1883 to Miss Ella Auten, who passed away Nov. 30, 1921. To this union one daughter, Lellah May, was born and she with her husband Albert Grieshaber and son Albert Jr., deeply mourn their loss. He is also survived by four brothers, George and William Caswell of Monroe County, Ellis Caswell of Adrian, and Mark Caswell of Pontiac. Mr. Caswell was a genial, generous hearted neighbor, respected by all who knew him and his untimely death casts a gloom over the entire community. He was an active worker in church festivities and a memb[illegible] DeSpelder Presbyterian Sunday school, where he will be sadly missed. He was a loyal member of the I. O. O. F. order and Modern Woodman of America, carrying an insurance in the latter organization.

The funeral services were held Friday afternoon at 2 o'clock at his late home, the Rev. R. C. Powell assisted by Rev. Chas. Bragg officiating, the Odd Fellows having charge of the services at the grave and beneath a bed of beautiful flowers he was laid to rest by the side of his companion in Ridgeway cemetery. The pall bearers were Harley Hill, Charles Gunder, Thos. Russell Wm. Craig, Charles McCarbery and Frank Hoagland.

Those from away attending the funeral were Emey Auten, Ellis Van Deventer and son of Detroit; Mr. and Mrs. Guy Caswell, Mr. and Mrs. Frank Packard, Mark Caswell and son of Pontiac, Mrs. Blanche Bush of Ann Arbor, Mr. and Mrs. John Boyd. Mr. and Mrs. Chas Saul, Mr. and Mrs. Tom Russell, Mr. and Mrs. James Mitchell, Mr. and Mrs. Wm. Craig, Mr. and Mrs. Mayme Hendershott, Mr. and Mrs. George Squires, Mr. and Mrs. John Drewyor, Mrs Joe Gregg of Tecumseh; Mrs. Sally Miller, Mr. and Mrs. Ellis Caswell, Mr. and Mrs. H. E. Gill, Mrs. Emery Auten, two sons Elgy and Lloyd and daughter Della and Leland Cheever of Adrian, Mr. and Mrs. Wm. Kopka and daughter Maurine of Blissfield, Mrs. Aaron Auten of Toledo, O., Mr. and Mrs. Enos Austin, Mr. and Mrs. Ervin Smith, Mr. and Mrs. John Grieshaber, Mr. and Mrs. Albert Engel, Mr. and Mrs. James Knowles and Grace, Frank Knowles and Mrs. Wm. Roskeda of Dundee, Mr. and Mrs. Ervin Verment Mr. and Mrs. George Caswell and son James, Mr. and Mrs. Elbert Smith, Mr. and Mrs. Roy Smith, Mrs. Floyd Smith, Mrs. Mary Jane Smith, Mrs. Albert Schultz, Mrs. Ethel Goodrich, Mrs. Wm. Burroughs of Milan, Mr. and Mrs. Wm. Smith and Roscoe, Mr. and Mrs. Wm. Caswell and Earl and Mrs. Jerome Squires of Macon, George Bruckner and family, Mrs. Maud Hanson, Mrs. Orin Lamkin and Mr. and Mrs. Lant Auten and Morris of Azalia.

Card of Thanks.

Words cannot express the gratitude we feel toward all who were so kind during our recent bereavement. We are doubly grateful to the pastors, Rev. Powell and Rev. Bragg, for their cheering words, to those who sang, to those who sent the beautiful flowers and to the members of the I. O. O. F order.

Albert Grieshaber and family.

Russell Gibson, aged 20, son of Mrs. Frank Gibson, passed away Monday noon, after a two year illness of tuberculosis. PARKER PRODUCTS

In the Home—That rusted kitchen stove, kettle, frying pan, butcher knife, food chopper, all can be made like new with Hyrocide.

no more RUST!

On household utensils, on sporting equipment, on tools, about the car, on farm machinery, rust can be removed by the use of the wonderful

HYROCIDE Removes RUST Prevents RUST

About the Car—That rusty spot on the hood, fender, windshild or body will quickly spread. Use Hyrocide.

Whether steel or iron is painted or finished bright, Hyrocide removes the corrosion quickly and permanently.

Hyrocide is not an untried, unproven experiment, it is the product of the Parker Laboratoreis, which developed the famous Parker Process of Rust-Proofing, and is the identical product used for rust removal in many of the big factories of the country.

Tools and Sporting Goods—No mechanic or sportsman wants his prized equipment rusty. Clean and protect it with Hyrocide.

Now it is available for the home, the office and the garage. You can restore the rusted knife, fender, skate—anything of steel or iron—to its original usefulness. And better still, Hyrocide will prevent the formation of rust.

Test It At Your Dealer's

Your dealer has Hyrocide. He'll gladly show you how easily and thoroughly it will remove rust. Ask him about it; see for yourself how you can use it.

Farm Implements—Rust depreciates farm implements quickly; Hyrocide preserves and protects your tools.

INTERESTING HOG FACTS.

To stimulate the breeding of pure-bred swine, premiums totaling $1,740.00 are to be awarded to winners by the Jackson County Fair, Jackson, September 11 to 16.

The leading breeds of swine will be shown at the Fair. Breeds for which premiums have been set aside include Poland China, Berkshire, Chester White, Durocs, Hampshires, Yorkshires and Tamworth.

Breeders who are planning on exhibiting, assert there is no other farm animal which can produce meat more economically or quickly than the hog. They say that hog raising requires less capital, less labor, and less equipment, than the raising of any other kind of stock with the possible exception of sheep and poultry.

Hogs multiply five or six times as rapidly as other meat animals. A sow will produce two litters of pigs in a year, or three litters in two years, each litter averaging from five to six pigs. The hog has no rival as a consumer of garbage, damaged grains, and other unmarketable foods that generally go to waste, They thrive on forage crops and pasturage.

A hog has a bigger percentage of marketable meat than any other animal, from eighty to eighty-five pescent of the animal being eatable. A beef animal, when sluaghtered, produces an eadible carcass which weighs from sixty to sixty-five percent of the original weight. A sheep dresses out from fifty-five to sixty per cent.

OBITUARY.

Grace Elizabeth Knight was born at Adrian, Michigan, in the year 1888. On Nov. 19, 1908 she was united in marriage with Earl L. Russell. On July 26, 1922 she passed away at her home in Detroit, leaving her husband, two children, Jane aged 5 and Earl Jr. aged 2, her mother and three brothers. She was held in deepest affection not only by her own kindred but by that larger circle into which she entered by marriage. She was a member of the Baptist church, the Federation of Women's Clubs of Detroit, and the Northwestern Woman's Club, taking an active interest in each of these organizations.

Her chief interest, however, was in the home, where she was always thinking of the comfort and happiness of her family.

After a brief illness she was taken by death due to heart trouble. Funeral services were held at the home in Detroit and at the Belding Funeral Home in this place on Saturday. The service here was in charge of Rev. J. F. Kiskaddon. Burial was at Brookside cemetery.

Mrs. Russell was only 34 years of age at her death, but her life was full of good works and she will be held in sacred memory by those who mourn her loss.

OUTDOOR SERVICE HELD SUNDAY EVENING.

The Sunday night service was unique in that it was the first outdoor service of the year and was held on the Presbyterian church lawn. A fine service of song opened the meeting with a fine choir assisting.

Rev. Preston was the speaker of the evening and following are a few of the points in his address:

"We should have a definite formula of faith and know what it is we believe. We are saved through the death of Christ on the cross, He was willing to suffer this death in order to show us the depth of His love. The prophets of the day had been trying to show us the Christ and tell us of His love, but it took His death to make us know. In order to reach the highest ideal of the christian life we must live in close communion with Christ. Sin is anything that will come between us and Christ and we should be careful to avoid sin. Christ can only forgive when we are truly penitent and ask, we are free moral agents.

We often sin ignorantly but more often deliberately. Christ is able to forgive both sins. God accepts us not for what we are but for the possibility of what we may become.

The meeting was very well attended and next week will be at the Baptist church with Rev. Curtis as speaker. The other ministers took part in the service and Rev. Fraser of Bessemer gave the benediction.

BIG ATTENDANCE AT CULBERTSON REUNION.

The lawn at the Culbertson school, northeast of town, was the scene of a jolly gathering Tuesday when 150 of the old scholars met for their reunion. A great tent sheltered the company who at noon enjoyed a great picnic dinner served under the direction of Mrs. Charles Benedict and Mrs. George Sanford.

After dinner came the election of officers with this result:

President—John T. Boyce.

Vice President—Fred Sheldon.

Corresponding secretary—Miss Nannie Kyle.

Secretary and treasurer—Lloyd Hanford.

Mrs. Eliza Benedict then announced the program which was published last week.

Sells Part Interest In Local Business

R. J. McCoy Sells One-half Interest In Tecumseh Butter Co. To Kroeger Grocery and Baking Co. of Cincinnati. Did Over $700,000 In Business Last Year. Plans To Extend Immediately.

A business deal of importance took place last week when R. J. McCoy sold a one-half interest in the Tecumseh Butter Co. to the Kroeger Grocery and Baking Co. of Cincinnati, O. Mr. McCoy has been very successful in business here and last year did over $700,000 worth of business.

The sale is effective September 1st and immediate plans for enlarging the present business so as to include the handling of eggs, poultry and bottled pastuerized milk for Detroit stores will be commenced. Mr. McCoy said today he expected to go over the million mark next year in the total business transacted. He will continue as a one-half owner and the active manager of the plant. The new firm will also handle potatoes, apples, celery, etc., in car lots.

This is a splendid location for such a business as we are close to two large city markets and amidst a very fertile agricultural and dairy country which assures the success of the business to even larger proportions than planned now.

Mr. McCoy will continue the Mutual Ice business and plans to enlarge that also to take care of his trade. The entire deal will doubtless be of considerable importance to this community.

TOOK POSSESSION LAST MONDAY.

Mr. and Mrs. L. O. Sager the new proprietors of the Purity Bake Shop took possession last Monday and will hereafter be one of our business people on the street. They have moved over the Tansley Market for the present and are comfortably settled near the business.

Mr. Sager is an experienced baker who has had the very best of training in the bread line and his product will continue to keep the Purity bread at the top notch of superiority and in high favor with our people.

One change of importance will be made. Mr. Sager said this morning that he wanted to put every ounce of excellence possible into his bread and for that reason he would operate on a cash basis. This will enable him to put more into his product and not have to consider any loss on bad accounts and take it out of the baking end for that is exactly what must happen in any line of business. The cash basis is really the only satisfactory way to conduct any business and we believe the people will quickly respond to this and be more than pleased with the result.

The soda fountain will be continued as usual and everything done to please the trade and give them the most possible for their money. The Herald welcomes these good people in the name of our community and we feel sure our good people will soon convert them to the fact that Tecumseh is really the biggest little town on earth. Here's good luck and good will all around.

REV. W. R. CURTIS RESIGNS.

Rev. W. R. Curtis pastor of the Baptist church has tendered his resignation to take effect Sept. 1. Rev. Curtis has accepted a call to the Monroe Baptist church and will go there early in September.

Rev. Curtis has been connected with the local church four years, he was three times elected president of the Lenawee Co. Ministerial Association, was Moderator of the Lenawee Baptist Association, one year secretary of the local Chamber of Commerce, was elected secretay-treasurer of the State Ministerial Association, and is the local scout master.

Rev. Curtis has always been a hard worker and popular with his large and growing congregation. His work here has borne much fruit and a large circle of friends will regret to see him leave the work. His successor has not been announced. Mrs. Curtis will also be greatly missed as she was a hard worker for the church and very popular with both members and others with whom she came in contact. We wish for these good people all the best the world affords.

ROADS OPEN TO HAYDEN MILL.

The road from the east is open by way of Brownville and Logan St. east direct to the mill and from the south the road north to Chicago pike past Bert Comfort's and thence across the new bridge is open and in good condition. These facts are given in order that farmers may know they can reach this mill easily with a load from any direction.

SURPRISE.

Mrs. C. A. Slayton was pleasantly surprised Monday afternoon when Mrs. Elmer Slayton entertained her old Sunday-school class at the Slayton cottage at Sand Lake in honor of the occasion of Mrs. Slayton's birthday.

The time went all too rapidly in talking over old times and enjoying the fine picnic dinner. The members of the class are widely scattered but those that were able to go enjoyed the occasion to the fullest extent.

Mrs. Slayton received many happy wishes and gifts.

Prominent Citizens Expired Sunday

Frank A. Bradley Widely Known Farmer Taken Suddenly Ill At Dinner At Paramount Hotel. Expired In Lobby. Medical Assistance Of No Avail. Heart Disease Given As Cause.

This community was shocked last Sunday afternoon to learn that one of our most prominent citizens, Frank A. Bradley, had suddenly expired at the Paramount Hotel where he was eating dinner with a few friends.

Mr. Bradley was supposed to be in excellent health and was about his usual duties feeling excellent. Earlier in the day he had called on some of the sick and went to dinner at the hotel with a few intimate friends where he was eating when he said he felt faint and arose to go into the lobby.

John Nyland accompanied him and when they reached the lobby, Mr. Nyland noticed that he was quite faint and assisted him to a chair where he expired immediately and before medical assistance could do anything for him although heroic efforts were immediately made to resuscitate him.

Heart disease was the cause probably induced by a severe illness to which he was subjected a short time ago. Mr. Bradley was one of our most prominent farmers having been born in Franklin township in 1849 where he lived on a farm for a number of years. He always lived in this vicinity except a few years in Ypsilanti and took an active interest in all that pertains to the welfare of this section of the country.

At the time of his death he was 73 years old. He leaves two sons, Elvin Bradley who resides on the farm just west of town, Arthur Bradley of Detroit, and one daughter, Mrs. Wm. McNamara of Lansing. Also one sister, Mrs. Henry Wilson of this place.

Until just recently Mr. Bradley owned the Bradley Opera House of this place and he was a director in the Lilley State Bank beside having large farm interests throughout the county. He was a very kindly considerate man of sterling integrity, a splendid business man and one of the best of friends. He dearly loved his family and was extremely thoughtful of their every wish. No better father, friend, and neighbor could be found than Frank Bradley. He will be greatly missed by a very wide circle of friends as well as by those who loved him best. Living an exemplary and most useful life, his memory in the community will always be likewise held.

The funeral was held at the home just west of town on Wednesday under the direction of the Masonic Lodge and was attended by a large concourse of friends and neighbors gathered to pay their last respects to one whom everyone called friend. Interment was made in Brookside where now rests all that is mortal of a truly good man.

DROWNED AT CLINTON.

Last Thursday afternoon Laverne Patterson and the Pratt brothers of Clinton went to the river about a quarter of a mile north of the Woolen Mill to enjoy a swim. All three were capable of taking care of themselves in the water but cramps attacked young Patterson and in spite of the help the Pratt boys tried to give him, went to his death in less than ten feet of water.

The funeral was held at the home of his mother, Mrs. Walter Patterson in Bridgewater township, Sunday afternoon at 3:30, Rev. W. A. Gregory of Tecumseh being in charge.

Laverne was twenty years of age the only child left in the home from which his father was taken by death about six weeks ago.

Burial was made in the Tecumseh cemetery.

Those going are Ladies—Gray, Chiverall, Whelan, Van Antwerp, O'Dell, Waring, Baker, Harrison, Loomis, Gregg, Richardson, Freeman, Howard, Topps, Gregg, Aten, Stevenson and Nye.

Tecumseh Girl Dies Suddenly

Community Shocked Beyond Expression To Learn That Jessie Avery Helfrich of Ann Arbor Had Suddenly Passed Away. No Definite Cause Assigned. Was Loved By All Who Knew Her.

The community here was inexpressably shocked Thursday morning to learn that Mrs. Jessie Helfrich died suddenly at Ann Arbor by means of inhaling gas late Wednesday night. She left a little two year old daughter and her husband who had not been home for a year.

No definite reason has been assigned for the tragedy but expressions of profound grief are heard on every hand for the heroic young woman who had done all possible to aid her husband who was graduated from the U. of M. last year and was taking an interne course in the East this year. Jessie Avery as she was known here was a model girl and all that a loving true wife could possibly be. She was a grandmother who worked and dreamed of an ideal home for her young daughter and husband who soon would be ready to take up active practice and then life would be complete.

And then her husband came home after being away for a year, what was said or done perhaps no one except the husband will ever know, but the deplorable tragedy followed and a most beautiful young life went home to her God.

The father, Frank Avery, one of our best known business men has the heartfelt sympathy of every person who ever knew Jessie Avery and whom to know was to highly respect and love for her ways of sympathy and nobility of life, her strong sterling character and winning ways. She has gone but a memory of this splendid heroic young woman who had done so much for her husband and child will remain fresh in every person's mind for years to come.

Jessie L. Avery, daughter of Frank D. and Jessie E. Avery, was born at Onsted, Michigan, September 2, 1886 and died at Ann Arbor, August 3, 1922 at the age of 35 years and 11 months.

Whken she was about 2 years of age the family moved to Tecumseh where she lived most of the time till 1914. She graduated from Tecumseh High School in 1903.

She taught school several years and worked for a time in her father's store.

In July 1914 she entered the University of Michigan school for nurses and graduated in 1917. In September 1918 she became the wife of J. W. Helfrich.

During the past year she has held a responsible position in the office of the U. of M. Hospital.

She is survived by her husband, Dr. J. W. Helfrich, a two-year-old daughter, Mary, her parents, Mr. and Mrs. Frank D. Avery of Tecumseh, and two brothers, Clarence L. Avery of Detroit, and Frank Lisle Avery of Meridan, Wyoming.

The following from out of town were present at the funeral: Mr. and Mrs. C. L. Avery, Mr. Frank Hand, and Miss Ada Wagner, Detroit; Miss Harriet Calkins, Toledo; Dr. and Mrs. W. H. Steele and son Walter, Montpelier, Ohio; Mr. and Mrs. Percy Alderdyce, Mr. and Mrs. Martin Lee and Mrs. Nellie Hand of Onsted; Mr. Harry Hand, Mrs. Rose Corwin, Mr. and Mrs. Walton and daughter of Birmingham; Mrs. Henry Campbell, Muskegon; Dr. Lynn Hoag, Mrs. Nellie Mead, and Miss Ella McNeil of Ann Arbor.

Card of Thanks.

We wish to express our thanks to all who were so kind to us during our recent sorrow. We are grateful to the pastor, Rev. Escolme for his kind and sympathetic words, to Rev. and Mrs. Curtis, to those who sent the beautiful flowers and to all who expressed their sympathy in numerous other ways.

Mr. and Mrs. F. D. Avery
and family.

FILLED THE BILL AND HOLES TOO.

Last week Dolf Heesen took his shovel in hand and aided and abetted by John Orr proceeded to fill up some of the holes in front of his property while Mr. Orr did likewise in front of Pulver's Drug store.

It was both amusing and serious to see these well fed citizens take hold of the right end of a shovel and stir up the dirt. And although they did not always carry a full load nevertheless they did fill up the holes after they had received a ton or so of advice on how to do it. Now the mountains in front of these two properties have become little hills. Good work boys, do it some more.

Mrs. B. Earl Smith went to Ann Arbor Friday to make a short visit with her husband.

FAMILY PARTY.

Mr. and Mrs. Al Helzerman entertained a family party Sunday in honor of the birthday of Mrs. Helzerman's mother, Mrs. B. F. Teall.

The party went to Washington Lake in the morning where they enjoyed a fine picnic dinner and returned to Tecumseh where they had a picnic supper. Mrs. Teall received many gifts.

Among the guests were Mr. and Mrs. B. F. Teall, Mr. and Mrs. L. D. Greenfield, Mr. and Mrs Joseph E. Murray and children, Mr. and Mrs. A. F. Teall, Claire Faulk, Deo Teall and Hazel Moore.

Boosters Wanted For Our Community

Loyal Red Blooded Boosters Who Appreciate Having A Ladies Band In Tecumseh. Dead Ones And Do-Nothings, Crabs, Knockers and Don't -Cares Please Sit Still.

The Ladies Band of Tecumseh is one of the best civic organizations that can possibly be located in our community. They fill a place that no organization except a band can do. They come out on every occasion when their services are needed and give freely of their time and ability. Tecumseh is proud of them and recognizes their worth to the community. Everyone has a good word for the work of the ladies band. So much everyone contributes freely.

But it takes money to keep a band alive. They must have new music and new equipment and are at an endless expense all the time. They must have sufficient funds to take care of this or the band will quit. And they should quit promptly and emphatically. If they are not worthy of loyal support after doing so much for their community then we believe they should disperse and let the town hire an outside band whenever their services are needed and pay for it a royal good price.

We believe the people of Tecumseh are loyal band boosters and when they know that the coming chautauqua, a highly good form of entertainment and community uplift is for their benefit, they will do the thing that spells support—buy a ticket for each adult member of the family at least.

We have got to give our support with real help if it counts. Just saying we are for the band don't mean anything. Buy your ticket today and help sell some more to others—that will mean something to the band and to our town. We believe Tecumseh will keep up its glorious record and go over for the band and the chautauqua. Are you for it? Buy it today. Talk it, boost it—help put it over.

SICK WITH TYPHOID FEVER.

Johnny Hamilton who has been working the past summer on a milk farm near Tecumseh was taken sick with typhoid fever last week and taken to his home on Kilbuck street.

Dr. Hardy is the attending physician and at present it is uncertain where or how he contracted the disease. The only other case of typhoid in these parts so far as we know was at the home of Art Green who lives south of Tecumseh about four miles and he has just recovered from a serious run of the disease.

It is hoped that the Health Officer will be able to locate the source of this dread disease and eradicate or safely quarentine it before a serious outbreak occurs. Typhoid fever is not a contagious disease but is highly infectious by means of the alimentay canal. That is the germs must be swallowed to contract the disease.

ADRIAN SHOOTERS COME FRIDAY.

Word has just been received that a picked team of trap shooters from Adrian will come over Friday and try titles with Tecumseh for the honor of seeing who can break the most targets.

Come up to the Park between five and eight and watch the fun. Everyone is welcome. Join the gun club and try your luck at the elusive bits of baked mud. Plenty of guns for everyone.

LADIES AID SOCIETY.

The Ladies Aid Society of the Methodist Church met with Mrs. Wilfred Waldron Thursday afternoon.

A business session was held at which the following officers were elected for the coming year:

President—Mrs. Edna Helding.

Vice President—Mrs. Nina Smalledge.

Secretary—Mrs. E. D. Brown.

Treasurer—Mrs. Claude Gray.

A pot-luck supper was enjoyed at the close of the meeting.

The society will hold a fair the first week in November.

Tecumseh Wins Trap Shoot Match

Defeats Clinton Five By Safe Margin. Local Shooters Break 155 Targets to 104 for Clinton. Big Crowd Enjoys Seeing 'Em Fly.

The local shooters took on their first match last Friday afternoon when Clinton sent down a team to try titles for honors in seeing which side could break the most targets.

The Clinton team was composed of Alvord, F. Mahrle, H. Mahrle, Weaver, Pieper and Anthony. They boke 104 targets out of 175 or 60%, and the Tecumseh five broke 155 out of 175 or 85%.

The Clinton team were not used to shooting quite such low targets which probably accounts for some of their misses. They were a fine bunch of fellows and it is hoped that several more matches will be arranged.

After the match a free for all was indulged in much to the amusement of both shooters and the spectators. It is fine sport and afforded a big crowd considerable pleasure. The next shoot will be held next Friday at the Park. Everyone who likes to shoot is invited to join the club and come up and shoot. Following are the individual scores.

CHASE—VAN HOOK.

At the home of Fred Chase on West Logan Street Saturday afternoon Miss Erma Van Hook of Britton became the bride of Clarence Chase, son of Mr. and Mrs. Fred Chase. Rev. Curtis performed the ceremony.

MONDAY CLUB.

The Monday Club held their annual business meeting Monday afternoon at the Library which was well attended.

There were four names favorably voted on to be taken into membership of the club. Miss Alice Wimple, Mrs. Dewey Sturtevant of Britton, Mrs. Pauline Schweiger and Mrs. Nettie Bills.

Miss Muriel Halladay and Mrs. J. O. Aldrich of Ridgeway who is moving away, tendered their resignations.

The club voted to continue holding their meetings the following year at the M. E. church parlors.

Cemetery Fund Overdrawn $3,000

Clerk Reports That Amount At Council Meeting. Check Shows It Due To Rising Expenses And Dwindling Receipts. Sale Of Lots Drops To Low Point. Council Has No Legal Authority To Help The Fund.

The local cemetery fund is slowly but surely not meeting the expenses of keeping up our beautiful cemetery. Some time ago it was discovered that the fund was overdrawn considerable and last Monday night the clerk reported that the amount was $3,000.

A careful check has been made by a committee from the council and everything found O. K. as far as accounts are concerned. It was easy to see why the fund is not meeting the expenses. During the war and since the expenses have grown which was inevitable and the sale of lots has dwindled to a low point owing to the fact that nearly everyone living here who expects to bury here have bought their lot, consequently, the source of revenue is becoming exhausted and the expenses are growing, as the more that are buried in the cemetery, the greater the expenses of up-keep.

Tecumseh has a most beautiful cemetery and some way must be found to take proper care of it. The local cemetery board met with the council and reported that the perpetual up-keep fund was growing and that now almost twelve thousand dollars was in that fund and it is still growing.

The village attorney upon request pointed out that the law did not give the council the authority to use any of the money in the general fund for cemetery purposes and that some other way would have to be found to take care of this important proposition. However, it was also found that the city owed the cemetery fund an amount about equal to the present deficit and this should and could be legally paid back so as to take care of the present over-draft and after that it is up to some other plan for financing the up-keep of the cemetery.

No further word was received on the road situation and it has simply resolved itself into a wait with patience until conditions are cleared up and work can be resumed.

GRAFT.

These days we hear much use of the word Graft and although it is well understood by most people what is meant, not very many have taken the trouble to look it up in the dictionary to see exactly what Webster says about it.

Webster says: "Graft—acquisition of money, position, etc., by dishonest or unjust means, as by actual theft or by taking advantage of a public office or any position of trust or employment to obtain fees, perquisites, profits on contracts, or legislation, pay for work not done or service not performed."

That is what Webster says is graft. It will be noticed that he includes the actual theft of money along with taking advantage of a public office to obtain that or other perquisites.

Evidently a common thief and a man who takes advantage of his public office to obtain money, etc. is given about the same status in Webster's definition of what constitutes graft. No mention is made of the sum obtained whether the grafter gets a large amount or a small one, it seems to be classed as graft if obtained in the manner described.

The State of Michigan has a law on the statute books which forbids any public official having any interest in any contract made with the corporation he is elected to serve, and this is doubtless for the purpose of protecting the people's interests and keeping any duly elected officer from taking advantage of his official position to obtain fees, perquisites or profits to which he is not entitled.

In our opinion it is a good law and should be lived up to strictly and when it is violated by any public official its penalties should be put into operation and the guilty official should receive no mercy, as he is entitled to nothing but the contempt of the entire community.

The man who breaks into your house at night to rob, takes his life in his hands. He is much braver than the public official who hides behind his position of trust and grabs that to which he is not entitled without physical danger, and hence of the two, the latter appears to be the more contemptible, and surely little entitled to any respect in the community.

The sooner the American people put the spot light on the actions of their public officials and exact every penalty of the law for violation of their public trust together with a lasting denial for ever holding an office again, the quicker will some of the evils of our government disappear.

COMMUNICATION.

Tipton, Mich., August 7, 1922.

Editor Tecumseh Herald,
Tecumseh, Mich.

Dear Sir:

In your issue of August 3rd, you had an erroneous report of the auto accident which occured just east of Tipton Sunday morning at 10:30 July 30th, and which I wish to have corrected in your next issue.

The following is a true statement of the accident and given by one who was on the porch of the Luce home and saw the accident happen.

The accident happened at 10:30 instead of 2:30 as reported and the man and woman giving their names as Westpointer and their residence as Hastings, Mich. both said they saw the signals given by the Luce boy but were unable to control their car at the rate of speed at which they were driving. Mr. Westpointer said he saw the red stop light signal and Mrs. Westpointer saw both occupants of the Luce car hold out their hands, but were unable to control their car in time. The Westpointer car struck the front hub-cap of the Luce car throwing the steering wheel out of Mrs. Westpointer's hand causing the machine to go into the ditch turning completely over and striking the water tank instead of an iron stake in the road as there is none there.

The car driven by the Luce boy did not swing sharply as he had nearly stopped to drive into his driveway and not into a gateway The driveway is narrow and it is necessary to drive in slow.

There were three eye witnesses to the accident and all tell the same story so whoever made the report to you certainly reported something he knew nothing about and those that did see it happen said if the Luce boy had not used his head and turned his machine quickly when he saw the other machine was going to strike him a more serious accident would have occured.

We agree with you that more mounted officers should patrol this road not only on Sundays but every day and punish those who cannot drive as they should.

Yours respectfully,
Nellie Luce.

STATE FAIR CUTS ADMISSION RATE

ONE-THIRD REDUCTION IN PRICE TO EXPOSITION ANNOUNCED BY FAIR MANAGER.

DROP IN WAGES BRINGS SLASH, SAYS G. W. DICKINSON

A slash of one-third in the admission prices to the Seventy-third annual Michigan State Fair, September 1 to 10, was announced by G. W. Dickinson, secretary-manager of the exposition in Detroit this week.

The reduction means general admission to the exposition, now under the jurisdiction of the state of Michigan, will be fifty cents this year, compared to seventy-five cents a year ago. The board of managers of the fair made the cut on the recommendation of the fair manager.

"Believing the gradual drop of wages everywhere must be made up in a reduction in living and entertainment expenses, the fair management has slashed the admission prices one third," Mr. Dickinson announced.

"This reduction, however, does not mean the exposition will suffer in quality. It will not. It will be better. I feel we are going to make up the reductions in the attendance. Last year nearly 400,000 persons attended the fair. Since, there has been a new understanding of what the Michigan State Fair represents and I believe we are going to have better than a half million people at the exposition."

Horseshoe Pitchers Title Will Be Decided at Fair; County Contests Started

"There warn't no horseshoe pitchers in Michigan that could hold a candle to the barnyard champions of Macomb county."

This innocent little boast, falling unconsciously from the lips of "Spud" Murphy of Macomb county recently, started a fine argument and the finals of the Michigan State championship horseshoe pitching tournament, now being organized under the auspices of The Michigan Business Farmer, will be put on at the State Fair this year.

George W. Dickinson, secretary-manager of the Michigan State Fair, has sanctioned the plan to stage the title rounds of the tournament during the exposition in Detroit, September 1 to 10. Several prizes will be awarded by the State Fair in addition to the beautiful loving cup, the grand prize, presented by the courtesy of the Union Malleable Iron company of Moline, Ill.

The plan of the preliminaries, according to Forrest Lord, editor of the Michigan Business Farmer, is to hold them in conjunction with farmers' picnics in every county. The winners of these county tournaments will play in district contests and these victors will meet in the grand state tournament at the Michigan State Fair.

Everyone is eligible to participate. Entries for the preliminaries should be made to county agents. No time in entering should be lost. All county contests must be played off before the opening of the Michigan State Fair, September 1.

Named to Supervise Fair Running Races

W. J. DOWLING

Of interest to racing followers throughout Michigan is the announcement by G. W. Dickinson secretary-manager of the Michigan State Fair, that W. J. "Bill" Dowling, of Owosso, will have charge of the six-day running race meet scheduled for this year's exposition, Detroit, September 1 to 10.

Mr. Dowling has had wide experience in the running horse world and has supervised the races at Bay City, Jackson, Adrian and Grand Rapids fairs in recent years. He is making elaborate preparations for the State Fair meet which will open September 4 and run through the ninth.

The important event of the meeting will be the State Fair Derby, slated for Labor Day. A purse of $1,000 will go to the winner. Purses for the entire meeting will exceed $15,000.

NOTICE.

I will not be in Tecumseh until August 18 again as I will take a vacation this week. All those wishing to see me, come on Friday, August 18th.

OBITUARY.

Christian, daughter of Peter and Mary Sones was born in York State July 4, 1829 and departed this life July 19, 1922, at the home of her daughter, Mrs. Ida Van Valkenburgh in Ann Arbor, having reached the age of 93 years and 15 days.

She was the youngest of a family of ten children all of whom had preceded her in passing to the Great Beyond.

At the age of 10 months she came with her parents, brothers, and sisters, to Michigan, settling on a farm in Macon township on which farm she spent over 70 years of her life. The remainder being spent in the village of Macon.

When her parents came to Macon, the country was a vast wilderness in which bears, deer and wolves were numerous. There were only two houses between Tecumseh and Macon. Christian attended school at Macon and grew up to womanhood. On January the 6th, 1859 she was united in marriage to Isaac C. Hendershot, formerly of White Hall, Pennsylvania, who passed away twenty-two years ago.

To this union six children were born: Charles J. of Denver, Colo.; Mrs. Alta Collins and Mrs. Ida Van Valkenburgh of Ann Arbor; Clara and Frank Hendershot of Macon; and Milton, the youngest who was called by his Master at the age of 4 months. Five children and six grand-children are left to mourn their loss.

When a young woman she was converted at an early day camp meeting and later united with the Reform Church under the pastorship of the late Rev. J. A. De-Spelder and continued in the faith until the end. She was a devoted wife and mother, self-sacrificing and always willing to lend a helping hand. Her friends and neighbors feel that her's was a truly exemplary Christian life. No neighbor or friend in the community was ever more loved.

Of her it may be said, "Verily their works do truly follow them."

Card of Thanks.

We wish to express our heartfelt thanks to the neighbors and friends who so kindly assisted us during the illness, death and burial of our dear mother. For the music, the minister for the comforting words, for the contributors of flowers, especially the Builders Association of Denver, Colorado; Miss B. E. Muehlig of Ann Arbor and the employees of her store, and all others.

TECUMSEH SCHOOL MA'AM SEES PASSION PLAY.

Miss Mildred Boyce who is enjoying a wonderful trip through Europe, writes her father, John T. Boyce a glowing account of her stay at Obermammergan and the Passion Play. It lasts all day with the exception of two hours for lunch. She had a delightful trip down the Rhine but the train was so packed between Frankfort and Munich the party had to stand all the way. One item may interest her friends. She tells of spending several thousand marks while shopping in one village, but as an American dollar is worth 400 marks, the young lady is not so extravagant after all. She will be home in a few weeks.

VINTON BREESE NAMED DOG JUDGE AT FAIR

Vinton P. Breese, writer, artist and dog fancier, of Coldwell, N. J., has been named as one of the judges at the three-day show to be held at the Michigan State Fair, Detroit, September 1-10.

It is planned to have Mr. Breese judge about 20 different breeds. He is considered one of the leading canine officials in America.

It is expected Irene Castle, the famous actress, of Ithaca, N. Y., will be another of the judges at the dog show. Miss Castle has expressed a willingness to come to Detroit and it is believed arrangements will be completed soon. She will judge Shepherd dogs in the event she agrees to come to Detroit.

Other judges will be appointed prior to opening of the fair and, this all breed dog show promises much for visitors to this year's exposition.

RUNNERS TO HOLD 6-DAY MEETING AT STATE FAIR

An announcement that harness horse racing had been dropped from the program of the Seventy-third annual Michigan State Fair, Detroit, September 1 to 10, and the running horses substituted, has been made by George W. Dickinson, secretary and manager of the fair.

The runners will come to the State Fair from Quebec, Woodbine, Toronto, Windsor, Havre de Grace, Pimlico, and other southern tracks for a six-day meeting, opening Labor day, September 4, and continuing through the following Saturday.

It is expected more than 150 horses will be quartered at the fair grounds and preparations now are under way to house the runners. A paddock will be constructed just south of the grandstand.

W. J. Dowling, who has successfully conducted running races at Owosso, Bay City, Grand Rapids, Jackson and Adrian fairs, will direct the six-day meeting at the State Fair, Mr. Dick-

Mr. and Mrs. Miller of Adrian visited at the Sisson home Sunday.

Mr. and Mrs. Hugh McElroy of Tecumseh and Mrs. Martha Kerr of Homer were dinner guests of Mr. and Mrs. Henry McCarbery, Friday.

The Standard Bearers held their August meeting at the home of Grace and Maynard Aldrich Saturday evening, August 5th. About twenty were present. The out of town guests were: Dorothy Cambellack of Stambourgh and Corrine Mapes of Adrian. Election of officers resulted as follows: President, Gladys Baker; Vice President, Julius Cole; Sec. Sena Hathaway; Treas. Foster Hardesty; Cor. Sec., Howard Cole; Mite Box Collection, Julius Cole; Floral Collector. John Baker and Pianoist, Sena Hathaway. Miss Aldrich assisted by Mildred Baker served refreshments. Maynard and Grace were each given pieces in ivory as rememberances.

ANNOUNCES HIS CANDIDACY.

Elsewhere in this paper will be found the political announcement of Edson C. Breese of Weston who is a candidate for the office of Register of Deeds at the September Primaries.

Mr. Breese is a young business man of ability and integrity, He was born and raised in Lenawee Co. and has made staunch friends wherever he has lived. He has had considerable experience in public affairs and although he has never been a candidate for a county office before, he will certainly give the people an honest efficient administration of affairs if elected.

IN KIDDIES' WEAR

Velvet Is Used Widely in Frocks for the Children.

Juvenile Styles Are Exact Replicas of Types for Grownups—Doll Clothes to Match.

In the wide use of velvet for children's afternoon frocks, is again emphasized the fact that juvenile styles are exact replicas of the types for grownups. The velvet offered this season is so soft in texture that it falls in readily with slight bits of extra stiffening to the bouffant types hitherto associated with taffeta. A cherry-colored dance dress with a simple neck line shows velvet roses of the same material as its only trimming.

Novel accessory notes were introduced in the costume of a young schoolgirl, seen recently. A little tam of velours was drawn into a band of Scotch plaid. A silk medallion showing a thistle was placed at the side, through which was thrust a smart little feather at a jaunty angle. The youngster carried a waterproof schoolbag of matching Scotch plaid.

The oriental influence that has found its way into the designs for the grownups does not belong entirely to them. Among the new baby sacques is a model in corduroy, to be had in pink, blue or white with shell stitch edge finished to accentuate the pagoda-shaped sides under the little butterfly sleeves.

Children's coats for sports and school wear are fashioned from oxford cloth, chinchilla and beaver which give warmth without much weight. Heavy fabrics with rough finishes or with colorful effects in dark-toned overplaids are well liked. Dressy effects in coats feature broadcloth and velours, while the increasing popularity of velvet for children as well as grownups is emphasized in party coat models. Some are fur trimmed, others plain and for the "littlest" girl, there is a cunning coat in black velvet with a little cape swung across the back.

Nothing will do but that dolly must have a coat made to match that worn by the child. This is easy when the coat is made at home, but smart shops, too, are showing hydrangea coats with mole collars for the six-year-old, and tiny models made in just the same style even to the fur collar, for the dolly! Wide shawl collars are to be found on all of the coats for infants. Lace and hand embroidery were used on coats of pink and white crepe de chine, and one had a border of Irish lace around the deep collar. On another coat was noted a finely-plaited ruffle with trimmings of embroidery and a dress was shown to match this coat.

The kiddie suit of fur has made its appearance. It is a one-piece suit designed on the order of pajamas and made up in such furs as badger, raccoon, pony, marmot, lamb and other hardy pelts.

HOMESPUN IN DARK COLORS

This is the correct and modish fabric for an all-around sport suit. Dark tones prove unusual and practical in the material selected for this box coat and straight-lined skirt.

Tams Are Quill-Trimmed.

The crocheted tam may be a very lovely thing if made of angora wool. One smart model of a soft gray angora was trimmed with a stiff black quill drawn through the meshes of the cap at one side. The soft hat of velveteen or wool fabric is a rival of the long popular tam with the school girl this year. One of these practical bits of headgear has a four-piece jockey crown and a soft brim that may be worn turned down or up with equally good effect. Such a hat is smart made either of velveteen or wool jersey cloth or of a rough tweed.

Girdles Are Gorgeous.

Perhaps the most interesting feature of the new winter costumes is the belt. The belts are very gorgeous and made in jeweled effects on fabric, or are in heavy beads, in crystal and jet, or in filigree metal.

POLITICAL RAVINGS.

When a man calls you a fool to your face you get madder'n a jabbed hornet, but when he proves you are by his political acts, you call him a statesman.

The Bull Moosers are certainly coming back in real form this year. The pity is that they ever let the "old guard" coax them home to dwell in piece when they were going good.

Hey you Telegram, you must have jumped a cog.. Where is that three year old annual joke about the Hon. Representative from the second district going to be speaker of the house if elected again. Boy page Major Gray.

A statesman is a man who measures fifty inches around the chest and wears a 5¼ hat, but he can call all the babies by name throughout his district and distributes seeds with a lavish hand. He is sure of re-election. Verily the ballot is a great American privilege.

When a fellow is elected twice he gets sot in his way and usually thinks he must save the country by getting elected three or four times more. Habit is a great thing with politicians.

If Teddy can see the Punch and Judy show now going on in Washington, he must ache for just one more chance to get into action and we are only sorry he can't.

The fellows who yell the loudest about Newberryism used to think it was something good to eat. Yes, our tastes change the older we grow and sour stomach is apt to develop.

Alex won't argue with T. M. because Alex knows the people always play the game of follow the leader and T. M. don't. Yeh uh, when will the political aspirunts wake up to the fact that the people will yell but vote just like their grandad did.

If T. M. garners enough political sheaves to get "his name written there," he might accidentally give Alex a little trouble in his dreams if nothing more. Maybe Alex Hindenburg's line might be dented and some of his pill boxes captured.

When yau see a fellow hiding behind a biled shirt with a grin dividing his face latterally into two distinct hemispheres held together only by his clavical joint (ask Dr. Hammel to locate it) and with his lilly white hand waving like the red signal at the Ditty and I crossing, you may know he wants a third term.

The moon shines bright on the moonshine, sweetly smells the scent of new made mash. J. B. is stealing through the starlight, soon there'll be an awful crash, etc., etc. Gosh get onto the alliteration and excuse us for tresspassing on Wally Katz Home Blew. Goot Nicht. Quick, dodge the tommy-toes.

Reduce Your Production Costs

Farming, like every other business, must cut down the overhead.

It is not a question of being able to afford a Fordson; it is a question of being able to continue farming on the old too-costly basis.

The farmer's problem is not all a sales problem; it is also a production problem. He must cut down the cost of production.

The Fordson does more work at a lower cost and in less time than the old hand methods.

Let us give you the proof. Write, phone or call today.

WELFARE SOCIETY ORGANIZED.

The Lenawee County Postal Employees including Rural Carriers met at Wolf Lake August 6th for the purpose of organizing a welfare society in Lenawee County. Officers and committees were elected from 2nd, 3rd and 4th class officers. H. W. McClure was elected president of 2nd class officers.

Hon. Earl C. Michener paid a glowing tribute to the postal employees of this county, how they faithfully stuck to their jobs during the war at the same old salary and in this instance how deserving they were of the increase they had been given. Our worthy friend, Robt. Darnton, also gave a splendid address.

A picnic dinenr was enjoyed by all in attendance.

BRITTON DEPARTMENT

OBITUARY.

Russell J. Gibson, son of Frank and Serene Gibson, was born in Ridgeway, township, Lenawee Co. Michigan, June 24, 1902 and passed away at the home of his mother in Britton, July 31, 1922 at the age of 20 years, 1 month, 7 days. Two years ago he was stricken with tuberculosis. Every available means were employed to stay the disease, but, in spite of all the careful ministrations, received from those who loved him so dearly, it was not to be and the death angel claimed him as his victim.

He is survived by his mother and two brothers, Sam and Lloyd Gibson and an aged grandmother, Mrs. Eliza Zeluff and these together with numerous relatives keenly feel their loss. The father passed away eight years ago. When quite young Russell gave his life into the keeping of the Divine Master and united with the Christian church and since then followed closely in His footsteps. The fortitude with which he bore his long illness was remarkable and will be an incentive by all who knew him for better living. His kindly cheerful smile will ever be remembered by a large circle of friends.

The funeral services were held Wednesday p. m. at two o'clock at the home with Rev. J. C. DeRemer of the Christian church officiating. The pall bearers were Glen and Edward Gripton, William Underwood, Donald Exelby, Elmer Eberhart and Earl Smith. The Young People's Sunday School class of which he was a member a[illegible] honorary bearers. Beneath a bed of flowers that showed the love and esteem in which he was held, he was laid to rest in Ridgeway cemetery.

Those from away for the funeral were: Mr. and Mrs. Eugene Zeluff, Mrs. Geo Allen of Toledo, O.; Mr. and Mrs. Linas Zeluff and Betty Jane of Springleld, O.; Mrs. Ray Pocklington, Mrs Bert Mead of Tecumseh; Mr. and Mrs. C. F. PEOPLES STATE SAVINGS BANK SAFETY STRENGTH SERVICE BRITTON, MICH.

He'd Been Slapped!

"Were you ever pinched for going too fast?" asked the young lady. The sedate looking man replied: "No, but I've been slapped."

One thing sure. There is no danger of our bank going too fast. We believe in slow, sure, steady, conservative banking. We are taking no chances with the money of our depositors. We are unusually conservative about our loans, avoid speculation and always have a big reserve on hand for emergencies. It is "safety first" with us every day of the year.

TECUMSEH AND BROOKLYN MAIL.

We would respectfully say that for the last nine years the mail has been carried over this route, with two horse teams and covered carriages, three thousand one hundred and eighty-two times, with safety and dispatch, not an hours delay in any trip on account of storms, mud, snow drifts or cold weather. The way bills show their have been over twenty thousand packages carried over the route, with many thousand letters entrusted to be mailed, and passengers nearly every trip.

We are thankful to say there has not been a package or letter damaged or lost. Also there has not been an accident to stage, horses, passengers or driver—almost unparalled on a stage route of sixty-one thousand and forty miles travel.

In leaving, this turnpike road, which a large portion of the time has been a healthy and pleasant recreation, we wish to extend our cordial thanks to the citizens, also the hotels, printers and merchants, not omitting the postmasters, for their unfailing courtesy and unwearied patience which have marked our frequent calls for the last nine years.

On Monday the last day of June, 1879, our mail contract with the Department expired. With the best wishes for all, we leave the well remembered road with its pleasant associations, for our farm home at Cambridge Junction.

F. A. Dewey.

MODERNIZING THE OFFICE WORK.

The Herald believes in giving credit where credit is due and in constructive criticism whenever that can point out the place where the plain people can get better results from their public servants.

W dropped into the county drain commissioner's office the other day to look up some matters that possibly might not be easy to find and to our great pleasure the commissioner opened directly to it and laid the whole matter before us in a few seconds.

When inquqiry was made as to the cause of this efficiency we found that the old time methods of hand writing page after page into large books without sequence as to any particular drain had been supplanted by the loose leaf system of typewriting all the matter concerning each drain and binding the sheets together so that every step pertaining to that drain could be found by simply turning a few pages. One drain had thirty-nine typewritten pages in the complete set and if these were scattered the old way it would be a bally fine job to run the matter down.

Temporary and permanent books are maintained so that each drain while in the process of construction is always available in the temporary form and when complete is quickly bound and laid away.

Another feature was a huge wall map on which was marked in red every county drain in the whole county with its name and reference to its location. To locate the facts concerning any drain no matted how old, all that is necessary is to consult the map, get its legal name and turn immediately to the books where it can be found. These modern methods have enabled the commissioner to get out a vast amount of work right on time. No drains are held up over a couple of days after the application is in before the necessary papers are before the town board for action. Formerly drains have laid in office for a much longer time and in some cases this has reached years.

There is much credit due the present commissioner for modernizing the office and putting into operation a system that makes for office efficiency and gives the people service on their drain work.

AT THE BRADLEY.

"Man To Man" Soon To Be Shown Here.

"Man To Man" is the promising title of the Universal-Jewel attraction coming to the Bradley Theatre next Wednesday and Thursday, August 16-17.

It is a starring vehicle for Harry Carey, filmed with elaborate attention to the thrill qualities a Western story should provide.

A cattle stampede of five thousand head ought to furnish a kick for the jaded spectator. The Agoure ranch, a cattle grazing kingdom of great acreage near Universal City, California, was the scene of the stampede. The fenceless areas around Benson, Arizona, furnished a location for other thrilling scenes.

Jackson's Gregory's widely read novel, "Man To Man" gave the plot to the new Carey picture.

Saturday, August 12.

Full of the appeal that immortalized "Rip Van Winkle." So—

Stop wishing for the Moon; let Will Rogers give you a slice of the sun!

Step up to the bar of mirth and let Will Rogers serve you smiles.

No matter how tightly the door to your heart is locked, Will Rogers in "Honest Hutch" is the combination that will unlock it.

A picture with a special appeal for persons from 9 to 90.

You'll Never Forget This Scene As Long As You Live.

See the world's greatest emotional actress in this powerful, dramatic production — a picture that will bring vividly before your eyes the explosion of the geat dam—the terrible flood rushing down on an unsuspecting South African valley, sweeping all before it.

If the great log jam in "Conflict" took your breath away—then the flood in "Wild Honey" will petrify you; for here's a scene you'll never forget as long as you live! Don't miss it! Sunday and Monday, August 13-14.

Tecumseh Trims Adrian Shooters

Local Team Noses Out Victory By Small Margin. Big Crowd Out To See Fun. LeRoy Britton Runs Remarkable Score Of 49 Out Of 50.

Last Friday night the Adrian Gun Club Team came over to carry home the scalps of the local shooters but were defeated by the close margin of two targets.

Out of a total of 150 birds, Tecumseh got 112 and Adrian 110. The following is the score in the match shoot:

Name	Targets	Broke
Adrian.		
F. Harris	30	25
L. Harris	30	23
Clyde Harris	30	22
Geo. Harris	30	20
Hanover	30	20
Tecumseh.		
L. Britton	30	29
E. Harris	30	25
W. Damon	30	22
E. T. Armstrong	30	22
Mark Mills	30	14

In the miscellaneous shooting the following took part with the first number representing the number of targets and the second the number broke.

Aldrice 30-19; Whiting 20-5; Dr. Allen 65-51; Pollock 25-13; D. Wright 45-31; Wheeler 40-24; Horn 25-15; Spieker 30-7; Craig 30-23; Feldman 20-10; L. Harris 10-9.

There will be a shoot every Friday night to which all those who desire to either see the fun or take part are cordially invited to come. The gun club is organized to give everyone a chance to try his prowess with the elusive targets and it has the very best of management so that there is no danger and every convenience is provided for those who like to shoot. Get down the old "fusee" and come up and see how easy it is to miss them. As one man remarked, "It looks easy but it aint."

Tuesday's Shoot.

At Tuesday's shoot the first number is the number of targets and the second the number broken. Aldrich, 85-64; Egan, 75-44; Damon, 110-85, Horn, 55-41; Snyder, 40-29; Dr. Hammel, 65-44; VanTyne, 25-12; L. Harris, 60-52, Craig, 75-59, Britton, 75-65; Armstrong, 70-52; Dr. Moorman, 25-17.

O. D. McKEEVER SPOKE SUNDAY EVENING.

The Community Service Sunday evening was held at the Baptist church. Rev. Curtis with Miss Ethel Curtis at the piano conducted the song service at the opening of the meeting.

O. D. McKeever, one of the Chautauqua speakers, gave the address of the evening. He said "The best evidence of sunlight is the sun itself. The best evidence of a christian is the christian himself. Men will only be convinced by seeing a real sample of christianity. Never was there so easy a time in the history of the world to detect sin and fraud; never was it so easy to detect genuineness. If we want to win the respect of the outside world today we have got to show that we have been made new men and women with new desires and ambitions. If we profess we must live up to our profession so men will see there is a difference. The outside world knows the difference between things tied on and the genuine and respect the latter wherever it is found.

It is our duty to let God have His way with our lives according to His plans, and He will bring something beautiful out, whereas if we hold back part, our lives will be warped and not the blessing to the world they might be. The world needs lives ruled by God.

The men of history who have done great things have many times been poor, uneducated and deep in sin, God by His power pulls them up and makes their lives count for Him."

The meeting was very well attended and everyone enjoyed the splendid address.

The service next Sunday will be at the Friends church.
